## Harvest and Vehicle Movement Ban

### SMS Registration

Please find below my contact details for inclusion on the Shire of Kulin Harvest and Vehicle Movement Ban (HVMB) Register.

In signing this waiver, I acknowledge the following:

- The mobile telephone network for our district can sometimes be unreliable, and SMS and phone call reception may be sporadic and/or non-existent.
- It is my responsibility to ensure that I contact a Fire Control Officer, or the Harvest Ban Information line (9880 1511) should I believe that a harvest ban may be in place even though no SMS message has been received to my service.
- I accept that problems may occur from time to time with the system, with omissions or deletions being through staff input errors, electronic faults or phone network problems.
- It is my responsibility to ensure that my contact details are updated or reinstated as the case may be.
