# CEO CORNER

Welcome back to another CEO corner for 2021.

This morning (Monday) I was talking to someone within my workplace and I asked them how their weekend was? Their response “I am so proud of Kulin”. This response was in relation to the huge community effort in hosting the Great Southern Colts Football Carnival over the weekend. It again highlighted what makes Kulin tick!

*That being the community's effort to band to together and host significant regional events that draw people from across the state and showcase our warm hospitality, facilities and great people that make our community.*

Whilst I was personally a member of the organising committee, I will openly admit that my contribution was minimal compared to the hours and effort of the rest of the committee. Don Bradford and Tracey Noble need to take significant kudos for making the weekend the successful spectacle that it was. My relatively minor role was to facilitate that the Shire was able to provide the necessary staff and resources as required, the Colts Carnival Committee, Shire staff and wider Kulin Community did all the work.

A big thank you to Nicole Thompson who has taken on the role of pseudo FRC Manager in the past month

to ensure Recreation Centre, Oval and other Council facilities were available and ready to host the event.

A big thank you also to Judd and the outside crew for their tireless work last week in organising all the logistical aspects of the weekend behind the scenes. Congratulations to KKFC and all the other community organisations who contributed to showcasing our community over the weekend. Well done to all involved.

Whilst we are talking about Judd and his value to the community in his role, can I put out a big shout out to him as he celebrates his 40th birthday this week. Enjoy the week mate as well as your well-earned rest and relaxation over the next 2 weeks holiday. I hope your mobile is turned off during this time!

This week is our June Ordinary Council Meeting. We also have our final Audit Committee and LEMC (Local Emergency Management Committee) meetings for the financial year.

Council have recently put forward a submission to the Ministerial Expert Committee on WA Electoral Reform. It needs to be ensured that Rural and Regional WA remains strongly represented and the Committee needs to be very aware of the potential representative imbalance within the rural regions. It also needs to be considered that the State

economic benefits derived from Agriculture, Mining and Pastoral regions were significant and to ignore that does not recognise the importance of our regions to the State as a whole. This submission supported a WALGA submission with recommendations as follows:

*“That a regional system be retained, and the whole state electorate option be rejected.”*

*“That the Ministerial Expert Committee on Electoral Reform be required to consider the importance of political representation for rural and regional Western Australia.”*

The month of June see staff and contractors frantically finishing the 2020/21 Capital Budget Projects funded via various sources. These projects include:

- New footpaths around town
- Replacement of soft fall in VDZ playground
- Aquatic Centre pool repairs
- VDZ Public Toilet Refurbishment
- Holt Rock Depot Refurbishment
- Kulin Cemetery Front Entrance (a joint CKC and Shire project)

As always there is plenty happening in Kulin. Until next time, safe travels.

Chief Executive Officer

# FREEBAIRN RECREATION CENTRE

The Great Southern Colts Carnival weekend was held in Kulin from 11 – 13 June and what a fantastic weekend of football and country hospitality it was! Donald Bradford and the Carnival Organising Committee ran a well organised event with huge support from local sporting club volunteers.

Congratulations to Peel Cavaliers, winners of the 2021 event. Peel 11.4.70 defeated Goldfields 3.3.21 in the final game of the weekend. Congratulations to Bailey Norris - winner of the Harry Reeves Medal for Fairest & Best player in the Carnival. It really was a great weekend of football in Kulin, seven league

teams made up the competition: Peel, Goldfields, Great Southern Storm (Albany), Ongerup, Esperance, Upper Great Southern and our local Eastern Districts side. Teams arrived in town Friday evening and were accommodated and fed throughout with Kulin's amazing hospitality. Some great weather contributed to the enjoyment of players and spectators over both days.

The event is fortunate to have generous contributions from a number of sponsors with the Freight Lines Group being the major sponsor.

Once again, the Kulin Shire provided

a first class venue and the efforts of all of the volunteers involved over the weekend showcased this community at its best.

The Great Southern Carnival is the longest running carnival of any type in the southern hemisphere, the competition allows players to represent their regions at carnival level and promotes the development of young footballers.

In 2022 the Carnival looks forward to celebrating 100 years of the Great Southern Football Council in Lake Grace.

# GREAT SOUTHERN COLTS CARNIVAL

There is a summary of the Colts Carnival event held in Kulin last weekend earlier in this Update, acknowledging the success of the weekend, congratulating the winners, thanking the sponsors and generally providing a wrap of the event. I would like to take this opportunity to portray more of a human-interest perspective from the weekend, which explains why I feel so proud to be part of this community.

Hosting this carnival is something Kulin does extremely well and it is due entirely to one thing – volunteers. The Carnival Organising Committee could not have a more passionate leader in Donald Bradford, his dedication filters through to his committee. Six weeks out from the weekend the task list starts getting a few things ticked off and then all of a sudden it's upon us. The work the committee does in the lead up is nothing compared to the Friday, Saturday and Sunday it is on!

Tracey Noble holds the portfolio of Treasurer, but also expertly ran the food coordinator role which feed more than 250 people for every meal from Friday night until Sunday afternoon!

Kudo's to Fiona and Tom Murphy who were the Carnival Recorders

and kept the results updated and paperwork in order all weekend.

The Shire staff did a fantastic job of preparing the grounds and the centre and each person does that little bit extra when they know our centre is on show.

The community groups that assisted with the weekend all provided volunteers that came with a willingness to work and a smile on their face and hopefully all left with a sense of pride in our what was achieved. Thanks to: Kulin Kondinin Football Club Kulin Kondinin Junior Football Club

& Ben Whisson's crew of breakfast cooks!

Overall there was probably up to 100 volunteers – some of which were the same people on different rosters! Not just adults but the kids too, they ran the scoreboard, worked in the canteen and stacked all the chairs on Sunday.

Back to the human interest part, and this is just a fraction

of what goes on behind the scenes to run this carnival:-

*- Rob O'Brien spent 3 hours washing, chopping and packaging lettuces on Friday morning and then came back in Saturday night to wash dishes*

*- Braden Young was the last breakfast volunteer who stayed to clean up before running the boundary*

*- Between washing 200 football jumpers on Saturday night Jo Bradford probably made that many scones*

*- 280 meals – main and dessert were served on Saturday night in 40 minutes – wow!*

*- Troy Gangell was looking for a vacuum cleaner late Sunday afternoon to finish cleaning the golf club (Simmo had probably done it though)*

*- Tracey drew up an umpiring roster at late notice*

*- Robbie Bowey turned up with a crock pot of soup for Sunday*

*- Cassi and Judd stepped into a couple of very busy bar shifts*

# GREAT SOUTHERN COLTS CARNIVAL

- Ben Whisson brought his own can opener for the spaghetti tins

- Minnie Lucchesi collected breakfast food supplies, and sorted out the apron draw between canteen service

- Laura Browning sliced many tubs of ice-cream – not once but twice!

- Simon, Craig, Jay and Tim did important football stuff with clipboards

- Haydn McInnes and Lions welcomed everyone approximately 800 people through the gate

- And there are so many more.....

The committee will provide some figures on takings once the wrap up has been completed – stay tuned.

## Mallee Wood Raffle June 2021

A trailer load of split mallee roots was raffled on the weekend of the 12<sup>th</sup> June by the Kulin CWA. Proceeds will go to the restoration of the CWA rooms built in 1937, mainly by the fund raising activities of our members and friends during the depression years, when times were incredibly tough. A spare halfpenny was like gold.

Mark GILBARD drawing the raffle with CWA Secretary Jan Colborne. Congratulations Becca from Kulin Community Hub Hotel, the warm fires are yours.

Many visitors in town for the Great Southern Colts Carnival bought tickets and elected to donate the wood to a person of the CWA's choice. Some local people did the same as they, themselves did not have a wood burning fire. In the event the raffle was won by a local resident.

The generosity exhibited is greatly appreciated as there is still significant restoration to be achieved. Kulin Branch Members are working steadfastly to raise funds as we do not want to borrow money and perhaps leave a debt for posterity.

Local people have also donated hundreds of dollars individually which has gone to improve drainage of the building and replacing the water damaged floor. Many thanks also to Barry Harding for his great carpentry skills. Next on the agenda is the ceiling.

**Thank you Kulin and visitors for your generosity, we raised over \$200 from the mallee wood raffle.**

The cottage was abuzz with chatter and laughter at Time 4 Tea on June 2. Many travellers joined us and greatly appreciated the opportunity to talk about their journeys and to ask locals about this area. Thank you Kulin for your kindness to strangers.

Some decades ago two mates went to a Junior Farmers meeting at this CWA. "What's this? A GIRL president?" So they made spit-balls. The President took one outside and gave him the rounds of the table and was it before the year was out? he proposed to her while milking cows.

Rex Noble and sister Rae Dainton with Ben and John.

**Come along at the Winter Markets Saturday 3 July 9-1 at the Kulin Memorial Hall**

**We'll have tea, coffee, yummy soup and scones and look forward seeing you and hear your happy stories again and then to the official opening of TIME an art-craft exhibition 2-4 at Kulin Community Arts Centre**

We are looking forward to the return of Johanna and Barry Harding after their sojourns with the medicos.

Come and join us at a meeting or our casual chat and craft sessions.

So much is popping up with the rain and sun patches: where should we look first?

**TAKE A WANDER beyond the Caravan Park in the bushland.** At a parking-turning spot there is a fabulous old magenta-pink-cream Salmon Gum, with thousands of stories to tell. When you see some markers look in under the paperbark myrtles. You will find tiny green glitter balls and micro-lettuces – they are both liverworts. The ball is *Asterella drummondii* and the frills are *Fossombronia*. The glitter ball opens like a star with white handbags of black spores. Despite being so small they prevent erosion and process minerals to feed the shrubs and trees. There are also many orchid leaves that will soon sprout flowers. The grey wings are lichens. There are many fungi from plate to fingernail size. Please do not touch the fungi.

ball - *Asterella drummondii* Angel wings – *Sarcogyne regularis* Fungi, maybe *Omphalotus*

Check out the **airstrip road but park at the terminal** and walk back as it is very narrow. The dense low shrubs are loaded with buds and will be flowering well ahead of normal or they may flower twice or even after every patch of rain through the year. There is an intriguing dense mound in **Price St parkland** that is worth watching as it is a great weed barrier, no buds yet.

**The SUBARU4wdclubwa.asn.au stopped for a short break at Kulin** on the last long weekend looking for a coffee, but too early, so they did the Macrocarpa Trail, Charcoal Pit and Sand Ring instead. They checked out the colours in the first 50m and were amazed by the Black Toothbrush Grevilleas. The trip leader, Trevor was able to explain how the charcoal was used at Wundowie Steel, for blacksmithing and to run MVs and tractors. The young drivers rolled their eyes when he described the charcoal burners that produced gas that was sucked into the carbi in the 1930s to early 1950s. **Do you have any photos** we can use for a sign please ? They are returning in spring so call us if you have a Subaru & you can join in.

Have you seen the Horse Mushrooms and the Giant Inland Boletes yet ? The latter can be a metre wide.

**ORCHID REPORT:** Echidna Snail, Green-banded Shells, Mallee Greenhoods & Frog Greenhoods are all *Pterostylis*. Winter Spiders are still braving the chill at Gnarning West.
