7.3 Emergency Management MoU – Updated Draft CCZ Document

NAME OF APPLICANT: CEO FILE REFERENCE: 09.05 AUTHOR: CEO

STRATEGIC REFERENCE/S: Emergency Services

DISCLOSURE OF INTEREST: Nil

SUMMARY:

Council is asked to endorse the Shire President and Chief Executive Officer having authority to sign the next iteration of the Local Government Memorandum of Understanding for the Provision of Mutual Aid during Emergencies and Post Incident Recovery (MOU) as detailed in Attachment 3 to:

- Facilitate the provision of mutual aid between partnering Local Governments (LG) during emergencies and post incident recovery.
- Enhance the capacity of our communities to cope in times of difficulty.
- Demonstrate the capacity and willingness of participating LGs to work co-operatively and share resources within the region.

BACKGROUND & COMMENT:

This matter was considered at the WALGA Central Country Zone meeting held on 25 November 2022. The following email was received on 3 February:

Dear CEO's

Further to the Central Country Zone meeting held on 25 November 2022, where the following was resolved in relation to the Emergency Management MoU.

- CEO of the Shire of Corrigin, to provide a new draft clause on specific requests for the MoU to WALGA.
- The Executive Officer will circulate and request Local Governments to consider extending the MoU review date to 5 years.
- The Executive Officer is to then circulate the updated MoU to the Zone.

Please find attached an updated, draft MoU with a proposed new item 3 on page 2, in respect to the Allocation of Resources by each Local Government. In addition the Term of the MoU has been extended to 30 June 2028.

Expiring in June will allow the MoU to be reviewed prior to the peak emergency season of November to March.

If you can obtain your Councils consideration of this, we can take the MoU to the meeting of the Zone on 14 April 2023.

The current MOU has been in operation since 2019 with no known issues. It was to some effect used during the Narrogin East Bushfire, which involved the Shires of Cuballing, Wickepin and Narrogin. Authority is being sought for the Shire President and Chief Executive Officer to be granted permission to sign the next version of the MOU.

FINANCIAL IMPLICATIONS:

Should Council respond to a request from a LG in the Central Country Zone, the Shire costs would relate to staff salary/wages whilst assisting in the emergency and any loss, damage or cost associated with the provision of support (i.e. plant, equipment, Protective clothing etc.), unless otherwise agreed in writing.

In many instances the loss of plant and equipment would be covered under the Shire's insurance, however there may be an insurance excess on particular plant or equipment that the Shire may have to meet.

The LG requesting the assistance will be responsible for all incidental cost associated with the provider's personnel and equipment such as catering, accommodation, WHS, transport, fuel and storage.

STATUTORY AND PLANNING IMPLICATIONS:

7.4 Policy Amendment – APOG W1 – General – Works Practices

NAME OF APPLICANT: CEO RESPONSIBLE OFFICER: CEO

FILE REFERENCE: 04.04 Corporate Management – Policy Adoption

AUTHOR: CEO

STRATEGIC REFERENCE/S:
DISCLOSURE OF INTEREST: Nil

SUMMARY:

For Council to consider amending Policy W1 – attached, and adopting a standing alone Policy which deals with Deep Drainage applications through the Commissioner of Soil and Land Conservation in more detail.

BACKGROUND & COMMENT:

Over the past four months Councils Executive Management have been liaising with the Commissioner of Soil and Land Conservation with respect to a deep drainage project on private land in the eastern sector of the Shire. The Shires involvement relates only to activity within the Shires road reserves.

The primary objective of the proposed policy is to protect Council's infrastructure and provide greater clarity for all stakeholders in terms of deep drainage that impacts upon Council road reserves and associated infrastructure.

The proposed policy will provide for a stronger and clearer planning and implementation framework, in effect by ensuring all parties to any application for deep drainage are clearly aware of the Shire's considerations and requirements relative to the Notice of Intention to Drain and associated considerations relative to the impact on Councils Road Reserve's and associated infrastructure.

7.5 RAV Access to Clayton Road (Shire Of Kulin)

RESPONSIBLE OFFICER: Alan Leeson Acting CEO

FILE REFERENCE: 28.04

AUTHOR: Judd Hobson, Manager of Works

STRATEGIC REFERENCE/S: Kulin SCP 25 - Transport

DISCLOSURE OF INTEREST: Nil

SUMMARY:

Terra Donna Farms (the applicant) of west Kulin applied to Heavy Vehicle Services (HVS) at Main Roads WA to have various roads in the western portion of the Shire upgraded to RAV 7 (Restricted Access Vehicle).

In context, upgrading to a RAV 7 means increasing the total length of a prime mover and trailers from 27.5 metres (RAV4) to a maximum length of 36 metres (RAV 7)

This is a typical RAV 7 Configuration

BACKGROUND & COMMENT:

The Shire receives several applications for RAV upgrades each year and are asked to provide comment on road geometry and conditions to help Heavy Vehicle Services (HVS) make an assessment and ultimately a decision as to whether the road is suitable for the RAV network upgrade as requested by the applicant.

In October 2022 the Shire received notification from HVS that Terra Donna Farms had applied to have the following roads upgraded to RAV7;

- Sparks Road
- Eighty Six Gate Road
- Clayton Rd
- Swainston Road
- Yealering Kulin Road
- Jitarning North Road
- Dudinin Road
- Rabbit Proof Fence Road.

After an inspection by the Manager of Works a return email response was sent through to HVS providing feedback on road geometry and conditions as to the suitability of the subject roads to be upgraded to RAV 7.

On this occasion the above mentioned roads were advised they could be upgraded with the exception of;

- Jitarning North Rd- where further assessment should be carried out due to vertical and horizontal
 alignment,
- Swainston Rd- vertical alignment and narrow road width,

• Clayton Rd- narrow road width and horizontal alignment on approach to Sparks Rd at the southern end.

On receiving HVS response they believe that Clayton Road is suitable for RAV 7 upgrade with the conditions of 60km/h speed limit and restricting all turning movements at Sparks / Clayton intersection, except right turn into Clayton Rd.

In the authors view Clayton Road poses an unacceptable risk to motorist's due to the narrow width and the vertical alignment at the Sparks Rd intersection. The author is of the view there are other options that the applicant can investigate for RAV access to their property.

STATUTORY AND PLANNING IMPLICATIONS:

Restricted Access Vehicle Network management and Administration

FINANCIAL IMPLICATIONS:

There are no direct financial implications for Council in consideration of this matter. Should further investigation be required and subsequent road upgrades be required in order for the identified road deficiencies be upgraded to comply with RAV movements, Council would then need to consider this matter further as to the cost and benefit.

POLICY IMPLICATIONS:

Shire of Kulin APOG - W10 Restricted Access Vehicles

COMMUNITY CONSULTATION:

Verbal discussion with Tim Barndon from Terra Donna Farms

WORKFORCE IMPLICATIONS:

Nil

RECOMMENDATION:

That Council;

- 1. Advise Main Roads WA Heavy Vehicle Services that it does not support the upgrade of Clayton Road to a RAV 7 on the Restricted Access Vehicle Network due to narrow road width and horizontal alignment on approach to Sparks Road at the southern end of Clayton Road;
- 2. Request the Manager of Works to consult further with the applicant with respect to RAV access to the applicant's property.

VOTING REQUIREMENTS:

7.6 Proposed Excision of Portion of Reserve 22739 (Lot 211 on DP 180616)

NAME OF APPLICANT: Department of Planning, Lands and Heritage

RESPONSIBLE OFFICER: CEO FILE REFERENCE: 18.04 AUTHOR: CEO DISCLOSURE OF INTEREST: Nil

SUMMARY:

The Department of Planning, Lands and Heritage (DPLH) has written, with a view to Council formally initiating a request to excise the western portion of Reserve 22739 (Lot 211) into the adjacent freehold Lot 2 owned by Cooperative Bulk Handling (CBH).

The reason in part of CBH 's infrastructure (bulkheads) has been built over portion of Reserve 22739 (refer to attached map/markup.)

BACKGROUND & COMMENT:

This matter was considered by Council at its Ordinary Meeting held on the 15 February 2017. For some reason it appears the matter has sat idle with DPLH for the past five years.

Council minute 08/0217 - OCM 15th February 2017:-

6.5 Proposed Freehold Acquisition – Request from CBH Group

NAME OF APPLICANT: Department of Lands

RESPONSIBLE OFFICER: CEO
FILE REFERENCE: 18.04
AUTHOR: CEO
DISCLOSURE OF INTEREST: Nil

SUMMARY:

The Department of Lands has received a request from CBH Group to purchase Lots 288 and 278 which form Reserve 32765 and Portion of Road Reserve in freehold. See attached map.

BACKGROUND & COMMENT:

Their proposal is to amalgamate Lot 288 into Lot 2 on Diagram 36513 and amalgamate Lot 278 into Lot 213 on Deposited Plan 180616.

The Shire has gone through the necessary procedures to close portion of Williams Kondinin Road No. 6321 for amalgamation into freehold Lot 2 on Diagram 36513.

There are no known objections or views as such - the matter is open for Council to determine a position.

There are two queries in the proposal that DoL should clarify before amalgamation takes place;

- The map does not clearly delineate if a road closure is required alongside the north west portion of Reserve 160186 (the dashed red line – shown on the photo as a solid red line)
- If Reserve 22739 should be changed to exclude the portion that currently houses part of the outside bulk storage bin.

08/0217

Moved Cr Robins Seconded Cr Taylor that Council indicate no objections be provided to the amalgamation; Department of Lands be requested to comment on;

- if a road closure is required alongside the north west portion of Reserve 160186 (the dashed red line shown on the photo as a solid red line);
- If Reserve 22739 should be changed to exclude that portion that currently houses part of the outside bulk storage bin; and
- Request clarification on preferred treatment of outside bin positioned on the boundary line.

Carried 9/0

11.1 Proposed Purchase of new ULP/Diesel Dispenser at Fuel Facility

RESPONSIBLE OFFICER: Acting Chief Executive Officer

FILE REFERENCE: 23.04 Fuel Facility

AUTHOR: Acting Chief Executive Officer

STRATEGIC REFERENCE/S: DISCLOSURE OF INTEREST: Nil

SUMMARY:

Council to consider using reserve funds to purchase a new ULP/Diesel dispenser at the fuel facility.

BACKGROUND & COMMENT:

The installation of the new high flow diesel bowser along with the final work being completed on the tank gauging equipment was carried out this week. This now gives access to the web portal which shows tank inventory and leak detection alarms. When the leak detection equipment was connected it identified a voltage return issue with the ULP/Diesel bowser. There was 44V of electricity flowing through the system when the ULP nozzle set in the bowser, when it should be zero. In the short term the leak detection equipment will be disabled.

Fuelquip have been requested to provide a written recommendation on how best to fix this issue, which could be the requirement to replace the ULP/Diesel bowser.

FINANCIAL IMPLICATIONS:

Council has not budgeted for this purchase, however the Fuel Facility Reserve has a current balance of \$53,000 with \$20,000 already allocated to Tank Gauging Equipment.

Estimated cost is \$20,000 - \$25,000.

11.2 Appointment of Acting CEO

RESPONSIBLE OFFICER: Acting Chief Executive Officer

FILE REFERENCE: 13 Governance

AUTHOR: Acting Chief Executive Officer

STRATEGIC REFERENCE/S: DISCLOSURE OF INTEREST: Nil

SUMMARY:

Acting CEO Alan Leeson is taking leave from Monday 20 February to Tuesday 7 March 2023 and will be overseas. An Acting CEO will need to be appointed during this time.

BACKGROUND & COMMENT:

Shire of Kulin Register of Delegations allows the CEO to appoint the Deputy Chief Executive Officer as Acting CEO during a period of absence.

Due to the return from maternity leave this week of Cassi-Dee Lewis (on a part time basis) and given that her role and that of current Acting DCEO Fiona Murphy have not yet been formally clarified, Council endorsement is sought to appoint Fiona Murphy as Acting CEO during Alan Leeson's absence.

FINANCIAL IMPLICATIONS:

A higher hourly rate is paid to the relieving officer for the period of relief work.

STATUTORY AND PLANNING IMPLICATIONS:

The Shire is required to have an appointed CEO (acting or relieving) at all times to hold the statutory authorities for the organisation.

POLICY IMPLICATIONS:

Nil

WORKFORCE IMPLICATIONS:

No other major implications.

RECOMMENDATION:

That Fiona Murphy be appointed Acting CEO for the period 20 February to 7 March 2023.

VOTING REQUIREMENTS:

Simple majority required.

13/0223

Moved Cr Smoker Seconded Cr Lucchesi that Fiona Murphy be appointed Acting CEO for the period 20 February to 7 March 2023.

ACEO Alan Leeson left the Council Chambers at 2.14pm

At the invitation of Council Mr John Merrick entered the Council Chambers at 2.15pm.

NAME OF APPLICANT: Council FILE REFERENCE: 22.10 AUTHOR: ESO

STRATEGIC REFERENCE/S: Kulin SCP 25 - Human Resources

DISCLOSURE OF INTEREST: Nil

SUMMARY:

Council is to:

- 1. Consider endorsement of a Job Description, Advertisement and Application/Information Package for the Local Government's position of Chief Executive Officer;
- 2. Determine the structure and membership of a committee of Council to undertake the selection and employment of the Chief Executive Officer (the selection panel).

BACKGROUND & COMMENT:

The recruitment process for a new Chief Executive Officer will be guided by Council's Policy HR2 – Standards for CEO Recruitment, Performance and Termination. This policy was adopted in July 2021 following the *Local Government (Administration) Amendment Regulations 2021 (CEO Standards Regulations)* which came into effect on 3 February 2021 under section 22 of the Local Government Legislation Amendment Act 2019 regarding the model standards for CEO recruitment, performance and termination.

The Model CEO Standards provide a framework for local governments to select a CEO, review performance and terminate a contract of employment early, in accordance with the principles of merit, probity, fairness, equity and transparency.

The regulations include the requirements to:

- establish a selection panel comprised of council members and at least one independent person to conduct the recruitment and selection process for the position of CEO;
- establish a performance review process by agreement between the local government and the CEO; and
- conduct a recruitment and selection process where an incumbent CEO has held the position for a period of ten
 or more consecutive years on expiry of the CEO's contract.

The selection panel must comprise of:

- a) council members (number to be determined); and
- b) at least one independent person.

An independent person means a person other than any of the following:-

- a) a council member;
- b) an employee of the local government
- c) a human resources consultant engaged by the local government.

President Robins and Deputy President Smoker have meet with John Merrick Consulting to prepare a Job Description, an Advertisement and an Applicants/Information Package for Council to consider and if approved can then proceed with advertising the position.

John has advised of his availability to assist Council with the CEO recruitment process and can act as the independent person if Council so wished.

STRATEGIC IMPLICATIONS:

- Local Government Act 1995
- 5.39A Model standards for CEO recruitment, performance and termination
- Regulation 18A(2)(da) which provides that the State-wide public notice must include a website address where a job description form (JDF) for the position can be accessed.
- Regulation 18FA which sets out the model standards for local governments in relation to the
- recruitment, performance review and termination of employment of a local government CEO.
- Schedule 2 (Clauses 3-14) of the Local Government (Administration) Amendment Regulations 2021
- Regulations Division 2 Clause 5 Standards for recruitment of CEO's (Standard 1.2)
 - Clause 5 deals with determining the selection criteria for the position of CEO. It is a requirement that the local government base the selection criteria on the necessary skills, knowledge, experience and qualifications necessary to effectively perform the role and responsibilities associated with the position.
 - The local government must approve (by absolute majority) a job description form (JDF) that sets out the duties and responsibilities of the position and the selection criteria.

- Regulations Division 2 Clause 8 Establishment of selection panel for employment of CEO (Standard 1.3)
 - Clause 8 requires a local government to establish a selection panel to conduct the selection and recruitment process for appointment of a person to the position of CEO.
 - It is recommended that an independent person have relevant experience in the recruitment and selection of CEO's and / or senior executives. It is the role of the selection panel to recommend one or more suitable applicants to the position of CEO based on the selection criteria outlined in the JDF.
 - It is at the discretion of the local government to determine the number of people on the selection panel.

- 2. Endorse the Advertisement for the position of Chief Executive Officer;
- 3. Endorse the Application/Information Package for the position of Chief Executive Officer; and
- 4. Appoint a Committee of Council to undertake the recruitment and selection process for the Chief Executive Officer ('the Recruitment Committee'), made up of:
 - Cr Robins
 - Cr Smoker
 - Cr Gangell
 - Cr West
 - Cr Varone
 - Cr Bowey
 - Cr Noble
 - Cr Lucchesi
 - Cr Mullan
 - John Merrick independent person.

VOTING REQUIREMENTS:

11.3 Extension of Prohibited Burning Period

RESPONSIBLE OFFICER: Acting Chief Executive Officer 09.02 Bushfire Administration Author: Acting Chief Executive Officer

DISCLOSURE OF INTEREST: Nil

SUMMARY:

Due to forecast weather conditions it is recommended that the prohibited burning period be extended to 28 February 2023.

BACKGROUND & COMMENT:

The Annual General Meeting of Shire of Kulin Bush Fire Brigades was held on 6 September 2022, with Council endorsing appointments and recommendations at their Ordinary Meeting held 21 September 2022.

The Prohibited and Restricted Burning Times below were approved in accordance with the provisions of the Bush Fire Act 1954;

Restricted Burning – 19 September – 31 October (inclusive) Prohibited Burning – 1 November – 15 February (inclusive) Restricted Burning – 16 February – 15 March (inclusive)

In conjunction with the Chief Bush Fire Control Officer Rod Diery and Deputy Chief Bush Fire Control Officer Evan Wyatt Council approval is sought to extend the prohibited period until 28 February 2023.

AUTOMATIC PAYMENTS HAVE BEEN SPECIFIED FOR YOUR ACCOUNT.

We suggest you carefully check all entries on your statement. Apparent errors or possible unauthorised transactions should be promptly reported to us.

The security of your Personal Identification Number (PIN) is very important. To avoid being liable for unauthorised transactions, you should follow the terms and conditions of your account. We also recommend some simple steps to protect your PIN:

- Memorise your PINs and passwords and destroy any communications advising you of new ones. Don't keep a record of your PINs or passwords, in written or electronic form.
- If you choose your own, ensure that it is not something easy to guess like your (or a family member's) birth date, name, phone number, postcode, driver's licence number or numbers that form a pattern.
- Don't tell anyone your PIN, not even friends, family or a bank representative.
- Ensure nobody watches you enter your PIN or password. A good practice is to cover the keypad when you put in your PIN or password.
- Watch out for email, SMS or call scams asking for details relating to your account. If you receive suspicious emails, please contact us immediately. Please note: These are guidelines only. While following these steps will help you to protect your PIN, your liability for any losses arising from unauthorised transactions is determined in accordance with the ePayments Code. For further details, see

https://asic.gov.au/regulatory-resources/financial-services/epayments-code/ or visit bendigobank.com.au/mycard for all card related information. Business customers visit /mybusinesscard.

All card transactions made in currencies other than Australian dollars will incur a fee of 3% of the transaction value. (Additional charges may apply for cash transactions.)

Card Security

For information on how to securely use your card and account please visit bendigobank.com.au/mycard for all card related information. Business customers visit /mybusinesscard.

AUTOMATIC PAYMENTS HAVE BEEN SPECIFIED FOR YOUR ACCOUNT.

We suggest you carefully check all entries on your statement. Apparent errors or possible unauthorised transactions should be promptly reported to us.

The security of your Personal Identification Number (PIN) is very important. To avoid being liable for unauthorised transactions, you should follow the terms and conditions of your account. We also recommend some simple steps to protect your PIN:

- Memorise your PINs and passwords and destroy any communications advising you of new ones. Don't keep a record of your PINs or passwords, in written or electronic form.
- If you choose your own, ensure that it is not something easy to guess like your (or a family member's) birth date, name, phone number, postcode, driver's licence number or numbers that form a pattern.
- Don't tell anyone your PIN, not even friends, family or a bank representative.
- Ensure nobody watches you enter your PIN or password. A good practice is to cover the keypad when you put in your PIN or password.
- Watch out for email, SMS or call scams asking for details relating to your account. If you receive suspicious emails, please contact us immediately. Please note: These are guidelines only. While following these steps will help you to protect your PIN, your liability for any losses arising from unauthorised transactions is determined in accordance with the ePayments Code. For further details, see

https://asic.gov.au/regulatory-resources/financial-services/epayments-code/ or visit bendigobank.com.au/mycard for all card related information. Business customers visit /mybusinesscard.

All card transactions made in currencies other than Australian dollars will incur a fee of 3% of the transaction value. (Additional charges may apply for cash transactions.)

Card Security

For information on how to securely use your card and account please visit bendigobank.com.au/mycard for all card related information. Business customers visit /mybusinesscard.

Resolving Complaints

If you have a complaint, please contact us on 1300 361 911 to speak to a member of our staff. If the matter has not been resolved to your satisfaction, you can lodge a complaint with the Australian Financial Complaints Authority (AFCA). AFCA provides fair and independent financial services complaint resolution that is free to consumers. You can contact AFCA at:

Current And Non-Current Classification

In the determination of whether an asset or liability is current or non-current, consideration is given to the time when each asset or liability is expected to be settled. Unless otherwise stated assets or liabilities are classified as current if expected to be settled within the next 12 months, being the Council's operational cycle.

All land (other than exempt land) in the Shire of Kulin is rated according to its Gross Rental Value (GRV) in townsites or Unimproved Value (UV) in the remainder of the Shire of Kulin.

The general rates detailed for the 2022/23 financial year have been determined by Council on the basis of raising the revenue required to meet the deficiency between the total estimated expenditure proposed in the budget and the estimated revenue to be received from all sources other than rates and also considering the extent of any increase in rating over the level adopted in the previous year.

The minimum rates have been determined by Council on the basis that all ratepayers must make a reasonable contribution to the cost of local government services/facilities.

KEY INFORMATION

Trade and other receivables include amounts due from ratepayers for unpaid rates and service charges and other amounts due from third parties for goods sold and services performed in the business. Receivables expected to be collected within 12 months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets. and other receivables is reviewed on an ongoing basis. Debts that are known to be uncollectible are written off when identified. An allowance for impairment of receivables is raised when there is they will not be collectible.

Note 8 - Explanation of Material Variances (By Nature & Type)

The material variance thresholds are adopted annually by Council as an indicator of whether the actual expenditure or revenue varies from the year to date actual materially.

The material variance adopted by Council for the 2022-23 year is \$10,000 and 10.00%.

			Direct employee costs excluding settlement payout are are \$108k underbudget due to unfilled positions: KCCC Co-ordinator; Community Development Officer (now filled); ESO plus Truck driver/plant operators. The other side of this is related to the allocation of our public works overhead costs. I'm happy with where the actual allocations are at for year to date. The allocation in the budget may need adjusting when we do the budget review. There was a balancing item put throught the road maintenance budget for overheads (as we were

Current And Non-Current Classification

In the determination of whether an asset or liability is current or non-current, consideration is given to the time when each asset or liability is expected to be settled. Unless otherwise stated assets or liabilities are classified as current if expected to be settled within the next 12 months, being the Council's operational cycle.

All land (other than exempt land) in the Shire of Kulin is rated according to its Gross Rental Value (GRV) in townsites or Unimproved Value (UV) in the remainder of the Shire of Kulin.

The general rates detailed for the 2022/23 financial year have been determined by Council on the basis of raising the revenue required to meet the deficiency between the total estimated expenditure proposed in the budget and the estimated revenue to be received from all sources other than rates and also considering the extent of any increase in rating over the level adopted in the previous year.

The minimum rates have been determined by Council on the basis that all ratepayers must make a reasonable contribution to the cost of local government services/facilities.

KEY INFORMATION

Trade and other receivables include amounts due from ratepayers for unpaid rates and service charges and other amounts due from third parties for goods sold and services performed in the ordinary business. Receivables expected to be collected within 12 months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets. Collectability and other receivables is reviewed on an ongoing basis. Debts that are known to be uncollectible are written off when identified. An allowance for impairment of receivables is raised when there is objective they will not be collectible.

Note 8 - Explanation of Material Variances (By Nature & Type)

The material variance thresholds are adopted annually by Council as an indicator of whether the actual expenditure or revenue varies from the year to date actual materially.

The material variance adopted by Council for the 2022-23 year is \$10,000 and 10.00%.

			Budgeted Financial Assistance Grant of \$137500 per quarter was based on the 75% advance grant received in 2021/22 and historical quarterly payments. Actual quarterly payments are \$201,500 - \$64,195 more than budgeted (current budget variance \$128k). Bush Fire Brigade and SES Operating Grant is higher than budgeted for. Quarterly payments of \$15k instead of \$6k. Timing difference as

			Sale of utility MV173 (Plant MV117) budgeted to happen in November. Hasn't been
Profit on asset disposals	(17,133)	-36%	sold yet.
Expenditure from operating activit			Explanation
Employee costs	(188.307)	-6%	Direct employee costs excluding settlement payout are are approx \$120k underbudget due to unfilled positions: KCCC Co-ordinator; Community Development Officer (now filled); ESO plus Truck driver/plant operators. This difference relates to our overhead costs - this will be reviewed by Martin Whitely in February and adjusted as necessary.
Limployee costs	(100,007)	0 70	r cordary and adjusted as necessary.
Materials and contracts	(257,427)	30%	Plant and plant depreciation costs are underallocated compared to budget, resulting in total materials cost being overbudget. This will addressed with Martin Whitely's review in February. Some significant variances to budget are our plant fuel and oil costs (currently \$92k under as we budgeted for cost of over \$2/L, actual around \$1/80/L); legal fees \$147k over; contract employment \$77 underbudget - we have a number of budgeted projects to go ahead in the second half of the year and Acting CEO costs to come. Timing difference of \$35k for audit fees as we haven't received invoice yet. Reallocation of slide structure repairs to maintenance - \$241k.
Utility charges	70,781	-5%	Electricity at the pool \$28k underbudget - We have investigated this and it appears there has been an issue with the meter so we haven't been charged since May 22 (we are waiting to hear back from Synergy but we will be getting a big bill). Standpipe water usage underbudget \$27k- due to wet winter.

Note 8 - Explanation of Material Variances (By Programme)

The material variance thresholds are adopted annually by Council as an indicator of whether the actual expenditure or revenue varies from the year to date actual materially.

The material variance adopted by Council for the 2022-23 year is \$10,000 and 10.00%.

Hereinafter called the 'partnering LGs' parties' or 'partners'.

Aim

This Memorandum of Understanding (MoU) sets out a basic framework for cooperation between the Local Governments (LGs) named, to promote cooperation in a disaster event which affects one or more of the partnering LGs.

The guiding principle of this MoU is that any support given to a partnering LG in a particular emergency event shall be voluntary and of a level that will not unduly compromise the operability of the partnering LG providing the support.

Purpose

To facilitate the provision of mutual aid between partnering LGs during emergencies and post incident recovery.

To enhance the capacity of our communities to cope in times of difficulty.

To demonstrate the capacity and willingness of participating LGs to work co-operatively and share resources within the region.

Partnering Objectives

Partners to this MoU, in times of community distress due to an emergency incident, agree where possible to:

- 1. Provide whatever resources may reasonably be available within the capacity of that LG to respond to the emergency incident if requested.
- 2. Provide at its absolute discretion, whatever resources may be available within the means of that LG to assist with post incident recovery in the community.

Allocation of Resources

- This MoU acknowledges that the allocation of a partnering LG's personnel and plant resources is an operational issue, and as such is the responsibility of the Chief Executive Officer (CEO) of the LG seeking to offer aid.
- 2. This MoU seeks to demonstrate that the CEO's commitment to supporting other LGs in need is supported by the Elected Members of each participating Council.
- 3. Acknowledges and accepts that each participating Local Government commits to make available at a minimum and if required the following resources (if they have available and or not otherwise committed or needed) at no cost for up to thirty (30) days during and immediately following an event. There after CEO discretion on allocation of these resources and cost recovery may apply:
 - Community Emergency Services Manager (CESM)
 - Local Recovery Coordinator (LRC)
 - Administration Officer
 - Plant Operator
 - Evacuation Centre Building
 - Animal Welfare Equipment
 - Community Bus (excludes fuel)
 - Emergency Generator (excludes fuel)

Cost Recovery

The Disaster Recovery Funding Arrangements, Western Australia (DRFAWA) guidelines provide for the reimbursement of expenditure incurred by partnering LGs during a disaster event. Each partnering LG is responsible for maintaining an accurate record of its expenditure during an event.

In the event the emergency is declared a Disaster, State and Commonwealth funding assistance will be sought in compliance with relevant State and Commonwealth Policies. The affected partnering LG area will claim these costs accordingly under the DRFAWA guidelines.

In the event a partnering LG's resources and/or equipment are required to assist another partnering LG, these costs may not be claimable via DRFAWA. Therefore, any intended claim for reimbursement is a matter between partnering LGs.

Responsibilities

The partners to this MoU recognise their responsibilities to have adequate arrangements in place in order to be in a position to respond to non-natural and natural disasters.

This MoU recognises that each LG will have its own LEMPs in place in accordance with the *Emergency Management Act 2005*. However, the intention of this MoU is to improve the efficiency of joint response to a disaster, share experiences, enhance cooperation between partnering LGs and improve regional resilience to disaster events.

The parties acknowledge that the provisions of this document are not intended to create binding legal obligations between them.

The parties acknowledge that:

- nothing in this document authorises a party to incur costs or expenses on behalf of the other party; and
- 2. a party has no authority to act for, or to create or assume any responsibility obligation or liability on behalf of, the other party.

Partnering Expectations

- 1. To provide where possible both physical and human resources to assist with the immediate response and recovery. Ongoing protracted assistance may be needed, this may be subject to further negotiation and agreement in writing between the partners concerned.
- 2. Where possible, and if appropriate, the affected LG must utilise internal resources and local contractors before requesting assistance from another LG. This will ensure LGs are not seen to be competing with local businesses or offers of assistance.
- 3. All requests for support will be made through the Incident Controller (IC) of the designated Hazard Management Agency (HMA) for the incident, in consultation with the designated Local Recovery Coordinator (LRC) and the Local Emergency Coordinator (LEC).
- 4. All equipment provided must be covered by the partners own insurance, each LG is responsible for ensuring insurance policies allow for the provision of mutual aid.
- 5. Each individual Council will be responsible for continued salary and any workers compensation insurance for their own staff regardless of where they are operating during the disaster event.
- 6. Each LG will be responsible for any loss, damage or cost associated with the provision of support unless otherwise agreed in writing.
- 7. The LG requesting support will be responsible for all incidental costs associated with the provider's personnel and equipment such as catering, accommodation, OHS issues, transport, fuel, and storage.

Duration and Amendment

The MoU will come into effect at the date which all parties have signed the agreement.

This MoU can be reviewed at any time but cannot be amended except with the written consent of all partners.

Term

Unless mutually extended, terminated or parties withdraw, this MoU will expire on 30 June 2028.

Withdrawal

Any partner may withdraw from this MoU by giving 90 days written notice to the partnering LG's and the State Emergency Management Committee.

Notices

Communications in relation to this MoU should be addressed to: The Executive Officer, Central Country Zone of WALGA.

W11 DEEP DRAINAGE ROAD CROSSINGS

PREAMBLE: This policy is applied to the Shire of Kulin landowners / landholders.

OBJECTIVE: The purpose of this policy is to ensure a procedure is in place for landholders planning to use deep drainage as an engineering option for salinity control that directly affects Council controlled land & infrastructure

PRACTICE:

Prior to the commencement of drainage works within the Shire of Kulin the proponent or an authorised agent must submit a Notice of Intent (NOI) to drain to the Department of Agriculture and Food pursuant to the Soil and Land Conservation Regulations 1992.

Prior to any drainage works commencing the Shire of Kulin will respond on invitation from the Department of Primary Industries and Regional Development (Office of the Commissioner of Soil and Land Conservation) to make comment and provide feedback relevant to proposed drainage works. The shires consideration / feedback / comments will relate to work that directly affects Council controlled lands and infrastructure (road reserve), specifically how drainage waters flow through / across Council infrastructure, thus mitigating risk of adversely affecting its integrity and standard.

Proposals to move water via the means of deep drainage excavation work must be accompanied by an Engineer certified design (including hydraulics), taking into account the anticipated flow resultant from construction of the deep drain. Such a certified design will be undertaken at the proponents cost in reference to drainage within Council road reserve.

All construction and remedial costs, including traffic management relative to drainage works shall be at the proponents cost, unless otherwise agreed by the Shire with prior notice.

If drainage works are crossing Council roads a culvert design with all the relevant supporting information is to be submitted to Council by the proponent for Council consideration.

The culvert design must;

- a) Adhere to the Australian Standards for Road Design;
- b) Extend the whole width of the road reserve, with the ends positioned inside the proponents boundary (fence);
- c) Use culvert pipe and headwall material as approved by the Shire of Kulin; and
- d) Be in accordance with the Engineering design, relative to the maximum capacity of water flow resultant from the construction of the deep drain.

The material and labour associated with installing culverts at Council road crossing as a part of the drain conveyance are at the proponents cost. Installation and reinstatement works are to be either undertaken or supervised by Council.

Chief Executive Officer

Information Package 2023

Chief Executive Officer

(Band 4 with a negotiated remuneration package of between \$131,423 and \$206,141)

Applications are invited from suitably qualified individuals for the position of Chief Executive Officer with the Shire of Kulin, on a performance based contract for a negotiated period of 3 to 5 years.

The Chief Executive Officer is the principal advisor to the Council and provides direction on policy, statutory powers and responsibility, and leadership to the organisation as a whole.

The successful applicant will possess exceptional people management skills, demonstrated knowledge of the WA Local Government Act and associated regulations, and previous experience in the development and implementation of organisational strategic objectives.

Kulin is a highly progressive and desirable community located three hours southeast of Perth and is well serviced in terms of health, child care and schooling (K -10). There are excellent recreation facilities and an energetic community provides the opportunity for plenty of active participation and quality living.

The remuneration package is inclusive of an executive home and utilities, a fully maintained motor vehicle (currently a Toyota Prado), generous superannuation, communication devices, clothing allowance and professional development allowances.

To obtain the application package, including job description and selection criteria, either visit Council's website www.kulin.wa.gov.au or email Nicole Thompson eso@kulin.wa.gov.au Additional enquires may be made of Mr John Merrick on 0418 933 161.

Applicants should address the selection criteria contained within the information package and post applications marked 'Confidential CEO Application' to the Shire President, Cr Grant Robins PO Box 125 Kulin 6365, or email eso@kulin.wa.gov.au Applications should reach the Shire Offices by 4pm Wednesday 8 March 2023.

The Shire of Kulin - Overview

The Shire of Kulin is situated in the Central Wheatbelt 280km southeast of Perth. The Shire comprises of four townsites Kulin, Pingaring, Dudinin and Holt Rock. The main industry within the Shire is agriculture with most farmers growing cereal crops and sheep for meat and wool. With a population of approximately 700 people statistically we are a small town however when it comes to spirit this town is far from small.

The community has rallied together over the past few decades and worked together to create and construct community facilities and events which unite and ignite our town.

Some of the remarkable achievements which have been realised are the Kulin Bush Races, a community owned and run bank, the Kulin Retirement Homes and the Cultivating Kulin Committee as a fundraising body fundraising for facilities such as the All Ages Precinct.

The town also boasts modern recreational facilities with an extensive aquatic centre which includes the longest slide in regional WA, football & hockey oval, indoor netball & basketball courts, 24 hour gymnasium, competition sized bowling rink, tennis courts and an 18-hole golf course. Kulin also has an extensive town park which includes grassed area, shelter & seating, gardens, BBQ facilities, skate park, pump track, basketball court and ninja warrior course.

There are services available in town which include a District High School (K-Year 10), child care centre, medical facilities with visiting doctor, nurses and visiting primary health specialists such as physiotherapist, infant health care, Commonwealth Home Support Program (CHSP), Community Resource Centre, Visitor Centre, Caravan Park, Police Station, supermarket, Bendigo Bank, hotel, mechanic, hardware stores, Post Office, Library, beauty therapist and hairdressers.

The Shire itself covers an area of over 4,700km2 with a road network of over 1,600km.

Our Shire services the community in several ways including:

- the construction and maintenance of local roads, footpaths & drainage, public buildings and facilities.
- the provision of recreation facilities, such as parks and gardens, sports fields, golf courses, swimming pool, recreation centre
- the provision and maintenance of community services such as childcare, aged care and accommodation, CHSP, community transport, emergency services, welfare services and tourism services including caravan park and RV area
- lobbying and working with State and Federal Government, regional organisations and agencies
- advocating for local needs whilst operating in a regional context corporate governance to ensure it delivers good decision making, leadership and professional management

SHIRE OF KULIN CORPORATE BUSINESS PLAN

2021-2025

Kulin Corporate Business Plan Overview

The Corporate Business Plan is an internal business planning tool that translates Council Priorities into deliverables with the resources available. The plan details the how the Shire of Kulin will deliver Council's Strategic Initiatives via either Projects, Advocacy or Discussion within a defined period.

The Plan identifies the Shire of Kulin's current position in relation to the delivery of the Corporate Business Plan priorities. It reprioritises services, projects or other operations to respond to changes in the community, business and environment or available resources and it allows for an evolving and rolling Corporate Business Plan which generates an Annual Budget.

Council has reviewed the Strategic Community Plan 2021 – 2025 in February 2022 and adopted the reviewed plan in February 2022. Council has set the strategic priorities that will drive the operation of the Shire of Kulin over the short (12 months) to medium term (4 years).

Within this Corporate Business Plan, the costs associated with the operations and projects that the Shire will deliver over the period of the Plan are preliminary and indicative.

These figures will be refined each year as the Annual Budget is adopted by Council and will be incorporated into the Long Term Financial Plan, the Asset Management Plan and the Workforce Plan.

The Strategic Priorities have been categorised with the themes more in line with how Council conducts its day-to-day business:

- 1. Corporate
- 2. Infrastructure
- 3. Community
- 4. Regulatory
- 5. Recreation & Culture

Classifying these 5 Business units as Council's Strategic Priorities further enabled the development of a subset of 25 specific strategic priorities. The individual Initiatives or Projects also refer back to Social, Economic, Environment and Civic Leadership themes in line with the WA Local Government Integrated Planning guidelines.

Message from the President

The Shire of Kulin have been working hard towards delivering a number of projects within the Kulin Community over the past few years and I'm sure you can all agree the development within the Shire has been vast. From our roads to our recreation facilities we have certainly aligned ourselves with our Strategic Community Plan to continue to deliver the initiatives envisaged by our community capture process.

The 2022 Corporate Business Plan for the Shire of Kulin, clearly outlines the Community's Strategic Priorities and vision for Kulin for the next 10 years and beyond. These initiatives that we are proposing will certainly keep the Shire of Kulin in a forward moving motion, keeping it as a community driven ...

Initiatives Deliverables

Project

A Project Initiative will typically be a capital project included within Council's Annual Budget as identified via the SCP process to improve community facilities or infrastructure. It will have a funding source identified and confirmed prior to inclusion within the Budget. Where necessary Shire staff will work with Council and relevant external parties to identify and apply for potential funding sources, as part of the project planning and development phase. Specific projects may also require advanced design and planning processes prior to being finalised for implementation by Council.

Advocacy

An Advocacy Initiative will typically be a topical issue or need as identified via the SPC process to improve the wider resilience of the community. It will entail Shire staff and Council undertaking lobbying, advocacy and activities with external parties such as State and Federal government elected members and departments, as well as WALGA, key agencies and industry. Where such advocacy advances potential issues to the stage that it may require Council funding or further assistance, relevant information will be presented to Council, and where necessary the community, prior to being finalised for implementation by Council.

Discussion

A Discussion Initiative will typically be a topical issue or need for the community as identified by the community via the SCP process that requires further investigation and collation of relevant information. The process will entail Shire staff and Council undertaking further community engagement as required with identified stakeholders to obtain the necessary information. This process may include the undertaking of feasibility studies and submission of business cases, such activities will be included within Council's Budget. A detailed briefing will be presented to Council, and where necessary the community, prior to being finalised for implementation by Council.
