7.3 Management Letter Provided by Auditors

RESPONSIBLE OFFICER: CEO

FILE REFERENCE: 12.05 Audit Return and Review

AUTHOR: CEO

STRATEGIC REFERENCE/S: Corporate Business Plan, Civic Leadership 4.1.1 a; CEO KRA 3.3 Financial

Management, 3.5 Integrated Planning

DISCLOSURE OF INTEREST: Nil

SUMMARY:

The audit of the 2018/19 Annual Financial Report was finalised by the Office of the Auditor General (OAG) on the 30 March 2020. The Annual Report was presented to the audit committee at a special meeting held at 3:00pm Wednesday 1 April 2020. During this meeting a teleconference was held with Kien Neoh (OAG Representative), Leanne Oliver (Byfields Audit Partner) and Vishal Desai (Byfields Audit Manager)

The auditors have provided a letter to management which outlines matters which need addressing by management to reduce potential risk in the future.

BACKGROUND & COMMENT:

The information provided by the auditors is outlined below in blue italics, management response is directly below each of the three matters.

KULIN LANDFILL FACILITY

Finding

We found that the Shire has not prepared a post closure and rehabilitation plan for one of its landfill facilities as requested by the Department of Water and Environmental Regulation ('DWER').

The Shire has a landfill facility located at Location 134428 (Crown Reserve 20485) Truebody Street, Kulin. DWER issued a Category 64 license to the Shire to accept putrescible waste from 1997. In 2015, the Shire requested a license amendment to remove their Category 64 licence and replace it with a Category 63 licence (Inert waste). Inert waste is now being deposited on top of the old putrescible landfill cells. As a part of this license amendment in 2015, a post closure and rehabilitation plan for the old putrescible landfill was requested by DWER.

As the Kulin landfill site is still active, we understand that the Shire has not acted on the DWER request to provide a post closure and rehabilitation plan since 2015.

Rating: Moderate

Implication

Without preparing the requested post closure and rehabilitation plan, the Shire may not be aware its obligations and the potential impact to its financial statements, should DWER require the Shire rehabilitate the land.

Recommendation

We recommend that Shire management immediately action DWER's request made in 2015 and engage an experienced and qualified environmental consultant to perform the landfill site investigation, and prepare post closure and remediation plan.

Management Comment

Management were initially unaware of the existing Category 64 license issued by the Department of Waste and Environmental Regulation in 1997. Management were also unaware of any outstanding requirement to provide DWER with post closure and rehabilitation plan as requested by DWER in 2015. Initially, management assumed that the work had not been completed and indicated to the Office of the Auditor General (OAG) that they intended to engage a consultant to prepare the plan to satisfy the requirement of DWER. However, after further investigation and subsequent conversations with the Shire's previous Manager of Works, Len Hobson, there is a belief that the landfill site has already been rehabilitated. Management will endeavour to resolve the issue and, if required, engage a suitably qualified consultant to assist the Shire to meet the requirements of DWER. It is intended that this work will be completed by 30 June 2020.

Responsible Person: Garrick Yandle (CEO) and Brendan Gerrard (EHO)

Completion Date: 30 June 2020

ASSET RENEWAL FUNDING RATIO

Finding

The Shire has not reported the Asset Renewal Funding Ratio for 2019, 2018 and 2017 in the annual financial report as required by section 50(1)(c) of the Local Government (Financial Management) Regulations 1996, as management considered the available information on planned capital renewals and required capital expenditure was not updated. The plans were prepared and approved in 2013.

Rating: Significant

Implication

By not reporting the asset renewal funding ratio, the Shire is not in compliance with section 50(1)(c) of the Local Government (Financial Management) Regulations 1996.

Recommendation

We recommend that, for future years, the asset renewal funding ratio be calculated based on updated Asset Management Plan and Long Term Financial Plan.

Management Comment

Tailis Consultants have been engaged to complete the following work:

- Review and update the existing Asset Management Plan (previously presented for comment July 2019, adopted December 2019) for 2019/20 – 2023/24
- Conduct revaluations of each class of asset (Plant & Equipment, Land & Buildings and Infrastructure, including roads).
- Conduct a review of the existing Long Term Financial Plan (LTFP) and prepare a revised LTFP 2019/20 2023/24

This work will be reviewed and adopted by Council in the late part of the 2019/20 financial year. The updated plans will include expenditure beyond a 10 year period and the Shire will meet the requirements of section 50(1)(c) of the Local Government (Financial Management) Regulations 1996.

Responsible Person: Garrick Yandle (CEO) Cassi-Dee Vandenberg (DCEO) Completion Date: 30 June 2020

PURCHASES QUOTATIONS

Finding

Based on our purchases testing, we noted instances where the purchases did not have sufficient numbers of supplier quotes as required under the Shire's purchasing policy, or there was no documentation to explain why other quotes were not sought.

Rating: Moderate

Implication

This is a non-compliance with the Shire's purchasing policy. It also increases the risk that its purchases may not achieve the best value for money outcomes.

Recommendation

We recommend that all authorised officers comply with the purchasing policy in regards to supplier quotations or document reasons why quotes were not obtained.

Management Comment

Adherence to the purchasing policy has been an ongoing issue over the years at the Shire of Kulin. Officer's with a purchasing delegation have an obligation to meet the requirements set out in the policy where ever practical. When an officer is unable to meet the requirements, as set out in the policy, they are to provide the Finance Officer with a file note which sets out why the minimum requirements were not met. The Finance Officer then compiles this information, along with the purchase order and the invoice which is being paid. These minimum requirements are not being met by officers and often the Finance Officer is forced to chase staff up so that the requirements of the purchasing policy are met. Training in this regard has been provided however regular training is required so that the Shire of Kulin is compliant with policy across all aspects of procurement.

The purchasing policy has been provided as an attachment for Councillors.

Responsible Person: Garrick Yandle (CEO) and all officers with delegated authority to make purchases Completion Date: Ongoing

OFFICER'S RECOMMENDATION

That the Management Letter provided as part of the audit of the 2018/2019 Annual Report and actions for each matter be accepted by Council.

VOTING REQUIREMENTS:

Simple Majority.

Attachment 7

7.4 DLGSC Response Regarding 2018-19 Financial Report

RESPONSIBLE OFFICER: CEC

FILE REFERENCE: 12.05 Audit Return and Review

AUTHOR: CEO

STRATEGIC REFERENCE/S: Corporate Business Plan, Civic Leadership 4.1.1 a; CEO KRA 3.3 Financial

Management, 3.5 Integrated Planning

DISCLOSURE OF INTEREST: Nil

SUMMARY:

The audit of the 2018/19 Annual Financial Report was finalised by the Office of the Auditor General (OAG) on 30 March 2020. The Annual Report was presented to the audit committee at a special meeting held at 3:00pm Wednesday 1 April 2020. During this meeting a teleconference was held with Kien Neoh (OAG Representative), Leanne Oliver (Byfields Audit Partner) and Vishal Desai (Byfields Audit Manager) The audit opinion described significant adverse trends and matters of non-compliance with the Local Government (Financial Management) Regulations 1996. These matters are discussed in detail below.

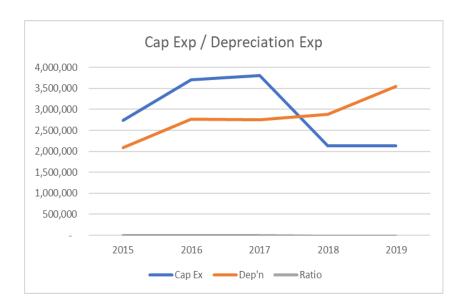

BACKGROUND & COMMENT:

Asset Sustainability Ratio

This ratio indicates whether the Shire is renewing or replacing existing nonfinancial assets at the same rate that its overall stock of assets is wearing out. It is calculated by measuring capital expenditure on renewal and replacement of assets relative to the rate of depreciation of assets for the same period. The Department of Local Government, Sport and Cultural Industries (the Department) Standard is met if the ratio can be measured and is 90% (or 0.90). The standard is improving if this ratio is between 90% and 110% (or 0.90 and 1.10).

The following table outlines the Shire of Kulin's total 'renewal/replacement' capital purchases compared to depreciation expense over the last five years. In 2016 and 2017 the Federal Government increased the R2R program funding by double which resulted in the Shire having to spend significantly more on road construction for those years. Regardless of the additional expenditure we would have met the Department's benchmark of 0.90 in these years. The impact of depreciation in the years following revaluations have negatively impacted this ratio and in particular the increase in depreciation following the infrastructure valuations in 2018.

Year	Cap Ex	Dep'n	Ratio	Comments
2019	2,130,098	3,555,499	0.60	
2018	2,126,798	2,886,530	0.74	Roads revalued, impact on dep'n in subsequent years
2017	3,805,848	2,749,106	1.38	Double allocation of R2R funding
2016	3,708,288	2,766,130	1.34	Double allocation of R2R funding
2015	2,745,520	2,090,512	1.31	Roads revalued, impact on dep'n in subsequent years

The Shire's Asset Consumption Ratio over the last three years has been 0.68, 0.70 and 0.68 compared to the Department's standard ratio of 0.50. The Department's Operational Guideline indicates that 'This ratio seeks to highlight the aged condition of a local government's stock of physical assets.' The Shire's ratio result shows that our physical assets are only 32% consumed and therefore you might consider our group of assets to be in relatively good condition. While we are not replenishing the assets (capital expenditure) which we consume (depreciate) during the year the assets are relatively new and in good condition.

Action:

Depreciation expense is based on accounting estimates and, after an increase in valuation in 2015 of \$16m and in 2018 of \$30m, it may indicate that the depreciation rates being used are too high. If depreciation rates were correct you would not expect that after 3 years (2015 -2018) the road valuation could increase by much more than CPI. The large increase could also indicate anomalies in valuation methodology in either the 2013, 2018 or both valuation processes that require further investigation and interrogation. The Asset Management Plan is in the process of being reviewed and in conjunction with this process we will be revaluing all classes of assets. Valuation methodology related to infrastructure and depreciation rates will be scrutinised to ensure accuracy.

Operating Surplus Ratio

In the Local Government Operational Guidelines Number 18 the Department described the Operating Surplus Ratio as a financial performance ratio which is a key indicator of a local government's financial sustainability. The Operating Surplus Ratio is calculated by:

(Operating Revenue-Operating Expenditure)
Own Source Revenue

A positive ratio indicates the percentage of total own source revenue available to help fund proposed capital expenditure, transfer to cash reserves or to reduce debt. A negative ratio indicates the percentage increase in total own source revenue (principally rates) that would have been required to achieve a break-even operating result.

Standard:

Basic Standard between 1% and 15% (0.01 and 0.15) Advanced Standard > 15% (>0.15).

Comment:

The depreciation expense posted each year has a significant impact on our operating result and we consistently post a loss based on this expense. As you can see in the table below we were achieving the standard in 2015 prior to the first round of infrastructure valuations impacting depreciation. In order to achieve the basic standard of this ratio we need a profit result equal to or higher than 10% of our own source revenue. The first challenge will be posting a profit result, the second will be achieving a profit level high enough to achieve the minimum standard.

2017/2018

	2019	2018	2017	2016	2015
Operating Surplus Ratio	(0.41)	(0.46)	(0.13)	(0.39)	0.051

Action:

During 2019/2020 we are reviewing our Asset Management Plan and our Long Term Financial Plan. In addition to this, and in conjunction with the review of our Asset Management Plan, we will be conducting revaluations on each of the levels of assets. We will do some analysis on appropriate depreciation rates to ensure the rates we are currently using are correct and to ensure that our depreciation isn't overstated.

Further to this, we will apply a higher level of scrutiny to our larger outlays of maintenance type work which we expense during the year. From time to time we make improvements to assets through a maintenance program and these expenditures are considered to be operating in nature rather than capital. When these expenditures are a genuine capital expense they will be moved to the balance sheet rather than expensed through the operating statement. While this additional scrutiny (and any consequent change in expense classification) will have a positive impact on our net result, the impact will be minimal with regards to the Shire achieving the basic standard of this ratio.

AUDIT & RISK COMMITTEE RECOMMENDATION

That Council accept the recommendation of the Audit & Risk Committee in accepting the report of significant matters as presented in the Auditor's Report for the 2018/2019 Annual Financial Report and authorising the CEO to prepare a letter to the Minister in response to the findings.

VOTING REQUIREMENTS:

Simple Majority.

7.5 2019 - 2020 Annual Budget Review

NAME OF APPLICANT: DCEO FILE REFERENCE: 12.04 AUTHOR: DCEO

STRATEGIC REFERENCE/S: 4.1 Strategic Community Plan – leadership

DISCLOSURE OF INTEREST: Nil

SUMMARY:

Regulation 33A of the *Local Government (Financial Management) Regulations 1996* requires local governments to carry out, between the 1 January and 31 March in each financial year, a review of its annual budget for that year.

BACKGROUND:

Local Governments are required to conduct a budget review between 1 January and 31 March each year. This is mandatory under Regulation 33A of the *Local Government (Financial Management) Regulations 1996*. The thrust of the legislation is to ensure local governments conduct at least a single budget review after the half way mark of the financial year and before the completion of the ninth month.

A budget review comprises a detailed examination of year to date actual results with Council's adopted budget. Regulation 33A (2) and (3) of the FM Regulations requires the results of the budget review to be submitted to Council within 30 days of the review. Council is then to give consideration to adopting the review (or part of) and associated recommendations.

Regulations 33A (4) states that within 30 days after Council has conducted its review, a copy and recommendations are to be provided to the Department of Local Government.

COMMENT:

The review is presented in the attached report. The Report seeks to identify and quantify:

- i) the forecast year-end major variances from the adopted budget;
- ii) matters arising not currently included in the adopted budget but which are recommended for consideration of inclusion in the budget;

The review process has been undertaken having regard for:

- i) actual revenues and expenditures for the first 9 months of the financial year, a necessary indicator to informed forecasts for the remainder of the year;
- ii) forecast revenue and expenditure levels for the remaining 3 months of the year;
- the more significant (in \$ terms) variances to budget rather than the many minor 'unders and overs' which, history has shown, will largely balance out;

How to read the attachments:

- Page one of attachment 8 is a summary overview of the adjustments made to the budget and how these affect the opening adopted surplus and present a forecast of the amended budget surplus at 30 June 2020. Each amendment is referenced with a letter which can be followed through the rest of the budget review document.
- Page two of attachment 8 is the Rate Setting Statement which shows the adopted budget in column one, YTD budget in column two and YTD actuals in column three. The amendments as per the summary page have been made in column five. These amendments have been worked through to last column which describes the proposed amended annual budget and closing surplus position.
- Pages three to seven describe all material variances across Council's operating and capital accounts. The rows highlighted in green represent an account which has been amended.

Please feel free to call and discuss and questions you may have, I am happy to take these prior to the meeting.

FINANCIAL IMPLICATIONS:

Nil

STATUTORY AND TOWN PLANNING IMPLICATIONS:

Local Government Act 1995 Section 6.2 Municipal Budget

Local Government (Financial Management) Regulations 1996 Regulation 33A

Regulation 33A Review of Budget;

- 1. Between 1 January and 31 March in each year a local government is to carry out a review of its annual budget for that year.
- 2. Within 30 days after a review of the annual budget of a local government is carried out it is to be submitted to the council.

AGENDA OF ORDINARY MEETING TO BE HELD 15 APRIL 2020

- 3. A council is to consider a review submitted to it and is to determine whether or not to adopt the review, any parts of the review or any recommendations made in the review.
- 4. Within 30 days after a council has made a determination, a copy of the review and determination is to be provided to the Department.

POLICY IMPLICATIONS:

Nil

COMMUNITY CONSULTATION:

Nil

WORKFORCE IMPLICATIONS:

COMPLIANCE

8.1 Compliance Reporting – General Compliance February 2020

NAME OF APPLICANT: CEO RESPONSIBLE OFFICER: CEO

FILE REFERENCE: 12.05 Compliance 12.06 – Accounting Compliance STRATEGIC REFERENCE/S: CBP 4.1 Civic Leadership, 4.1.8 Compliance methods

AUTHOR: CEO DISCLOSURE OF INTEREST: Nil

SUMMARY:

This report addresses General and Financial Compliance matters for March 2020. This process is not definitive, each month additional items and/or actions may be identified that are then added to the monthly checklist. Items not completed each month e.g. quarterly action - will be notations.

The report provides a guide to the compliance requirements being addressed as part of staff workloads and demonstrates the degree of internal audit being completed.

BACKGROUND & COMMENT:

The Compliance team and works staff commence the monthly compliance effort immediately after the Shire meeting each month. At that time, the Executive Support Officer will email the assigned staff member their compliance requirements for the coming month. As the month progresses, staff in conjunction with their manager, the CEO or DCEO will determine the extent of work/action needed to complete items. During Agenda week, the Compliance Team again meets to ensure the monthly report/list is reviewed and that compliance items are completed. In preparing the Agenda report, the CEO or DCEO will sign off on completed items.

Prior month items not completed previously will be reported in the following month so Council remains aware.

Outstanding June 2019

Staff Performance Reviews & KRA's - only 1 to be completed

Outstanding July

Disability Access and Inclusion Plan Review

LEMC Reporting

Outstanding October

Conduct Fire Training Day - as per LEMC minutes

Outstanding December

Review of Local Laws - process commenced

CEO Performance Review - rescheduled for June

Outstanding February

Compliance Audit Return - submitted 6 April

FINANCIAL IMPLICATIONS:

In terms of meeting compliance - normal administration expense. There may be items that require additional administrative effort to complete or require external assistance to resolve. In those cases, individual financial implications will be reported.

STATUTORY AND PLANNING IMPLICATIONS:

Nil

POLICY IMPLICATIONS:

Identified as necessary – this report Nil

COMMUNITY CONSULTATION:

Nil

WORKFORCE IMPLICATIONS:

Nil

OFFICER'S RECOMMENDATION:

That Council receive the General & Financial Compliance Report for February 2020 and note the matters of non-compliance.

VOTING REQUIREMENTS:

Simple majority required.

Carried 5/0

6. MATTERS REQUIRING DECISION

6.1 Annual Report 2018/19 – Auditors Report

NAME OF APPLICANT: DCEO RESPONSIBLE OFFICER: DCEO

FILE REFERENCE: 12.05 Audit Return and Review

STRATEGIC REFERENCE/S: Corporate Business Plan, Civic Leadership 4.1.1 a; CEO KRA 3.3 Financial

Management, 3.5 Integrated Planning

AUTHOR: CEO DISCLOSURE OF INTEREST: Nil

SUMMARY:

The Shire of Kulin Annual Report 2018/19 has been audited by Councils Auditor, Byfields on behalf of Office of the Auditor General. The Auditor has provided the Independent Auditor's Report. It should be noted that no issues of inaccuracy or non-compliance with the Shire's Annual Financial Report for the year ended 30 June 2019 have been identified.

BACKGROUND & COMMENT:

Each year, as part of Council's audit process, an Independent Audit is undertaken to assess Council's Annual Financial Report and the legitimacy and accuracy of Council's accounts.

An Independent Audit Report is then produced by the Auditor and provided to the Chief Executive Officer, President and the Minister, Department for Local Government. The Report is included in Council's Annual Report. Any issues arising from the Independent Audit Report are to be investigated and action taken to resolve those issues.

Council's Auditor, Ms Leanne Oliver and the OAG representative Kien Neoh, will attend a teleconference at 3.00pm to discuss the audit report and take questions from Audit Committee members.

6.2 Compliance Audit Return 2019 – Adoption

NAME OF APPLICANT: CEO RESPONSIBLE OFFICER: CEO

FILE REFERENCE: 04.02 Local Government Act & Returns

STRATEGIC REFERENCE/S: CBP 4.1 Civic Leadership, 4.1.8 Compliance methods

AUTHOR: CEO DISCLOSURE OF INTEREST: NIL

SUMMARY:

To present the Compliance Audit Return to the Audit and Risk Committee who adopt the report and make recommendation to Council.

BACKGROUND:

Each year all local governments across the State are required by legislation to undertake a compliance audit for the period 1 January to 31 December. This audit is performed against the requirements of the Compliance Audit Return prepared by the Department of Local Government covering the following business areas considered to be 'high risk':

- Commercial Enterprises by Local Government;
- Delegation of Power / Duty;
- Disclosure of Interest;
- Disposal of Property;
- Elections;
- Finance;
- Local Government Employees;
- Official Conduct; and
- Tendering for Providing Goods & Services

COMMENT:

The Audit and Risk Committee's consideration and endorsement of the Compliance Audit Return (addressing those areas identified as high risk) is required prior to the report being submitted to the Department of Local Government and Communities. A completed return for the year ended 31 December 2019 is due to the Department by the 31 March 2019.

Please note that the Risk and Audit Committee is required to review the completed CAR and report the results to the Council, prior to the CAR's adoption by Council and submission to the Department by 31 March 2020.

The Compliance Audit Return is attached for the Committee's and Council's consideration. Note the report was prepared by the CEO.

STATUTORY IMPLICATIONS:

Regulation 14 of the Local Government (Audit) Regulations 1996 provides:

- (1) A local government is to carry out a compliance audit for the period 1 January to 31 December in each year.
- (2) After carrying out a compliance audit the local government is to prepare a compliance audit return in a form approved by the Minister.
- (3A) The local government's audit committee is to review the compliance audit return and is to report to the council the results of that review.
- (3) After the audit committee has reported to the council under subregulation (3A), the compliance audit return is to be
 - (a) presented to the council at a meeting of the council; and
 - (b) adopted by the council; and
 - (c) recorded in the minutes of the meeting at which it is adopted.

Regulation 15 provides that:

- (1) After the compliance audit return has been presented to the council in accordance with regulation 14(3) a certified copy of the return together with
 - (a) a copy of the relevant section of the minutes referred to in regulation 14(3)(c); and
 - (b) any additional information explaining or qualifying the compliance audit,
 - (c) is to be submitted to the Executive Director by 31 March next following the period to which the return relates.

- (2) In this regulation, certified in relation to a compliance audit return means signed by;
 - (a) the mayor or president; and
 - (b) the CEO.

4.3 April Council Meeting & Annual Electors Meeting

NAME OF APPLICANT: CEO RESPONSIBLE OFFICER: CEO

FILE REFERENCE: 13.03 Governance

AUTHOR: CEO DISCLOSURE OF INTEREST: Nil

SUMMARY:

Council is required to hold a general meeting of electors once every financial year. 14 days local public notice of the date, time, place and purpose of the meeting is to be given.

Council's next Ordinary meeting date is Wednesday 15 April 2020.

COMMENT:

Once the Annual Report for 2018/19 has been adopted by Council, then there will be the ability to hold the Annual Electors Meeting on the same day as the scheduled April Meeting.

Proposed to set the time and date for the Annual Electors Meeting to be 12 noon Wednesday 15 April 2020.

Alternatively, it may be worth considering a later date as there may be more information and decisions required regarding COVID-19. Please note that the latest date the Annual Electors Meeting can be held is Tuesday 28 April 2020.

Section 5.55 of the *Local Government Act 1995* requires the CEO to give local public notice of the availability of the annual report as soon as practicable after the report has been accepted by the local government.

COMMENT:

Minutes of the RoeROC Meeting held 19 December 2019 were distributed.

RESOLUTION 01/0320

Moved Nat Manton Seconded Cr Alan Wright that the Minutes of the RoeROC Meeting held on 19 December 2019 be confirmed as a true and correct record.

Carried

Business Arising from the Minutes

Ashley Fisher has provided some RoeROC Waste data for August, September and October 2019. This will be sent out to the group with these Minutes.

Pascoe Durtanovich asked about the employment of the Emergency Management Officer, Mia Maxfield advised that nothing has happened as yet.

6. Presentations

Brendon Gerrard will provide some information on Covid-19 – see 8.3 Other Matters.

7. Matters for Decision

7.1 Finances – presented by Shire of Corrigin

Financial Report

Comments

RESOLUTION 02/0320

Moved Mia Maxfield Seconded Cr Alan Wright that the RoeROC Financial Statements as at 12 March 2020 indicating:

Bendering Refuse Site Balance - \$16,707.44 Environmental Health Service Scheme YTD Expenditure - \$172,486.70 be received.

Carried

8. Other Matters

8.1 Employment of Emergency Management Officer

Shire of Kondinin – for discussion

- Biggest issue being Council's are in different zones
- May be better for Corrigin to go with Brookton & Pingelly as same DFES zone
- Kondinin, Corrigin & Kulin are in Narrogin zone, Narembeen are separate
- Idea of the role would be the administrative work and manage legislative burden

Agreed – Nat Manton will follow up with Grant Hansen, DFES Narrogin to get an indicative job description and costings.

8.2 Meeting Dates 2020

Proposed dates:

18 June

17 September

17 December or 10 December

Agreed to adopt these dates, but assess where things are at closer to the time.

8.3 COVID-19 Discussion

Cr West attended a Mayors & Presidents Forum at WALGA on Monday, the primary concern being people coming back from overseas. He questioned what support would be available to our area and received a political response – probable that we would receive medical support.

Mia Maxfield asked the group what is the best avenue to access information quickly and is the most up-to -date. *Agreed through the Prime Minister Media Centre*.

Nat Manton commented that Local Government is an important communication vehicle and Corrigin are using the Prime Ministers message and Health Dept advice.

Noted the request from the Chief Health Officer for a list of authorised officers that may be required to assist police self-isolating requirements.

Pascoe Durtanovich – important to have the right information disseminated to your community. Narembeen will only have events with up to 30 people and have increased cleaning regimes,

Nat Manton – primary concern is with staff (some vulnerable) and they have put lines at counter for distance, aware that customer service staff and cleaners may have an increased risk coming into contact with people.

Cr West advised Kulin business are looking at home delivery. Community is mindful to look out for each other, particularly the elderly. The challenge being that elderly residents may not have access to the technology others do.

Corrigin staff will become familiar with video conferencing and will test ways to work from home.

Pascoe Durtanovich - going forward if any employees have to be isolated for 14 days would this be paid leave? Can we be consistent? Kondinin are following State Government procedures. Good information out from WALGA today who suggest making directives not policies to manage the situations.

Is Local Government considered an essential service? As the 3rd tier of Government then yes!

Nat would like confirmation that a works crew would be considered an essential service.

Mia Maxfield has spoken to Ashley Fisher, Avon Waste – his drivers all self-isolated in their own trucks and he doesn't foresee any issues with their service.

Brendon Gerrard EHO provided the following information:

- The email from the Chief Health Officer requiring notification of all authorised officers is important – it could mean he would be pulled away if things get worse
- May end up having to do other duties away from Roe communities
- Looking at uniqueness of role going around to all different Shires each week is concerning due to being present in different offices,
- Could be working on front line possibly putting shire officers at risk
- Emergency Management Act has a State Hazard Plan which outlines EHO specific duties
- There is space in Corrigin to work remotely and Brendon can make that call if needed

Criteria for self-isolation:-

Self isolation – for people who are confirmed cases Self quarantine – close contacts or back from overseas

NO going out in public and NO going to work.

Agreed Brendon will send out latest information from Department of Health

WALGA are a great fall back their website has links to all other specific websites. Agreed Nat Manton to ask WALGA to clarify if we are essential services.

Garrick Yandle – Local Government role will need to change its service delivery to manage communication and future needs.

Minister for Local Government has asked Councils to consider 0% rate increase this year.

8.4 Bendering Tip

Corrigin have been contacted by the Water Corporation in Narembeen who have 4 – 5 semi loads of junk to dispose of. What it actually is needs to be clarified and check if possible for it to be disposed of on their site so it doesn't have to be moved?

Agreed Nat to ask Lauren Pittman to investigate and gather more information.

8.5 Container Deposit Scheme

- Lauren has done some research with the group currently setting up the sites in Merredin and Narrogin
- Corrigin is a refund point although no-one has applied to do this yet
- Need to find a site
- Asked to partner with Pingelly
- There may already be 175 sites operational in WA so pressure might be off...

8.6 Road Networks

Garrick will be in contact soon regarding Secondary Freight Network.

Shire of Corrigin currently under pressure from transport companies wanting RAV 7's consistency and connectivity between shires.

Garrick suggested they can make them conditionally rated eg. from farm gate to major road.

Set up Regional Distributor Roads as RAV 7 and leave other roads RAV 4 or RAV 7 with conditions.

9. Closure

There being no further business the Chair, Cr Barry West declared the meeting closed at 2.03pm.

AUTOMATIC PAYMENTS HAVE BEEN SPECIFIED FOR YOUR ACCOUNT.

Bendigo Bank suggests you carefully check all entries on your statement. Apparent errors or possible unauthorised transactions are to be promptly reported to your branch. It is important that you notify Bendigo Bank of any disputed transactions as soon as possible as Bendigo Bank's ability to investigate disputed transactions and to subsequently process a chargeback in your favour is restricted by the time limits imposed under the operating rules of the applicable credit card scheme. If you wish to obtain further information about this product (including your chargeback rights) or you have a question or concern about your account or its operation please contact your local Bendigo Bank Branch (details supplied on the front of the statement).

All card transactions made in currencies other than Australian dollars will incur a fee of 3% of the transaction value. (Additional charges may apply for cash transactions.)

Note 8: FINANCIAL RATIOS

2 CURRENT RATIO YTD ACTUAL

Current assets means the total current assets as shown in the balance sheet
Restricted assets means assets that are committed or set aside (e.g.. Unspent grants)
Current liabilities means the total current liabilities as shown in the balance sheet
Liabilities associated with restricted assets means the lesser value of a current liability
or the cash component of restricted assets held to fund that liability

Calculated using the following formula;

current assets - restricted assets 2,874,869

current liabilities - liabilities associated with restricted assets

807,804

Ratio Measure:

short term obligations, where a ratio of **LESS THAN 1** indicates that Council may have a short term funding issue.

Ratings: 0.00 - 0.75 Very concerning

 0.75 - 1.00
 Vulnerable

 1.00 - 1.25
 Acceptable

 1.25 - 2.00
 Good

 2.00+
 Excellent

Financial Ratio Results 3.56

Comments

2 UNTIED CASH TO TRADE CREDITORS RATIO

YTD ACTUAL

Untied Cash means cash available for immediate use **Unpaid Trade Creditor**s means outstanding creditors

Calculated using the following formula;

untied cash 2,344,748

unpaid trade creditors

643,483

Ratio Measure:

immediate obligations, where a ratio of **LESS THAN 1** indicates that Council may have funding issues in the immediate future.

Ratings: 0.00 - 0.75 Very concerning

 0.75 - 1.00
 Vulnerable

 1.00 - 1.25
 Acceptable

 1.25 - 2.00
 Good

 2.00+
 Excellent

Financial Ratio Results 3.64

Comments EXCELLENT

3 DEBT RATIO YTD ACTUAL

Total Liabilities includes both current and non-current liabilities **Total Assets** includes both current and non-current assets

Calculated using the following formula;

 Total Liabilities
 2,255,336

 Total Assets
 111,211,935

Ratio Measure:

7 RATE COVERAGE RATIO

Net Rate Revenue = Rates, plus interest and other charges, less any discounts, concessions or rates written off during the year

Operating Revenue = all revenue for the financial year

Ratio Measure:

The higher the ratio, the higher the dependency on rates and less dependant the Shire is on government grants and other funding sources. It is argued that Councils with a higher rate coverage ratio find it easier to cope with unforeseen funding requirements and have more flexibility with their budget options because they have greater control over their revenue base via rate increases.

Calculated using the following formula;

	Ne	2,031,345	
	Ор	5,464,468	
Ratings:	0.00 - 0.20	Too Low

A21 PROCUREMENT PURCHASING AND TENDERS

Administration

PREAMBLE: The Shire of Kulin is committed to setting up efficient, effective, economical and sustainable procedures in all purchasing activities. This practice statement provides the Shire of Kulin with a more effective way of purchasing goods and services, ensures that purchasing transactions are carried out in a fair and equitable manner and strengthens integrity and confidence in the purchasing system.

The practice should deliver value for money, compliance, heightened governance, environmental impact analysis and when followed offer a degree of risk minimisation via sound probity principles.

OBJECTIVE: Firstly, to provide compliance with the Local Government Act 1995 and the Local Government Act (Functions and General) Regulations, 1996 (as amended in March 2007) and to deliver a best practice approach and procedures to internal purchasing for the Shire of Kulin.

PRACTICE: ETHICS & INTEGRITY

All officers and employees of the Shire of Kulin shall observe the highest standards of ethics and integrity in undertaking purchasing activity and act in an honest and professional manner that supports the standing of the Shire of Kulin.

The following principles, standards and behaviours must be observed and enforced through all stages of the purchasing process to ensure the fair and equitable treatment of all parties:

- full accountability shall be taken for all purchasing decisions and the efficient, effective and proper expenditure of public monies based on achieving value for money;
- all purchasing practices shall comply with relevant legislation, regulations, and requirements consistent with the Shire of Kulin Regional Price Preference Policy and the Code of Conduct;
- purchasing is to be undertaken on a competitive basis in which all potential suppliers are treated impartially, honestly and consistently;
- all processes, evaluations and decisions shall be transparent, free from bias and fully documented in accordance with applicable policies and audit requirements;
- any actual or perceived conflicts of interest are to be identified, disclosed and appropriately managed; and
- any information provided to the Shire of Kulin by a supplier shall be treated as commercial-inconfidence and should not be released unless authorised by the supplier or relevant legislation.

Value for money is an overarching principle governing purchasing that allows the best possible outcome to be achieved for the Shire of Kulin It is important to note that compliance with the specification is more important than obtaining the lowest price, particularly taking into account user requirements, quality standards, sustainability, life cycle costing, and service benchmarks.

An assessment of the best value for money outcome for any purchasing should consider:

- all relevant whole-of-life costs and benefits whole of life cycle costs (for goods) and whole of
 contract life costs (for services) including transaction costs associated with acquisition,
 delivery, distribution, as well as other costs such as but not limited to holding costs,
 consumables, deployment, maintenance and disposal.
- the technical merits of the goods or services being offered in terms of compliance with specifications, contractual terms and conditions and any relevant methods of assuring quality;
- financial viability and capacity to supply without risk of default. (Competency of the prospective suppliers in terms of managerial and technical capabilities and compliance history);
- a strong element of competition in the allocation of orders or the awarding of contracts. This is achieved by obtaining a sufficient number of competitive quotations wherever practicable.

Where a higher priced conforming offer is recommended, there should be clear and demonstrable benefits over and above the lowest total priced, conforming offer.

SUSTAINABLE PROCUREMENT

Sustainable Procurement is defined as the procurement of goods and services that have less environmental and social impacts than competing products and services.

The Shire of Kulin is committed to sustainable procurement and where appropriate shall endeavour to design quotations and tenders to provide an advantage to goods, services and/or processes that minimise environmental and negative social impacts. Sustainable considerations must be balanced against value for money outcomes in accordance with the Shire of Kulin sustainability objectives.

Practically, sustainable procurement means the Shire of Kulin shall endeavour at all times to identify and procure products and services that:

- have been determined as necessary;
- demonstrate environmental best practice in energy efficiency / and or consumption which can be demonstrated through suitable rating systems and eco-labelling;
- · demonstrate environmental best practice in water efficiency;
- are environmentally sound in manufacture, use, and disposal with a specific preference for
 products made using the minimum amount of raw materials from a sustainable resource, that
 are free of toxic or polluting materials and that consume minimal energy during the production
 stage;
- products that can be refurbished, reused, recycled or reclaimed shall be given priority, and those that are designed for ease of recycling, re-manufacture or otherwise to minimise waste.

For motor vehicles – select vehicles featuring the highest fuel efficiency available, based on vehicle type and within the designated price range;

For new buildings and refurbishments – where available use renewable energy and technologies.

PROCESS:

Where the value of procurement (excluding GST) for the value of the contract over the full contract period (including options to extend) is, or is expected to be:-

Amount of Purchase	Model Policy
Up to \$1,000	Direct purchase from suppliers not requiring any quotations, although one verbal quote could be obtained in most instances.
\$1,001 – \$5,000	Direct purchase from suppliers requiring only two verbal quotations.
\$5,001 - \$19,999	Obtain at least two written quotations
\$20,000 - \$49,999	Obtain at least two written quotations but where suppliers/contractors are available a minimum of three is required.
\$50,000 - \$149,999	Obtain at least three written quotations containing price and specification of goods and services (with procurement decision based on all value for money considerations).
\$150,000 and above	Conduct a public tender process.

^{*} Note: For purchase of specific plant and machinery parts up to value of \$5,000 refer to "Sole Source of Supply" criteria.

Where it is considered beneficial, tenders may be called in lieu of seeking quotations for purchases under the \$150,000 threshold (excluding GST). If a decision is made to seek public tenders for Contracts of less than \$150,000, a Request for Tender process that entails all the procedures for tendering outlined in this policy must be followed in full.

Up to \$1,000

Goods and services valued at up to \$1,000 do not require the conduct of a competitive process, although one verbal quote could be obtained in most instances, and the purchase must represent value for money.

\$1,001 to \$5,000

Where the value of procurement of goods or services does not exceed \$5,000, purchase on the basis of at least two verbal quotations is permitted. However it is recommended to use professional discretion and occasionally undertake market testing with a greater number or more formal forms of quotation to ensure best value is maintained.

This purchasing method is suitable where the purchase is relatively small and low risk.

Record keeping requirements must be maintained in accordance with record keeping policies. The Local Government Purchasing and Tender Guide contains a sample form for recording verbal quotations.

\$5,001 to \$19,999

This category is for the procurement of goods or services where the value of such procurement ranges between \$5,001 and \$19,999. At least two written quotations are required. Where this is not practical, e.g. due to limited suppliers, it must be noted through records relating to the process.

The general principles for obtaining verbal quotations are:

- ensure that the requirement / specification is clearly understood by the Shire of Kulin employee seeking the verbal quotations;
- ensure that the requirement is clearly, accurately and consistently communicated to each of the suppliers being invited to quote;
- read back the details to the Supplier contact person to confirm their accuracy;
- written notes detailing each verbal quotation must be recorded.

Record keeping requirements must be maintained in accordance with record keeping policies. The Local Government Purchasing and Tender Guide contains sample forms for recording verbal and written quotations.

\$20,000 to \$49,999

For the procurement of goods or services where the value exceeds \$20,000 but is less than \$49,999, it is required to obtain at least two written quotes (commonly a sufficient number of quotes would be sought according to the type and nature of purchase). Where sufficient suppliers or contractors are available the requirement shall be three written quotations.

The responsible officer is expected to demonstrate due diligence seeking quotes and to comply with any record keeping and audit requirements. Record keeping requirements must be maintained in accordance with record keeping policies.

NOTES: The general principles relating to written quotations are;

- an appropriately detailed specification should communicate requirement(s) in a clear, concise and logical fashion;
- the request for written quotation should include as a minimum:
 - written Specification;
 - o Selection Criteria to be applied;
 - o Price Schedule:
 - o Conditions of responding
 - Validity period of offer

- Invitations to quote should be issued simultaneously to ensure that all parties receive an equal opportunity to respond.
- Offer to all prospective suppliers at the same time any new information that is likely to change the requirements.
- Responses should be assessed for compliance, then against the selection criteria, and then value for money and all evaluations documented.
- Respondents should be advised in writing as soon as possible after the final determination is made and approved.

Note: The Local Government Purchasing and Tender Guide produced by the Western Australian Local Government Association (WALGA) should be consulted for further details and guidance.

\$50,000 to \$149,999+

For the procurement of goods or services where the value exceeds \$50,000 but is less than \$149,999, it is required to obtain at least three written quotations containing price and a sufficient amount of information relating to the specification of goods and services being purchased.

Record keeping requirements must be maintained in accordance with record keeping policies.

For this procurement range, the selection should not be based on price alone, and it is strongly recommended to consider some of the qualitative factors such as quality, stock availability, accreditation, time for completion or delivery, warranty conditions, technology, maintenance requirements, organisation's capability, previous relevant experience and any other relevant factors as part of the assessment of the quote.

Tender Exemption

In the following instances public tenders or quotation procedures are not required (regardless of the value of expenditure):

- an emergency situation as defined by the Local Government Act 1995;
- the purchase is under a contract of WALGA (Preferred Supplier Arrangements), Department of Treasury and Finance (permitted Common Use Arrangements), Regional Council, or another Local Government;
- the purchase is under auction which has been authorised by Council;
- the contract is for petrol, oil, or other liquid or gas used for internal combustion engines;

Any of the other exclusions under Regulation 11 of the Functions and General Regulations apply.

Sole Source of Supply (Monopoly Suppliers)

The procurement of goods and/or services available from only one private sector source of supply, (i.e. manufacturer, supplier or agency) is permitted without the need to call competitive quotations provided that there must genuinely be only one source of supply. Every endeavour to find alternative sources must be made. Written confirmation of this must be kept on file for later audit.

Note: The application of provision "sole source of supply" should only occur in limited cases and procurement experience indicates that generally more than one supplier is able to provide the requirements.

Anti-Avoidance

The Shire of Kulin shall not enter two or more contracts of a similar nature for the purpose of splitting the value of the contracts to take the value of consideration below the level of \$100,000, thereby avoiding the need to publicly tender.

Tender Criteria

The Shire of Kulin shall, before tenders are publicly invited, determine in writing the criteria for deciding which tender should be accepted.

Advertising Tenders

Tenders are to be advertised in a state wide publication e.g. "The West Australian" newspaper, Local Government Tenders section, preferably on a Wednesday or Saturday.

The tender must remain open for at least 14 days after the date the tender is advertised. Care must be taken to ensure that 14 full days are provided as a minimum.

The notice must include:

- a brief description of the goods or services required;
- information as to where and how tenders may be submitted;
- the date and time after which tenders cannot be submitted;
- particulars identifying a person from who more detailed information as to tendering may be obtained;

Detailed information shall include:

- such information as the Shire of Kulin decides should be disclosed to those interested in submitting a tender;
- detailed specifications of the goods or services required;
- the criteria for deciding which tender should be accepted;
- whether or not the Shire of Kulin has decided to submit a tender; and
- whether or not tenders can be submitted by facsimile or other electronic means, and if so, how tenders may so be submitted.

Issuing Tender Documentation

Tenders will not be made available (counter, mail, internet, referral, or other means) without a robust process to ensure the recording of details of all parties who acquire the documentation.

This is essential as if clarifications, addendums or further communication is required prior to the close of tenders, all potential tenderers must have equal access to this information in order for the Shire of Kulin not to compromise its duty to be fair.

Tender Deadline

A tender that is not received in full in the required format by the advertised Tender Deadline shall be rejected.

Opening of Tenders

No tenders are to be removed from the tender box, or opened (read or evaluated) prior to the Tender Deadline.

Tenders are to be opened in the presence of the Chief Executive Officer's delegated nominee and preferably at least one other Shire Officer. The details of all tenders received and opened shall be recorded in the Tenders Register.

Tenders are to be opened in accordance with the advertised time and place. There is no obligation to disclose or record tendered prices at the tender opening, and price information should be regarded as commercial-in-confidence to the Shire of Kulin. Members of the public are entitled to be present.

The Tenderer's Offer form, Price Schedule and other appropriate pages from each tender shall be date stamped and initialled by at least two Shire of Kulin Officers present at the opening of tenders.

No Tenders Received

Where the Shire of Kulin has invited tenders, however no compliant submissions have been received; direct purchases can be arranged on the basis of the following:

- a sufficient number of quotations are obtained;
- the process follows the guidelines for seeking quotations between \$50,000 & \$99,999 (listed above);
- the specification for goods and/or services remains unchanged;
- purchasing is arranged within 6 months of the closing date of the lapsed tender.

Tender Evaluation

Tenders that have not been rejected shall be assessed by the Shire of Kulin by means of a written evaluation against the pre-determined criteria. The tender evaluation panel shall assess each tender that has not been rejected to determine which tender is most advantageous.

Addendum to Tender

If, after the tender has been publicly advertised, any changes, variations or adjustments to the tender document and/or the conditions of tender are required, the Shire of Kulin may vary the initial information by taking reasonable steps to give each person who has sought copies of the tender documents notice of the variation.

Minor Variation

If after the tender has been publicly advertised and a successful tenderer has been chosen but before the Shire of Kulin and tenderer have entered into a Contract, a minor variation may be made by the Shire of Kulin

A minor variation will not alter the nature of the goods and/or services procured, nor will it materially alter the specification or structure provided for by the initial tender.

Notification of Outcome

Each tenderer shall be notified of the outcome of the tender following Council resolution. Notification shall include:

- the name of the successful tenderer
- the total value of consideration of the winning offer
- the details and total value of consideration for the winning offer must also be entered into the Tenders Register at the conclusion of the tender process.

Records Management

All records associated with the tender process or a direct purchase process must be recorded and retained. For a tender process this includes:

- tender documentation;
- internal documentation;
- evaluation documentation;
- enquiry and response documentation:
- notification and award documentation.

For a direct purchasing process this includes:

- quotation documentation;
- internal documentation;
- order forms and requisitions.

Record retention shall be in accordance with the minimum requirements of the State Records Act, and the Shire of Kulin internal records management policy.

Operating variances over the adopted materiality threshold

Account Cod	e Account Description	Budget	YTD Budget	YTD Actual	Variance \$	Variance %	Refer ence	. Comments
1031100	Grants Commission	-\$1,070,000.00	-\$802,500.00	-\$730,794.75	-\$71,705.25	8.94%		Current variance is under materiality threshold however at year end there will be a permanent variance of approximately \$100,000 for 19/20 allocation however it is generally accepted that FAGSs grants are paid in advance by about 50% meaning
1041050	REBATES RECEIVED	-\$5,000.00	-\$3,744.00	-\$11,527.75	\$7,783.75	-207.90%		that it is expected that we will receive more than what was budgeted for. Good driver rebate higher than expected, permanent variance Refund from insurance for the replacement of bush races marguee, expenditure
1042391	REIMBURSEMENTS - INSURANCE	\$0.00	\$0.00	-\$33,218.84	\$33,218.84	0.00%		occurred in the previous financial year. Reimbursement of expenditure in excess of our operating grant occurred this
1053010	ESL Bush Fires Allocation	-\$25,000.00	-\$18,750.00	-\$32,048.50	\$13,298.50	-70.93%		financial year and was not budgeted for.
								Higher than expected numbers, given the current health situations, numbers have gone down. Government's financial package to make childcare free could impact the centre in a positive way if the free positions are not utilised as revenue will be received regardless of numbers as long as centre open. Unable to determine the
1084010	Fees & Charges	-\$169,985.00	-\$127,485.00	-\$133,777.26	\$6,292.26	-4.94%		impact of this measure until funding amounts are disclosed. An issue with budget profile, timing is off. Full budget allocation will be received
1084020	Family & Childrens Grant	-\$52,500.00						this year.
1084100	Various Grants	-\$10,000.00	-\$7,497.00	-\$1,185.45	-\$6,311.55	84.19%		Lotterywest grant budgeted for but has not been applied for. Permanent variance. Rent for units where staff are housed was budgeted to be receipted in a different
1092150	RENTAL - JOINT VENTURE	-\$51,610.00	-\$38,709.00	-\$45,160.64	\$6,451.64	-16.67%		income account. Higher than budgeted pool usage, prudent budgeting however actual numbers are
I112450	Pool Slide Income	-\$16,200.00	-\$15,390.00	-\$18,653.62	\$3,263.62	-21.21%		similar to 18/19 Higher than budgeted pool usage, prudent budgeting however actual numbers are
1112480	SEASON PASS	-\$7,000.00	* - /	* ->-	+-,-			similar to 18/20
l113500	BAR SALES	-\$129,996.00	-\$97,497.00	-\$91,533.77	-\$5,963.23	6.12%		Below anticipated margin, as mentioned earlier, this will be investigated. Permanent variance of \$10,000. Full payment is made in one instalment at the
l122360	Government Grants	-\$190,838.00	-\$143,127.00	-\$203,560.00	\$60,433.00	-42.22%		beginning of the year but the budget has been spit even; yover 12 periods.
								Allocation of R2R has been increased by \$100,000, while the funding is above what was expected at the time of setting the budget the full allocation of funding
l121520	Roads to Recovery	-\$425,000.00	-\$318,750.00	-\$448,113.00	\$129,363.00	-40.58%	а	will exceed budget by approx 100k by year end.
l121750	BLACK SPOT	-\$99,000.00	-\$74,250.00	\$0.00	-\$74,250.00	100.00%		Black Spot work has not commenced, funding will be claimed in instalments in line with the progress of the project. It's difficult to pin point the exact reason for the higher than expected revenue, back roads program has had an effext on visitors and in conjunction with 'pay what you like scheme' our numbers at the caravan park continue to trise each year.
l132410	Caravan Park Charges	-\$20,000.00	-\$14,994.00	-\$27,162.92	\$12,168.92	-81.16%		As the park is now closed we will see a reduction in revenue but at this point in time we are exceeding the full budget allocation. The cost of photocopying/printing for the Kulin Bush Races was recouped to this
I134070 I134180	Photocopying PUBLIC TRAINING/COURSES	-\$4,500.00 -\$3,000.00	1. 7					account. Total expenditure and subsequent reimbursement was \$5,600 Income for GenAg attendees, matched with expenditure in E134130. Reimbursement for participants of the HV Pilot course expensed to account E134130, the course admission cost was the same as the cost to the shire for
I134220	OTHER INCOME	-\$2,000.00	-\$1,494.00	-\$11,044.07	\$9,550.07	-639.23%		providing the course.
I134500	GRANTS - CRC OPERATIONAL	-\$100,000.00	-\$74,997.00	-\$133,688.44	\$58,691.44	-78.26%	b	An additional \$30,000 has been paid as part of our operational grant for the provision of wages for two traineeship staff. This is a permanent variance. Revenue from the sale of water is much higher than expected due to having a dry year. As the software which records standpipe water usage was not working properly at the beginning of the year we have not been able to recover all of the
I136010	SALE OF STANDPIPE WATER	-\$25,000.00	-\$18,747.00	-\$55,687.37	\$36,940.37	-197.05%	b	water charges.
