MATTERS REQUIRING COUNCIL DECISION

4.1 Annual Report 2020/21 - Auditors Report

NAME OF APPLICANT: **DCEO RESPONSIBLE OFFICER:** DCEO

FILE REFERENCE: 12.05 Audit Return and Review

STRATEGIC REFERENCE/S: Corporate Business Plan, Civic Leadership 4.1.1 a; CEO KRA 3.3 Financial

Management, 3.5 Integrated Planning

AUTHOR: **DISCLOSURE OF INTEREST: Nil**

SUMMARY:

The Shire of Kulin Annual Report 2020/21 has been audited by Councils Auditor, AMD on behalf of Office of the Auditor General. The Auditor has provided the Independent Auditor's Report. It should be noted that no issues of inaccuracy or non-compliance with the Shire's Annual Financial Report for the year ended 30 June 2021 have been identified.

BACKGROUND & COMMENT:

Each year, as part of Council's audit process, an Independent Audit is undertaken to assess Council's Annual Financial Report and the legitimacy and accuracy of Council's accounts.

An Independent Audit Report is then produced by the Auditor and provided to the Chief Executive Officer, President and the Minister, Department for Local Government. The Report is included in Council's Annual Report. Any issues arising from the Independent Audit Report are to be investigated and action taken to resolve those issues.

As Councillors were present at the Audit Exit meeting held on Thursday 17 February 2022, the OAG have indicated there is no requirement for representatives from our auditors AMD or the OAG to attend this meeting.

FINANCIAL IMPLICATIONS:

STATUTORY IMPLICATIONS:

Local Government (Audit) Regulations 1996.

Auditor General Act 2006.

POLICY IMPLICATIONS:

STRATEGIC IMPLICATIONS:

COMMUNITY CONSULTATION:

WORKFORCE IMPLICATIONS:

AUDIT & RISK COMMITTEE RECOMMENDATION TO COUNCIL:

That the committee recommends to Council that the Auditors Report for the 2020/21 Financial Year be received and the Draft auditors Opinion letter & exit meeting be noted. Questions arising from the Audit Report be addressed by the CEO. The Shire of Kulin Annual Report 2020/21 be received.

VOTING REQUIREMENTS:

Absolute majority required.

Attachment 1 – Annual Report 2020/21

Attachment 2 - AMD Exit Meeting Agenda 17 February 2022

4.2 March Council Meeting & Annual Electors Meeting

NAME OF APPLICANT: CEO RESPONSIBLE OFFICER: CEO

FILE REFERENCE: 13.03 Governance

AUTHOR: CEO DISCLOSURE OF INTEREST: Nil

SUMMARY:

Council is required to hold a general meeting of electors once every financial year. 14 days local public notice of the date, time, place and purpose of the meeting is to be given.

Council's next Ordinary meeting date is Wednesday 16 March 2022.

COMMENT:

Once the Annual Report for 2020/21 has been adopted by Council, then there will be the ability to hold the Annual Electors Meeting on the same day as the scheduled March Meeting.

Proposed to set the time and date for the Annual Electors Meeting to be 12 noon Wednesday 16 March 2022.

Alternatively, it may be worth considering a later date as there may be more information and decisions required regarding COVID-19.

Please note that the latest date the Annual Electors Meeting can be held is Wednesday 21 April 2022.

Section 5.55 of the *Local Government Act 1995* requires the CEO to give local public notice of the availability of the annual report as soon as practicable after the report has been accepted by the local government.

FINANCIAL IMPLICATIONS:

Nil

STATUTORY AND TOWN PLANNING IMPLICATIONS:

Local Government Act 1995:

- Section 5.27 Electors' general meetings
- Section 5.29 Convening electors' meetings
- Section 5.54 Acceptance of annual reports
- Section 5.55 Notice of annual reports

POLICY IMPLICATIONS:

Nil

COMMUNITY CONSULTATION:

Nil

WORKFORCE IMPLICATIONS:

Nil

OFFICERS RECOMMENDATION:

That Council confirm the date and time for the March Council Meeting and the Annual Electors Meeting.

VOTING REQUIREMENTS:

Simple majority required.

5 ELECTED MEMBERS MOTIONS OF WHICH PREVIOUS NOTICE HAS BEEN GIVEN

Nil

- 6 NOTICES AND ANNOUNCEMENTS BY PRESIDING MEMBER WITHOUT DISCUSSION
- 7 NEW BUSINESS OF AN URGENT NATURE INTRODUCED BY DECISION OF MEETING
- 8 MATTERS FOR WHICH THE MEETING IS CLOSED TO THE PUBLIC

Nil

9 DATE AND TIME OF NEXT MEETING

To be confirmed.

Annual Electors Meeting – 12 noon Wednesday 16 March 2022 Ordinary Council Meeting Wednesday 16 March 2022 at 1.00pm

10 CLOSURE OF MEETING

There being no further business the President declared the meeting closed at

About Kulin

The Shire of Kulin is situated in the Central Wheatbelt 280km south east of Perth. The Shire comprises of four townsites Kulin, Pingaring, Dudinin and Holt Rock. The main industry within the Shire is agriculture with most farmers growing cereal crops and sheep for meat and wool. With a population of approximately 700 people statistically we are a small town however when it comes to spirit this town is far from small.

The community has rallied together over the past few decades and worked together to create and construct community facilities and events which unite and ignite our town. Some of the remarkable achievements which have been realised are the Kulin Bush Races, a community owned and run bank, the Kulin Retirement Homes and the Cultivating Kulin Committee as a fundraising body fundraising for facilities such as the All Ages Activity Precinct.

The town also boasts modern recreational facilities with an extensive aquatic centre which includes the longest regional slide, football & hockey oval, indoor netball & basketball courts, competition sized bowling rink, tennis courts, 18 hole golf course and extensive town park which includes grassed area, shelter & seating, gardens, BBQ facilities, skate park, pump track, & basketball court.

There are services available in town which include a District High School, medical facilities with visiting doctor, nurses and visiting primary health specialists such as physiotherapist, speech therapist, infant health care, home and community care, Child Care Centre, Community Resource Centre, Visitor's Centre, Caravan Park, Police Station, supermarket, hotel, mechanic, hardware stores, Post Office, Library, beauty therapist and hairdressers.

The Shire itself covers an area of over 4,700km2 with a road network of over 1,600km. Our Shire services the community in a number of ways including

- the construction and maintenance of ·local roads, footpaths & drainage, public buildings and facilities.
- the provision of recreation facilities, such as parks and gardens, sports fields, golf courses, swimming pools, recreation centres, town halls and caravan parks
- the provision and maintenance of community services such as child care, aged care and accommodation, community care, community transport, emergency services, welfare services
- lobbying and working with State and Federal Government, regional organisations and agencies
- advocating for local needs whilst operating in a regional context,
- corporate governance to ensure it delivers good decision making, leadership and professional management

Hayley Smith

From the President

Another busy year for the Shire of Kulin, and the full 12 months conducted with Covid 19 restrictions and lockdowns. Fortunately, we have had minimal disruptions due to living and working in the 'Capital of the Wheatbelt'!

Over the course of the year construction began on the Shire's All Ages Activity Precinct, a project funded by a combination of grant funding, Shire contributions and a huge \$100,000 contribution from the Cultivating Kulin Committee. Once completed it will encompass a pump track, skate park, hangout zone, basketball court and obstacle zone. Estimated to cost around \$1m it will be the Shire's flagship project over the next year. Other notable projects include replacement of the playground softfall, installation of main street CCTV, replacement of administration server equipment, reinstatement of pool tiling, upgrade of the oval irrigation system and construction of new footpaths.

Our staff have continued to perform and complete projects throughout the year, despite some challenges. Judd and the works crew have done a great job as usual of maintaining the Shire roads, despite the last few months of the financial year being the start of one of the wettest winters, Kulin and surrounds have seen for a long time. Their next biggest jobs are upgrading the Kulin-Dudinin Road and Rabbit Proof Fence Road.

Kulin looks great, and we are grateful to have our outside staff and gardeners who take pride in their work to present the town at its best. It is also appreciated by the steady stream of visitors staying in town at the various accommodation sites, who often praise our community and town. This has been a boost to the local economy and we thank all residents and businesses who had made the visitors welcome with our renown Kulin hospitality. With no Kulin Bush Races held in 2020, and no Blazing Swan in 2021 it is gratifying to see our profile and reputation hold solid in these uncertain times.

Thankyou to the Inside staff, who do a great job in their designated roles and also continue to promote Kulin at every opportunity. A big thankyou to our CEO Garrick and Deputy CEO Cassi for all their hard work, often behind the scenes, and to every Shire Councillor for making the time and dedicated commitment to your community.

Thanks to our rate-payers - Dudinin, Jitarning, Kulin, Pingaring & Holt Rock - for continued support, and thankyou for contributions from local farmers of gravel, sand etc which all helps in keeping rates as low as possible and the roads at a consistently high standard.

Well done to Kulin for staying Covid safe and looking out for each other. Have your vaccinations and we'll all continue to support one another in our special part of the world.

With Kind Regards Barry West President

This report highlights the activities of the Kulin Shire Council administration during the 2020/21 Financial Year.

2020/21 In REVIEW

This year was one of continual dealing with the unique challenges posed by COVID19 as well as make the most of the opportunities presented by additional funding to strategically progress specific components of the Shire. COVID19 continued to present ongoing restrictions to the way the world conducted its day-to-day activities. For the most part the restrictions within the Kulin community were limited aside from the new QR check in register at all venues and the occasional lock down parameters enforced by the State government. The main challenges were doing business with overseas and interstate contractors which delayed the odd project and supply chain delivery.

Due to wider economic impacts across the country, local governments were fortunate to receive a number of "economic stimulus" grants from the Federal Government. These were mostly in the form of Local Roads and Community Infrastructure Program (1&2) Grants. These enable Council and staff to identify specific projects within the Strategic Community Plan and fast track their implementation. A significant influx of funding poses opportunities, but also presented challenges regarding delivery alongside the delivery of Council's day-to-day operations. Staff and the community should be commended upon taking up these challenges and delivering these additional significant community infrastructure building projects.

Towards the end of 2020/21 Council commenced the process of undertaking the major review of its Strategic Community Plan and Corporate Business Plan. This process will be finalised in 2021/22, but it initially entailed identifying the 5 key areas of business that Council conducts as follows:

- 1.Corporate
- 2.Infrastructure
- 3.Community
- 4.Regulator
- 5. Recreation and Culture

For the purposes of this report I will provide an overview of key areas achieved within each business unit over the course of 20/21.

Corporate

- Council
 - -Councillor Training
 - -Model Code of Conduct 2021 Council Members, Committee Members and

Candidates

- Governance Document Reviews
 - -Policy Manual and APOG
 - -Asset Management Plan

- VDZ Playground Softfall
- Oval Irrigation Upgrade
- Aquatic Centre
 - -Slide Refurbishment
 - -Chlorine Changeover
 - -Pool Refurbishment
- Pingaring Sporting Club Maintenance
- Dudinin Sporting Club Maintenance
- FRC
 - -Court Lighting
 - -Outdoor Blinds

The following projects undertook significant planning in 20/21 and are expected to be delivered in 21/22

- Aquatic Centre Recreational Amenities
- FRC Court Surface Replacement
- FRC Projector (Large Court Events/Functions)
- FRC Generator Emergency Evac Centre
- Caravan Park Disabled Ablutions

The 2020/21 financial year was continued as a challenging for the resilience of staff, the community, local business and the world as whole. Again, it showed us how through living in such a great community we can band together to weather such challenges. It also showed us that living where we do can sometimes have its advantages over the more populous areas of the world. It also showed that when times get tough the Federal and State governments find money to hand out for local governments to spend to keep the economy afloat and stimulated. With such challenges and subsequent funding comes opportunities to continue to invest in community infrastructure. Such times present such opportunities and hopefully Shire staff and Council have identified and can implement quality initiatives to appropriately invest back into the community.

The passion, spirit and drive of the community remains evident through the many active community groups and their volunteers. Volunteerism continues to be the lifeblood of the community. The Shire Administration led by Cassi, Judd and the team continually showcase the teamwork of good governance with community leadership. Combined with the efforts our 9 Councillors, Kulin remains one of the most progressive and self-driven communities in the wheatbelt and is a credit to all residents and ratepayers.

Garrick Yandle

Chief Executive Officer

Strategic Community Plan

The vision within the Shire of Kulin Community Strategic Plan is the culmination of the process of identifying current and emerging issues facing the communities within the Shire, as well as making approaches to improve the overall wellbeing of the Council area. It is a collective community vision that focuses not only on the physical infrastructure but also on the ideals of the community, way of living, doing business and the sense of community and wellbeing.

The Shire of Kulin recognises that prolonged community development comes from positive engagement with its residents and stakeholders. Conversation will form the basis from where all community engagement begins. Much of that conversation will centre around two main themes;

- What are the things that we do well and how do we achieve more of that? and,
- What are the community assets that we already possess and how can we utilise them to our best advantage to achieve the goals we aim for?

In this framework the Shire of Kulin believe that the community is best positioned to achieve its goals.

A full review of the Shire's Strategic Community Plan was commenced in 2021 with finalisation expected late in the 2021/22 financial year.

The plan comprises of four main themes:

- Social
- Economic
- Environment

council

Civic Leadership

Each year the Shire's Councillors and Executive staff actively prepare to achieve the goals of the plan in conjunction with the preparation of the budget and quarterly progress plans. The following report outlines the achievement of the various goals within each of the themes of the plan.

Social

- The Shire of Kulin make an effort to promote a positive and friendly identity with a
 consistent approach across all communication media. The Shire prepare a fortnightly
 printed news publication, which is also accessible online. In addition to this the Shire of
 Kulin maintain a Council website, social media pages, email distribution list and other
 periodic publications
 - Throughout the year the Shire and the CRC hold many community events to engage residents, promote inclusion and celebrate the successes of the community.

Strategic Community Plan

Social

- The Shire of Kulin continue to hold our road network in very high priority. Significant funds are budgeted each year to ensure the quality of our road network can be maintained. These works are funded by federal and state grants and supplemented with Council's own funds.
- Construction of a group of cement and bitumen footpaths was completed during the 2020/21 financial year with planning on a further network expansion to take place in the 2021/22 year.
- A successful grant application for Community Water Supply grants which will be used the further improve our water infrastructure throughout the Shire.
- We are still operating a well patronised medical facility for which feedback from users is positive.
- Maintenance and asset replacement work is ongoing for our aquatic and recreation facilities. The Shire has renewed the pool tiling and has begun to undertake a procurement process to substantially renovate the slide structure within the aquatic centre.
- The construction of the All Ages Activity Precinct began during the year with completion to be finalised early in 2022. Upon completion the All Ages Activity Precinct will include a pump track, skate park, hangout zone, basketball court and obstacle course.

Economic

- The Shire of Kulin continue to support community organisations such as the Kulin Development Cooperative, Kulin Community Financial Services and Cultivating Kulin Committee to recruit and provide technical and trade services within the community.
- The CRC continue to facilitate business network meetings to support local businesses.
- Kulin Caravan Park continue run the 'Pay what you like' program which has been extremely successful and added to our tourism products. Our 72 hour RV area has been upgraded to include additional bins, information boards and comments box.
- Kulin Visitor Centre is an accredited Visitor Centre with Tourism Council of Western Australia. This accreditation provides additional exposure and opportunities to promote our centre and region within the WA tourism industry.
- Kulin CRC continues to organise events throughout the Shire which focus on community and business.
- We are an active member of the Roe Tourism Association and collaborate with marketing and promotional opportunities. We support the Pathways to Wave Rock brand and work with our neighbouring shires to encourage tourism in our region.
 - We continue to work closely with KDHS. We provide our facilities free of charge for school usage. We are actively working with the upper high school (Year 9 & 10) students to provide work placement opportunities for those students who are better suited to an on the job learning environment. We also continue to be actively involved with the students on projects that have community benefit.

Strategic Community Plan

Economic

- Kulin Child Care Centre continues to be an essential service in our community. Shire of Kulin is the approved provider of the service and Council provide a significant contribution toward the operating cost of the service.
- Business after hours is a new initiative established through Kulin CRC to bring together local business and the Wheatbelt Business Network. The focus is to establish joint training and education opportunities, joint marketing programs and community education programs.

Environment

- The Shire of Kulin spend a lot of time maintaining public open space around the townsite of Kulin. The Visitor Discovery Zone in the centre of town has been filled with flora which is locally native to the state and Kulin.
- The Shire provide a fully serviced facility for the local herbarium group to use free of charge. The Herbarium and Wildflower Society use this facility to collect and process flora samples and run educational tours throughout the natural landscape within the Shire.
- Construction of the Pingaring Dam was finalised during the year. The facility adds to the network of dams constructed to improve the Shire's water supply in our efforts toward drought proofing the community.

Civic Leadership

council

- Maintained strong partnerships with many community organisations including:
 - The reinvigoration of Cultivating Kulin Committee Inc. with local businesses Kulin Community Financial Services, and Kulin Bush Races.
 - An ongoing formal agreement with Kulin District High School.
 - Coordination of regular community gatherings as part of the Kulin Business After Hours group.
- Shire staff undertake regular professional development in line with their specific technical roles and annual appraisal processes.
- Compliance matters were recorded monthly as part of Council Meetings and relevant documents reviewed in accordance with regulations.
- Council developed its annual budget via series of internal Concept Forums that identied key priorities in accordance with available funding schemes and integrated planning documents.
- Council's Minutes are published on our webpage, we publish and contribute towards a
 fortnightly community newsletter Kulin Update as well as provide information
 regarding specific areas of our business via their social media pages including: CRC,
 FRC, Aquatic Centre ad Camp Kulin to engage the community in a transparent and
 keeping them informed of Council decision making
- Implement collaborative partnerships that support efficient use of resources
 - The Shire operates within a strong OHS environment and undertook an OHS audit in conjunction with LGIS and our OHS contractor.

National Competition Policy

The National Competition Policy was introduced by the Commonwealth Government in 1995, to promote competition for the benefit of business, consumers and the economy by removing unnecessary protection of monopolies of markets where competition can be enhanced. It affects local governments because factors such as exemption from company and income tax or possible local regulations and laws may give local government a potential advantage over private contractors.

The Shire is required to comply with certain policies contained with the National Competition Policy Statement, and report on the progress in connection with the National Competitive Neutrality Principles and review of Local Laws. During the 2020/2021 financial year the Shire met its obligations under the National Competition Policy. The Shire continues to monitor Council policies and local laws for anti-competitive practices. The Shire does not operate significant business activities which compete or could compete with private business sector business.

Freedom of Information

The Shire of Kulin will provide information to people requesting it from Council. Should a request not be met satisfactorily, then a Freedom of Information Application can be lodged with Council. During the year ended 30 June 2018, one Freedom of Information Application was received. The Freedom of Information Statement was reviewed during 2020/21.

Record Keeping Plan

The Shire of Kulin use a hybrid of both paper based and electronic record keeping system within the SynergySoft program.

The Shire of Kulin's Recordkeeping Plan Review was submitted in December 2018 and the review report noted by the State Records Commission on 22 March 2019. The report provides evidence of the Shire's evaluation of recordkeeping practices documented in the plan.

Shire staff were provided with an information guide detailing the Recordkeeping Plan and Council Policy and Procedures in March 2019. Staff also undertook a survey around Council's recordkeeping operations and future training requirements, based on the results the existing process is adequate. In regards to induction for new employees the Shire of Kulin utilise one-on-one training to provide an appropriate guide to staff responsibilities and reflection of the record keeping program within the organisation.

Disability Access and Inclusion Plan (DAIP)

Since 1995 it has been a requirement under the Disability Services Act 1993, that all Western Australian Local Governments develop and implement a Disability Access and Inclusion Plan (DAIP) to improve access to their services for people with disability. The Act requires public authorities to lodge a DAIP to the Disability Services Commission.

The Shire lodged their latest Disability Access and Inclusion Plan for 2020 - 2025 in May 2020. The plan will run until 31st May 2025. The Shire DIAP meets the requirements of the Disability Services Act 1993.

Local Government (Rules of Conduct) Regulation 2007 – Complaints Register

These regulations require the reporting of various offences by elected members, as prescribed by the Regulations. Elected members must comply with their obligations under the Local Government Act 1995 and subsidiary legislation. Complaints about elected member conduct are to be made to the Complaints Officer, who in accordance with section 5.120 of the Local Government Act 1995, must be a designated senior employee. The Shire of Kulin Complaints Officer is the Chief Executive Officer. Section 5.121 of the Local Government Act 1995 requires the Annual Report to contain details of the entries made in the Complaints Register regarding complaints made about elected members. There were no formal complaints lodged against elected members in the year under review.

Employee Remuneration Disclosure

Regulation 19B of the Local Government (Administration) Regulation 1996 requires the Shire to include the following information in its Annual Report

- (a) The number of employees of the Shire entitled to an annual salary of \$130,000 or more; and
- (b) The number of those employees with an annual salary entitlement that falls within each band.

Set out below, in bands of \$10,000, is the number of employees of the Shire entitled to an annual salary of \$130,000 or more for 20/21:

Range

\$130,000-\$140,000 0 \$140,000-\$150,000 1

Public Interest Disclosure

In accordance with the Public Interest Disclosure Act 2003, procedures have been implemented to facilitate reporting and action on public interest disclosures. During the 2020/21 reporting period, no public interest disclosures were lodged.

Note 30	Financial Ratios	54

1. BASIS OF PREPARATION

The financial report comprises general purpose financial statements which have been prepared in accordance with Australian Accounting Standards (as they apply to local governments and not-for-profit entities) and Interpretations of the Australian Accounting Standards Board, and the *Local Government Act 1995* and accompanying regulations.

The *Local Government Act 1995* and accompanying Regulations take precedence over Australian Accounting Standards where they are inconsistent.

The Local Government (Financial Management) Regulations 1996 specify that vested land is a right-of-use asset to be measured at cost. All right-of-use assets (other than vested improvements) under zero cost concessionary leases are measured at zero cost rather than at fair value. The exception is vested improvements on concessionary land leases such as roads, buildings or other infrastructure which continue to be reported at fair value, as opposed to the vested land which is measured at zero cost. The measurement of vested improvements at fair value is a departure from AASB 16 which would have required the Shire to measure any vested improvements at zero cost.

Accounting policies which have been adopted in the preparation of this financial report have been consistently applied unless stated otherwise. Except for cash flow and rate setting information, the financial report has been prepared on the accrual basis and is based on historical costs, modified, where applicable, by the at fair value of selected non-current assets, financial assets and liabilities.

THE LOCAL GOVERNMENT REPORTING ENTITY

All funds through which the Shire controls resources to carry on its functions have been included in the financial statements forming part of this financial report.

In the process of reporting on the local government as a single unit, all transactions and balances between those funds (for example, loans and transfers between funds) have been eliminated.

All monies held in the Trust Fund are excluded from the financial statements. A separate statement of those monies appears at Note 29 to these financial statements.

INITIAL APPLICATION OF ACCOUNTING STANDARDS

During the current year, the Shire adopted all of the new and revised Australian Accounting Standards and Interpretations which were compiled, became mandatory and which were applicable to its operations.

These were:

- AASB 1059 Service Concession Arrangements: Grantors
- AASB 2018-7 Amendments to Australian Accounting Standards - Definition of Materiality

The adoption of these standards had no material impact on the financial report.

NEW ACCOUNTING STANDARDS FOR APPLICATION IN FUTURE YEARS

The following new accounting standards will have application to local government in future years:

- AASB 2020-1 Amendments to Australian Accounting Standards - Classification of Liabilities as Current or Non-current
- AASB 2020-3 Amendments to Australian Accounting Standards - Annual Improvements 2018-2020 and Other Amendments
- AASB 2021-2 Amendments to Australian Accounting Standards - Disclosure of Accounting Policies or Definition of Accounting Estimates

It is not expected these standards will have an impact on the financial report.

CRITICAL ACCOUNTING ESTIMATES

The preparation of a financial report in conformity with Australian Accounting Standards requires management to make judgements, estimates and assumptions that effect the application of policies and reported amounts of assets and liabilities, income and expenses.

The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances; the results of which form the basis of making the judgements about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

2. REVENUE AND EXPENSES

(a) Grant revenue

Grants, subsidies and contributions are included as both operating and non-operating revenues in the Statement of Comprehensive Income:

Operating grants, subsidies and contributions Governance General purpose funding Law, order, public safety Health Transport Economic services
Non-operating grants, subsidies and contributions General purpose funding Transport Economic services

Law, order, public safety
Health
Education and welfare
Housing
Community amenities
Recreation and culture
Economic services
Other property and services

There were no changes to the amounts of fees or charges detailed in the original budget.

SIGNIFICANT ACCOUNTING POLICIES

Grants, subsidies and contributions

Operating grants, subsidies and contributions are grants, subsidies or contributions that are not non-operating in nature.

Non-operating grants, subsidies and contributions are amounts received for the acquisition or construction of recognisable non-financial assets to be controlled by the local government.

Contract assets 157,173	0
Contract liabilities from contracts with customers (250,000)	0

0004

Contract assets primarily relate to the Shire's right to consideration for work completed but not billed at 30 June 2020.

Contract liabilities for contracts with customers primarily relate to grants with performance obligations received in advance, for which revenue is recognised over time as the performance obligations are met.

Information is not provided about remaining performance obligations for contracts with customers that had an original expected duration of one year or less.

Consideration from contracts with customers is included in the transaction price.

Performance obligations in relation to contract liabilities from transfers for recognisable non financial assets are satisfied as project milestones are met or completion of construction or acquisition of the asset. All associated performance obligations are expected to be met over the next 12 months.

SHIRE OF KULIN

NOTES TO AND FORMING PART OF THE FINANCIAL REPORT FOR THE YEAR ENDED 30 JUNE 2021

2. REVENUE AND EXPENSES (Continued)

(a) Revenue (Continued)

Revenue from statutory requirements

Revenue from statutory requirements was recognised during the year for the following nature or types of goods or services:

General rates

Statutory permits and licences

Other revenue

Reimbursements and recoveries

Other

Interest earnings

Interest on reserve funds

Rates instalment and penalty interest (refer Note 26(c))

Other interest earnings

4,308	12,000	25,042
19,723	33,420	67,320

SIGNIFICANT ACCOUNTING POLICIES

Interest earnings

Interest income is calculated by applying the effective interest rate to the gross carrying amount of a financial asset except for financial assets that subsequently become credit-impaired. For credit-impaired financial assets the effective interest rate is applied to the net carrying amount of the financial asset (after deduction of the loss allowance).

Interest earnings (continued)

Interest income is presented as finance income where it is earned from financial assets that are held for cash management purposes.

(b) Expenses

Auditors remuneration

Audit of the Annual Financial Report

Interest expenses (finance costs)

Borrowings

Minor Interest Charges (GIC)

Other expenditure

Total restricted assets		2,465,018	2,026,938

SIGNIFICANT ACCOUNTING POLICIES

Cash and cash equivalents

Cash and cash equivalents include cash on hand, cash at bank, deposits available on demand with banks and other short term highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value and bank overdrafts. Bank overdrafts are reported as short term borrowings in current liabilities in the statement of financial position.

Restricted assets

Restricted asset balances are not available for general use by the local government due to externally imposed restrictions.

Externally imposed restrictions are specified in an agreement, contract or legislation. This applies to reserves, unspent grants, subsidies and contributions and unspent loans that have not been fully expended in the manner specified by the contributor, legislation or loan agreement.

All reserves are supported by cash and cash equivalents and financial assets at amortised cost and are restricted within equity as Reserves - cash/financial assets backed.

Anticipated

In accordance with Council resolutions or adopted budget in relation to each reserve account, the purpose for which the reserves are set aside and their anticipated date of use are as follows:

	Name of Reserve	date of use	Purpose of the reserve
(a) Reserves cash backed - Leave Reserve	As required	To fund the annual leave and long service leave requirements.
(b) Reserves cash backed - Plant	As required	To fund the purchase of major plant.
(c) Reserves cash backed - Building	As required	To fund the development of future housing.
(d) Reserves cash backed - Admin Equipment	As required	To fund the purchase of administration office equipment.
(e) Reserves cash backed - Natural Disaster	As required	To fund the restoration of roads and infrastrcture in the event of a natural disaster.
(f) Reserves cash backed - Joint Venture Housing	As required	To fund the development of future housing.
(g) Reserves cash backed - FRC Surface & Equipment	As required	To fund the replacement of equipment and sports surfaces at the Freebairn Recreation Centre as necessary.
(h) Reserves cash backed - Medical Services	As required	To fund the provision of medical services in the future
(i) Reserves cash backed - Fuel Facility	As required	To fund the replacement of the fuel facility
(j) Reserves cash backed - Road Replacement	As required	To fund the construction of roads
(k) Reserves cash backed - Sportsperson Scholarship	As required	To help fund local sportspeople develop their talent.
(Reserves cash backed - Freebairn Recreation	As required	To be used to fund maintenance projects at the Freebairn Recreation Centre.
(m) Reserves cash backed - Short Stay Accommodation	As required	To fund the construction of short term accommodation

76,221	76,221				

SIGNIFICANT ACCOUNTING POLICIES

Other financial assets at amortised cost

The Shire classifies financial assets at amortised cost if both of the following criteria are met:

- the asset is held within a business model whose objective is to collect the contractual cashflows, and
- the contractual terms give rise to cash flows that are solely payments of principal and interest.

Financial assets at fair value through profit and loss

The Shire classifies the following financial assets at fair value through profit and loss:

- debt investments which do not qualify for measurement at either amortised cost or fair value through other comprehensive income.
- equity investments which the Shire has not elected to recognise fair value gains and losses through other comprehensive income.

Impairment and risk

Information regarding impairment and exposure to risk can be found at Note 28.

6. TRADE AND OTHER RECEIVABLES

Current

Rates receivable
Trade and other receivables
GST receivable
Allowance for impairment of receivables
Accrued Interest Receivable
Other receivables - Fuel Tax Credit Receivable

SIGNIFICANT ACCOUNTING POLICIES

Trade and other receivables

Trade and other receivables include amounts due from ratepayers for unpaid rates and service charges and other amounts due from third parties for goods sold and services performed in the ordinary course of business.

Trade receivables are recognised at original invoice amount less any allowances for uncollectible amounts (i.e. impairment). The carrying amount of net trade receivables is equivalent to fair value as it is due for settlement within 30 days.

Impairment and risk exposure

Information about the impairment of trade receivables and their exposure to credit risk and interest rate risk can be found in Note 28.

2021	2020

57,404	69,127
330,498	271,384
78,958	55,744
(18,666)	(20,198)
0	3,007
4,883	3,299
453,077	382,363

SIGNIFICANT ACCOUNTING POLICIES (Continued)

Classification and subsequent measurement
Receivables expected to be collected within 12 months
of the end of the reporting period are classified as
current assets. All other receivables are classified as
non-current assets.

Trade receivables are held with the objective to collect the contractual cashflows and therefore measures them subsequently at amortised cost using the effective interest rate method.

Due to the short term nature of current receivables, their carrying amount is considered to be the same as their fair value. Non-current receivables are indexed to inflation, any difference between the face value and fair value is considered immaterial.

7. INVENTORIES

Current

Fuel and materials

Other inventories - Freebairn Recreation Centre Stock

The following movements in inventories occurred during the year:

Balance at beginning of year

Inventories expensed during the year Additions to inventory

Balance at end of year

2021	2020
\$	\$
46,578	38,568
14,133	13,877
60,711	52,445
52,445	31,765
(823,942)	(863,290)
832,208	883,970
60,711	52,445

SIGNIFICANT ACCOUNTING POLICIES

General

Inventories are measured at the lower of cost and net realisable value.

Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

8. LAND HELD FOR RESALE

Current assets held for sale

Land

SIGNIFICANT ACCOUNTING POLICIES

Land Held for Resale

Land held for development and resale is valued at the lower of cost and net realisable value. Cost includes the cost of acquisition, development, borrowing costs and holding costs until completion of development.

Borrowing costs and holding charges incurred after development is completed are expensed.

2021	2020
\$	\$
687,000	687,000
687,000	687,000

Non-current assets held for sale

Assets are classified as held for sale where the carrying amount will be recovered through a sale rather than continuing use and the asset is available for immediate sale with a sale being highly probable.

Non-current assets classified as held for sale are valued at the lower of the carrying amount and fair value less costs to sell.

9. PROPERTY, PLANT AND EQUIPMENT

(a) Movements in Balances

Movement in the balances of each class of property, plant and equipment between the beginning and the end of the current financial year.

	3	Cost approach using depreciated replacement cost	Independent Valuer	June 2020	Improvements to land using construction costs and current conditions (Level 2), residual values and remaining useful life assessments (Level3) inputs.
(ii) Cost					
Furniture and equipment	3	Cost	Cost	June 2020	Purchase Cost
Plant and equipment					
- Management valuation 2020	3	Cost	Cost	June 2020	Purchase Cost
- Independent valuation 2020	2	Cost	Cost	June 2020	Purchase Cost
- Independent valuation 2020	3	Cost	Cost	June 2020	Purchase Cost
Construction other than building	3	Cost	Cost	June 2020	Purchase Cost
Motor vehicles	2	Cost	Cost	June 2020	Purchase Cost

(b) Fair Value Measurements

Level 3 inputs are based on assumptions with regards to future values and patterns of consumption utilising current information. If the basis of these assumptions were varied, they have the potential to result in a significantly higher or lower fair value measurement.

During the period there were no changes in the valuation techniques used by the local government to determine the fair value of property, plant and equipment using either level 2 or level 3 inputs.

Following a change to Local Government (Financial Management) Regulation 17A, plant and equipment type assets (being plant and equipment and furniture and equipment) are to be measured under the cost model, rather than at fair value. This change was effective from 1 July 2019 and represented a change in accounting policy. Revaluations carried out previously were not reversed as it was deemed fair value approximated cost at the date of change.

10. INFRASTRUCTURE

(a) Movements in Balances

Movement in the balances of each class of infrastructure between the beginning and the end of the current financial year.

-	Infrastructure - roads	Footpaths	Recreation	Other infrastructure	Total Infrastructure
Balance at 1 July 2019	\$ 74,491,654	\$ 508,767	3 ,762,703	5 1,008,734	\$ 79,771,858

10. INFRASTRUCTURE (Continued)

(b) Carrying Value Measurements

Asset Class	Fair Value Hierarchy	Valuation Technique	Basis of Valuation	Date of Last Valuation	Inputs Used
(i) Fair Value					
Infrastructure - roads	3	Cost approach using depreciated replacement cost	Independent Valuation	June 2020	Construction costs and current condition (Level 3), residual values and remaining useful life assessments (Level 3) inputs.
Footpaths	3	Cost approach using depreciated replacement cost	Independent Valuation	June 2020	Construction costs and current condition (Level 3), residual values and remaining useful life assessments (Level 3) inputs.
Recreation	3	Cost approach using depreciated replacement cost	Independent Valuation	June 2020	Construction costs and current condition (Level 3), residual values and remaining useful life assessments (Level 3) inputs.
Other infrastructure	3	Cost approach using depreciated replacement cost	Independent Valuation	June 2020	Construction costs and current condition (Level 3), residual values and remaining useful life assessments (Level 3) inputs.

Level 3 inputs are based on assumptions with regards to future values and patterns of consumption utilising current information. If the basis of these assumptions were varied, they have the potential to result in a significantly higher or lower fair value measurement.

During the period there were no changes in the valuation techniques used to determine the fair value of infrastructure using level 3 inputs.

11. FIXED ASSETS

SIGNIFICANT ACCOUNTING POLICIES

Fixed assets

Each class of fixed assets within either plant and equipment or infrastructure, is carried at cost or fair value as indicated less, where applicable, any accumulated depreciation and impairment losses

Initial recognition and measurement between mandatory revaluation dates

Assets for which the fair value as at the date of acquisition is under \$5,000 are not recognised as an asset in accordance with Financial Management Regulation 17A (5). These assets are expensed immediately

Where multiple individual low value assets are purchased together as part of a larger asset or collectively forming a larger asset exceeding the threshold, the individual assets are recognised as one asset and capitalised.

In relation to this initial measurement, cost is determined as the fair value of the assets given as consideration plus costs incidental to the acquisition. For assets acquired at zero cost or otherwise significantly less than fair value, cost is determined as fair value at the date of acquisition. The cost of non-current assets constructed by the Shire includes the cost of all materials used in construction, direct labour on the project and an appropriate proportion of variable and fixed overheads.

Individual assets that are land, buildings, infrastructure and investment properties acquired between initial recognition and the next revaluation of the asset class in accordance with the mandatory measurement framework, are recognised at cost and disclosed as being at fair value as management believes cost approximates fair value. They are subject to subsequent revaluation at the next anniversary date in accordance with the mandatory measurement framework.

Revaluation

The fair value of land, buildings, infrastructure and investment properties is determined at least every five years in accordance with the regulatory framework. This includes buildings and infrastructure items which were pre-existing improvements (i.e. vested improvements) on vested land acquired by the Shire.

Revaluation (Continued)

At the end of each period the valuation is reviewed and where appropriate the fair value is updated to reflect current market conditions. This process is considered to be in accordance with *Local Government (Financial Management) Regulation 17A (2)* which requires land, buildings, infrastructure, investment properties and vested improvements to be shown at fair value.

Increases in the carrying amount arising on revaluation of assets are credited to a revaluation surplus in equity. Decreases that offset previous increases of the same class of asset are recognised against revaluation surplus directly in equity. All other decreases are recognised in profit or loss.

AUSTRALIAN ACCOUNTING STANDARDS - INCONSISTENCY Land under roads from 1 July 2019

As a result of amendments to the *Local Government (Financial Management) Regulations 1996*, effective from 1 July 2019, vested land, including land under roads, is treated as right-of-use assets measured at zero cost. Therefore, the previous inconsistency with AASB 1051 in respect of non-recognition of land under roads acquired on or after 1 July 2008 has been removed, even though measurement at zero cost means that land under roads is still not included in the statement of financial position.

Vested improvements from 1 July 2019

The measurement of vested improvements at fair value in accordance with Local Government (Financial Management) Regulation 17A(2)(iv) is a departure from AASB 16 which would have required the Shire to measure the vested improvements as part of the related right-of-use assets at zero cost.

Refer to Note 12 that details the significant accounting policies applying to leases (including right-of-use assets).

SIGNIFICANT ACCOUNTING POLICIES

Depreciation

The depreciable amount of all fixed assets including buildings but excluding freehold land and vested land, are depreciated on a straight-line basis over the individual asset's useful life from the time the asset is held ready for use. Leasehold improvements are depreciated over the shorter of either the unexpired period of the lease or the estimated useful life of the improvements.

The assets residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains and losses are included in the statement of comprehensive income in the period in which they arise.

Depreciation rates

Typical estimated useful lives for the different asset classes for the current and prior years are included in the table below:

Asset Class	Useful life
Buildings	30 to 50 years
Furniture and equipment	4 to 10 years
Plant and equipment	5 to 15 years
Motor Vehicles	5 to 15 years
Sealed roads and streets	
formation	not depreciated
pavement	80 years
seal	
- bituminous seals	40 years
- asphalt surfaces	50 years
Gravel roads	
formation	not depreciated
pavement	80 years
Footpaths - slab	50 years
Sewerage piping	100 years
Water supply piping and drainage systems	40-80 years

Depreciation on revaluation

When an item of property, plant and equipment is revalued, any accumulated depreciation at the date of the revaluation is treated in one of the following ways:

- (a) The gross carrying amount is adjusted in a manner that is consistent with the revaluation of the carrying amount of the asset. For example, the gross carrying amount may be restated by reference to observable market data or it may be restated proportionately to the change in the carrying amount. The accumulated depreciation at the date of the revaluation is adjusted to equal the difference between the gross carrying amount and the carrying amount of the asset after taking into account accumulated impairment losses; or
- (b) Eliminated against the gross carrying amount of the asset and the net amount restated to the revalued amount of the asset.

12. LEASES

(a) Right-of-Use Assets

The Shire of Kulin does not hold any Right-of-Use Assets at balance date.

12. LEASES (CONTINUED)

(b) Property, Plant and Equipment Subject to Lease

The table below represents a maturity analysis of the undiscounted lease payments to be received after the reporting date.

0	0	
0	0	
0	0	
40,730	42,404	39,757

SIGNIFICANT ACCOUNTING POLICIES

The Shire as Lessor

Upon entering into each contract as a lessor, the Shire assesses if the lease is a finance or operating lease.

The contract is classified as a finance lease when the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee. All other leases not within this definition are classified as operating leases. Rental income received from operating leases is recognised on a straight-line basis over the term of the specific lease.

Initial direct costs incurred in entering into an operating lease (eg legal cost, cost to setup) are included in the carrying amount of the leased asset and recognised as an expense on a straight-line basis over the lease term.

When a contract is determined to include lease and non-lease components, the Entity applies AASB 15 to allocate the consideration under the contract to each component.

12. INTANGIBLE ASSETS

(a) Rehabilitation Assets

Non-current

Waste landfill

Less: accumulated depreciation

Movements in carrying amounts of waste landfill assets during the financial year are shown as follows:

Carrying amount at 30 June

Recognition of rehabilitation asset Amortisation expense Carrying amount at 30 June

(a) Computer Software

Non-current

Computer software

Less: accumulated depreciation

Movements in balances of computer software during the financial year are shown as follows:

Balance at 30 June

Recognition of computer software Amortisation expense Balance at 30 June

TOTAL INTANGIBLE ASSETS

SIGNIFICANT ACCOUNTING POLICIES

Computer software

Costs associated with maintaining software programmes are recognised as an expense as incurred. Development costs that are directly attributable to the design and testing of identifiable and unique software products controlled by the the Shire are recognised as intangible assets where the following criteria are met:

- it is technically feasible to complete the software so that it will be available for use;
- management intends to complete the software and use or sell it;
- there is an ability to use or sell the software.
- it can be demonstrated how the software will generate probable future economic benefits;

0	0
0	0

Computer software (continued)

- adequate technical, financial and other resources to complete the development and to use or sell the software are available; and
- the expenditure attributable to the software during its development can be reliably measured.

Directly attributable costs that are capitalised as part of the software include employee costs and an appropriate portion of relevant overheads.

Capitalised development costs are recorded as intangible assets and amortised from the point at which the asset is ready for use.

13. REVALUATION SURPLUS

Revaluation surplus - Land and buildings Revaluation surplus - Construction other than buildings Revaluation surplus - Infrastructure - roads, footpaths, recreation and other infrastructrue

2021	2021	2021	Total	2021	2020	2020	2020	Total	2020

Movements on revaluation of property, plant and equipment (including infrastructure) are not able to be reliably attributed to a program as the assets were revalued by class as provided for by AASB 116 Aus 40.1.

13. INVESTMENT PROPERTY

Non-current assets - at fair value

Carrying balance at 1 July Acquisitions Capitalised subsequent expenditure Classified as held for sale or disposal Net gain/(loss) from fair value adjustment Closing balance at 30 June

Amounts recognised in profit or loss for investment properties

Rental income

Direct operating expenses from property that generated rental income

Direct operating expenses from property that did not generate rental income

Fair value gain recognised in other income

Leasing arrangements

Investment properties are leased to tenants under long-term operating leases with rentals payable monthly. Minimum lease payments receivable on leases of investment properties are as follows:

Minimum lease payments under non-cancellable operating leases of investment properties not recognised in the financial statements are receivable as follows:

Within one year

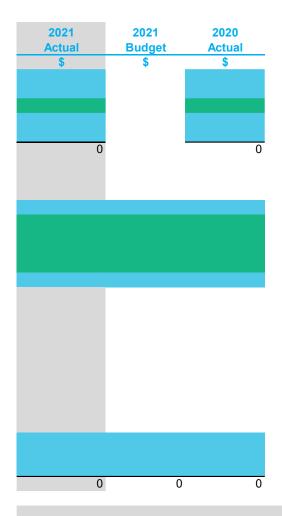

Later than one year but not later than 5 years

Later than one year but not later than 5 years Later than 5 years

SIGNIFICANT ACCOUNTING POLICIES

Investment properties

Investment properties are principally freehold buildings, held for long-term rental yields and not occupied by the Shire. They are carried at fair value. Changes in the fair values are presented in profit or loss as a part of other revenue.

Fair value of investment properties

A management valuation was performed to determine the fair value of investment properties. The main Level 3 inputs used in the valuation were discount rates, terminal yields, expected vacancy rates and rental growth rates estimated by management based on comparable transactions and industry data.

14. TRADE AND OTHER PAYABLES

Current

SIGNIFICANT ACCOUNTING POLICIES

Trade and other payables

Trade and other payables represent liabilities for goods and services provided to the Shire prior to the end of the financial year that are unpaid and arise when the Shire becomes obliged to make future payments in respect of the purchase of these goods and services.

The amounts are unsecured, are recognised as a current liability and are normally paid within 30 days of recognition

15. OTHER LIABILITIES

Current

Contract liabilities

Performance obligations for each type of liability are expected to be recognised as revenue in accordance with the following time bands:

Less than 1 year

SIGNIFICANT ACCOUNTING POLICIES

Contract liabilities

Contract liabilities represent the the Shire's obligation to transfer goods or services to a customer for which the Shire has received consideration from the customer.

With respect to transfers for recognisable non-financial assets, contract liabilities represent performance obligations which are not yet satisfied.

Contract liabilities are recognised as revenue when the performance obligations in the contract are satisfied.

SIGNIFICANT ACCOUNTING POLICIES

Financial liabilities

Financial liabilities are recognised at fair value when the Shire becomes a party to the contractual provisions to the instrument.

Non-derivative financial liabilities (excluding financial guarantees) are subsequently measured at amortised cost. Gains or losses are recognised in profit or loss.

Financial liabilities are derecognised where the related obligations are discharged, cancelled or expired. The difference between the carrying amount of the financial liability extinguished or transferred to another party and the fair value of the consideration paid, including the transfer of non-cash assets or liabilities assumed, is recognised in profit or loss.

Borrowing costs

Borrowing costs are recognised as an expense when incurred except where they are directly attributable to the acquisition, construction or production of a qualifying asset. Where this is the case, they are capitalised as part of the cost of the particular asset until such time as the asset is substantially ready for its intended use or sale.

Risk

Information regarding exposure to risk can be found at Note 28.

505,498	462,125

Provision for

Amounts are expected to be settled on the following basis:

Less than 12 months after the reporting date More than 12 months from reporting date

Timing of the payment of current leave liabilities is difficult to determine as it is dependent on future decisions of employees. Expected settlement timings are based on information obtained from employees and historical leave trends and assumes no events will occur to impact on these historical trends.

SIGNIFICANT ACCOUNTING POLICIES

Employee benefits

The Shire's obligations for employees' annual leave and long service leave entitlements are recognised as provisions in the statement of financial position.

Short-term employee benefits

Provision is made for the Shire's obligations for short-term employee benefits. Short-term employee benefits are benefits (other than termination benefits) that are expected to be settled wholly before 12 months after the end of the annual reporting period in which the employees render the related service, including wages, salaries and sick leave. Short-term employee benefits are measured at the (undiscounted) amounts expected to be paid when the obligation is settled.

The Shire's obligations for short-term employee benefits such as wages, salaries and sick leave are recognised as a part of current trade and other payables in the statement of financial position.

Other long-term employee benefits

Long-term employee benefits are measured at the present value of the expected future payments to be made to employees. Expected future payments incorporate anticipated future wage and salary levels, durations of service and employee departures and are discounted at

Other long-term employee benefits (Continued)

rates determined by reference to market yields at the end of the reporting period on government bonds that have maturity dates that approximate the terms of the obligations. Any remeasurements for changes in assumptions of obligations for other long-term employee benefits are recognised in profit or loss in the periods in which the changes occur.

The Shire's obligations for long-term employee benefits are presented as non-current provisions in its statement of financial position, except where the Shire does not have an unconditional right to defer settlement for at least 12 months after the end of the reporting period, in which case the obligations are presented as current provisions.

Provisions

Provisions are recognised when the Shire has a present legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured.

Provisions are measured using the best estimate of the amounts required to settle the obligation at the end of the reporting period.

20. CONTINGENT LIABILITIES

The Department of Water and Environmental Regulation (DWER) issued a Category 64 licence for a putrescible landfill in 1997. The burial of putrescible waste ceased in 2009 and the Shire requested an amendment to the licence to replace the Category 64 licence with a Category 63 (Class I inert waste) licence. The Category 63 licence currently has an expiry date of the 18th of July 2026. The Shire is required to provide DWER with a Closure and Rehabilitation Plan when the premises is nearing closure or cessation of prescribed activities. As the Shire is not closing or ceasing the prescribed activities there is no requirement to provide DWER with a Closure and Rehabilitation Plan. At the time the Shire determines that the premises will close and/or cease prescribed activities, notification will be provided to DWER through a licence amendment application or licence surrender application. At that time, the specific circumstances surrounding the closure and rehabilitation of the landfill are reviewed by DWER, and as required, the submission of Closure and Rehabilitation Plan, to ensure that the premises is suitably managed and rehabilitated to prevent impacts to the environment post closure.

21. CAPITAL COMMITMENTS

(a) Capital Expenditure Commitments

Contracted for: - capital expenditure projects 490,000 490,000 Payable: 490,000 - not later than one year

The capital expenditure projects for the current reporting period represent the tender awarded for the All Ages Activity Precinct in the current period with the project to completed in the year ended 30.06.2022.

23. RELATED PARTY TRANSACTIONS

Key Management Personnel (KMP) Compensation Disclosure

The total of remuneration paid to KMP of the Shire during the year are as follows:	Actual \$	Actual \$
Short-term employee benefits	394,292	354,665
Post-employment benefits	56,286	51,488
Other long-term benefits	49,382	46,624
	499,960	452,777

Short-term employee benefits

These amounts include all salary, fringe benefits and cash bonuses awarded to KMP except for details in respect to fees and benefits paid to elected members which may be found above.

Post-employment benefits

These amounts are the current-year's estimated cost of providing for the Shire's superannuation contributions made during the year.

Other long-term benefits

These amounts represent annual and long service benefits accruing during the year.

Transactions with related parties

Transactions between related parties and the Shire are on normal commercial terms and conditions, no more favourable than those available to other parties, unless otherwise stated.

No outstanding balances or provisions for doubtful debts or guaranties exist in relation to related parties at year end.

2021	2020	
Actual	Actual

75,567	27,190	
	Actual \$	

Related Parties

The Shire's main related parties are as follows:

i. Key management personnel

Any person(s) having authority and responsibility for planning, directing and controlling the activities of the entity, directly or indirectly, including any elected member, are considered key management personnel.

ii. Other Related Parties

An associate person of KMP was employed by the Shire under normal employement terms and conditions.

Any entity that is controlled by or over which KMP, or close family members of KMP, have authority and responsibility for planning, directing and controlling the activity of the entity, directly or indirectly, are considered related parties in relation to the Shire.

iii. Entities subject to significant influence by the Shire

An entity that has the power to participate in the financial and operating policy decisions of an entity, but does not have control over those policies, is an entity which holds significant influence. Significant influence may be gained by share ownership, statute or agreement.

24. INVESTMENT IN ASSOCIATE AND JOINT ARRANGEMENTS

(a) Share of joint operations

The Shire of Kulin has joint venture agreements with the Department of Housing for the provision of housing at 25 Johnston Street, 19 Wright Street and 3 Bull Street, Kulin. The ownership of the assets is determined by the property title which includes the percentage of each parties equitable interest. The Shire contributed the land, site works and some landscaping and the Department of Housing contributed the funds to construct the buildings. The Shire manages the properties and all rental income and housing expenditure are recorded in the respective line items of the financial statements.

SIGNIFICANT ACCOUNTING POLICIES

Interests in joint arrangements

Joint arrangements represent the contractual sharing of control between parties in a business venture where unanimous decisions about relevant activities are required.

Separate joint arrangements providing joint ventures with an interest to net assets are classified as a joint venture and accounted for using the equity method. The equity method of accounting, whereby the investment is initially recognised at cost and adjusted thereafter for the post-acquisition change in the Shire's share of net assets of the associate. In addition, the Shire's profit or loss.

Interests in joint arrangements (Continued)

Joint operations represent arrangements whereby joint operators maintain direct interests in each asset and exposure to each liability of the arrangement. The Shire's interests in the assets, liabilities, revenue and expenses of joint operations are included in the respective line items of the financial statements.

25. INVESTMENT IN ASSOCIATES

The Shire together with the Shires of Corrigin, Kondinin & Narembeen have a joint operation arrangement with regard to the provision of an Environmental Health and Building Surveying Service. The joint-controlled assets are motor vehicles, Bendering Tip site facility at Narembeen-Kondinin Road. The Shire's 15.38% share in the motor vehicle is included in Property, Plant & Equipment is as follows:

Land
Total assets
Other infrastructure Less: accumulated depreciation Total assets
Motor vehicle Less: accumulated depreciation Total assets

6,152	5,103
0,132	3,103
36,221	37,351

SIGNIFICANT ACCOUNTING POLICIES

Investment in associates

An associate is an entity over which the Shire has significant influence. Significant influence is the power to participate in the financial operating policy decisions of that entity but is not control or joint control of those policies. Investments in associates are accounted for in the financial statements by applying the equity method of accounting, whereby the investment is initially recognised at cost and adjusted thereafter for the post-acquisition change in the Shire's share of net assets of the associate. In addition, the Shire's share of the profit or loss of the associate is included in the Shire's profit or loss.

The carrying amount of the investment includes, where applicable, goodwill relating to the associate. Any discount on acquisition, whereby the Shire's share of the net fair value of the associate exceeds the cost of investment, is recognised in profit or loss in the period in which the investment is acquired.

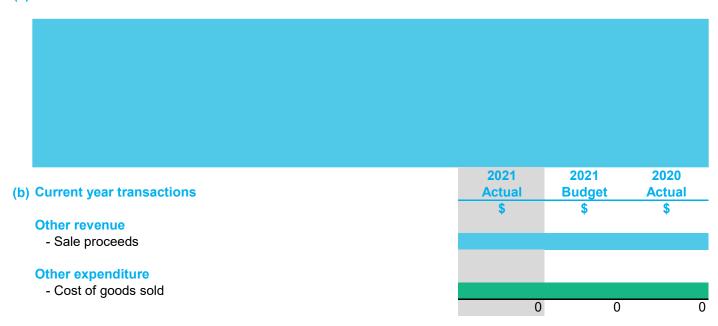

SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment in associates (Continued)

Profits and losses resulting from transactions between the Shire and the associate are eliminated to the extent of the Shire's interest in the associate. When the Shire's share of losses in an associate equals or exceeds its interest in the associate, the Shire discontinues recognising its share of further losses unless it has incurred legal or constructive obligations or made payments on behalf of the associate. When the associate subsequently makes profits, the Shire will resume recognising its share of those profits once its share of the profits equals the share of the losses not recognised.

SIGNIFICANT ACCOUNTING POLICIES

Rates

Control over assets acquired from rates is obtained at the commencement of the rating period.

Prepaid rates are, until the taxable event has occurred (start of the next financial year), refundable at the request of the ratepayer. Rates received in advance are initially recognised as a financial liability. When the taxable event occurs, the financial liability is extinguished and the Shire recognises revenue for the prepaid rates that have not been refunded.

28. FINANCIAL RISK MANAGEMENT

This note explains the Shire's exposure to financial risks and how these risks could affect the Shire's future financial performance.

Risk	Exposure arising from	Measurement	Management
Market risk - interest rate	Long term borrowings at variable rates	Sensitivity analysis	Utilise fixed interest rate borrowings
Credit risk	Cash and cash equivalents, trade receivables, financial assets and		Diversification of bank deposits, credit limits. Investment policy
Liquidity risk	Borrowings and other liabilities	Rolling cash flow forecasts	Availability of committed credit lines and borrowing facilities

The Shire does not engage in transactions expressed in foreign currencies and is therefore not subject to foreign currency risk.

Financial risk management is carried out by the finance area under policies approved by the Council. The finance area identifies, evaluates and manages financial risks in close co-operation with the operating divisions. Council have approved the overall risk management policy and provide policies on specific areas such as investment policy.

(a) Interest rate risk

Cash and cash equivalents

The Shire's main interest rate risk arises from cash and cash equivalents with variable interest rates, which exposes the Shire to cash flow interest rate risk.

Excess cash and cash equivalents are invested in fixed interest rate term deposits which do not expose the Shire to cash flow interest rate risk. Cash and cash equivalents required for working capital are held in variable interest rate accounts and non-interest bearing accounts. Carrying amounts of cash and cash equivalents at the 30 June and the weighted average interest rate across all cash and cash equivalents and term deposits held disclosed as financial assets at amortised cost are reflected in the table below.

	Weighted Average Interest Rate %	Carrying Amounts	Fixed Interest Rate \$	Variable Interest Rate \$	Non Interest Bearing \$
2021 Cash and cash equivalents Financial assets at amortised cost - term	0.02%	2,428,686	1,019,403	0	1,409,283
deposits 2020	0.30%	2,124,064	2,124,064	0	0
Cash and cash equivalents Financial assets at amortised cost	0.54% 1.55%	3,610,595 400,000	2,288,457 400,000	22,467 0	1,299,671 0

Sensitivity

Profit or loss is sensitive to higher/lower interest income from cash and cash equivalents as a result of changes in interest rates.

2021
2020

Impact of a 1% movement in interest rates on profit and loss and equity*

* Holding all other variables constant

\$ \$ 24,287 225

Borrowings

Borrowings are subject to interest rate risk - the risk that movements in interest rates could adversely affect funding costs. The Shire manages this risk by borrowing long term and fixing the interest rate to the situation considered the most advantageous at the time of negotiation. The Shire does not consider there to be any interest rate risk in relation to borrowings. Details of interest rates applicable to each borrowing may be found at Note 16(b).

28. FINANCIAL RISK MANAGEMENT (Continued)

(b) Credit risk

Trade and Other Receivables

The Shire's major receivables comprise rates annual charges and user fees and charges. The major risk associated with these receivables is credit risk – the risk that the debts may not be repaid. The Shire manages this risk by monitoring outstanding debt and employing debt recovery policies. It also encourages ratepayers to pay rates by the due date through incentives.

Credit risk on rates and annual charges is minimised by the ability of the Shire to recover these debts as a secured charge over the land, that is, the land can be sold to recover the debt. Whilst the Shire was historically able to charge interest on overdue rates and annual charges at higher than market rates, which further encourage payment.

The level of outstanding receivables is reported to Council monthly and benchmarks are set and monitored for acceptable collection performance.

The Shire applies the AASB 9 simplified approach to measuring expected credit losses using a lifetime expected loss allowance for all trade receivables. To measure the expected credit losses, rates receivable are separated from other trade receivables due to the difference in payment terms and security for rates receivable.

The expected loss rates are based on the payment profiles of rates and fees and charges over a period of 36 months before 1 July 2020 or 1 July 2021 respectively and the corresponding historical losses experienced within this period. Historical credit loss rates are adjusted to reflect current and forward-looking information on macroeconomic factors such as the ability of ratepayers and residents to settle the receivables. Housing prices and unemployment rates have been identified as the most relevant factor in repayment rates, and accordingly adjustments are made to the expected credit loss rate based on these factors.

The loss allowance as at 30 June 2021 for rates receivable was determined as follows:

	Current	More than 1 year past due	More than 2 years past due	More than 3 years past due	Total
30 June 2021					
Rates receivable					
Expected credit loss	70.49%	30.94%	43.88%	18.05%	
Gross carrying amount	6,826	11,521	12,657	26,233	57,236
Loss allowance	4,812	3,565	5,554	4,736	18,666
30 June 2020					
Rates receivable					
Expected credit loss	22.69%	27.66%	22.17%	14.97%	
Gross carrying amount	18,742	15,259	12,039	22,752	68,792
Loss allowance	4,253	4,220	2,669	3,406	14,548

The loss allowance as at 30 June 2021 and 30 June 2020 was determined as follows for trade receivables.

	Current	More than 30 days past due	More than 60 days past due	More than 90 days past due	Total
30 June 2021					
Trade and other receivables					
Expected credit loss	0.00%	0.00%	0.00%	0.00%	
Gross carrying amount	321,725	7,583	114	529	329,951
Loss allowance	0	0	0	0	0
30 June 2020					
Trade and other receivables					
Expected credit loss	0.00%	65.18%	0.00%	0.00%	
Gross carrying amount	262,252	8,668	0	463	271,383
Loss allowance	0	5,650	0	0	5,650

SHIRE OF KULIN NOTES TO AND FORMING PART OF THE FINANCIAL REPORT FOR THE YEAR ENDED 30 JUNE 2021

28. FINANCIAL RISK MANAGEMENT (Continued)

(b) Credit risk (Continued)

Contract Assets

The Shire's contract assets represent work completed, which have not been invoiced at year end. This is due to the Shire not having met all the performance obligations in the contract which give an unconditional right to receive consideration. The Shire applies the simplified approach to measure expected credit losses which uses a lifetime expected loss allowance for all contract assets. To measure the expected credit losses, contract assets have been grouped based on shared credit risk characteristics and the days past due. Contract assets have substantially the same risk characteristics as the trade receivables for the same types of contracts. The Shire has therefore concluded that the expected loss rates for trade receivables are a reasonable approximation of the loss rates for the contract assets.

28. FINANCIAL RISK MANAGEMENT (Continued)

(c) Liquidity risk

Payables and borrowings

Payables and borrowings are both subject to liquidity risk – that is the risk that insufficient funds may be on hand to meet payment obligations as and when they fall due. The Shire manages this risk by monitoring its cash flow requirements and liquidity levels and maintaining an adequate cash buffer. Payment terms can be extended and overdraft facilities drawn upon if required and disclosed in Note 16(c).

The contractual undiscounted cash flows of the Shire's payables and borrowings are set out in the liquidity table below. Balances due within 12 months equal their carrying balances, as the impact of discounting is not significant.

2021	Due within 1 year \$	Due between 1 & 5 years	Due after 5 years	Total contractual cash flows	Carrying values
<u> </u>	Ψ	•	•	•	Ψ
Payables	650,993	0	0	650,993	655,186
Borrowings	125,449	501,798	627,247	1,254,494	1,073,183
Contract liabilities	250,000	0	0	250,000	250,000
Ī	1,026,442	501,798	627,247	2,155,487	1,978,369
2020					
Payables	507,220	0	0	507,220	507,220
Borrowings	125,449	501,798	752,694	1,379,941	1,163,694
-	632,669	501,798	752,694	1,887,161	1,670,914

SHIRE OF KULIN NOTES TO AND FORMING PART OF THE FINANCIAL REPORT FOR THE YEAR ENDED 30 JUNE 2021

29. EVENTS OCCURRING AFTER THE END OF THE REPORTING PERIOD

There were no events occurring after the end of the reporting period that require adjustments or disclosure to the financial report.

SHIRE OF KULIN NOTES TO AND FORMING PART OF THE FINANCIAL REPORT FOR THE YEAR ENDED 30 JUNE 2021

29. INITIAL APPLICATION OF AUSTRALIAN ACCOUNTING STANDARDS

During the year, the Shire adopted all of the new and revised Australian Accounting Standards and Interpretations which were compiled, became mandatory and which were applicable to its operations.

29. TRUST FUNDS

Funds held at balance date which are required to be held in trust and which are not included in the financial statements are as follows:

SHIRE OF KULIN NOTES TO AND FORMING PART OF THE FINANCIAL REPORT FOR THE YEAR ENDED 30 JUNE 2021

30. OTHER SIGNIFICANT ACCOUNTING POLICIES

a) Goods and services tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payables are stated inclusive of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with receivables or payables in the statement of financial position.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to, the ATO are presented as operating cash flows.

b) Current and non-current classification

The asset or liability is classified as current if it is expected to be settled within the next 12 months, being the Shire's operational cycle. In the case of liabilities where the Shire does not have the unconditional right to defer settlement beyond 12 months, such as vested long service leave, the liability is classified as current even if not expected to be settled within the next 12 months. Inventories held for trading are classified as current or non-current based on the Shire's intentions to release for sale.

c) Rounding off figures

All figures shown in this annual financial report, other than a rate in the dollar, are rounded to the nearest dollar. Amounts are presented in Australian Dollars.

d) Comparative figures

Where required, comparative figures have been adjusted to conform with changes in presentation for the current financial year.

When the Shire applies an accounting policy retrospectively, makes a retrospective restatement or reclassifies items in its financial statements that has a material effect on the statement of financial position, an additional (third) statement of financial position as at the beginning of the preceding period in addition to the minimum comparative financial statements is presented.

e) Budget comparative figures

Unless otherwise stated, the budget comparative figures shown in this annual financial report relate to the original budget estimate for the relevant item of disclosure.

f) Superannuation

The Shire contributes to a number of Superannuation Funds on behalf of employees. All funds to which the Shire contributes are defined contribution plans.

g) Fair value of assets and liabilities

Fair value is the price that the Shire would receive to sell the asset or would have to pay to transfer a liability, in an orderly (i.e. unforced) transaction between independent, knowledgeable and willing market participants at the measurement date.

As fair value is a market-based measure, the closest equivalent observable market pricing information is used to determine fair value. Adjustments to market values may be made having regard to the characteristics of the specific asset or liability. The fair values of assets that are not traded in an active market are determined using one or more valuation techniques. These valuation techniques maximise, to the extent possible, the use of observable market data

To the extent possible, market information is extracted from either the principal market for the asset or liability (i.e. the market with the greatest volume and level of activity for the asset or liability) or, in the absence of such a market, the most advantageous market available to the entity at the end of the reporting period (i.e. the market that maximises the receipts from the sale of the asset after taking into account transaction costs and transport costs).

For non-financial assets, the fair value measurement also takes into account a market participant's ability to use the asset in its highest and best use or to sell it to another market participant that would use the asset in its highest and best use.

h) Fair value hierarchy

AASB 13 requires the disclosure of fair value information by level of the fair value hierarchy, which categorises fair value measurement into one of three possible levels based on the lowest level that an input that is significant to the measurement can be categorised into as follows:

Level 1

Measurements based on quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date.

Level 2

Measurements based on inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly or indirectly.

Lovel S

Measurements based on unobservable inputs for the asset or liability.

The fair values of assets and liabilities that are not traded in an active market are determined using one or more valuation techniques. These valuation techniques maximise, to the extent possible, the use of observable market data. If all significant inputs required to measure fair value are observable, the asset or liability is included in Level 2. If one or more significant inputs are not based on observable market data, the asset or liability is included in Level 3.

Valuation techniques

The Shire selects a valuation technique that is appropriate in the circumstances and for which sufficient data is available to measure fair value. The availability of sufficient and relevant data primarily depends on the specific characteristics of the asset or liability being measured. The valuation techniques selected by the Shire are consistent with one or more of the following valuation approaches:

Market approach

Valuation techniques that use prices and other relevant information generated by market transactions for identical or similar assets or liabilities.

Income approach

Valuation techniques that convert estimated future cash flows or income and expenses into a single discounted present value.

Cost approach

Valuation techniques that reflect the current replacement cost of the service capacity of an asset.

Each valuation technique requires inputs that reflect the assumptions that buyers and sellers would use when pricing the asset or liability, including assumptions about risks. When selecting a valuation technique, the Shire gives priority to those techniques that maximise the use of observable inputs and minimise the use of unobservable inputs. Inputs that are developed using market data (such as publicly available information on actual transactions) and reflect the assumptions that buyers and sellers would generally use when pricing the asset or liability are considered observable, whereas inputs for which market data is not available and therefore are developed using the best information available about such assumptions are considered unobservable.

i) Impairment of assets

In accordance with Australian Accounting Standards the Shire's cash generating non-specialised assets, other than inventories, are assessed at each reporting date to determine whether there is any indication they may be impaired.

Where such an indication exists, an impairment test is carried out on the asset by comparing the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, to the asset's carrying amount.

Any excess of the asset's carrying amount over its recoverable amount is recognised immediately in profit or loss, unless the asset is carried at a revalued amount in accordance with another Standard (e.g. AASB 116) whereby any impairment loss of a revalued asset is treated as a revaluation decrease in accordance with that other Standard.

For non-cash generating specialised assets that are measured under the revaluation model ,such as roads, drains, public buildings and the like, no annual assessment of impairment is required. Rather AASB 116.31 applies and revaluations need only be made with sufficient regulatory to ensure the carrying value does not differ materially from that which would be determined using fair value at the end of the reporting period.

30. ACTIVITIES/PROGRAMS

Shire operations as disclosed in these financial statements encompass the following service orientated activities/programs.

PROGRAM NAME AND OBJECTIVES GOVERNANCE

To provide a decision making process for the efficient allocation of scarce resources.

ACTIVITIES

Includes the activities of members of council and the administrative support available to the council for the provision of governance of the district. Other costs relate to the task of assisting elected members and ratepayers on matters which do not concern specific council services.

GENERAL PURPOSE FUNDING

To collect revenue to allow for the provision of

Rates, general purpose government grants and interest revenue.

LAW, ORDER, PUBLIC SAFETY

To provide services to help ensure a safer and environmentally conscious community.

Supervision and enforcement of various local laws relating to fire prevention, animal control and other aspects of public safety including emergency services.

HEALTH

To provide an operational framework for environmental and community health.

Inspection of food outlets and their control, provision of meat inspection services, noise control and waste disposal compliance.

EDUCATION AND WELFARE

To provide services to disadvantaged persons, the elderly, children and youth

Maintenance of child minding centre, playgroup centre, senior citizen centre and aged care centre. Provision and maintenance of home and community care programs and youth services.

HOUSING

To provide and maintain general and elderly residents housing.

Provision and maintenance of housing.

COMMUNITY AMENITIES

To provide services required by the community.

Rubbish collection services, operation of rubbish disposal sites, litter control, construction and maintenance of urban storm water drains, protection of the environment and administration of town planning schemes, cemetery and public conveniences.

RECREATION AND CULTURE

To establish and effectively manage infrastructure and resource which will help the social well being of the community.

Maintenance of public halls, civic centres, aquatic centre, beaches, recreation centres and various sporting facilities. Provision and maintenance of parks, gardens and playgrounds. Operation of library, museum and other cultural facilities.

TRANSPORT

To provide safe, effective and efficient transport services to the community

Construction and maintenance of roads, streets, footpaths, depots, cycleways, parking facilities and traffic control. Cleaning of streets and maintenance of street trees, street lighting etc.

ECONOMIC SERVICES

To help promote the shire and its economic wellbeing.

Tourism and area promotion including the maintenance and operation of a caravan park. Provision of rural services including weed control, vermin control and standpipes. Building Control

OTHER PROPERTY AND SERVICES

To monitor and control council's overheads operating accounts.

Private works operation, plant repair and operation costs and engineering operation costs.

INDEPENDENT AUDITOR'S REPORT 2021 Shire of Kulin

To the Councillors of the Shire of Kulin

Report on the audit of the annual financial report

Opinion

I have audited the financial report of the Shire of Kulin (Shire) which comprises:

- the Statement of Financial Position at 30 June 2021, the Statement of Comprehensive Income by Nature or Type, Statement of Comprehensive Income by Program, Statement of Changes in Equity, Statement of Cash Flows and Rate Setting Statement for the year then ended
- Notes comprising a summary of significant accounting policies and other explanatory information
- the Statement by the Chief Executive Officer.

In my opinion the financial report of the Shire of Kulin:

- is based on proper accounts and records
- fairly represents, in all material respects, the results of the operations of the Shire for the
 year ended 30 June 2021 and its financial position at the end of that period in accordance
 with the Local Government Act 1995 (the Act) and, to the extent that they are not
 inconsistent with the Act, Australian Accounting Standards.

Basis for opinion

I conducted my audit in accordance with Australian Auditing Standards. My responsibilities under those standards are further described in the Auditor's responsibilities section below. I am independent of the Shire in accordance with the *Auditor General Act 2006* and the relevant ethical requirements of the Accounting Professional & Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to my audit of the financial report. I have also fulfilled my other ethical responsibilities in accordance with the Code. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Responsibilities of the Chief Executive Officer and Council for the financial report

The Chief Executive Officer (CEO) of the Shire is responsible for the preparation and fair presentation of the financial report in accordance with the requirements of the Act, the Regulations and Australian Accounting Standards. The CEO is also responsible for managing internal control (as required by the CEO) to ensure the financial report is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the CEO is responsible for assessing the Shire's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and Page 1 of 3

using the going concern basis of accounting unless the State Government has made decisions affecting the continued existence of the Shire.

The Council is responsible for overseeing the Shire's financial reporting process.

Auditor's responsibility for the audit of the financial report

As required by the *Auditor General Act 2006*, my responsibility is to express an opinion on the financial report. The objectives of my audit are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.

A further description of my responsibilities for the audit of the financial report is located on the Auditing and Assurance Standards Board website. This description forms part of my auditor's report and can be found at https://www.auasb.gov.au/auditors_responsibilities/ar4.pdf.

Report on other legal and regulatory requirements

In accordance with the Local Government (Audit) Regulations 1996 I report that:

- (i) In my opinion, the following material matter indicates a significant adverse trend in the financial position of the Shire:
 - a) The Operating Surplus Ratio as reported in Note 31 of the annual financial report is below the Department of Local Government, Sport and Cultural Industries' basic standard for the current year and past 2 years.
- (ii) The following material matters indicating non-compliance with Part 6 of the Act, the Regulations or applicable financial controls of any other relevant written law were identified during the course of my audit:
 - a) The Shire did not submit the 30 June 2021 Budget to the Department of Local Government, Sport and Cultural Industries' Chief Executive Officer within 30 days of adoption of the 2021 annual budget as required by Section 33 of the Local Government (Financial Management) Regulations 1996
 - b) The Shire did not submit the mid-year budget review to the Department of Local Government Sport and Cultural Industries' within 30 days of adoption of the mid-year budget review as required by Section 33A (4) of the Local Government (Financial Management) Regulations 1996
 - c) The Shire did not submit the annual Compliance Audit Return for the year ended 31 December 2020 to the Department of Local Government Sport and Cultural Industries' Chief Executive Officer by 31 March 2021 as required by Regulation 15(1) of the Local Government (Financial Management) Regulations 1996
 - d) The Shire has not reported the asset renewal funding ratio for 2019 in the annual financial report as required by section 50(1) of the Local Government (Financial Management) Regulations 1996, as management could not confirm the reliability of the available information on planned capital renewals and required capital expenditure in the long-term financial plan and asset management plan respectively.

- (iii) All required information and explanations were obtained by me.
- (iv) All audit procedures were satisfactorily completed.
- (v) In my opinion, the Asset Consumption Ratio and the Asset Renewal Funding Ratio included in the financial report were supported by verifiable information and reasonable assumptions.

Other information

The other information is the information in the entity's annual report for the year ended 30 June 2021, but not the financial report and my auditor's report. The CEO is responsible for the preparation and the Council for overseeing the other information.

My opinion does not cover the other information and, accordingly, I do not express any form of assurance conclusion thereon.

Matters relating to the electronic publication of the audited financial report

This auditor's report relates to the financial report of the Shire of Kulin for the year ended 30 June 2021 included on the Shire's website. The Shire's management is responsible for the integrity of the Shire's website. This audit does not provide assurance on the integrity of the Shire's website. The auditor's report refers only to the financial report described above. It does not provide an opinion on any other information which may have been hyperlinked to/from this financial report. If users of the financial report are concerned with the inherent risks arising from publication on a website, they are advised to refer to the hard copy of the audited financial report to confirm the information contained in this website version of the financial report.

Mark Ambrose Senior Director Financial Audit Delegate of the Auditor General for Western Australia Perth, Western Australia February 2022

SHIRE OF KULIN EXIT MEETING AGENDA

2pm Thursday 17 February 2022 Shire of Kulin Offices, 38 Johnston Street, KULIN

ATTENDEES: The Audit Committee Members:

Cr Brad Smoker Deputy President

Cr Robbie Bowey Councillor Cr Troy Ganell Councillor

Support Staff/Visitors:

Garrick Yandle Chief Executive Officer

Cassie-Dee Lewis Deputy Chief Executive Officer

Fiona Murphy Incoming Deputy Chief Executive Officer

AMD Chartered Accountants (via teleconference):

Tim Partridge Director

Office of the Auditor General (via teleconference):

Jeff Sweetman Acting Assistant Director Financial Audit

Office of the Auditor General WA

AGENDA ITEMS:

1. Audit Approach

Refer also attached Audit Planning Summary Dated May 2021, including Section 5 "Significant Risks" and Section 6 "Audit Emphasis and Significant Account Balances"

- Interim Visit / Testing Completed
- Year End Communications
- Final Visit / Testing Completed

2. Variations to Audit Plan (where applicable)

No variations

3. Subsequent Events

Discussion and reconfirmation regarding subsequent events.

4. Audit Issues

- Status of prior year audit issues: We reviewed the 3 prior (1 moderate and 2 minor) year management letter findings and were satisfied these have been resolved.
- Status of audit issues reported during 2021:

Findi	ng	Proposed Action by Management	Status of rectification
1.	Non-Compliance with the reporting requirements of the Local Government Act and Regulations	This issue is acknowledged by Management. There is a procedure in place where a monthly compliance meeting should be held which reminds relevant officers of their upcoming compliance obligations. These meetings have been scheduled and management are committed to meeting the compliance obligations of the Shire of Kulin	TBC
2.	Banking Reconciliations – Independent review and sign off	Management haven't considered the review of daily direct deposits a high risk area as monthly banking reconciliations would typically highlight any errors in values and monthly financial statement preparation would highlight any allocation errors. Daily banking reconciliations are typically prepared by a single officer so Management have not felt this is necessary. However, this is a relatively simple procedure to implement, we will adjust the procedure accordingly, immediately. The Caravan Park daily banking is acknowledged as a risk and a form and process will be implemented ASAP	TBC
3.	General Journal procedures	No workpapers on the journals identified was an oversight as Management endeavor to include workpapers and justification with all journals. Staff will be reminded of this requirement.	TBC
4.	Credit Card Agreements	A credit card policy does exist however a credit card agreement does not. A credit card agreement was prepared, presented and adopted at the Council meeting held on the 28th July 2021. These have been signed by staff with a credit card.	Noted as implemented
5.	Risk Management Plan	Funds have been budgeted for and the procurement process has begun for this to be prepared in the 21-22 financial year	TBC
6.	Disaster Recovery Plan	Management will prepare a disaster recovery plan in conjunction with our IT service provider and insurer.	ТВС
7.	Sundry debtor authorisation	Management has always considered the production of the voucher requests as sufficient authorization. Upon reflection, Management acknowledges this risk and will implement an authorisation procedure for debtor vouchers.	TBC
8.	Staff resignation / termination checklist	These tasks are completed on an ad hoc basis dependent on the employee and their level of responsibility. The process will be formalised to ensure the tasks take place when required.	TBC
9.	Disposal of IT Policy	The disposal of IT assets is managed in consultation with our IT service contractors to ensure unintended access to Shire data does not take place. We will discuss with them the formalisation of this process.	TBC

5. Audit Report

Refer DRAFT Audit Report attached

• Opinion Qualification Matters (where applicable): No qualifications to audit opinion.

Report on Other Matters:

- The operating surplus ratio as reported in Note 31 of the annual financial report is below the Department of Local Government, Sport and Cultural Industries' basic standard for the current year and past 2 years
- The Shire did not submit the 30 June 2021 Budget to the Department of Local Government, Sport and Cultural Industries' Chief Executive Officer within 30 days of adoption of the 2021 annual budget as required by Section 33 of the Local Government (Financial Management) Regulations 1996
- The Shire did not submit the mid-year budget review to the Department of Local Government Sport and Cultural Industries' within 30 days of adoption of the mid-year budget review as required by Section 33A (4) of the Local Government (Financial Management) Regulations 1996
- The Shire did not submit the annual Compliance Audit Return for the year ended 31
 December 2020 to the Department of Local Government Sport and Cultural
 Industries' Chief Executive Officer by 31 March 2021 as required by Regulation 15(1)
 of the Local Government (Financial Management) Regulations 1996
- The Shire has not reported the asset renewal funding ratio for 2019 in the annual financial report as required by section 50(1) of the Local Government (Financial Management) Regulations 1996, as management could not confirm the reliability of the available information on planned capital renewals and required capital expenditure in the long-term financial plan and asset management plan respectively.

6. Issues Relevant To Next Audit

Audit timelines

7. Close
