SUMMARY

For Council to consider and amend the fourth instalment due date for 2026/27 rates and service charges from 26 March 2027 to 2 April 2027, to ensure compliance with section 6.50(3) of the *Local Government Act 1995*.

BACKGROUND & COMMENT

The 2026/27 Annual Budget was adopted by Council on 29 July 2026. After adoption, management noticed an error in Note 2(b) Interest Charges and Instalments – Rates & Service Charges. Note 2(b) lists the following due dates for Option 3 (Four Instalments):

First Instalment	25 September 2026
Second Instalment	27 November 2026
Third Instalment	29 January 2027
Fourth Instalment	26 March 2027

The fourth instalment due date does not comply with s6.50(3) of the *Local Government Act 1995* which requires an interval of 2 months between instalment due dates. The interval between the third and fourth instalments is less than 2 months.

To rectify this error, management proposes changing the fourth instalment due date to 2 April 2027.

9.4 Adoption of 2026/2027 Annual Firebreak Order

Responsible Officer:	Chief Executive Officer

Strategic Reference:	<i>Shire of Kulin Strategic Integrated Plan 2025-2035</i> – Goal 9 – Protection of Natural and Built Assets
Disclosure of Interest:	Nil
Attachment:	Attachment 3 – Shire of Kulin Firebreak Order for 2026/2027 fire season

SUMMARY

Council is requested to consider adoption of the Shire of Kulin Firebreak Order for the 2026/2027 fire season pursuant to Section 33 of the *Bush Fires Act 1954*.

The Firebreak Order has been updated to continue and refine provisions for Registered Grain Out-Loading Hard Stand Areas, which were first introduced as part of the 2025/2026 Firebreak Order. The revised provisions reflect feedback from the 2025/2026 harvest period and discussion at the Annual Meeting of Bush Fire Brigades held on 31 March 2026.

BACKGROUND & COMMENT

The Shire of Kulin issues an annual Firebreak Order under Section 33 of the *Bush Fires Act 1954*. The Order sets out the requirements for all owners and occupiers of land within the district to install and maintain firebreaks and undertake other fire prevention measures by 31 October each year.

Grain out-loading hard stand areas were first introduced as part of the 2025/2026 Firebreak Order to provide landowners, particularly those using contractors, with an approved and managed option for completing grain out-loading during periods when a Harvest and Vehicle Movement Ban (HVMB) is in place.

At the Annual Meeting of Bush Fire Brigades held on 31 March 2026, the 2025/2026 arrangements were reviewed and there was general support for continuation of the system for the 2026/2027 harvest, with discussion focused on strengthening objective risk management measures within the policy framework and approval conditions.

FINANCIAL IMPLICATIONS

An annual registration fee of \$250 plus GST will be charged for each registered grain out-loading hard stand site, providing a modest revenue stream to offset administrative and inspection costs. This charge was adopted by absolute majority by Council during the review of 2026/2027 User Fees & Charges in June 2026 (Resolution 09/0626).

STATUTORY AND PLANNING IMPLICATIONS

Pursuant to section 33 of the *Bush Fires Act 1954*, local governments may require landowners and occupiers to establish and maintain firebreaks.

POLICY IMPLICATIONS

Shire of Kulin Strategic Community Plan – “*Safe and resilient community.*”

COMMUNITY CONSULTATION

Fire Control Officers AGM 31 March 2026

RISK IMPLICATIONS

Adoption of the 2026/2027 Firebreak Order mitigates bushfire risk by maintaining clear, enforceable fire prevention requirements across rural and townsite land prior to and during the fire season.

Continuing the Registered Grain Out-Loading Hard Stand Area provisions provides a managed framework for grain out-loading during periods when a Harvest and Vehicle Movement Ban is in place, while strengthening operational controls following the 2025/2026 harvest review.

The 2026/2027 requirements reduce risk by requiring bare-earth standards around ignition sources, annual site registration, GPS identification, inspection rights for Fire Control Officers, and a dedicated attended fire unit during out-loading operations.

The ability for authorised fire officers to suspend out-loading without notice where conditions warrant, including during active fire incidents or catastrophic fire weather forecasts, provides an additional safeguard to protect life, property, volunteers and the broader community. The residual risk is considered manageable where landowners comply with the Firebreak Order and registered site conditions are monitored and enforced by the Shire.

OFFICER'S RECOMMENDATION

That Council:

1. Adopts the Shire of Kulin Firebreak Order for the 2026/2027 fire season;
2. Notes that the Firebreak Order will be published in accordance with Section 33 of the *Bush Fires Act 1954*; and
3. Provides delegated authority to the Chief Executive Officer to administer and determine applications for licensed grain out-loading hard stand areas.

VOTING REQUIREMENTS

Simple majority.

9.5 Request to Initiate a Review of Local Law for Shire of Kulin

Responsible Officer:	Chief Executive Officer
File Reference:	19.03
Author:	Alan Leeson – Chief Executive Officer
Strategic Reference:	<i>Civic Leadership – 11 High Standard of Governance</i>
Disclosure of Interest:	Nil
Attachment:	Nil

SUMMARY

The transitional provisions in clause 65 of Schedule 9.3 of the *Local Government Amendment Act 2024* require local governments to review all local laws within a two (2) year period, prior to 7 December 2026, unless a review of the local law occurred within the last eight (8) years.

At the July 2026 Ordinary Council Meeting Council took the opportunity to initiate a review all of the Shire of Kulin's local laws at the same time in consideration of efficiency and alignment of timing. That process has commenced with relevant public notices being given in accordance with section 3.16 of the *Local Government Act 1995*.

Council is asked to confirm it initiates a review of the Shire of Kulin Animals, Environment and Nuisance Amendment Local Law 2016 ("2016 AEN Local Law"). This local law was reviewed in 2018 by the *Shire of Kulin Animals, Environment and Nuisance Amendment Local Law 2018* ("Amendment Law").

The 2016 AEN Local Law is essentially the 'principal law' referred to in and amended by the Amendment Law and intended to be part the review but was not specifically mentioned in the report considered by Council. For completeness of the intention to initiate a review of *all* local laws, Council is requested to confirm it resolves to initiate a review of that local law.

BACKGROUND & COMMENT

Clause 65 of Schedule 9.3 of the *Local Government Amendment Act 2024* requires a review of any local laws that have not been reviewed within the last eight (8) years prior to 7 December 2026 or they will automatically lapse.

Given Council's intention to take the opportunity to review all of its local laws concurrently, Council is requested to confirm it resolves to initiate a review of the 2016 AEN Local Law.

Following conclusion of the public notice periods, any submissions received will be reviewed and presented to Council for consideration, including the officer's recommendation regarding the retention, amendment or repeal of any of the local laws.

Council will then be required to determine by absolute majority whether the local law/s should be repealed, be amended or remain unchanged. Should Council resolve to amend a local law, necessary next steps will include advertising any proposed draft local law for the relevant statutory period to allow for public comments prior to publication in the Gazette and provision to the Department of Local Government, Industry Regulation and Safety.
