Allan Leeson
CEO
Kulin Shire Council
KULIN 6365

Dear Allan

The Kulin Retirement Homes would like to apply, once again, for the fee allocated to Residential Zoning on the Rates notice, to be waived again for the 2026/2027 financial year for Kulinda Village and Workman Estate.

The Council has in previous years, very generously waived these fees and the committee is extremely appreciative for the continued support given by the Council.

I look forward to your reply.

Yours sincerely
