# CEO CORNER

---

Welcome back to another CEO Corner. Unfortunately, the big wet that had been expected over the past two weekends didn't really eventuate besides a few smaller falls, but nothing substantial.

This week we have our August Council Meeting. The Agenda isn't overly exhaustive with the main content being the award of recently advertised tenders. Councillors will also be completing their mandatory training as required by the WA State Government as part of the Local Government Act Review.

Good luck to the golfers competing in Kulin Golf Club's annual showcase event, the Clayton Cup, on Saturday 22nd August. I'm sure Phil and Matches will gladly take late entries. The Golf Club and Shire staff certainly have the course looking in top condition.

Congratulations to the other Winter Sports Clubs on successfully hosting a Quiz Night at the FRC last Saturday night. I hear a good time was had by all and quizmaster, Jay Robbo, kept everyone well entertained. Such events certainly bring the community together.

Next week sees the FRC host a couple of regional meetings, including a 'Grain on Rail' Meeting with the local WAFF Branch, as well as the WALGA Central Country Zone Meeting. These meetings are certainly an opportunity to showcase the

great community of Kulin. A short report this week, but as always things seem to be busy within the Kulin community to keep it progressing.

Until next time safe travels

# NOTICES FROM THE SHIRE OF KULIN

---

## TO THE HOUSEHOLDER - COMMUNITY CLEAN-UP

With the coming spring and even though there are no Bush Races, many visitors will still be arriving/travelling in our Shire for a multitude of reasons, not the least that Kulin is quite simply a fantastic place to be.

With the above in mind the Shire is requesting all residents to set aside some time now to spruce up their little piece of heaven. Time to clean up around your home for the spring and to get in early to get rid of potential fire hazards that will exist once the grasses dry off. There is also the issue that long grass and rubbish makes an ideal home for snakes and other unwanted pests. In terms of Bushfire control, In past years the Council has not seriously considered issuing

infringements however this year there will be no warnings given to anyone not complying with the firebreak order.

### THE FIREBREAK ORDER THAT APPLIES TO TOWNSITE LAND IS AS FOLLOWS:

“Land Area less than 1 hectare:- All hazardous material must be removed from the whole of the land except living trees, shrubs and plants. In the remaining area all vegetation is to be maintained to a height of no greater than 100mm, and;

It be recommended that at least a 2m wide area, immediately within the external boundaries of the lot, be clear of all flammable material except for living trees, plants and shrubs.”  
For information any land of one hectare or above the rural provisions apply.

We look forward to your support and cooperation in helping clean-up Kulin.

## KERBSIDE RUBBISH COLLECTION

The Shire will be conducting a kerbside pickup throughout the townsite on Thursday 10th and Thursday 24th of September 2020.

- This will be a great opportunity to get rid of any rubbish not suited to the weekly depot pick-ups.
- Small electrical goods, small furniture, tree and garden trimmings etc.
- Larger items may be removed from your yard by phoning office staff to organise for pick-up. Please let us know if you would like something removed.
- Please NO broken glass or lawn clippings.

Further information call the Shire Office 9880 1204 or Email [to@kulin.wa.gov.au](mailto:to@kulin.wa.gov.au)

## WHERE AND WHEN?

How did you do with identifying the event on the left? The picture is of the Premier, Sir David Brand, at the Kulin 50th Anniversary in 1960. Bill Colbourne showed us the plaque from the Kulin museum, that was in front of the tractor on the day. The Plaque reads:

“In commemoraion of the 50th year of settlement of the Kulin District. Unveiled by the Premier. Hon. D Brand on 5th November 1960. This early model tractor was one of the first used in the district and was donated by Mr. J.H. Nichols, Kulin.”

Thanks to Mr. Proud for the picture of the event.

Did you attend the Opening above? We would love to hear your memories or see your pictures from the event. We will fill you in on the details in the next Kulin Update.

## WELCOME

Greetings from your local police! Kulin Police Station is a two-officer station that predominantly polices the Shire of Kulin and provides an extended coverage into the neighbouring shires of Corrigin, Kondinin, Lake Grace and Wickepin.

Although the police station isn't staffed 24/7 your local officers are available to respond to incidents at any time. Your local police can be contacted as follows:

- If you require police in an emergency then **dial 000**.
- If you require police for a non-emergency then **dial 131444**.

## CHANGE IN MOBILE PHONE WHIST DRIVING PENALTIES

From 1 September 2020, there are changes to the penalties for the use of mobile devices whilst driving. The penalties have been increased due to the increased use of smart phones by drivers and are as follows:

- Use mobile phone (audio call) whilst driving \$500 fine 3 demerit points
- Use mobile phone (email, texting, video call or social media) \$1000 fine 4 demerit points.
- Further information regarding road safety can be found at [www.rsc.wa.gov.au](http://www.rsc.wa.gov.au)

## FIREARMS LICENSING

A reminder to local firearms license holders to ensure firearms licenses are renewed on time and not left too late. Common issues with this are not updating address details with WA Police Licensing or just leaving it for a rainy day!

The current cost of renewing an individual firearm license is \$56 as opposed to the \$421 fine for not. It is the responsibility of the firearms license holder to ensure it is current at all times.

## CRIME PREVENTION

At the beginning of 2020 there were a number of home burglaries reported within the town site. The offenders removed fly screens and entered through unlocked windows. To prevent similar incidents household and business owners are advised to ensure their premises have adequate security before leaving it unoccupied for extended periods. This includes window locks, door locks and the fixing of fly and security screens.

If you have information regarding crime within your local community, you can call your local police or if you wish to remain anonymous call Crimestoppers on **1800 333 000**.

## KULIN RSL SUB-BRANCH

The current members of the Kulin RSL, Peter Mullan and Ray Baldock regrettably made the decision to close the Kulin RSL Sub Branch which has been active since 1934. This move is disappointing but there was no other option to continue with the Sub-Branch. The following is an email I received from John McPherson, RSL, Perth regarding the closure.

G'day Peter,

I was sorry to read your email about the closing of the Kulin RSL Sub-Branch but fully understand the reasoning behind this move.

The thanks of RSLWA are extended to all those who have participated in your past endeavours, particularly to yourself and Raymond Baldock (the last members of the branch). As your original Charter is unable to be located, and will therefore not be returned to RSLWA as is the norm, our membership officer will transfer your memberships to RSLWA Central and make note that Kulin RSL Sub-Branch no longer exists.

Best wishes for your future endeavours.

Cheers,

We would like to take this opportunity to sincerely thank the Kulin Community and the Kulin Shire for their support and assistance in conducting Anzac Day Services and especially the construction of the new war memorial. ## ACTS OF KINDNESS AND APPRECIATION

Lately, I have witnessed and heard some really great examples of our strong community and local acts of kindness. I thought it would be a good opportunity for us to share these 'Acts of Kindness & Appreciation' in the Kulin Update. If you would like to acknowledge someone or share a positive story, please send it through to the CRC.

Every day, Travis, myself and our kids thank our lucky stars that we live here in this town and more so in the past few months, in Western Australia. We have so much to be thankful for. Today a parade of Shire road machinery graded, then rolled and then graded again some of our very bumpy driveway. The kids and I took great delight in running out onto our veranda this afternoon and jumping for joy and waving at Rod, Jonesy, Jeremy, and Johnno! Thanks, so much guys for the grading and waving back with those big grins!

Lastly, I want to leave you with a thought until next time,

“Be kind to yourself first and foremost because when you feel good, helping and looking out for others comes easier too”.

## AGM

**15TH AUGUST 2020**

Despite COVID 19 the Museum and Men's Shed have had a productive year. Tourists and visitors were less during the shutdown, but many people are on the road now.

The forklift purchased with a grant from the Aust. Men's Shed Association has been refurbished and painted (in Eagles colours-AARGH) and is ready to use.

Two old CBH elevators have been brought to town and are on display over the road.

New woodworking equipment has been installed in the woodworking area in Ted's shed. This was purchased with a grant from the Kulin Bush Races.

The Ford Pilot car, owned by the garage proprietors, the Butler family, circa 1948 has come to town and restoration has begun. This car was originally bought by Mr Harry Trundle and traded in at Butler's a year or two later.

More items have been donated and there is much restoration still to be done.

Elections for Office Bearers saw Keven Giles elected as President, John Munro as Secretary, Kevin Ritchie as Treasurer, and Bill Colbourne and Daniel Giles as Vice Presidents.

## A NEW MEMBER

I joined C.W.A. this year to be involved in fund-raising for the upgrade of the interior of the C.W.A building.

The C.W.A. Members would like to thank our Shire for their interest and assistance in getting drainage completed.

I've included a couple of my families favourite recipes. They are well worth a try!

## Developing Volunteer Engagement Plans

**When:** Wednesday September 2nd 2020 10am - 12pm

**Where:** Wheatbelt Volunteer Hub (Inside Northam Recreation Centre) 44 Peel Terrace Northam

- Does your community group need more volunteers ?
- Does your community group need help managing your existing volunteers?
- Want to network with other Volunteer Managers in your area?
- Want to get to the bottom of why all the same old people seem to be doing all the work?

- Help you to identify an appropriate approach for your organisation in managing volunteers so that you can keep them

### On the day

Wheatbelt Volunteer Hub will supply paper materials and resources. Resources will also be supplied electronically post workshop. If you need to contact us on the day please call **Tanya on 0434 078 533**
