THE FREEBAIRN RECREATION CLUB INC

Sporting Council Meeting Minutes

Minutes of a Sporting Council Meeting of the Freebairn Recreation Club Held at the Freebairn Recreation Centre on Thursday 29th October 2026

Declaration of Opening/Announcement of Visitors

The Chairperson of the Freebairn Recreation Club welcomed all present and declared the meeting open at 6.05pm.

Record of Attendance/Apologies

Attendance

T. McAdam (FRC Chairperson)
C. Carrie (FRC /Shire /Netball)
A. Leeson (FRC/ Shire CEO)
T. Day (Tennis)
S. Schorer (Football)
N Saunders (Tennis)
C. Brennan (KKHC)
A. Lucchesi (KKHC)
H. King (FRC/Golf/Bowls)
J. Bowey (FRC/Bowls)
E. Bowey (J Basketball /Junior Cricket)

Apologies

F. Murphy, R Bowey, A. Buttigig

Moved: A. Lucchesi | Seconded: T. Day | Carried

3. Confirmation of Previous Minutes

Minutes of the Sporting Council Meeting held 24 October 2025 were confirmed as a true and correct record.

Moved: A. Lucchesi | Seconded: T. Day | Carried

4. Sporting Club Survey Responses

Sporting Club Survey Reponses Report – see attachment 4

The meeting discussed feedback from sporting clubs regarding future facility needs and priorities.
Key priorities included:

Southern Oval – Shelter and Grandstand Options

A key discussion focused on the provision of a player and spectator shelter adjacent to the southern grassed oval area used by the Cricket and Hockey Clubs.

The proposed facility would ideally incorporate:

- A shared shelter and grandstand for Cricket and Hockey.
- Shaded area to include player and official seating areas and spectator seating.
- Storage facilities and potential toilet amenities.
- Consideration of suitable location, design and whether the structure should be permanent or relocatable.

It was agreed that Shire and a representative from both the Hockey and Cricket Club would investigate available options, including preliminary designs and costings, between now and February 2027. A representatives meeting will then be arranged to review the proposed options.

The aim is to present the findings for formal consideration at the March 2027 Sporting Council meeting, allowing the outcomes to inform the Shire's 2027/2028 budget deliberations.

The Football Club will separately investigate suitable dugout designs and obtain quotes. All clubs were encouraged to explore potential financial contributions and available funding opportunities.

Outcome: Further investigation and consultation required.

Moved: A. Lucchesi | Seconded: E. Bowey | Carried

5. Clayton Cup Trophy Cabinet – Kulin Golf Club Request

Letter from the Kulin Golf Club. – see attachment 5

In this letter dated 24 October 2026, signed by W J Gangell, Honorary Secretary Treasurer, the Kulin Golf Club requested discussion and a response to the Clayton family's proposal to permanently house the Clayton Cup at the FRC and tell its story, marking the 75th Clayton Cup. Rob Clayton suggested extending the trophy cabinet towards the fire extinguisher to provide additional display space. The family indicated willingness to contribute.

Discussion of the Golf Club letter raised the broader issue of memorabilia belonging to various clubs at the FRC and how it could best be managed. The matter was noted for further discussion at the next Sporting Council meeting in March 2027.

It was noted that the existing trophy cabinet cannot be extended and would need to be replaced. A funding approach was suggested: all clubs could contribute towards a new cabinet, with the Clayton family potentially contributing the Golf Club's share. The matter was noted for further discussion at the next Sporting Council meeting in March 2027.

Moved: S. Schorer | Seconded: H. King | Carried

6. Photographs – Phil and Kath Room

Clubs were invited to provide photographs of their Life Members for display in the Phil and Kath Room. It was suggested that displays be shared fairly between clubs, subject to available space to be managed by the FRC. Clubs are to provide the photographs.

Moved: C. Brennan | Seconded: H. King | Carried

7. Masters Football Carnival – Catering Arrangements

The meeting agreed that the catering opportunity for future Masters Football Carnivals should be put out to tender. Volunteer fatigue across sporting clubs prompted discussion of outsourcing, with food vans or a catering company suggested as potential options.

Moved: S. Schorer | Seconded: T. McAdam | Carried

8. Shelter / Grandstand Options – Southern Side of the Ovals

The need for improved spectator shelter and grandstand facilities on the southern side of the ovals was identified as a priority in the club survey responses and discussed in number 4.

The proposal will be investigated further in consultation with the Hockey and Cricket Clubs.

9. General Business – Club Updates

Kulin Tennis Club – T. Day and N. Saunders

Replacement BBQ: Taryn Day queried why the replacement BBQ was to be fixed in place rather than being portable. The Chief Executive Officer advised that an inbuilt BBQ was the agreed arrangement between the Tennis Club and the Shire through the Kulin Bush Races (KBR) grant funding process. The Club's application dated 29 May 2026 confirmed its preference for an inbuilt replacement BBQ following discussions with FRC staff, with the Shire assisting with installation and tiling.

The KBR application requested $5,117 (including GST) to replace both the non-functioning water cooler and the inbuilt patio BBQ. The accompanying Shire quote totalled $3,467 for the BBQ-related works, comprising the BBQ ($2,787), stainless steel splashback ($180), and Shire tiling ($500).

Playground Shade Sails: Taryn Day requested an update on the progress of the shade sails getting reinstalled over the Tennis Club playground. Caroline Caarie indicated that a maintenance request has been completed and we are waiting on a specialist to reinstall shade sails.

Toilets and Plumbing: Ongoing toilet and plumbing issues were discussed. The problem may be associated with the leach drain/septic system; however, the cause has not yet been confirmed. Priority follow-up is required. T. McAdam indicated that the plumbing is ready for an upgrade.

Lighting Towers: Two lighting towers at the Tennis Club are not working Caroline Carrie indicated the matter is being followed up with electricians and we are currently waiting on parts.

Kids Zone: Taryn Day presented a concept for a proposed Kids Zone play area that could be incorporated in the upgrade of the back 2 tennis courts into a multisport area. The back 2 tennis courts are still getting used during busy tennis events.

Golf Course-Side Door Locks: Attention is required to the door locks on the golf course side, as some doors can be opened with a key. This presents a security concern and requires further investigation. Other doors locks are temperamental on occasion wont open with the keys available.

Kulin Bowling Club – J. Bowey

Ongoing concerns were raised regarding mould on the greens, and the timing of spraying is ongoing concern.

The January 2027 Men's Interleague Bowls event and the possibility of Kulin hosting were raised for consideration.

Kulin Kondinin Football Club – S. Schorer

New dugouts were raised as a requirement.

Kulin Golf Club – H. King and N. Saunders

Thanked the shire for their support and maintenance of the course.

Finding a suitable location where the golf simulator can be used remains an ongoing issue for the Golf Club. The club would like it to be located close to the FRC, where the bar and post-golf social interaction are centred.

Helen King queried the status of the digital honour board. Caroline Carrie advised that it remains a work in progress and that she is still waiting on information from some clubs.

KK Vipers Hockey Club – C. Brennan and A. Lucchesi

Thanked the Shire and FRC for their support, particularly with oval preparation and hosting finals.

Raised ongoing concerns regarding the lack of male change room facilities for One Day Sports fixtures. Keen to work with the Shire and Cricket Club on a shared dugout, shelter solution and facilities improvements including toilets and changerooms are a desired improvement.

Junior Basketball – E. Bowey

Raised concerns regarding the basketball backboards and difficulty to lower and raise using the winch / pulley system, creating a potential safety concern. The backboards and operating system were noted for follow-up as a priority.

Junior Cricket – E. Bowey

Requested a permanent shade structure and expressed willingness to collaborate with other clubs to investigate options.

Swimming Club – Elle Bowey

New lane ropes and timing clock required.

Kulin Netball Club – C. Carrie

Happy with facilities and no further requirements currently. Overall feedback was positive.

KK Cricket Club – did not have a representative present.

Survey Results — June 2026 – Report attached.

The Freebairn Recreation Centre Precinct User Group Survey received 10 responses: KK Football Club, KK Junior Football Club, Kulin Golf Club, Junior Basketball, Kulin Tennis Club, Junior Cricket, Kulin Bowling Club, Kulin Swim Club, Vipers Hockey, and Kulin Netball Club. Overall feedback was positive. The table summarises survey findings, not decisions of the October meeting.

Theme	Succinct results
Facility use	Changerooms and storage: 50% each. Indoor courts, football oval, aquatic centre, and Tennis Club house: 30% each. Hockey oval / cricket pitch and tennis courts: 20% each. Bowling green, golf course and other (bar and kitchen): 10% each. Multiple selections were allowed.
Amenities and surfaces	Ageing bathrooms, plumbing and access to toilets/changerooms, particularly for hockey and tennis. Maintain playing surfaces and plan tennis court and bowling green resurfacing.
Equipment and lighting	Basketball backboards/winches; bowling scoreboards; hockey & football oval lighting; indoor lighting and fans.
Shelter and spectator comfort	Additional player/official shelters and dugouts; spectator seating and shade. Cricket sought permanent shade and practice nets.
Storage and club needs	Secure, adequate equipment storage; more visible and accessible golf simulator; replacement swimming lane ropes and potential electronic timing system.
Club contributions	Most clubs may assist through volunteer labour, fundraising, club funds, or grant applications. Capacity varies, several favoured exploring external funding first. Continued collaboration was emphasised as One-Day Sport planning progresses.

Time Frame	
Short term (1–3 years)	Essential maintenance, equipment repairs, changerooms/amenities, basketball backboard operation, bowling scoreboards, and outdoor shade/shelters.
Medium term (3–7 years)	Practice nets, storage, spectator seating, court fencing, and future playing-surface upgrades.
Long term (7+ years)	Major resurfacing, multipurpose facilities, and coordinated precinct improvements.

Survey planning recommendation: Confirm priorities collaboratively with clubs, investigate grants and develop a staged infrastructure plan considering budgets, community benefit, and all sporting groups. Source: FRC letter & survey.pdf, June 2026 survey summary.

Key Items for Consideration — March 2027 Sports Council Meeting

- **Southern oval shelter:** Consider Shire staff investigations and stakeholder feedback on player and spectator shelter for cricket and hockey, including location, mobile or fixed options and costings, to inform the 2027/2028 budget deliberations.
- **Club memorabilia and Clayton Cup:** Discuss a coordinated approach to memorabilia at the FRC, including the proposed permanent Clayton Cup display, cabinet extension, and the Clayton family's offer to contribute.
- **Infrastructure planning and costing:** Consider the June 2026 survey priorities alongside club requests, including new cricket practice wicket(s), available funding and opportunities for club contributions when informing future Shire budget planning. Include location options, scope, and costings for the proposed cricket practice wicket(s).

Action List

Status reflects these meeting notes; March updates are proposed unless follow-up is expressly recorded as agreed.

Cricket/ Hockey Shelter follow up

Stage / timing	Follow-up

Shire staff review — to February 2027	Investigate player and spectator shelter options adjacent to the southern grassed oval for cricket and hockey. Examine location, mobile or fixed facilities, and costings.
Club Representatives & Shire review — date to be arranged	With a view to calling a stakeholder meeting, present and discuss the various options and costings.
Sporting Council — March 2027	Formally consider the options to inform the Shire's 2027/2028 budget deliberations. No facility or funding allocation was confirmed in the supplied clarification.

Other

Club / issue	Recorded status	Actioned required by next meeting
Tennis — toilets	Ongoing problems: suspected leach drain / septic connection remains unconfirmed. Priority follow-up required.	Investigation findings and remedial work status.
Junior Basketball — backboards and winch / pulley system	Difficult to lower and raise, potential safety concern. Priority follow-up noted.	Inspection findings and repair / operating status.
Tennis — lighting towers	A couple of towers are not working; being followed up with electricians.	Repair progress and remaining faults.
Tennis — door locks	Golf course-side doors sometimes open without keys; security concern requiring attention.	Lock assessment and rectification status.
Tennis — playground	Shade sail reinstallation requested; Kids Zone play area concept presented.	Response to shade sail request and consideration of concept.
Bowls — greens	Mould and timing of spraying remain ongoing concerns.	Treatment progress and spraying arrangements.
Football — dugouts	New dugouts	Clarify requirements and status.
Golf — simulator	Suitable usable location unresolved; club prefers proximity to the FRC bar and post-golf social activities.	Location options and progress.
FRC — digital honour board	Work in progress; Caroline Carrie awaits information from some clubs.	Information received, outstanding submissions and implementation progress.
Hockey — amenities	Facilities, toilets, and changerooms identified as desired improvements.	Clarify scope and planning status.
Swimming — equipment	New lane ropes and timing clock required.	Requirements and replacement / funding.

Meeting Arrangements

- The 2027 Sporting Council AGM is to be scheduled earlier to avoid clashing with harvest.
- The March 2027 Sporting Council meeting is to be held before the 2027 seeding season.
- The FRC agenda and supporting meeting information should be circulated by email earlier in advance of each meeting.

General Business concluded - Nothing more to report.

Moved: S. Schorer | Seconded: C. Brennan | Carried

Closure of Meeting

The meeting was closed at 7:10pm

Many thanks to all for everyone's attendance and input.

FRC SPORTING COUNCIL
AGM

Date: Thursday, 29 October 2026
Time: On completion of the FRC AGM
Venue: Freebairn Recreation Centre

Attendees and Apologies
Meeting Agenda

1. Reading and Confirmation of Minutes
    - Annual General Meeting held on 24 October 2025
2. Matters Arising from Previous Minutes
3. Sporting Club Survey Responses
4. Clayton Cup, Trophy Cabinet – Golf Clubs Request
5. Photographs
6. Masters Football Carnival Catering
7. Shelter Grandstand Option for South side of Ovals
8. Feedback from Sporting Clubs
9. General Business

Closure of Meeting

THE FREEBAIRN RECREATION CLUB INC

Minutes of a Sporting Council Meeting of the Freebairn Recreation Club Held at the Freebairn Recreation Centre on Friday 24th October 2025

Declaration of Opening/Announcement of Visitors

The Chairperson of the Freebairn Recreation Club welcomed all present and declared the meeting open at 5:32pm.

Record of Attendance/Apologies

Attendance

T. McAdam (FRC Chairperson)
C. Carrie (FRC Minutes/ Netball)
F. Murphy (FRC/Shire)
A. Leeson (Shire CEO)
T. Day (Tennis)
T. McGuire (FRC/Tennis)
K. Spurgeon (Football/Cricket)
B. Young (Football)
J. Noble (Shire Councillor)
J Henderer (KKHC)
M. Luccessi (KKHC)
H. King (FRC/Golf/Bowls)

Moved F. Murphy & Seconded K. Spurgeon that the record of attendance be correct. ***Carried***

Confirmation of Minutes of Previous Meeting

Sporting Council Meeting held on 31st October 2024.

Moved A. Leeson & Seconded F. Murphy that the minutes of the Sporting Council Meeting held on 31tst October 2024 be confirmed as a true and correct record. ***Carried***

General Business

Each club representative was invited to speak. Feedback and issues from Clubs

Junior Basketball – sent apologies C. Carrie to let all other Clubs know, they have just purchased new grandstand seating and four new benches for in the court area.

Kulin Netball Club – sent apologies C. Carrie to report back to the Netball Club with any news updates. Club has nothing they would like to report on. They are happy with the facilities and the fans in the court area are fantastic addition to the facilities.

Kulin Golf Club – C. Spurgeon – The Golf Club are incredibly Happy, was great to get a new mower this year, the golf course looks great. Thanks to Ambrose and the Shire for doing an excellent job on the course. They are also incredibly happy in saving money on the mower being second hand.

Kulin Bowls Club – J. Bowey – Nothing major to report, thanks to the Shire for getting the funding for the lighting upgrade. The Lights are fantastic, it is a bit cold to use the lights now, however they hope to get the lights used very soon. Ladies Bowls Carnival was booked out again; it was a successful competition again. The Ladies also reported they are happy with the new Kitchen upgrade. The Club would also like to purchase bench seats with backrests. C. Carrie to send bowls club some details on the bench seats with backrest that were recently purchased for the tennis club.

Kulin Kondinin Junior Cricket Club – T. Murphy – Club is incredibly happy with the cricket field, the ground looks and feels amazing. They would appreciate some kind of shelter as personal gazebos are getting damaged.

KK Vipers Hockey Club – A. Lucchesi – Thanks to Ambrose and shire team for the hockey pitches looking amazing and it was great to host hockey finals this year. Caroline is great and easy to work with. Minnie suggested the addition of another set of Changerooms would be beneficial on One Day Sports Days as the timing is not always great to have football and hockey showering in the main changerooms together. They would like a hockey dugout, or some kind of structure that can be used as a hockey dugout while it would also be used for Colts Carnival when we have a second football Oval, the Cricket Club would also benefit from some kind of structure for shade and even an additional toilet facility and store room area too.

B. Mullan – mentioned it would be great to get another Scoreboard, whether it is permanent or portable. It would be a fantastic addition.

Kulin Kondinin Football Club – K. Spurgeon – Thanks to Ambrose and Caroline for making life easy with the facilities. The facilities are great. The Club would like to look at purchasing some new rub down tables for the changeroom/ strapping room and look at installing inbuilt water stations in all three changerooms. They would like to know if other clubs would like to contribute to purchasing these inbuilt water fountains once we figure out the most suitable product. The football Clubs dugouts were used by bush races and got a little damaged when dropped off by the truck, they need re-sheeting ad potentially adding pallet loops if possible. The football club has indicated they will try and be more inclusive in the use of the main changerooms with hockey players. T. Maguire mentioned they could organise a busy bee to re-sheet the dugouts before next season.

J. Noble mentioned it would be great to build additional changerooms and there possibly might be some funding through the local government with the inclusion of facilities that improve the female facilities specifically.

A. Leeson. It is important to create a wish list with things like the additional changerooms and hockey/cricket dugout to allow us to source funding and opportunities including things like SunSmart. There could be a possibility of extending the main storeroom and repurposing into more changerooms and storing the equipment in the main storeroom externally.

F. Murphy added if would be ideal to have a multipurpose building grandstand, dugout for the cricket/hockey pitches. Something isolated from the main rec centre with a good amount of shade and options to include a toilet and storage area. Practise wickets would also be a good addition to the facilities.

A. Luccessi commended the Kulin Shire for being practical and how lucky the clubs are as we get things done; it is so hard to get anything done elsewhere (in other shires) She thinks we are incredibly lucky.

A. Leeson – commented that all sports pay lots into our community and it is important that we can try and source funding and use it where we can.

Kondinin Kulin Cricket Club – J. West the Club is incredibly happy, thanks to Caroline and Ambrose. The oval is looking great. The fixtures will be played in Kulin until Kondinin's pavilion is ready at the end of the year. The Club would like some kind of shade structure with the inclusion of a toilet if that were possible and practise wickets would be a fantastic addition to the facilities if we can provide a suitable location. Hopefully, we will be able to host finals in the next year or so.

H. King – Ladies Bowls, wanted to pass on some great comments from all the ladies that came to their open day, they came from all over WA from Albany to Cottesloe, they credit the shire to the great facilities here in Kulin, especially from a small town

Kulin Tennis Club – T. Day – The New Courts are fabulous, better this season now they have settled. They are happy, that the grand for Night Lights has been approved, will be a great upgrade to the facility. The Water fountain at the Tennis Club needs replaced. Ther is also a spot on one of the courts where the re-tick leaks and caused a puddle if the shire could investigate so it does not lead to damage of the new court surface. The Club is lucky with the shire and funding they have received. The Main door is a bit sticky to Open. C. Carrie mentioned it has since been fixed by Ambrose.

General Business concluded - Nothing more to report.

Moved J. West & Seconded A. Lucchesi ***Carried***

Closure of Meeting

The meeting was closed at 5:57pm.

Many thanks to all for everyone's attendance and input.

Freebairn Recreation Centre Precinct User Group Survey

Summary of Club Feedback – June 2026

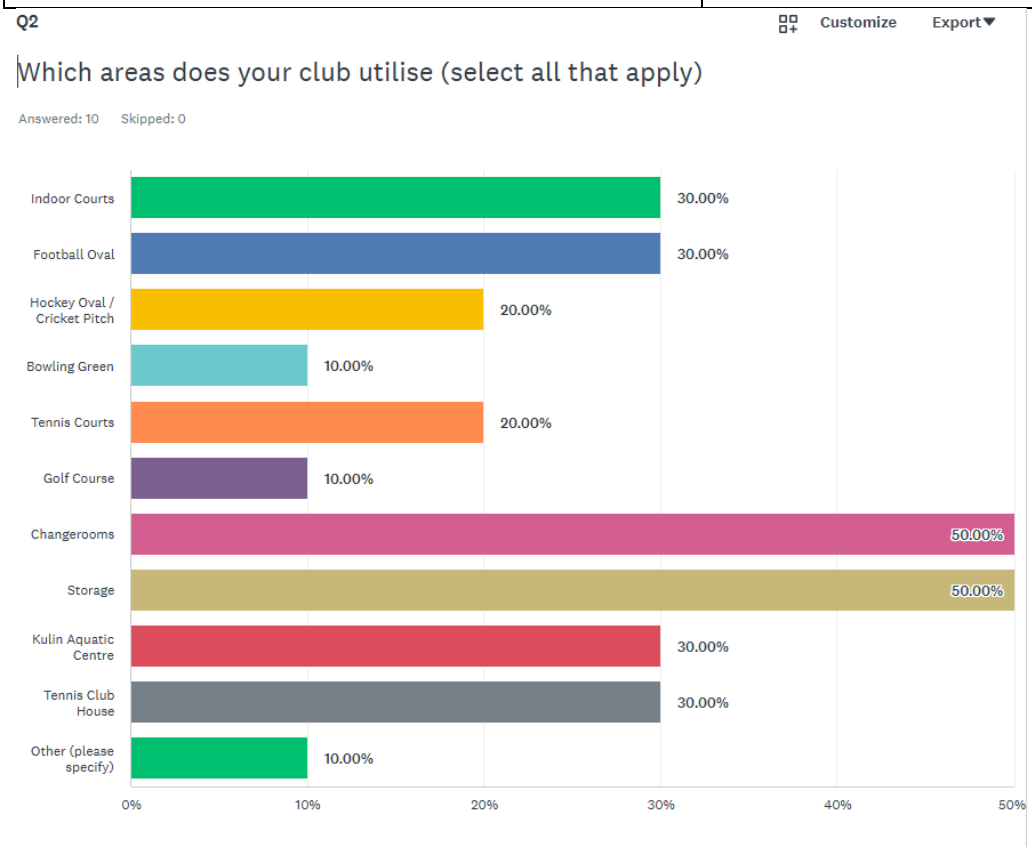

Overview

The survey received 10 responses from sporting clubs and organisations across the Kulin sporting precinct. The purpose was to identify current facility issues, future infrastructure priorities, and opportunities for clubs to contribute to improvements.

Overall, feedback was positive about existing facilities, with clubs recognising the value of the precinct to the local community. Responses identified several areas requiring attention to support participation, safety, accessibility, and the continued growth of local sport.

Responses received from:

KK Football Club	KK Junior Football Club
Kulin Golf Club	Junior Basketball
Kulin Tennis Club	Junior Cricket
Kulin Bowling Club	Kulin Swim Club
Vipers Hockey	
Kulin Netball Club	

** Other – bar and kitchen

Key Findings and Priorities

1. Facility maintenance and upgrades

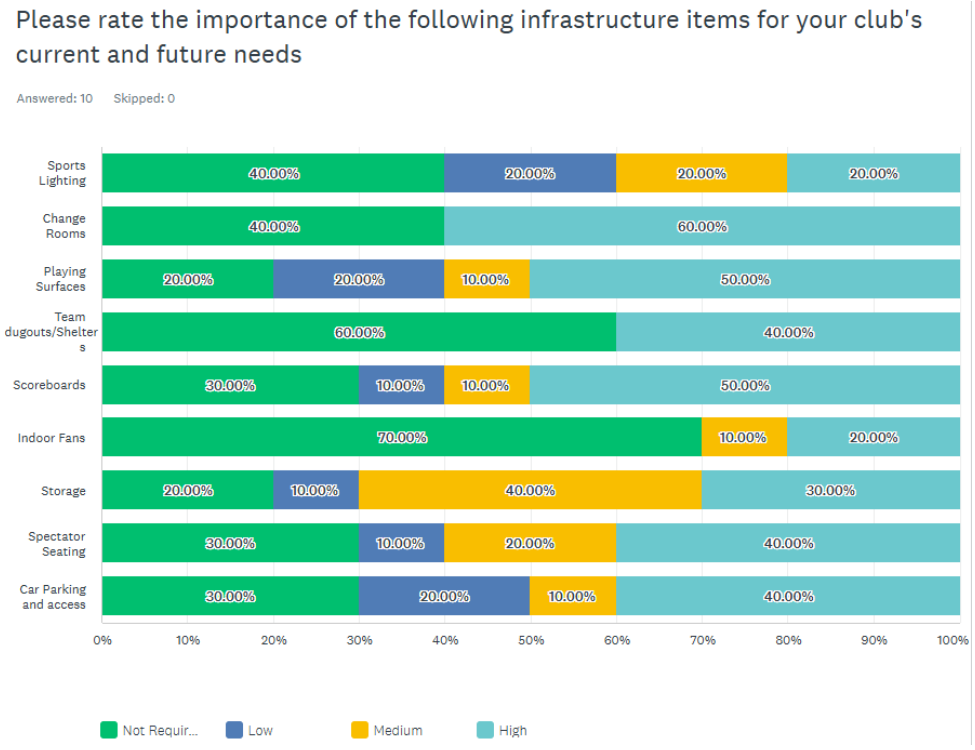

- Change rooms and amenities: Upgrades to ageing bathrooms and plumbing at the Tennis Club house and improved access to change rooms and toilets were highlighted, particularly for Winter Sports Fixtures
- Playing surfaces: Maintaining existing surfaces and planning for future resurfacing of tennis courts and the bowling green were identified as priorities.
- Equipment and lighting: Priorities include servicing or upgrading basketball backboards and winches, replacing bowling scoreboards, improving hockey oval lighting, and maintaining indoor lighting and fans.

2. Outdoor facilities and spectator comfort

- Additional shelters and dugouts are needed to protect players, officials, and equipment from the weather.
- Improved spectator seating, shade, and suitable amenities would benefit families and visitors attending sporting events.
- Cricket identified the need for permanent shade and practice nets within the sporting precinct.

3. Storage and club-specific needs

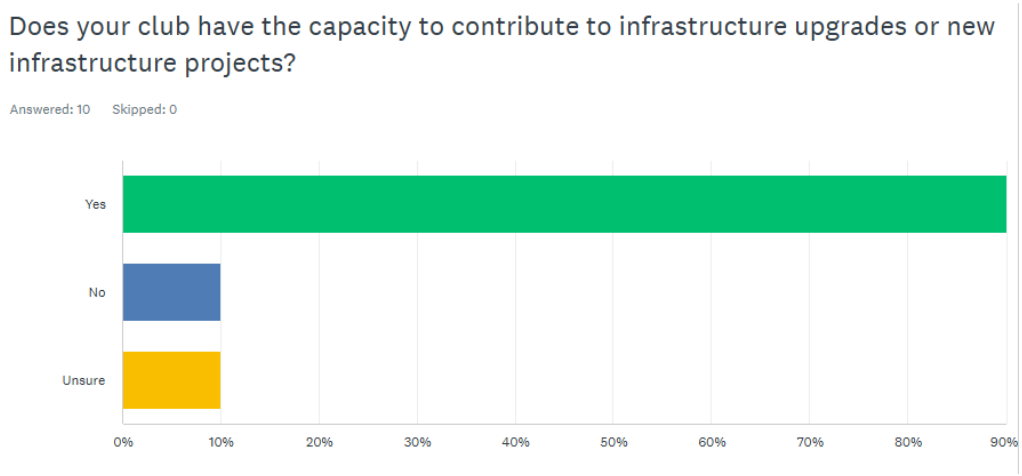

- Secure and adequate storage remains important, with some clubs reporting limited space for equipment and sporting gear.
- The Golf Club identified opportunities to improve the visibility and accessibility of its golf simulator.
- The Swimming Club is satisfied with current facilities but identified future needs for replacement lane ropes and a potential electronic timing system.

Club Contributions and Collaboration

Most responding clubs indicated they may be able to assist with future projects through volunteer labour, fundraising, club funding, and grant applications, although the level of financial contribution varies between clubs. Several noted that external funding opportunities should be explored before using club funds.

Clubs also emphasised the importance of ongoing communication and collaboration between the Shire, Freebairn Recreation Centre, and sporting organisations, particularly as planning progresses towards the One-Day Sport model.

** KKFC Juniors (yes and unsure)
** Kulin Swim Club (no)

Recommended Focus for Future Planning

Based on the feedback received, the following areas warrant consideration:

1. Short-term priorities (1–3 years): Address essential maintenance, equipment repairs, change room and amenity issues, basketball backboard operation, bowling scoreboards and additional outdoor shade and shelters.
2. Medium-term priorities (3–7 years): Plan for practice nets, improved storage, spectator seating, court fencing, and future playing-surface upgrades.
3. Long-term planning (7+ years): Consider major resurfacing projects, multipurpose facilities, and broader precinct improvements as part of a coordinated infrastructure plan.

Conclusion

The survey highlights the importance of maintaining the existing investment in the Freebairn Recreation Centre precinct while planning for future community needs. Although individual clubs have different requirements, common themes include facility maintenance, improved amenities, outdoor shelters, adequate storage, and ensuring facilities remain safe, functional, and accessible.

The recommended next step is to collaborate with clubs to confirm priorities, investigate grant funding and develop a staged plan for future infrastructure improvements, considering available budgets, community benefit, and the needs of all sporting groups.

Club	Priority	Priority Term
Kulin Junior Basketball Club	Basketball ring/backboard- automatic winch. Needs to be looked at as soon as possible.	1-3 years
KK Vipers Hockey Club	Improve field side facilities. Team dugouts/shelters Aset of changerooms/toilets adjacent to the hockey ovals (specifically, male change rooms) A fixed or portable scoreboard is of high importance	1-3 years
	Spectator seating Light towers towards the southern end of the field	3-7 years
	Complete a feasibility study for a multipurpose facility/turf surface. Sealing of the shared carpark	7 + years
Kulin Swim Club	electronic timing system	1-3 years
KKFC (Seniors)	Dugouts. More seating	1-3 years
Kulin Bowling Club	Scoreboards	1-3 years
	Green resurfacing	3-7 years
	Green resurfacing	7+ years
KKFC (Juniors)	Girls playing footy now so good change rooms are essential	
	Car parking and seating	
Kulin Tennis Club	Club house updates (Bathrooms are dated and have had recurring issues with toilet septic systems. Water cooler and BBQ replacement- funded by the KBR. Fresh load of sand in the playground.	1-3 years
	Replace court fencing. Utilise the run down back courts - convert to multi-sports courts.	3-7 years
	Working towards surface replacement, 10+ years	7+ years
Kulin Golf Club	Golf simulator in a more visible space. Secure storage	1-3 years
	Cold controlled burn through the bush in the course would be beneficial	3-7 years
	Re seed and level out some of the fairways.	7+ years
KK Junior Cricket	Permanent shade New uniforms Replenish playing equipment as needed	1-3 years
	Practice nets at the Kulin sporting precinct.	3-7 years
Kulin Netball Club	Depending on potential amalgamation	

KULIN GOLF CLUB

KULIN WA 6365

Dear Freebairn Recreation Centre Chairperson

As Secretary Treasurer of the Kulin Golf Club I was approached by Rob Clayton just prior to this years Clayton Cup – which was our 75th- wanting to do something to celebrate this occasion.

The Clayton family would like to permanently home the Clayton Cup at the FRAC, and further tell the story behind Kulin Golf Club celebrating 75 years of Clayton Cup, for all to enjoy, all year round.

Rob suggested extending the trophy cabinet out towards the fire extinguisher to accommodate an extra area for the trophy. The Claytons would be willing to contribute in any way, if need be. He feels it would also be quite fitting considering Robs grand-parents were very dear friends and companions of the Freebairns.

As an individual club we don't feel it is our place to respond to Robs request but we would love to have the Clayton family do something to celebrate their support of our golf club.

Could your members discuss this and get back to us

Yours faithfully

W J Gangell

KULIN GOLF CLUB
