CEO CORNER

Welcome back to another CEO Corner and it has been awhile since I've personally written this column for the Kulin community as I've been working remotely in a part-time capacity for the past month. Many thanks to the staff who held the fort in my absence and as usual kept things ticking along smoothly.

A big thank you also to the wider Kulin community for your ongoing support and messages to myself and Tenille as we welcomed Charlie Frances into the world. The support of the community has been so overwhelming, but not unsurprising and reminds us how lucky we are to be part of this great community.

From a Shire perspective, things continue to progress. At this month's September Council Meeting we received our Long-Term Financial Plan. We are also in the process of finalising our updated Asset Management Plan, which will be put to Council at the October Meeting. These two documents form the basis, by which Council will make financial decisions over the coming 10 years. More detailed information on these two documents will be presented as part of Council's Strategic Community Plan update process, which is scheduled to be undertaken this financial year.

Last week President West and myself attended the WALGA AGM. This included a Political Forum in the morning,

presented by the leaders of the State's major political parties as they outlined their key focus areas in advance of the 2021 State Election. This was followed by the formal WALGA AGM in the afternoon. Key topics of discussion included the on-going process of reforming the Local Government Act, Mandatory Councillor Training, COVID Challenges, Drought Assistance Eligibility and State Government Rates on Unallocated Crown Land.

Last Tuesday 22nd September saw the Kulin Co-operative AGM held at the FRC. Over the past 12 months this group has purchased property and injected a well needed business into the community. They continue to investigate the next community economic development venture in town and certainly welcome further ideas and investment. On Thursday 17th September I was fortunate enough to be to provide a briefing to the Federal Assistant Minister for Road Safety and Freight Transport regarding the progress of the Wheatbelt Secondary Freight Network project. He was absolutely astounded at how 42 local governments could work together to plan and deliver the \$87M Stage 1 of WSN. Currently myself and Judd are developing the budget and scope of works for Kulin's identified works along Fence Road to be completed which is approximately \$5M over the next 4 years, of which 93% will be externally funded.

Freight and transport throughout the region will always remain a hot topic. President West is a fierce advocate and lobbyist for reopening Tier 3 rail lines, especially the line from Kulin back to Narrogin. Last Thursday the State Transport Minister Saffioti released the Tier 3 Grain Lines Engineering Review Report, an independent engineering assessment outlining the estimated cost of restoring each section of the Wheatbelt's Tier 3 rail network.

This included an estimated cost \$164.41 million to restore the Kulin (via Yilliminning) to Narrogin to a suitable condition for commercial operation, including the potential to upgrade some sections from narrow to standard gauge.

This information is the precursor to a business case for rail freight investment proposals on Tier 1, 2 and 3 rail to be prepared and submitted to Infrastructure Australia for consideration and could lay groundwork for potential future funding partnerships with Federal Government. Receiving this information can largely be attributed to the tenacious work that President West has undertaken over the past few years and hopefully the next stage of the process will bring to fruition further transport investment within the region and ultimately reopening the Kulin to Narrogin railway line.

CEO CORNER

This shows how passionate and proactive local community members are having an impact at a regional level.

Congratulations to local sports teams who have proudly represented the Kulin community over the past few weeks. The Kulin-Kondinin Blues Reserves team fell agonisingly short in the EDFL Grand Final a few weekends

ago, but with some school aged kids performing well it certainly shows that the club continues to develop young players of the future. Speaking of youth, a big congratulations to KDHS Country Week Netball team who took out their division at last week's school Country Week, well done team.

Until next time safe travels.
Garrick Yandle - CEO

Tech Savy Seniors Group

The ***Tech Savy Seniors Group*** is a free initiative aimed at increasing the confidence, skills and online safety of Kulin Seniors when they use the internet and everyday technology.

The group will learn the basics of mobile phones, tablets, computers and laptops.

We meet every Thursday afternoon at 2pm at the Kulin CRC meeting room.

The sessions will be informal, where you can learn how to use your device, solve problems and answer questions you have, help each other, and gain the confidence and skills to get online and use your devices safely and economically.

The aim is for you to be independent and to use your devices to connect with family, friends and keep up to date with what is happening in community.

For more information please contact Taryn at the CRC on 9880 1021 and drop in on Thursday with your device and have a cuppa and a chat.

SSWA KDHS COUNTRY WEEK 2020

On Sunday the 20th of September, a majority of KDHS high school students travelled to Perth for the 22nd annual SSWA Country Week. The group consisted of three teams, volleyball, badminton and netball.

Following the Commencement ceremony Monday morning, everyone was straight into the competition. Monday through to Friday was full of games for all 22 participating schools and when students weren't playing they were happily spectating other schools on the sidelines and showing their support.

In the afternoons once everyone was finished playing their chosen sport there were lots of activities that were organised for each night such as lazer tag, escape rooms, shopping, movies, Sizzler and using the pool and spa at the accomodation.

Many of these activities were new opportunities for many of the kids

and it made the trip even more exciting because it meant new experiences as well as being with your friends.

Although the week was loaded with fun activities and sports games, many of the students were sad to have to say goodbye to English and HASS teacher Emily Macpherson. Miss Mac, who also coached the netball girls, was a friend and great leader to all those in the high school and got showered with gifts on the last day of camp to commiserate with her and celebrate her work for KDHS.

"COUNTRY WEEK WAS A GREAT EXPERIENCE, NOT ONLY THE IMPROVEMENTS MADE WITHIN THE TEAMS BUT ALSO THE FRIENDSHIPS MADE WITH OTHER SCHOOLS"

-Khenan McLeish

Although sadly volleyball and badminton did not make any finals, the determination and growth they displayed throughout

the week was admirable and many spectators noticed the change in players confidence.

The netball team however remained undefeated every single game and smashed the Grand Finals too. All of the wins were truly deserved by the team as they showed amazing sportsmanship and endeavour every single game. The team consisted of a few players who had never played before and the improvement exhibited by them was inspirational. Even with a few injuries (which are a given in netball), the netball girls worked their way to a great victory.

Great work to all the KDHS students!

NOTICES FROM THE SHIRE OF KULIN

TO THE HOUSEHOLDER - COMMUNITY CLEAN-UP

With the coming spring and even though there are no Bush Races, many visitors will still be arriving/travelling in our Shire for a multitude of reasons, not the least that Kulin is quite simply a fantastic place to be.

With the above in mind the Shire is requesting all residents to set aside some time now to spruce up their little piece of heaven. Time to clean up around your home for the spring and to get in early to get rid of potential fire hazards that will exist once the grasses dry off. There is also the issue that long grass and rubbish makes an ideal home for snakes and other unwanted pests. In terms of Bushfire control, in past years Council has not seriously considered issuing infringements however this year there will be no warnings given to anyone not complying with the firebreak order.

THE FIREBREAK ORDER THAT APPLIES TO TOWNSITE LAND IS AS FOLLOWS:

“Land Area less than 1 hectare: All hazardous material must be removed from the whole of the land except living trees, shrubs and plants. In the remaining area all vegetation is to be maintained to a height of no greater than 100mm, and;

It be recommended that at least a 2m wide area, immediately within the external boundaries of the lot, be clear of all flammable

material except for living trees, plants and shrubs.”

For information any land of one hectare or above the rural provisions apply.

We look forward to your support and cooperation in helping clean-up Kulin.

PLANNED POWER OUTAGE

VEHICLE IDENTIFICATION STICKERS

Volunteer Fire Fighters / Bush Fire Brigade Members please be advised that the grey Vehicle Identifier Stickers will expire on 30 September 2020; and need to be replaced with the new blue stickers (valid from 1 October 2020 – 20 September 2022). These stickers are available from the Shire Office. If you would like one posted out please email Nicole eso@kulin.wa.gov.au and provide your vehicle registration plate number and the make & model of your vehicle.

Please see below key information from DFES regarding these stickers:-

- DFES encourages the use of Vehicle Identifier stickers to identify private vehicles owned by persons pre-authorised by Local Governments to enter the fire ground and assist with emergency response operations;
- As emergency response is often supplemented by local farmers/land owners with
- private vehicles who may not be members of local fire brigades they assist to provide timely identification of private vehicles and persons suitable for access on the incident ground;
- Vehicle Identifier stickers are affixed to the lower left corner of the windscreen of a vehicle to identify it as a private
- vehicle owned by a person who is authorised by Local Government to assist with operations;

NOTICES FROM THE SHIRE OF KULIN

CONDITIONS

DFES has set minimum conditions which the person being issued a vehicle identifier sticker must agree to:

- It is the responsibility of the owner and driver of the vehicle to comply with the Road Traffic Act 1974;
- Appropriate Personal Protective Equipment and Clothing will be worn at all times; and
- The driver will ensure that the vehicle's presence at an incident is recorded on both arrival and departure. The vehicle identifier sticker does not infer that a vehicle is a fire fighting vehicle, but that it may be assisting or supporting an incident, or to enable passage of brigade members through a Vehicle Control Point for the purpose of deployment to the incident (e.g. to travel to a local brigade station or to crew an appliance deployed to the incident).

For further information please contact Nicole at the Shire eso@kulin.wa.gov.au

RESTRICTED BURNING PERIOD

The RESTRICTED burning period commenced on 19 September and goes through to Saturday 31 October 2020. Effectively this means that no burning can be carried out unless you have a permit from your local Fire Control Officer. The exception is burning rubbish and garden refuse after 6pm (needs to be extinguished by 11pm). Other conditions apply.

BUSH FIRES ACT 1954

PURSUANT TO THE POWERS contained in Section 33, you are hereby required on or before 31 October 2020 and thereafter up to and including 15 March 2021 to have a 3 metre firebreak clear of all inflammable material on all rural and townsite rural land owned or occupied by you:

1. Immediately inside all external boundaries of the land; and
2. In such other positions as is necessary to divide land into areas not exceeding 500 hectares, each completely surrounded by a firebreak; and
3. Immediately surrounding any part of land used for crop; and
4. Parallel to and within 100 metres of the perimeter of all buildings, haystacks and fuel ramps on the land; and
5. Immediately surrounding receptacles used for the storage of fuel, whether they contain fuel or not; the firebreak required to comply with this item shall be no less than 5 metres wide; and
6. Immediately inside land which has been bulldozed, chained or prepared for clearing by burning (whether you intend to burn the bush or not); the firebreak required shall be no less than 7 metres wide. Where the land is prepared for clearing by burning after 19 September 2020 you shall provide the firebreak immediately.

TOWNSITES – AREA LESS THAN 1 HECTARE

All hazardous material must be removed from the whole of the land except living trees, shrubs

and plants. In the remaining area all vegetation is to be maintained to a height of no greater than 100mm, and;

It is recommended that at least a 2m wide area immediately within the external boundaries of the lot, be clear of all flammable material except for living trees, plants and shrubs.”

(Note: any land of one hectare or above - rural provisions apply.)

FIREBREAK VARIATION

If it is considered by the owner or occupier to be impractical to clear firebreaks to comply with this notice due to soil erosion, the spread of salinity or for any other reason, a request for a variation may be made to the Council no later than the 1 September of each year. Such a request must be in writing and include a detailed plan showing the proposed location of firebreaks or of the alternative fire protection methods to be used.

HARVESTING OPERATIONS - MOBILE FIRE FIGHTING UNITS

An operational mobile engine powered firefighting pump unit with no less than 500 litres of water shall be in attendance during grain harvesting operations. If the unit is trailer mounted the trailer must be attached to a vehicle at all times during harvesting operations and the unit must be in the paddock, or adjoining paddock, where the harvesting operation is being carried out.

NOTICES FROM THE SHIRE OF KULIN

BUSH FIRES ACT 1954 CONTINUED

AUTOMATIC HARVESTING BANS

A Harvest Ban will apply automatically on Christmas Day and New Year's Day.

OTHER MATTERS

If for hardship reasons, it is considered by the owner or occupier to be impossible to clear firebreaks required by this Notice, you may apply to Council or its duly authorised officer for permission to seek alternative

options. Claimants of hardship, should do so with sufficient time to allow alternatives to be enacted. Claims of hardship does not automatically exempt owners and occupiers from the requirements of this Notice.

The penalty for failing to comply with this Notice is a fine not exceeding \$5000. A person in default is also liable, whether prosecuted or not, to pay the cost of the Shire or a contractor

performing the work directed in this Notice if it is not carried out by the owner or occupier by the due date. If the requirements of this Notice are carried out by burning, such burning must be in accordance with the relevant provisions of the Bush Fires Act.

By Order of the Council.

Garrick Yandle
Chief Executive Officer

KKFC BLUES NOTES

After season 2020 looked for some time that it would not get off the ground, we are able to look back now on another successful year at the Blues. After many behind the scenes meetings with the EDFL and WACFL to establish training and game day protocols, a one round season got underway. Numbers were strong throughout the shortened season with the occasional help from returned school kids.

Both grades were able to progress through the regular season and into the finals. The League side make it as far as the Preliminary final before falling to Southern Cross by 5 points. While the Reserves made it all the way to the Grand Final where they fought a very tough contest against Nukarni, going down by a very narrow margin of 2 points. The KKFC would like to thank both its coaches in Brendan Whyte and Damien Brandis for an outstanding year in unusual circumstances.

While the Blues didn't find the ultimate success this season there were still some outstanding contributors throughout the year. The awards for the Reserve and League sides are as follows:

2020 A RESERVE FAIREST AND BEST LIFE MEMBERS TROPHY

M Henry Jnr

2020 A RESERVE R/UP FAIREST AND BEST E LUCCHESI MEMORIAL TROPHY

Congratulations to all of the deserving award winners!

The final and biggest thankyou goes to all of our supporters, volunteers and various sponsors that support our club year in year out! Without supporters, there would be no one to play for. With our volunteers there would be no one to run our club.

And without our generous sponsors, we would not be able to afford to do what we do! Thankyou all and we hope to see you again next year at the footy!

SPORTING CLUB NEWS

KULIN GOLF CLUB

WOW what a way to end our season! Club members and invited visitors enjoyed gale force winds and freezing conditions to play in last Sundays Kulin Post Office 2 person ambrose event. Winners of the day were Charlie Spurgeon and Norm Quicke and runner's up were Taryn and Tim Day. Rumour has it that Taryn is such a hard hitter her ball actually exploded.

Zina, Ambrose and their kitchen team created a feast to remember for dinner which was thoroughly enjoyed by all – we thank them for supporting our Club (and secretly hope they will want to do it again – and again – and maybe even again).

Accolades to all club members for playing this short season- a much different fixture to the normal- but no less enjoyable.

Congratulations to all club trophy winners- especially Club Champions Ellen Marchei and Phil Roads and also congratulations to Phil in winning the inaugural Robert Dall Best Nett trophy.

Our AGM is scheduled for March 2021 so hope you will think about joining us for a hit next year.

ACTS OF KINDNESS AND APPRECIATION

In my mind and world in Kulin I feel very connected to my neighbourhood and community, and I do rely on friends, family and acquaintances for support, kindness and inspiration. The thing is if you want to find goodness in others it really is as simple as being good to others... This week in Perth Amber, Eli and I bumped into TikTok stars Sam Rybka & Teagan Rybka. Not only are the twin sisters talented, gorgeous and famous they are also incredibly friendly, kind and generous!! It made our day! Happy school holidays everyone!! Enjoy time with family and friends and maybe a famous celebrity or two!

TESLA OWNERS CLUB OF WA (TOCWA)

The Tesla Owners Club of WA (TOCWA) will be venturing to Kulin on 10th and 11th October 2020. Tesla Owners Club Western Australia (TOCWA) is a group which facilitates communication, advocacy and community for Tesla Owners (and reservation holders) within WA.

The Club has decided to visit Kulin firstly due to our installed EV charge points, but also to allow new Tesla electric vehicle owners to explore regional Western Australia.

Tesla cars can be charged from any single or three phase power source including 10 and 15amp caravan sockets, although the installed Tesla chargers are multiple times faster. The average car will consume less than \$15 of electricity to replace the energy consumed during the 270km drive from Perth.

TOCWA has arranged for the cars and their owners to be on display on Saturday 10th October in the main street parking bay next to the playground and public toilets from 2pm – 5pm. TOCWA members will be available to have a chat and answers questions about the cars and to have a look in the cars.

For further information on TOCWA visit <https://www.tocwa.org.au/>.

CONTACTING YOUR LOCAL POLICE

Kulin Police Station is staffed by two police officers who, when required, are available to respond to incidents 24/7.

Your local police can be contacted as follows:

KCCC HAPPENINGS

Back in April, KCCC applied for funding from AOOB's. We were hoping to replace 4 of our outdoor gym mats used under climbing frames and balance beams as the mats were over 10 years old and the covers were perished and cracked.

The centre also hoped to purchase more outdoor equipment such as balance beams and obstacle course items to go with our metal climbing frames and wooden balance beams. These activities promote balance, teamwork, patience and the development of gross motor skills.

Our request for funding was successful and the centre was able to purchase all of the items on our 'Wish List'.

KCCC has also been fortunate to secure KBR funding. This funding will purchase a laptop, keyboard and mouse and laptop case which will improve our efficiencies with documentation as all educators will be able to access the laptop to upload individual/group observations, children's daily learning and experiences and to Storypark, our online platform to communicate with families.

This will remove significant pressure from the senior staff and will allow our educators to use their qualifications to their full potential, while being engaged in all areas of the business. On behalf of our enrolled

children, staff and parents we would like to extend a heartfelt thank you to the AOOBs and Kulin Bush Races for their very kind donations, even during this extremely tough year. Their generosity is greatly appreciated.

HOME MADE WRECKING BALL

- bucket filled with rocks or sand
- old broom handle
- string
- Tennis ball
- Silver/black tape
- duplo/lego/wooden blocks

We used the wrecking ball to introduce Science concepts such as kinetic energy and gravity, as well as promoting the children to problem solve, take turns and communicate with their peers.

The weather is still warm so now is the time to have your A/C checked on your car, truck, tractor. I have 10 years of experience servicing A/C systems on all makes and models from cars to earth-moving machinery and everything in between. If you believe your A/C is not working correctly please call to book your vehicle in for a service. I can come to you or you can drop your car off.

I also provide the following services:

- Install/service A/C systems
- Test alternators and batteries
- Fit dual battery/solar systems to cars, caravans and camper trailers
- Fit/Supply trailer brake systems
- Supply/Fit camera kits eg. Reverse, Truck trailer or chaser bin auger
- Supply/Fit spotlights or worklights for cars, tractors, headers etc.
- Manufacture wiring harnesses
- Install 4x4 accessories eg. LED lights, power sockets, winches, battery monitoring
- Swap monitors between tractors
- Electrical/wiring repairs

KNOW SOMEONE GREAT?

Nominate an individual or a group for a 2021 Australia Day Award.

citizenshipawards.com.au | Closing Date: 31 October 2020

Local Government Recognising Community Champions.

Australia Day Awards promote national pride, community responsibility and participation.

Auspire – Australia Day Council WA presents the Community Citizen of the Year

Your local government invites you to nominate an outstanding individual or group for one of this year's Community Citizen of the Year Awards to be presented on Australia Day 26 January. The awards foster, recognise and celebrate significant contributions to community life and active citizenship in all local government areas of Western Australia. His Excellency the Governor of Western Australia is the Patron and signatory for the awards.

Guidelines and criteria

Each year three local citizens and one local community group in each local government area will be eligible for the Community Citizen of the Year Awards. The recipients will be selected from people and groups who have made a noteworthy contribution during the current year or given outstanding service to the local community over a number of years through active involvement.

Auspire - Australia Day Council WA provides four awards each year for presentation in each local government area. These prestigious awards are provided to your local government for presentation during Australia Day celebrations.

Nomination Process

Your local government invites nominations for the awards from community groups and private citizens. At the council's discretion, a committee comprised of people from community organisations and citizens, will be appointed to encourage and promote nominations. The committee or your local council may also make nominations based on local knowledge and experience.

Nominations open on 1 September and close on 31 October and can be received in hard copy on the original nomination form or online at www.citizenshipawards.com.au.

Nominations received after the closing date will be ineligible for this year's awards.

The four award categories

- Community Citizen of the Year
- Community Citizen of the Year (Senior)
- Community Citizen of the Year (Youth)
- Active Citizen Award (Group or Event)

Selection Criteria

The winners will have been judged to have shown active citizenship and:

- Significant contribution to the local community.
- Demonstrated leadership on a community issue resulting in the enhancement of community life.
- A significant initiative which has brought about positive change and added value to community life.
- Inspiring qualities as a role model for the community.

Eligibility criteria

- Nominees should reside or work principally within the local authority making the award.
- Awards may be granted posthumously in recognition of recent achievements.
- Groups of people or couples will not normally be eligible except when meeting the criteria for a community group.
- A person may receive an award on more than one occasion in recognition of their particularly outstanding community contribution or involvement in an alternative initiative.
- Unsuccessful nominees may be nominated in future years.
- Nominations must be apolitical in their nature and should not in any way bring the awards program or local government area into disrepute.
- Sitting members of State, Federal and Local Government are not eligible.

MEDIA PARTNERS

Nomination for:

- Community Citizen of the Year
- Community Citizen of the Year – Youth (under 25)
- Community Citizen of the Year – Senior (65 years or over)
- Active Citizenship Award (for a community group or event)

The Community Citizen of the Year Awards is a registered program of Auspire – Australia Day Council WA
