CEO CORNER

Welcome back to my first CEO corner for 2021. I trust many people had a refreshing and relaxing festive season. One that probably lulled us all into a false sense of security, only for us to be slapped down with the sudden COVID19 restrictions for Perth. Just another challenge to keep us on our toes for 2021.

During January town was somewhat quiet, but it was still all systems go at the Shire. Thanks to Taryn, Christina and the crew for organising Council's Australia Day event. It was certainly well attended. Congratulations to our 3 newest Australian Citizens, as well as Mr Proud whos 100th birthday festival celebrations continued with an official plaque being presented in recognition of his milestone and service to the community.

The Aquatic Centre remains our feature tourist attraction of the summer with people coming from far and wide. The Aussie Day event with local entertainment duet was a highlight as well as the extra entertainment for the kids. Thanks to all in the community who have stepped up on the slide, in the kiosk and cleaning to make the centre run smoothly. Early morning swimming continues to attract a few early risers for a refreshing wake up call. I've even turned this into a bit of a New Year's resolution and am half way to Rotto.

Judd and the crew have ripped into their town street projects. High Street drainage is well on its way to completion. A minor inconvenience to what will be a long-term improvement. The system certainly seemed to pass its first minor test on Sunday.

CBH Access Road and Jilakin Street upgrade works are also well progressed. We are working with Main Roads on the intersection design of both these roads, along with the Lake Grace Road. Hopefully all works are completed within a month or so.

Last week we also had our quarterly LEMC Meeting including a desktop exercise on dealing with major storm and flood damage. Luckily, we didn't have to put any key actions from this learning into practice, but it was a worthwhile exercise for the emergency management organisations from around the community to undertake as a group.

Next week is the first Council Meeting for 2021. It looks like our 2019/20 Audit will be finally ready to go to Council following review from the OAG, with the Annual Electors Meeting following in late March. Well done to Cassi and the finance team getting this over the line.

We will be embarking upon an updated Strategic Community Plan which is required under legislation. This will give Council, the community and staff an opportunity to identify the key community drivers that will be the cornerstone of Council investment over the next 5 years. We will be holding two community engagement meetings. Please see details on page 6. We look forward to community and business involvement. It will be great to get community ideas on how Council, Shire staff and community members continue to progressively drive community investment.

We have a few new starters in the office. Nicole Thompson is taking 12 months leave and in her absence we have Fiona Jasper, welcome Fiona. We also welcome Peter Hall working as Project Manager on WSNF Project. The FRC has also welcomed new backpackers in early February.

All systems go on the sporting front. Bowls is back in full swing, swimming club is up and running again, the Roodogs and Roopups have taken to the cricket field in their new caps and this Saturday the Tennis Club are hosting a big day.

Until next time safe travels.
Garrick Yandle - CEO

HARVEST BAN INFORMATION LINE 9880 1511

This is a recorded message and is updated with current harvest ban information

IN CASE OF FIRE RING 000

If there is a fire you must call 000 immediately. Shire of Kulin staff are unable to register the emergency.

PROHIBITED BURNING PERIOD

All burning is prohibited from 1 November 2020 to 15 February 2021.

NO burning permits can be issued in this period.

TOTAL FIRE BAN

A Total Fire Ban is declared on days when fires are most likely to threaten lives and property. This is because of predicted extreme fire weather or when there are already widespread fires and firefighting resources are stretched.

Total Fire Bans are put in place by DFES.

KULIN OVAL WATERING

The Shire of Kulin wish to advise that the town oval is no longer being watered with re-use water. Access to the oval is no longer restricted.

For any further information contact the office 9880 1204.

HARVEST AND VEHICLE MOVEMENT BAN

Harvest and Vehicle Movement Bans are issued by your local government and are put in place when your local Bushfire Control Officer identifies the use of engines, vehicles, plant or machinery as high bushfire risk activities, during particular times of the day.

Kulin Shire will distribute this information via SMS and the harvest ban information line.

2021 Townsite Roadworks

As you will be aware, there has been a mass of road construction on High Street, between Day Street and Johnston Street. Our contractors Key Civil have done a great job of the drainage install and have completed all the underground pipe work along High Street.

Pipes have now also been installed under Johnston Street to allow the water off High Street to continue through opposite the Community Hub which then connects to a new drainage pit located in the VDZ drain. Shortly Johnston Street will again be partly closed for the installation of a new culvert from outside the Woolshed across to the Public Toilets. This is additional works completed for Main Roads while we have the professionals available.

Over the next couple of weeks, we will be carting gravel into High Street to form the new road surface. We will still be required to leave up the fencing that is currently along High Street for the public's safety and for the safety of the Works crew.

High Street, CBH Access Road, Jilakin Road and areas of Johnston Street are scheduled to begin being bitumised on Monday the 8th of March. The roads will then be opened, so please drive to the posted speed limits. The roads will be closed again for asphalt application around Monday the 12th of April.

I would like to thank everybody for their patience and understanding during these interruptions. It has taken much time and effort to get these works to proceed and we are pleased with how they have progressed so far. It is a short time pain for long-term gain.

Should you have any enquiries, please contact me on 0427 801 241 or email works@kulin.wa.gov.au.

Judd Hobson
Manager of Works

NOTICES FROM THE SHIRE OF KULIN

Kulin Shire are undertaking a major review of the Strategic Community Plan and Corporate Business Plan.

The Shire of Kulin Strategic Community Plan is the principle strategy document influencing decision making at the Shire. It outlines over the long term how the shire will work towards a brighter future.

Council invites all Kulin Shire residents to be involved in the plan by attending interactive forums to discuss ideas about the future direction of Kulin.

Community input is important to ensure we are developing our Shire plans in the direction that the community wants it to go - we need to think about where we want to be in 5 years, 10 years and further!

Contact Registers in Shire facilities

From 5 December 2020, Shire of Kulin is required to maintain mandatory contact registers for WA Health Department COVID-19 contact tracing. Individuals can either scan the SafeWA QR Code or manually sign in at each venue.

The following venues/buildings will have contact registers:

- o Kulin Aquatic Centre and Waterslide
- o Freebairn Recreation Centre
- o Freebairn Recreation Centre Gym
- o Kulin Memorial Hall
- o Kulin Public Library (located at Kulin Post Office)

The WA Government has developed a free app, SafeWA, which is a digital contact register system. The SafeWA app can be downloaded from Apple App Store or Google Play. The app is not mandatory, and an alternative paper based system is also available.

-Failing to comply to the new requirements could result in fines and penalties of up to \$50,000 for an INDIVIDUAL and \$250,000 FOR A BODY CORPORATE or 12 months imprisonment.

- Any person aged 16 years and over who attends the facility, including patrons, staff, volunteers and contractors will be required to register their contact details. Records are not required to be collected for children under 16 years.

KULIN AQUATIC CENTRE AND WATERSLIDE

Interesting season we are having. As I'm writing this the weather is looking like it's going to drop a bit of rain, so hopefully we might get some in the dams around the place. The cooler summer has meant the pool hasn't been quite as busy as last season but still had some days with big numbers. Couple days up around 200 which is good to see. Still got a few early morning swimmers coming down which is good, and the tally of laps is climbing.

As mentioned in previous writeups I'm keeping a total town tally as well as individual tallies with the aim for individuals to swim from Cottesloe to Rottneest which is 19.7km or 788 laps in this pool. I'm here for encouragement as I look into my book of excuses as to why I'm not in the water. I'm sure the regulars have heard my excuses but I'm only into book 2 so have plenty more where they came from.

What I'm doing with all the laps is totalling them up and adding each year together to hopefully do

a full lap around Australia with laps swum. Last year as a town we swam from Kulin through Perth to roughly the Wooramel roadhouse, 120 odd km south of Carnarvon, so this is where we take off from this season. With 83 people having their names down for doing laps we are getting the tally up there and so far as a town we have swum 27014 laps this season which works out to 675 km. This takes us to Mardie station south of Karratha so huge effort from everyone so far. A few single efforts to mention so far are Bec with 2770 laps 69km, Jennie 2410 laps 60km, Clint 1732 laps 43km, Jacquie 1728 laps 43km, Tracy 1190 laps 30km and Tinny with 820 laps 20km. Great effort to the guys and everyone else who is taking part in the challenge.

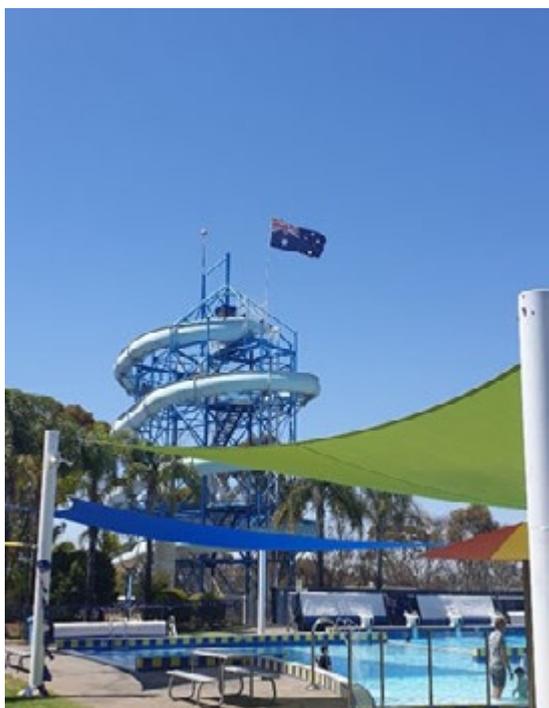

I still have that rule here that if you end up on 99 anytime during the season that it's going to cost you a carton. I might have to add a clause in there that if a child ends up on 99 then it's up to their parents to cough up but we won't mention any names at this stage.

Swimming is a great sport to build your aerobic fitness and with the winter sports starting soon, what better way to get yourself ready for the dreaded preseason. Come down and get into the laps slowly to start and build from there.

Australia Day down here went well with just under 200 for the day with kids enjoying the rides on the slide and there were a few sore kids after attempting the Bucking Bull. Congrats to Liam, Bec and Dee on their Citizenship on the day, and big thanks to Edwina and Fiona for coming down and performing at the pool on the day. I think everyone enjoyed sitting back relaxing and listening to Edona Heartland. Will be doing it again soon hopefully.

That's it from down here for now. Hopefully it warms up again through February and March, and I hope to you see you down here.

Cheers
Jones

**Let's send the pool
season out with a bang!
Further details closer to
the date....**

Well, we are off and racing in 2021! We certainly ended one of the strangest of years in 2020 with a flurry of activities. I'm not sure if we felt the need to catch up on lost opportunities or if it was just a typical December!

After the traditional January lull, we are all looking forward to a fresh start in 2021 with most of us eagerly anticipating a normal Winter sports fixture this year.

For now, we see community members enjoying the Corporate Bowls opportunity on a Thursday evening. If you didn't already know, Corporate Bowls has commenced. This week is week 2 and due to its social nature it is never too late to join a team and enjoy a beverage and burger afterwards. Play generally commences at 6.30pm so come along from 6pm to get organised and join in the fun.

Social Softball has also kicked off on Thursday evenings from 5.30pm. Come down to the oval and have a bash followed by a sausage sizzle and some social interaction.

This year we are hoping to see a Senior Social Basketball Competition run for the month of March every Friday evening. Nominations are due by Friday 19th February to reccentre@kulin.wa.gov.au. Teams will be mixed with 5-8 per team. Ages 13+ are welcome. There will be no more than 3 males per team allowed on court at one time. Please see the flyer included in this Update for further information. Get in early to avoid disappointment!!

Our junior cricket team the Roo-Pups have a couple of home fixtures scheduled over the next two weekends so come and give the juniors some support from the sidelines. This week the game is on Saturday against Bruce Rock. The following weekend sees both the seniors and juniors take to the pitch in Kulin. Seniors play on Saturday the 20th with the junior fixture on Sunday 21st.

Membership forms for existing members were sent out in January. Please ensure payment is made before the end of February. For

anyone who did not receive renewal forms please contact me ASAP. If you are not an existing member and wishing to join then we are always welcoming new members so please get in touch!

A big welcome to Coco and Marianne who have joined us here as FRC staff. They both hail from France so come and say bonjour! We are looking forward to working with our latest backpacker duo as we all continue to navigate our way through COVID-19.

Until next time....
Cheers
Ruth

PLAQUE SHOWS OFFICIAL RECOGNITION FOR HAROLD PROUD

In recognition and celebration of the 100th Birthday of Mr HF (Harold) Proud

Mr Proud served as a Shire Councillor on Kulin Shire Council from 1964-1973, 1976-1982 & 2005-2007, actively contributing to the advancement of the Kulin community. A wide range of local and regional organisations have benefited from his enthusiasm, dedication and knowledgeable involvement throughout his lifetime.

Born 9th December 1920, he grew up on the family farm and attended Kulin School from 1929. In 1955 Harold married Laura Burcham and they lived at Feltham Park, Kulin where they raised their family on the farm.

Throughout his lifetime Mr Proud has significantly contributed to numerous organisations within the Kulin community. His dedication to improve business, tourism, community infrastructure, health, education and supporting the elderly will have a long lasting impact.

Mr Proud's commitment to bettering the lives of his fellow seniors as well as the community in general was recognised in 2017 as a finalist in the WA Seniors Awards.

The people of Kulin thank Mr Proud for his long and dedicated support of our community and congratulate him on his 100th Birthday.

Kulin Shire Council are honoured to commemorate this significant milestone.

What is Girl Guides?

Mission

Our mission is to empower girls and young women to grow into confident, self-respecting, responsible community members.

Girl Guides Western Australia is a member organisation of Girl Guides Australia, and of the World Association of Girl Guides and Girl Scouts (WAGGGS). With a membership of over 10 million girls and women in 145 countries, WAGGGS is the largest all-female organisation in the world!

Girl Guides Western Australia is an organisation that creates safe and friendly environments for girls where they:

- have fun and make friends
- can feel safe and are protected from harm
- can have a say in planning activities and other decisions affecting them
- are listened to
- are respected
- try new challenges
- have their best interests considered and upheld

We are an organisation that welcomes and actively seeks members from all racial, ethnic, religious and socio-economic groups. Girl Guides Western Australia is a not-for-profit organisation.

Vision

Girl Guides Western Australia continues to meet our Vision to be the leading organisation for girls and young women that:

- Is relevant and attractive
- Develops confident, capable and responsible generations for the future
- Is recognised and acknowledged by the community
- Is actively involved in society

KULIN MUSEUM AND MENS SHED

What an amazing year but nothing deters our Museum and Men's Shed members. After a worrying year, a holiday on the coast was well deserved, so I only expected a few to turn up on a 40 degree January day, but no, sixteen came for the meeting! After a short meeting and a delicious long lunch they worked on their projects.

All the vehicles have been moved in preparation for the hot-mix sealing of the gravelled area.

Drop by on a Wednesday or Saturday to lend a hand or to find out how to get an old machine working or just for a chat.

Can you tell us the stories attached to items you have donated? Do you have associated photos that we can copy? Perhaps the Ford truck bowling along to the footie with the whole team on the back! OHS would not believe how we survived and succeeded in bygone times. Please drop by or contact a member to record your knowledge of the displayed items.

New items are very welcome, with background information and a photo or two if possible.

What stories can this saucepan tell? We are cataloging all our treasures to link them with the WA Museum records and search systems.

“Saucepan circa 1930” is boring Kulin Museum wants you to enjoy and learn from our exhibits so please tell us what this really is. My very tall story: “ This enamelled tin saucepan came from Yorkshire to the goldfields after World War 1 then to a 100acre farm at Jitarning. Great great grandma James threw it at a snake which coiled up in it.”

It weighs 1.5kg! The handle is hollow. Holes were mended with a saucepan repair kit with nuts and washers or by a tinker. A photo of G-G-grandma would be great to add.

No matter the weather get out and about. January meeting at 40C.

The only suffering will be some far-fetched anecdotes.

“The day I broke my leg” has everyone laughing but also offers a path-way out of adversity.

KULIN MUSEUM AND MENS SHED

The instruction books have long since disappeared but there are many decades of experience, trial and error available here.

Learn how to fix something rather than throwing it away and buying a plastic one that will not last past the guarantee date.

What can you add to our vehicles and tractors?

Did you have a similar one with an interesting history that you are happy to share ?

Do you have photos of any bogged to the axles or beyond ?

Your stories will make the displays amusing and interesting for visitors, especially those who have never driven them

TIN HORSE HIGHWAY

WHO IS CREATING THE COVID TIN HORSE?

Hello everyone and welcome to the 2021 quest for the best new tin horse for our highway.

Please see photos of our first two new entries for your inspection.

Created by Anna Rowe all the way from Albany we have 'Easy Rider' and 'Rustic Runner'. Anna has worked on these two beauties over the past eighteen months right here in Kulin on the farm of her grandparents - Alan and Robbie Bowey- good work Anna!!

All going to plan we will be full steam ahead with the growing of our highway in the form of our annual competition, so get those thinking caps on and tools out. Looking forward to hearing from you.

BOWEN THERAPY CLINIC for Natural Pain Relief

February: Wed 24th and Thurs 25th.

**Are you suffering painful joints, back, shoulders, knees, headaches, or stress,
and just need an all over tune up or relax?**

You will be able to reset, rebalance or just relax with
Louisa, an experienced Bowen therapist at

**Kulin Medical Centre on
Wednesday 24th and Thursday 25th February.**

Online bookings at
<https://louisamethodschedule.as.me/Popup>
or phone Louisa on 0427981057.

New offerings: quick fix 25 minute Bowen sessions and Energy and Forensic Healings.

Bowen Therapy is a strong yet gentle series of moves, done through light clothing, and treats the whole body. A holistic and natural approach to pain relief and better mobility.

It facilitates pain relief and healing of the various body systems through creating change to the connective tissue and fascia of the body. This restores balance and movement and assists you back to normal function and activity.

Energy and Forensic Healing investigates and heals the REAL CAUSE of your pain, stress, or discontent.

Kinesiology based, it uses your body's own feedback system, and releases the trigger, to give you calm, clarity, purpose, and freedom.

You can also continue your journey to wellbeing and pain relief anytime with Louisa in Narrogin or Perth <https://louisamethodschedule.as.me>

ADVERTS

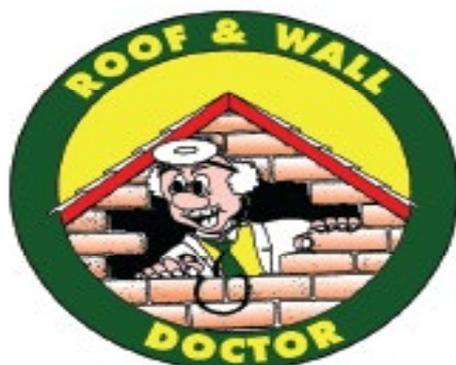

Gold Road Resources Ltd and Cygnus Gold Ltd continue to work together in joint venture on the Yandina Project. The Yandina Project has exploration leases spread from Hyden in the north to Pingrup in the south. We are currently planning a non-ground disturbing survey that uses a gravity meter to map the sub-surface rocks by measuring the Earth's gravity field. The readings will be taken on the roadside or along existing tracks by field crews mounted on quad bikes. To get the required coverage from time to time the crews will need to access paddocks within the survey area. The joint venture has engaged DAISHSAT to conduct the survey. DAISHSAT will follow our standard practice of cleaning their vehicles of burrs and seeds between paddocks to prevent seeds from spreading. They will leave gates as they find them and are fully insured for the works. The gravity survey is due to commence in mid to late January 2021. The location of the survey within your area is shown on the map below with the quad bike set-up. Should you have any concerns/queries about the proposed survey please call Shaun Richardson on 0411 989 340 or 08 6169 0718.
