# CEO CORNER

---

Welcome back to another CEO Corner and as it's late November with harvest finally getting cranked up, it'll soon be Christmas! Really?

The CRC are busy planning a number of events over the coming months including the Annual Seniors Christmas Party and the Community Christmas Party to be held in mid-December. The FRC will be hosting a number of events including the KDHS Presentation Night and the Council Christmas Function.

You will have noticed that the Shire of Kulin has advertised a number of vacant positions in the past month. If you or any of your acquaintances are quality people, have the necessary skills, and are seeking stable employment in this great community then please enquire about any of the opportunities available. We recently employed a Community Development Trainee and are in the process of reviewing applications and conducting interviews for other roles. It's not too late to apply and join our team.

Last week's Council Meeting saw Council approve a budget amendment for the road program as a result of recent successful funding submissions. This included:

\$1.1M for Heavy Vehicle Road Safety Productivity Program (\$550K funding) for upgrade of Jilakin Street and CBH Access Road.

\$100K for Project Development for Fence Road planning works for WSFN (\$93K funding).

The Council Meeting was also fortunate to receive an update from the Eastern Wheatbelt Biosecurity Group (EWBG) and Mr Jim Sullivan on the great work they have been doing in the eastern parts of our Shire in controlling wild dogs. This organisation relies greatly on volunteers and government funding. Such funding is always a challenge with much uncertainty from year to year. Council will work closely with EWBG to lobby the State government for continued funding via Royalties for Regions.

The Works Crew have been busy wet mixing on Yealering Road, as well as Dudinin-Jitarning Road in preparation for sealing next week. The hot weather will make the conditions just perfect for sealing.

Last Saturday saw Channel 7 air their new TV show '1 Man & a Bike' featuring towns in the eastern wheatbelt who are part of Roe Tourism, including Kulin. This was funded by the Shire of Kulin and it was great to see a number of local icons featured, showcasing key unique aspects of our community. Well done and congratulations to Tom Murphy, Erin Bailey, Bill Colbourne and Clarry King for their 5 minutes of fame on behalf of the community.

If you missed the episode go to <https://vimeo.com/462460019>

Just a short report this week. Until next time safe travels.

Garrick Yandle - CEO

## HARVEST BAN INFORMATION LINE 9880 1511

This is a recorded message and is updated with current harvest ban information

## IN CASE OF FIRE RING 000

If there is a fire you must call 000 immediately. Shire of Kulin staff are unable to register the emergency.

## PROHIBITED BURNING PERIOD

All burning is prohibited from 1 November 2020 to 15 February 2021.  
NO burning permits can be issued in this period.

## TOTAL FIRE BAN

A Total Fire Ban is declared on days when fires are most likely to threaten lives and property. This is because of predicted extreme fire weather or when there are already widespread fires and firefighting resources are stretched.  
Total Fire Bans are put in place by DFES.

## KULIN RE-USE WATER SUPPLY

The Shire of Kulin wish to advise that the town re-use water supply to the oval will recommence the week beginning 1st December 2020 and will be in use throughout the summer until 31st January. This water will be applied between the hours of 10:00pm and 3:00am so will have no impact on normal oval use.  
For any further information contact the office 9880 1204.

## HARVEST AND VEHICLE MOVEMENT BAN

Harvest and Vehicle Movement Bans are issued by your local government and are put in place when your local Bushfire Control Officer identifies the use of engines, vehicles, plant or machinery as high bushfire risk activities, during particular times of the day.

Kulin Shire will distribute this information via SMS and the harvest ban information line.

## CRC/COMMUNITY DEVELOPMENT TRAINEEE

We warmly welcome Christina Meier to the Shire of Kulin. When you come into the office you will see Christina at the front desk and she will be able to assist you with your queries.

## *December Ordinary Council Meeting Change of Date*

In accordance with Regulation 12(2) of the Local Government (Administration) Regulations 1996, notice is given that the Ordinary Council Meeting previously scheduled for 1pm Wednesday 16 December 2020, will now be held at 1pm Thursday 17 December 2020.

The meeting will be held in the Council Chambers, 38 Johnston St, Kulin.

### EXECUTIVE SUPPORT OFFICER

#### Relief - 12 Month Contract

An opportunity exists for an organised, self-motivated person to fill the position of Executive Support Officer at the Shire of Kulin for a 12-month period. This role is supervised by the Chief Executive Officer and has the responsibility to provide governance support to elected members and staff, administrative support throughout the organisation and communications with government agencies, community groups, and the general public in relation to the operations of the Shire administration.

This relief position is targeted at full time applicants (76 hours per fortnight), however part time arrangements may be considered for the right applicant.

Remuneration will be based on the Local Government Industry Award 2020 based on Level 4, but will be dependent on experience.

Written applications including a covering letter and resume will be received up to Monday 7 December 2020 and must include details of work experience, relevant qualifications and copies of at least two written references, or the names of two recent referees.

Further information, including position descriptions, can be obtained by contacting the undersigned or Nicole Thompson via email [eso@kulin.wa.gov.au](mailto:eso@kulin.wa.gov.au)

## Public Notice Adoption of Local Laws

---

The Shire of Kulin has resolved to adopt the following local laws:

### **Shire of Kulin General Repeal Local Law 2020**

The purpose of this local law is to repeal obsolete local laws.

The effect of the local law is that the obsolete local laws will be revoked and abrogated.

### **Shire of Kulin Cemeteries Local Law 2020**

The purpose of this local law is to provide for the orderly management of the Kulin Public Cemetery (Reserve 192552), Dudinin Public Cemetery (Reserve 14995) and the Pingaring Public Cemetery (Lot 3142) in accordance with established plans and to create offences for inappropriate behaviour within the cemetery grounds.

The effect of the local law is to ensure compliance by all persons engaged in the administration, the burying of deceased and the provision of services to or making use of the three cemeteries in the district.

### **Shire of Kulin Dogs Local Law 2020**

The purpose of this local law is to make provisions about the impounding of dogs, to control the number of dogs that can be kept on premises and the manner of keeping those dogs and to prescribe areas which dogs are prohibited.

The effect of the proposed local law is to extend the controls over dogs which exist under the Dog Act 1976.

### **Shire of Kulin Standing Orders Local Law 2020**

The purpose of this local law is to provide for the conduct of meetings of the Council, Committees and electors.

The effect of the proposed local law is to provide for:

- better decision-making at meetings;
- the orderly and efficient conduct of meetings;
- greater community participation and understanding of the business of the Council; and
- more open and accountable local government.

A copy of these Local Laws may be inspected or obtained from the Shire's office at 38 Johnston Street, Kulin between 8.30am and 4.30pm Monday to Friday, at the Kulin Public Library located at the Kulin Post Office during normal opening hours, or on the Shire's website:- [www.kulin.wa.gov.au](http://www.kulin.wa.gov.au)

The aforementioned local laws were gazetted on 18 November 2020 and will come into operation on 2 December 2020.

## *Tech Savy Seniors Group*

The Tech Savy Seniors Group is a free initiative aimed at increasing the confidence, skills and online safety of Kulin Seniors when they use the internet and everyday technology.

The group will learn the basics of mobile phones, tablets, computers and laptops.

### We meet every Thursday afternoon at 2pm at the Kulin CRC meeting room.

The sessions will be informal, where you can learn how to use your device, solve problems and answer questions you have, help each other, and gain the confidence and skills to get online and use your devices safely and economically.

The aim is for you to be independent and use your devices to connect with family, friends and keep up to date with what is happening in the community.

# KULIN CHILDCARE CENTRE

We have been busy at KCCC preparing for Christmas, with lots of talk of Christmas wishes and holiday destinations, enjoying lots of craft and even working in our very own 'Santa's Workshop'.

Last week we enjoyed a fresh potato salad for lunch with our home-grown potatoes! The children took great pleasure in harvesting and

washing them and even more eating them!! We have a big group of up and coming green thumbs, nothing better than growing your own produce and you definitely can't get any fresher!!!

Please note that our Centre will be closed as of 5.30pm Tuesday 22nd Dec, and will re-open 8am Wednesday 13th Jan 2021.

# FREEBAIRN RECREATION CENTRE

---

December is almost upon us which sees the activity levels here at the FRC go up a notch or two. Everyone has been enjoying the junior basketball competition every Friday afternoon catering for a range of ages from Year 1 through to Year 10. It's been fabulous to see the kids enjoy the coaching and games on offer and the social side of things is an attraction for parents and friends.

Of course, Bowls continues to tick along and our Kulin Bowling Club members have enjoyed a roll at every opportunity. Club Bowls is on a Sunday afternoon so if you aren't already involved and would be keen to have a go then this afternoon would be a great opportunity for you to do so. Come down, meet a few people, have a roll and enjoy a beverage.

The Kulin Kondinin Cricket Club is aiming to re-live the glory of last season and this year it's fabulous to see a junior arm of the club formed – aptly given the nickname the Roopups. The juniors have the opportunity to participate in a structured competition every Sunday. There has been a great level of interest shown by our juniors and it's great to be able to offer them this opportunity. This is another example of a dedicated group of parents working together to make things happen. We look forward to hosting some fixtures here in Kulin over the coming months after the oval refurbishment was completed last month.

We are gradually introducing a few minor changes to the Centre in addition to the more significant refurbishment items that have occurred over the past 12 months. We now have the pleasure of housing the pallet tables many of you would have shared a beverage on in the past at a number of community functions. A huge thanks to Tom Murphy for allowing the FRC to utilise this furniture while they are not required at any other community events. Tom has spent some time sanding them down and prettying them up so that patrons can enjoy a casual drink and chat whilst leaning against a pallet table rather than sitting down.

We hope to be able to offer a few different drink options in the not too distant future so watch this space.... One of the suggested options includes Ginger – stay tuned!

A little over a month ago we welcomed Edson (Brazil) and Rachel (Ireland) to town. They have been gradually adjusting to life in Kulin and have enjoyed their time meeting a few of you already at various times. If you haven't already met them be sure to come in and say hello, perhaps practice your Portuguese (or Irish!!).

We are all looking forward to December and all that it brings. The calendar is looking busy so we are excited to welcome you here to enjoy the craziness of the silly season!

Until next time.....

Ruth.

## COVID Phase 4 Update

### WA's Controlled Interstate Border – Contact Tracing Register to Recommence

Further to the State Government announcement to reintroduce contact tracing as a proven effective method to manage COVID-19, Clubs WA can confirm that clubs will form part of the businesses required to implement a Contact Tracing Register. The Register can be in the form of a digital contact tracing (e.g. QR Code Contact Tracing) or be manual (paper based). Please note that if clubs choose the QR Code option, you will still be required to provide an alternative format in the event a member is not able to register through the QR Code (eg because they do not have access on their mobile phone).

The State Government is currently in the process of developing the contact tracing QR App, Safe WA. The date for the reintroduction of mandatory contact tracing register is yet to be determined and will coincide with the Safe WA App announcement.

Information required to be recorded in the Contact Tracing register is:

- Location (of the club);
- Person's name;
- Person's telephone number;
- Date of attendance; and
- Arrival time.

This information needs to be kept for a period of 28 days.

Penalties will be imposed against:

- Businesses (including clubs) who are not able to produce the Contact Tracing register upon request;
- Individuals and businesses (including clubs) for using the contact details recorded in the register for purposes other than contact tracing; and
- Individuals for providing false information.

Clubs also have the right to refuse access or entry to individuals who decline to provide their details in the register.

The State Government is currently in the process of developing the contact tracing QR App, Safe WA.

The date for the reintroduction of mandatory contact tracing register is yet to be determined and will coincide with the Safe WA App announcement.

Clubs WA will keep member clubs informed with further updates as soon as they are received. Please continue to monitor our website for more information.

\* Please note that this means the FRC will need to reintroduce a guest register in order to adhere to the WA Government's guidelines. When the date for reintroduction of a tracing register is announced we will implement the register. We look forward to your understanding and cooperation regarding this process.

## Restoration Project

Work is progressing nicely on the new floor of the Kulin CWA ... in fact, we have a new floor!

This photo shows the composite floor in the main meeting room - laid down over new bearers and stumps. Alongside the many volunteer hours put in so far by family and friends, the Kulin CWA would like to thank builder Kurt Martin for his timely work and his enthusiasm to support local business.

Next stage of the repair work requires decisions on floor coverings - so plenty of lively discussion to be had there. We look forward to making some of those decisions at our next monthly CWA meeting back in the Rooms - Friday 11th December, 10.30am coffee for an 11am meeting start. If you would like to see the project progress, feel free to drop in between 10.30 and 11am for a coffee and a tour.

A number of the group have been busy putting together some lovely happy packs for new families and babies in our area - a warm welcome, a basket of useful baby items and a brief contact to keep in touch. Numerous packs have already been delivered - it is lovely to hear of new babies arriving!

We have another fundraiser coming up - The Kulin Community Markets on Saturday 5th December, Kulin Memorial Hall. CWA Tea and Scones will be available from 9am with plenty of other goodies for sale, so we hope to see you there.

# KULIN BUSH RACES COMMUNITY PARTY

2020 will certainly be a year that will not be forgotten around the world in a hurry! October didn't feel the same around town without the hustle and bustle of organising the race weekend. Instead of taking a year off, the Kulin Bush Races committee decided to use the opportunity to throw a community party! What a party it was... complete with live music, laser tag for the kids and speciality food vans. The evening was the perfect way to say thank you to all the wonderful local volunteers for their hard work over the years.

The Kulin community don't do anything by halves and during the evening we still ran the annual mini tin horse auction and race. Congratulations to the winner of this event, Carly Williams riding Grandma's Blanket. Carly has had a bit of practise with this race over the years and has certainly refined her racing technique! Over \$1000 was raised from the auction with all proceeds going to the Royal Flying Doctor Service of Australia. A thank you must go to Erin Bailey who made and donated all the mini tin horses for the race which increased our donation to RFDS.

Despite cancelling the races, Wendy Gangell still coordinated the Tin Horse Competition this year. We only had one entry from Erin Bailey. Congratulations and thank you again to Erin. Check out Erin's Santa and Rudolph next time you are cruising the highway! The tin horses continue to attract tourists around our state but it would be fabulous to have more wonderful tin horse additions. Start thinking about a new creation for next year!

A huge thank you must go to all involved in organising and cleaning up after the event but most of all thank you to everyone who attended. It was a wonderful evening in Kulin. Wishing everyone all the best for the festive season and we look forward to planning for the 2021 Kulin Bush Races!

The weather is still warm so now is the time to have your A/C checked on your car, truck, tractor. I have 10 years of experience servicing A/C systems on all makes and models from cars to earth-moving machinery and everything in between. If you believe your A/C is not working correctly please call to book your vehicle in for a service. I can come to you or you can drop your car off.

I also provide the following services:

- Install/service A/C systems
- Test alternators and batteries
- Fit dual battery/solar systems to cars, caravans and camper trailers
- Fit/Supply trailer brake systems
- Supply/Fit camera kits eg. Reverse, Truck trailer or chaser bin auger
- Supply/Fit spotlights or worklights for cars, tractors, headers etc.
- Manufacture wiring harnesses
- Install 4x4 accessories eg. LED lights, power sockets, winches, battery monitoring
- Swap monitors between tractors
- Electrical/wiring repairs
