# CEO CORNER

---

Welcome back to another CEO Corner, as the festive season approaches at a rapid pace.

Plenty of community events are planned for the coming weeks, so hopefully harvest is wrapping up, your Christmas shopping is complete, school reports are written and all holidays booked. There doesn't seem too much time for day-to-day stuff with all the events happening! To name a few:

- CKC Community Cropping Harvest
- Seniors Christmas Party
- KDHS Year 10 Graduation
- Gangells Christmas Bash
- CBH Bin Party
- Kulin Community Hub Christmas Function
- Mr Proud's 100th Birthday Party
- KDHS Presentation Night
- Council Meeting and Christmas Function
- Community Christmas Party

This week marks an historic occasion in the Kulin community with Mr Harold Proud turning 100 years young. This is a fantastic achievement for a person who is always effervescent in any conversation you would have with him, always thinking about what he can contribute to the community, and always willing to lend a hand to

any person or organisation seeking some assistance. I understand Mr Proud will be celebrating privately with the family on his birthday, no doubt doting on his newest great granddaughter. There is a community event to help Mr Proud really celebrate his milestone on Saturday 12th December at the FRC. Congratulations Mr Proud you have certainly led the way and epitomised community spirit in Kulin.

Next week is the final Council Meeting for 2020 and it has been pushed back until Thursday 17th December. The Details Design for the All Ages Precinct will hopefully be presented for endorsement. Other key topics for discussion will be how the Container Deposit Scheme will impact on the cost of kerbside recycling collection to Council, which at this stage looks to be minimal. Council will also be discussing options on how to invest a further \$400K of LRCIP funding on community infrastructure projects.

This week also sees the quarterly RoeROC meeting take place at the Shire of Kondinin. Waste management and the CDS will also be a topic on this agenda. RoeROC is an initiative where the Shires of Corrigin, Kondinin,

Kulin, Narembeen and Lake Grace collaborate on key regional initiatives and projects for the benefit of our shared region.

The Works Crew have completed sealing both Yealering Road and Dudinin-Jitarning Road. We are in the process of finalising design information for High Street Drainage, CBH Access Road as well as Jilakin Street for proposed works scheduled in early 2021. This will include intersection works with Kulin-Lake Grace Road. This work has been scheduled for the somewhat quieter month in town. There will potentially be minor inconvenience to traffic and local businesses, but traffic management will be in place. Judd will be contacting relevant businesses directly and further information will be published as required to keep people up to date of progress.

Speaking of the Works area, a really challenging issue that Shires have to work around is obtaining clearing permits to remove native vegetation associated with any proposed roadworks. Shires have to work within the stipulated guidelines set by State and Federal environmental departments and there are significant penalties for failure to comply.

# CEO CORNER

---

One such issue is where the Works crew is looking to clear four gum trees for an intersection realignment, and we have received the following feedback as to what protocols are expected;

*“...because of the significance of the vegetation in the area and the fact that about 0.42 ha of a federally protected threatened ecological community would be cleared for the works, and that DWER said that only DAWE (the federal Department of Agriculture, Water and Environment) could decide whether the clearing would be a matter of national environmental significance, a referral to DAWE will be needed for the department to decide whether the clearing proposed is significant or not. The referral document is quite complex and it takes quite a while to gather all of the information that is required to populate the online referral document. DAWE will take about 6 weeks from the time of submission of the referral until you would hear back from them whether it is significant or not. If it is deemed to be a significant action, the NVCP application would then have to be assessed under a bilateral agreement (DWER assesses the application on behalf of DAWE but with input from DAWE during the*

*assessment process). DWER’s assessment process would then take quite a few months depending on how much more information was required after the application was advertised for three weeks on DWER’s website”.*

Given these potential issues Council will likely have to revegetate a significant area of land, or find a vegetation offset area, to accommodate the four trees within the 4ha project footprint. This seems a significantly arduous stipulation for a minor clearing project within a designated road reserve. The main reason being that this vegetation is classified as a salmon gum woodland which is deemed to be a ‘threatened ecological community’ of national significance and a foraging habitat for Carnaby’s black cockatoos. Many observers within the wheatbelt, particularly at this time, will notice that there does not appear to be a lack of foraging habit for bird life given the hassles a lot of towns are having with white cockatoos. The logic behind the clearing regulations with regards to road reserves appears flawed and overly arduous for local governments, and this is something that I will be taking up further with both DWER and DAWE. This could be

local government’s ‘Daryl Kerrigan’ moment where we challenge regulation that is significantly impacting our infrastructure projects, considering infrastructure assets are the bulk of our Council costs and assets. I look forward to any local comment or feedback on this challenging and controversial issue.

Well done to CKC on the community cropping program this year. I believe a few locals banded together on Monday to harvest the crop. Council continue to work closely with CKC on a range of community initiatives which sees this income invested back into our community.

There is still plenty of local sport happening in the lead up to Christmas. Junior basketball and tennis have wrapped up, swimming club is kicking on, whilst bowls and cricket are well into their seasons. Next week is the Kulin Tennis Club Ladies Doubles Bash, so dust off your rackets and your best 80s pleated skirts as I hear there is a prize for best outfit.

Until next time safe travels.

## HARVEST BAN INFORMATION LINE 9880 1511

This is a recorded message and is updated with current harvest ban information

## IN CASE OF FIRE RING 000

If there is a fire you must call 000 immediately. Shire of Kulin staff are unable to register the emergency.

## PROHIBITED BURNING PERIOD

All burning is prohibited from 1 November 2020 to 15 February 2021.  
NO burning permits can be issued in this period.

## TOTAL FIRE BAN

A Total Fire Ban is declared on days when fires are most likely to threaten lives and property. This is because of predicted extreme fire weather or when there are already widespread fires and firefighting resources are stretched.  
Total Fire Bans are put in place by DFES.

## KULIN RE-USE WATER SUPPLY

The Shire of Kulin wish to advise that the town re-use water supply to the oval will recommence the week beginning 1st December 2020 and will be in use throughout the summer until 31st January. This water will be applied between the hours of 10:00pm and 3:00am so will have no impact on normal oval use.  
For any further information contact the office 9880 1204.

## HARVEST AND VEHICLE MOVEMENT BAN

Harvest and Vehicle Movement Bans are issued by your local government and are put in place when your local Bushfire Control Officer identifies the use of engines, vehicles, plant or machinery as high bushfire risk activities, during particular times of the day.

Kulin Shire will distribute this information via SMS and the harvest ban information line.

## *December Ordinary Council Meeting Change of Date*

## 2021 Townsite Roadworks

The Shire of Kulin will be undertaking a significant amount of roadworks in and around the Kulin townsite in early 2021 (see map).

These works will be taking place on High St, Jilakin St, CBH Access Rd, Kulin Lake Grace Rd and Jilakin St Intersection, Kulin Lake Grace and CBH Access Rd.

Below is a brief summary of each job and the impact it may have.

### High St

- Installation of new underground drainage and asphalt seal.
- High St will be closed to all vehicles for up to four weeks. Access to IGA will be via footpaths only, and parking will be on Day St.
- Fencing will be installed along the works where required for public safety.

### Jilakin St

- Reconstruct and seal.
- Will be closed for approximately two weeks during construction and again to be sealed at a later date.

### CBH Access Rd

- Will be closed south of McIntosh for the installation of new culvert pipes.
- Road will remain open during construction.
- Please be patient as you may be required to wait at times.
- **Pool Access will be off Lake Grace Road during construction.**

### Intersection Works

- Signage will be in place to guide traffic through the roadworks at all times, with delays expected.

**We have scheduled these roadworks to take place throughout January when the town is quietest, to minimise disruption to the community. We will be doing our best to have the majority of this completed by the end of January with minor works to be completed in February.**

**We ask for your patience and where possible to avoid the areas of works.**

**Should you have any inquiries, please contact Judd Hobson 0427 801 241 or email [works@kulin.wa.gov.au](mailto:works@kulin.wa.gov.au).**

# NOTICES FROM THE SHIRE OF KULIN

## CULTIVATING KULIN COMMITTEE

This years crop has been harvested and a total of 259.90 tonnes has been sold.

A huge thank you to the following community members who helped with harvest.

Michael Lucchesi  
Chad Frantom  
Tim Day  
Rob O'Brien  
Grant Robins  
Nahi Lewis

This years cropping project has been a true community effort and the Committee thank everyone who has been involved.

A big thankyou to Mick Lucchesi for managing the project.

### *Contact Registers in Shire facilities*

From 5 December 2020, Shire of Kulin is required to maintain mandatory contact registers for WA Health Department COVID-19 contact tracing. Individuals can either scan the SafeWA QR Code or manually sign in at each venue.

The following venues/buildings will have contact registers:

- Kulin Aquatic Centre and Waterslide
- Freebairn Recreation Centre
- Freebairn Recreation Centre Gym
- Kulin Memorial Hall
- Kulin Public Library (located at Kulin Post Office)

The WA Government has developed a free app, SafeWA, which is a digital contact register system. The SafeWA app can be downloaded from Apple App Store or Google Play. The app is not mandatory, and an alternative paper based system is also available.

-Failing to comply to the new requirements could result in fines and penalties of up to \$50,000 for an INDIVIDUAL and \$250,000 FOR A BODY CORPORATE or 12 months imprisonment.

- Any person aged 16 years and over who attends the facility, including patrons, staff, volunteers and contractors will be required to register their contact details. Records are not required to be collected for children under 16 years.

## DRY SEASON SURVEY

Good afternoon

Completing this short survey about your farm water situation will help us manage emergency livestock water and community water supplies for the coming summer and autumn. The survey is to help collate information on the status of on-farm supplies of water for farmers and to determine which off-farm water supplies will be heavily used over summer. This will help us plan for supplies for stock and emergency requirements.

## **Kulin Childcare Happenings**

Firstly, on behalf of myself and the dedicated staff of KCCC we would like to take this opportunity to say a huge THANKYOU to our families for all your support during the crazy year that has been 2020!!!! Your confidence in our ability to keep your children safe, while providing quality Early Childhood Education during this very uncertain year, has meant the world to us.

We are looking forward to 2021 and what the New Year may bring. If you are interested in what happens at our Centre, or what Early Education looks like, flick me an email or give me a call. We can arrange a time for you and your child to visit the Centre, where I can answer any of your questions, you can get to know our Educators, and take a look around the Centre.

On behalf of our wonderful children we would like to extend our gratitude to the many community members who have donated items throughout the year, to the AOOB's and KBR for their generous donations and to Megan Syred for organising our plate and P&C catering fundraising.

I would personally like to Congratulate all my staff; Sue Knapp, Sarah Reader, Vickie Johnson, Jaidyn Airey, Linda O'Loughlin, Shaliegh Saunders, Maddi McLeish, Kaitlin Tyson, Belle Brandis, and Charlotte Reader for a great year. Your dedication, commitment and understanding through this very weird and trying year, have proven what I already knew, how much passion you all have for your chosen career, the children you care for and the community we live in. I certainly could not have done my job without all your support. Thank you also to Brenton Kerr for maintaining the Centres high standard of cleanliness, your efforts are greatly appreciated.

Please note; Centre will close 5.30pm Tuesday 22nd December 2020 and will re-open 8.00am Wednesday 13th January 2021.

Merry Christmas to everyone, enjoy spending quality time with your loved ones, stay safe and see you all in 2021!!!

# KULIN POOL AND WATERSLIDE

This has to be one of the slowest starts to a season I have seen. The cooler weather has not been helping much but the warmer weather will get here.

Interm swimming lessons are into their second week and hot and cold ambient temps mean the water is doing the same. They don't think its too bad but the wind isn't pleasant when they get out. Friday sees the end of Interm swimming lessons then a week of normality at the pool then school holidays sees Vacswim start up. It is a 7 day program so hopefully everyone has got their kids names in and can come and laze on a sunbed while the kids are doing their lessons. It's a great spot for a coffee and a catchup after harvest, or if you're still going, time for a chat.

This year we have a few more doing the Rotto challenge and the laps and kilometres are ticking along quite well. Along with the personal challenge of swimming the distance from Cottesloe to Rotto, I'm keeping a total town tally. The aim is to swim around Australia with total laps done over the season from everyone's laps combined, and add them to previous years until a full lap of the map is done. Last year we managed to get roughly 100km south of Carnarvon as a town and looking like we will blow this distance out of the water (no pun intended) this season. So far we have swum a total of 14721 laps which works out to 371km so everyone is going along nicely.

Our top 2 lap swimmers are Bec, with 1460 laps or 36.5km, and Jenni, with 1090 laps or 27.25 km. I'm just a little bit behind these ladies but am there for encouragement every morning.

Saturday the 5th Dec saw our busiest day so far, which is a bit different to last season. With 3 different kids parties and 3 huge birthday cakes, I admit to trying to find a way to sneak a taste of each one without being found out. I haven't mastered that yet but I'm working on it.

Anyway come down enjoy a day by the pool and relax.

Cheers

Jones

# SENIORS CHRISTMAS PARTY

## Seniors Christmas Luncheon 2020

On December 8th our local seniors celebrated the annual Christmas Luncheon provided by your Kulin Community Resource Centre. Our guests enjoyed the tasty roast lunch made by our local Community Hub and Amy's delicious treats from Acres of Taste. The crowd enjoyed the festive atmosphere with Christmas tunes and punch. Mr. Proud was pleasantly surprised with beautiful cake made by Fiona Jasper and a cheerful sing along for his 100th birthday, YAY! Mr. Proud thanked everyone for the congratulations but also jokingly asked everyone to "please slow down as it would still be another 11 hours until he turns 100 years of age". Well done and congratulations from all of us, Harold!

It was a lovely festive afternoon.

# Order of Australasian Old Bastards

The Kulin AOOB branch is proud to have donated the listed monies to some very worthy recipients for 2020.

This year the donations were sent by post.

Congratulations and thank you for your good works.

Please be advised that the Kulin AOOB have sold the Donut trailer due to a lack of volunteers.

# KULIN POLICE STATION

---

## Your Local Police

Kulin Police Station is a two-officer station that predominantly polices the Shire of Kulin and provides an extended coverage into the neighbouring shires of Corrigin, Kondinin, Lake Grace and Wickepin.

Although the police station isn't staffed 24/7 your local officers are available to respond to incidents at any time. Your local police can be contacted as follows:

- If you require police in an emergency then dial **000**.
- If you require police for a non-emergency then dial **131444**.
- If you wish to speak to an officer at the police station dial **9861 5800**.

Out of business hours the main police station number is diverted to Albany Police Station but the public and local community are encouraged to leave a message with staff there should they wish to speak to their local police.

If you have information regarding crime within your local community you can call your local police or if you wish to remain anonymous call Crimestoppers on **1800 333 000**.

## Christmas Double Demerits Traffic Campaign

Please be advised that this year's Christmas Double Demerits campaign runs between 0001hrs on Friday 18 December 2020 until 2359hrs on Sunday 3 January 2021.

## Bicycle Helmets

It is compulsory for bicycle riders to wear an approved crash helmet whilst riding on the road or footpaths around the town site. The penalty for failing to wear a helmet is a fine of \$50. Of particular concern is the number of children not wearing crash helmets and I would encourage all parents to ensure their child or children are suitably protected.

## Williams Kondinin Road – Heavy Goods Vehicles

Drivers and users of B Doubles and Pocket Road Trains are reminded that there is maximum speed limit of 80 km/h (kilometres per hour) for these types of vehicle on the Williams Kondinin Road between Narrogin and Kondinin. This speed limit is set by Main Roads WA and is a condition of the RAV 4 permit required to use these vehicles on specified routes. The fine for breaching this condition is \$600.

## Crime Prevention – Summer Holidays 2020/21

With the fast approaching summer holiday period upon us homeowners are reminded that many burglaries occur when premises are left vacant for long periods.

By taking some simple precautions you can substantially reduce the risk of burglary.

Some simple steps to protecting your home

- Ensure all doors and windows are securely locked, preferably with deadlocks and keyed window locks.
- Let your neighbours know you will be away and ask them to watch out for visitors.
- Consider installing automatic timing devices for lights and electrical appliances such as radios and televisions.
- Give your house keys to a trusted friend or neighbour rather than hiding them outside your home.
- Be sure to notify the keyholder when you return. This is especially important if you return home early.
- Give your friend or neighbour your contact address and telephone number.
- Consider asking your neighbour to park a car in your driveway.

Further crime prevention advice is available at the police station or go to [www.crimeprevention.wa.gov.au](http://www.crimeprevention.wa.gov.au)

# KULIN MUSEUM AND MEN'S SHED

## KULIN MUSEUM and MEN'S SHED

The tables were struggling at the Museum for a meeting, presentations and Xmas Party on November 28, 2020.

**Congratulations to President Keven Giles and the committee** for the compassionate and productive organization that they have created. The shed was abuzz with laughter and stories with 25 members and friends.

**MUSEUM LIFE MEMBERSHIPS** were presented to Harold Proud and Jock Carruthers by Shire President Barry West in appreciation of their decades of service, dedication, camaraderie and sheer hard work. Back in the 1960s Harold's son, Ross, began saving and displaying horse gear and other paraphernalia when tractors were taking over from horses. Harold saw the value of preserving the past and has continued ever since. What would those horses say if they could see the giants sweeping across the paddocks now? What memories do you have of those days?

Barry West presenting Harold Proud with his award.

Keven Giles presenting Jock Carruthers with his award.

Keven & Barry assess risks while Jock's off to work.

Barry learned a lesson for us all from Jock long, long ago: take the time to prepare everything before you try to fix it. Plan and assess the risks. Barry was getting impatient after 20 minutes, then Jock fixed the header shaft in 5 and it would still work today! Stop by the museum and check out the 1927 Chevrolet truck that Jock restored and drove to the Freebairn Centre for his 75th wedding anniversary with Celia.

The Xmas Party tables were groaning with a wonderful array of dishes and treats. Ray's sticky date cakes, Elle's chokky brownies, Mary's colourful trifle and Robin's chia pots all required second helpings despite overloading on the delicious baked proper food. The spirit of wheatbelt people is tangible and flourishing in the Kulin Museum and Men's Shed: hard work, friendship and compassion are there for us all to share. Photos and text—Robin Campbell

As a thank you for supporting our business, David & Lorraine would like to invite all our customers to an end of year Xmas BBQ at our workshop.

2020 has been a very trying year for all of us and embarking on a new business in March just as COVID-19 hit caused us a few concerns but thanks to you and your support we have managed to move forward to provide our community with an invaluable service which have allowed us to strive for success as a small business.

If you can, drop by the workshop on Thursday 17<sup>th</sup> December from 5.00pm onwards for a few beers or wines or cool drinks and sausage or two.

We have a few goodies to give away as well, just in time for Xmas! Every customer will go into the draw (using your unique customer number) to win one of the following:

For HDM: The Aussie Beer O'clock Hamper

For HER: A Moscato Hamper
