Welcome back to my fortnightly CEO Corner from the Isolation Bunker at 24 Johnston Street.

Obviously COVID-19 continues to dominate the landscape of our daily life and business operations. I'm sure everybody is aware of and up to date with the latest information, isolation and movement restriction requirements, so I'll try not to bore everybody with too many details they already are across. The only point I would like to make is that, as usual, it is great to see how well our community is taking this issue seriously, undertaking the necessary precautions and binding together as a supportive community to work through such an ongoing and unprecedented challenge. Whilst as a community Kulin is somewhat "naturally self-isolated", the information released yesterday revealing that one of our neighbours in Dumbleyung has a case, shows just how real and close to home this virus can easily spread.

As an organisation our staff and Council continue to heed the necessary advice and work with the Federal and State Governments as required. We have been informed that our operations are deemed an "essential" service and that we are to continue to operate as normal as possible whilst adhering to the relevant guidelines. As a leading organisation within the community we will continue to operate, whilst exhibiting the necessary social responsibility measures. Our office staff have moved to staggering their shifts and minimising the number of staff in the office and working from home where possible. Measures have also been undertaken to limit public access through the front doors.

The following areas of our business have been temporarily closed in-line with COVID 19 guidelines:

- FRC (open for take away only at designated times)
- Aquatic Centre
- CRC
- Caravan Park
- RV Area
- Playgrounds

We thank the community for their on-going understanding and adherence to these no-go zones. Staff within these areas of our business have been redeployed within the organisation to assist with dealing with COVID-19 challenges as required. I'd like to thank such staff members for their understanding and adaptability.

Our roadworks team and town maintenance crew will continue to work as normal whilst maintain adequate social distancing measures from each other and the community as large. We have been instructed by the State Minister for Local Government that continuing our operations is vital for the economy and the wider community and will continue to do so under such instruction, whilst minimising the risks.

This week we held our Audit Committee Meeting followed by a Special Council Meeting to receive our 2018/19 Annual Financial Report. This year we have had the Office of the Auditor General conduct our audit, which has been a somewhat drawn out and tedious process with their particular areas of focus and increased attention to detail. I'd like to congratulate Cassi for her tireless work in getting the audit finalised and her patience whilst working through the exhaustive process with the OAG. We can now set our ANNUAL ELECTORS MEETING which will be WEDNESDAY 15th APRIL 2020 at 12 NOON. This will be somewhat different considering the circumstances and details how community members can attend via a digital platform will be circulated over the next fortnight.

As a community we will get through this challenge in a manner we only know how – collaboratively, volunteering our support to others and being respectful of the necessary parameters, whilst soldiering on in a resilient manner. Until next time stay safe.

# ***Bushfire Brigade Update***

## **Extension of Restricted Burning Period**

The Fire and Emergency Services Commissioner has extended all restricted burning times across Western Australia (excluding the Kimberley & Pilbara regions) until the end of April 2020. This extension came into effect on Wednesday 1 April 2020 and will be reviewed again before the end of April.

This approach is about reducing the Covid-19 risk to firefighters and the actions that shires were already undertaking with greater controls on the issuing of permits.

Restricted burning effectively means that no burning can be carried out unless you have a permit from your local Fire Control Officer.

Although there is provision for burning garden refuse during a restricted burning time providing the person complies with all requirements under section 24F of the Bush Fires Act 1954:-

- The garden refuse is on the ground and burned in accordance with the following requirements:
  - a) there is no flammable material (other than that being burned) within 5m of the fire at any time while the fire is burning; and
  - b) the fire is lit between 6pm and 11pm and is completely extinguished before midnight on the same day; and
  - c) least one person is present on the site of the fire at all times until it is completely extinguished; and
  - d) when the fire is no longer required, the person ensures that the fire is completely extinguished by the application of water or earth.
- The fire danger rating is not Very High, Severe, Extreme or Catastrophic (Section 24D)

## Kondinin/Kulin Medical Practice

- The practice is open however you **MUST** call for appointments and telephone consults

# GOOD NEWS!

## If you are self-isolating due to COVID-19, we can help.

Kulin businesses are working hard to help us all out during this time when community members may be self-isolating, in quarantine or simply social distancing.

To support our community we are gathering a list of community volunteers who are able to collect orders from Kulin businesses and deliver to your doorstep. Physical contact will not be necessary.

If you are self-isolating and require help with picking up shopping, posting/collecting mail or urgent supplies, please contact Kulin Resource Centre on 9880 1021 to register your interest. We will do our best to match you with a volunteer to help you out (for free!)

If you are interested in assisting as a volunteer to deliver please fill out the online form <https://form.jotform.com/ErinBailey/kulindelivers> or contact Erin Bailey 0429 809 013. This is a purely volunteer services so deliverers will not be reimbursed for fuel or vehicle maintenance.

## Let's commit to kindness and helping each other during the Covid-19 outbreak

I commit to show kindness during the Covid-19 outbreak by:

1. **Supporting others:** such as friends, older neighbours, co-workers and family members who might be at risk, isolated, vulnerable or lacking information
2. **Being socially responsible:** not panic buying, helping to make sure there's enough of everything to go around, not spreading misinformation and unofficial advice, and showing kindness and compassion in all my interactions (on and offline)
3. **Saying "thank you":** showing gratitude to others who are taking action to help keep us well and safe

## INTRASTATE TRAVEL RESTRICTIONS

Western Australians are not permitted to travel outside of their **regional boundary**. This is an important measure that will help stop the spread of COVID-19.

Western Australians will not be permitted to leave their regional boundary. Police have the power to enforce these restrictions and fines of up to \$50,000 can be issued.

Exemptions will apply for:

- employment purposes
- medical reasons
- health and emergency services
- people living in 'border communities', who may not have access to groceries or supplies within their region
- freight
- compassionate grounds.

Further details of the bans including exemptions will be provided here: <https://www.wa.gov.au/government/covid-19-coronavirus>.

## **Cultivating Kulin Committee Community Cropping Program**

Cultivating Kulin Committee exists

- (1) To promote and lift the profile of Kulin and its people
- (2) To consider ways and means of improving or maintaining the quality of life in the area;
- (3) To assist in the development of the Kulin community in an orderly and responsible manner;
- (4) To make representation to Governments, Government Authorities and Local Authorities for promoting the interests of its members
- (5) To join with other organisations having similar objectives in order to strengthen the Group's effectiveness in the attainment of its objectives
- (6) Encourage community participation in projects
- (7) Facilitate targeted projects that have a whole of community benefit

### **Can you support CKC?**

To assist the community to reach these goals, CKC has been granted the Community Cropping Lease for six (6) years.

We are asking for donations from the community to assist with this years crop. We would firstly like to thank the Barndon Family and Mike Wilson & family for undertaking the summer spraying. Your donation and contribution is greatly appreciated.

We intend to begin the seeding program at the end of April 2020. We are calling for community assistance:

- Barley seed - preferably Fatham or an early maturing variety
- Fertiliser
- Equipment

If you can assist CKC cropping program, please contact Michael Lucchesi, Community Cropping Coordinator on 0427 804 050.

For further information regarding CKC objectives, initiatives or getting involved, feel free to contact a committee member.

## Coronavirus (COVID-19) Australia App

The Australian Government has released an official app with the information that you need to know about COVID-19. This is a one-stop-shop which is a trusted source of information.

1. You can download the official government Coronavirus Australia app in the [Apple App Store](#) or [Google Play](#).

The app has the most up to date information on:

2. symptoms
3. advice
4. isolation
5. news and media
6. current status (case numbers etc.)
7. resources
8. where to go for more information - coronavirus helpline.

## WhatsApp

The Australian Government WhatsApp account acts like a messenger bot and provides you with the latest information based on the number or emoji that you send. Here's a step by step guide to using the [Coronavirus Australia WhatsApp service](#):

1. Download WhatsApp onto your phone or tablet.
2. Add the government's WhatsApp number into your WhatsApp contacts. The number is +61 400 253 787.
3. Send the WhatsApp account a message.
4. You will receive a message back.
5. Follow the instructions to get the information you need.

Friends, customers and all concerned,

To help us through this extraordinary time ahead of us, I've come up with some basic tips- that should keep your vehicle in a 'ready to go' condition, which you or loved ones, may need in emergency, or even regular use.

- Keep fuel tank topped up (power outages or supply, may stop emergency travel)
- Check oil and especially water. (always when cold, so not to scold yourself)  
Best time in morning, on level surface to get correct reading.
- Always check the spare tyre is inflated (give it a thump or get it checked)
- Keep the battery in good condition, by driving once or twice a week.  
I suggest a pleasant 5-10 km trip during the day with lights off.  
If your house bound, let the car idle in the driveway for 10 -15 minutes.  
( not in an enclosed garage, as this could be worse than the virus)

As of this morning 24/03/20 all seniors with card, emergency personnel, and veterans, - disability pensioners etc... I'm happy to do basic service at my cost price on parts and a minimal labour charge.

For anyone not requiring service work, or not comfortable in checking the vitals of their vehicle, I can help.. it always was, and always will be free. (While I'm fit and able) 😊

Farmers are starting to get busy, and I hope to meet their needs also.

Please call for appointment, and please observe current health directives.  
(if your unwell let me know and litter/ tissues etc removed from vehicle).

Best wishes

Matthew

To our valued customers, Gangells AgSolutions intends to continue trading as normal as we possibly can, and it is our belief that as an essential provider in agriculture we will be exempt from total lock down once the time comes, however with the escalation of COVID-19 on a daily basis it is necessary to make some fundamental changes in how we service our customers, these procedural changes are considered necessary to provide a safe environment for our team and you.

Our level of service will not change however when collecting goods please do not enter the store. We must make this change to ensure we can continue to supply your inputs for the 2020 season and produce the food this country needs. Our new procedure will be:

#### Goods Collection

- Phone, text or email ahead if possible please, list your requirements and we can have them ready for collection.
- When on site please stay in your vehicle, we will come to you, we will load you, and then you can get out and restrain your load.
- Chem dockets will be texted to your phone for checking instead of signing.
- Please adhere to the strict social distancing of at least 2m at all times.

In addition to this we are also implementing new sanitising procedures several times a day.

We thank you for being patient, and we know how important it is for us to be able to continue servicing our customers over the next period, and understand it is unusual and awkward, but if we all play a part we hope to safely navigate our way through this challenging time.

Stay safe.

# **FREEBAIRN RECREATION CENTRE TAKE-AWAY ALCOHOL SALES**

Due to the current COVID-19 Pandemic affecting our world, the FRC has decided to offer a take-away only alcohol service. This will be a service available to members only and only be available at specific times during the week:

**FRIDAYS 4.00PM - 6.00PM**

**SUNDAYS 3.00PM-5.00PM**

Entrance and exit to the Centre will be via the path nearest the Bowling Greens. Patrons are asked to pay via card (no cash) and we will be enforcing a one customer at a time policy at the bar. So, if someone is already inside please wait until they exit. This way we are adhering as best we can to social distancing guidelines.

The Western Australian Government has implemented strict guidelines regarding the purchase of alcohol as of Wednesday 25th March: Under the changes, takeaway alcohol will be limited to the following amounts, per customer, each day:

- *one carton of beer, cider or pre-mixed spirits; or*
  - *three bottles of wine; or*
  - *one litre of spirits; or*
  - *one litre of fortified wine; or*
- *a combination of any two of the above (but not a combination of two of the same product).*

## HYDEN NORSEMAN ROAD STATUS REPORT

DATE: 1<sup>st</sup> April 2020

Due to the state government restricting travel between the regions of WA to help reduce the spread of COVID19 the following road closure has been put in place.

The Hyden/Norseman Road from the Forrestania Road intersection to Shire Boundary is OPEN but the Hyden Norseman Road beyond this point is closed for all non-essential travel.

If you are unsure of your eligibility to travel between the Wheatbelt and Goldfields-Esperance region please check the following for more information.

<https://www.mainroads.wa.gov.au/AboutMainRoads/News/Pages/COVID-19.aspx> or  
<https://www.mediastatements.wa.gov.au/Pages/McGowan/2020/03/WA-travel-restrictions-come-into-place-from-midnight-Tuesday.aspx>

The Hyden / Norseman Road (East of the East Hyden Grain Bin) is subject to the following:-

**From the East Hyden CBH Facility to Forrestania Cross Roads – OPEN to All Vehicles**

The section of **Marvel Loch Rd** from the Marvel Loch - Forrestania Rd and Hyden Norseman Road intersection to the Yilgarn-Kondinin Shire Boundary - OPEN

The section from Hyden Norseman Road and Marvel Loch-Forrestania Road Intersection south to Carstairs Road - OPEN

All tracks within this area are also closed eg. Holland Track.

Any further queries regarding this road status report contact Shire of Kondinin on 9889 1006

Thank you.
