HAVE YOU SEEN

On the 30th of May the Shire of Kulin took delivery of a new MACK Granite Prime Mover, Howard Porter Side Tipper and Doley. This new Prime Mover and Trailers has now allowed us to set up 1 road train configuration for carting gravel. Council has taking this option going forward to make gravel carting over longer distances more economical.

WINTER GRADING

With the recent welcome rains, the graders and rollers have commenced the winter grading program. We have started around the Dudinin area and will be slowly making our way around to Kulin West before heading east. The trucks are currently sheeting a section of the Pingaring Varley Road through the reserve, with 2.0 kms on Dandagin Rd and 2.8 kms on Boundary Rd to be completed in the coming weeks.

Please remember to SLOW DOWN though roadworks, we are working for you.

Camp Kulin june Update

NEW STAFF

We would like to welcome Cathy and Amy to our team. Both have started in full time roles with Camp Kulin.

Amy has moved to Kulin after working in a remote community in the NT for six months with Indigenous youth concentrating on youth development and leadership training through the local youth centre. She has had 4 years experience working in WA high schools in the metro and regional areas working with young people in development of life skills to receive the most out of their educational experience. Amy is currently finishing off a Bachelor of Youth Work and has training in Youth Mental Health First Aid and Restorative Practices.

Cathy has moved to Kulin from Leonora, after growing up in Kwinana. She has spent the past 7 years working for the Department for Child Protection and prior to that she worked in hospitality and catering. She has volunteered in the community at local sporting clubs, events and the arts. Cathy previously attended our Aspire Inspire Ladies Camp Program, and has a daughter, Ebony, who is also a Camp Kulin camp counsellor.

THANKYOU

Thankyou to CBH, who have made a donation of \$20,000 to Camp Kulin via the HMMS Scheme. We are very grateful for the ongoing support of CBH, which allows us to bring more kids from crop growing communities to camp. Thanks also to all the growers who nominated us to receive the funds.

AMERICA EXCHANGE

Our camp counsellor Lachlan from Corrigin has headed to America this month as part of InterExchange USA, who waive program fees for Camp Kulin volunteers. Lachlan will be spending the US Summer working at Falling Creek Camp in North Carolina.

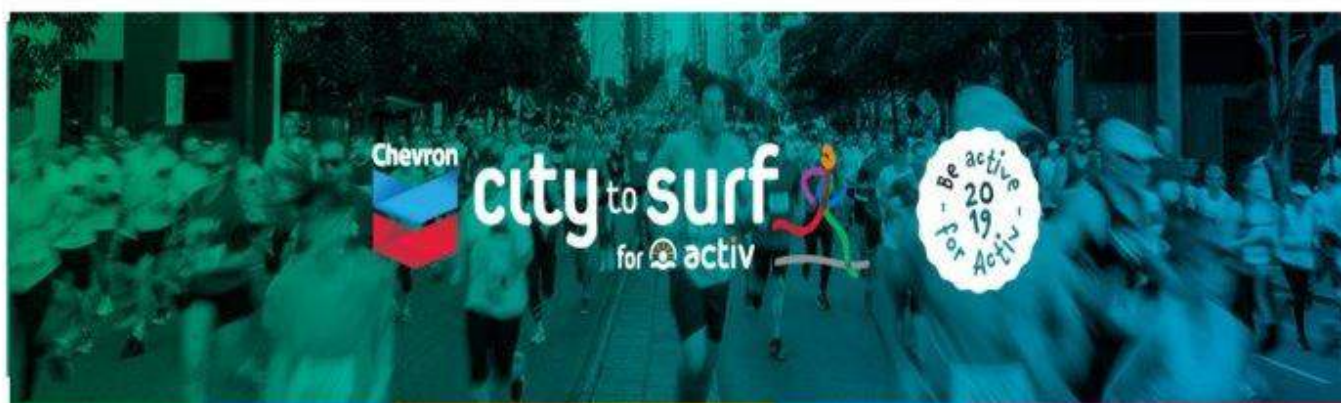

COUNTRY STYLE MAGAZINE TOP 30

Tanya travelled to Sydney last week to attend the Country Style Magazine 30th Anniversary Gala Ball, where she was named as one of regional Australia's Top 30 people from the past 30 years, and one of the top 7 people changing the country.

LADIES CAMP

We held another Aspire Inspire Ladies Camp in May, attended by 28 ladies from across WA. Ladies participated in camp activities and got to experience the program first hand. Thanks to Mikey Robins for driving the bus for us, and to Westpac for providing scholarships.

ARE YOU TAKING PART IN THE CHEVRON CITY to SURF on the 25th AUGUST?

We'd love for you to join the Camp Kulin team, and help us make a difference to kids across WA! All funds raised will go towards our nationally recognised program, which teaches life skills like leadership, respect, confidence, self esteem, perseverance, anger management and emotional regulation to children, including those affected by torture and trauma situations.

IT'S SIMPLE TO BE PART OF!

All you need to do is:

1. Register to take part in the Chevron City to Surf for activ 2019 <https://www.registernow.com.au/secure/GroupSummary.aspx?G=93355>
2. Set up your fundraising page, by going to the website <https://give.everydayhero.com/au/get-started>

Changes to the Scheme

- ◆ The 'first and last mile' special RAV access arrangements have been finalised.
- ◆ HMMS will continue, however will revert to its original intent as a mass management scheme.

Access Update

- ◆ 1053 roads were endorsed under HMMS Road Lists for the 2018-19 harvest period.
- ◆ Onsite assessments are underway with the intent to add these endorsed roads to the relevant RAV Networks prior to the upcoming harvest period.
- ◆ This eliminates the need for future special access arrangements under HMMS.

Key Points

- ◆ No changes to the HMMS mass provisions.
- ◆ Apply for new RAV access early, allowing up to 12 weeks.
- ◆ HMMS access is now via RAV Networks or Restricted Local Access Permits.

Harvest Mass Management Scheme

What you need to know for 2019-2020 Harvest Period

Register for HMMS

- ◆ If you wish to participate in HMMS, continue to register your vehicles with a participating Grain Receiver.
- ◆ Familiarise yourself with the HMMS Business Rules, available on the Harvest Mass Management Scheme page of our website.
- ◆ DO NOT submit a HMMS Road List to Main Roads.

New RAV Access

- ◆ If there are additional roads you need, for an upcoming harvest period, which are not approved for RAV access and you did not apply for them under HMMS last season, you will need to apply to Main Roads to have the roads assessed via the standard RAV application process.

RAV Access Options

- ◆ Use a Category 1 RAV vehicle combination that is 20 m or less in length and 50 t or less in gross mass on any road.
- ◆ Use a RAV that is greater than a Category 1 RAV vehicle combination on approved RAV Network roads.

For more information about HMMS contact our Heavy Vehicle Help Desk on 138 486 or visit the Harvest Mass Management Scheme page on our website at www.mainroads.wa.gov.au

CWA Notice

An Interesting visitor to Kulin on May 22nd was Jim Peters. You've not heard of him? Perhaps you remember Col Joy and The Joy Boys. Jim and Col are friends and in the past collaborated on many music albums. While working as an entertainer in Alice Springs Jim became more and more interested in writing spiritual songs, some winning Australian Gospel Music Awards. He has released 14 albums of original Christian music added to the he has published a number of life enhancing books. He is an ordained minister and when in Sydney worships at Horizon Church that is attended by Prime Minister Scott Morrison.

A concern for small rural communities was reason for Jims visit here. He is saddened by the closure of churches in these areas. His visit was arranged by ex-resident Brian Lowndes and local Shirley Wilson. At the CWA rooms Jim played and sang and told his story, then joined members of the local bible study group and friends for a 'bring and share' lunch

Bible study members meet at 10:30 am every Wednesday of the school year. It welcomes people of all denominations and those who have no church affiliation. Sessions are informal and friendly. Why not give it a try?

An Arts Centre for the whole community! Have you seen the sign (thanks KBR)

Kulin Arts is now the proud owners of the old Kids Club building and surrounds. It was never the intention to keep this as a space for just Kulin Arts members but to create a space where community members and visitors can also come share, participate and enjoy The Arts.

Kulin Arts' purpose is to support our community with their own arts based activities and to expose the community to a range of Arts experiences.

We would love to be able to display a range of art/craft works in and around the building (including an outdoor sculpture garden). If you'd like to contribute, please contact one of our members.

The Kulin P&C invites you to attend an information session with Clark Wight

Clark Wight grew up in Baltimore, Maryland USA and now lives in Mandurah, Western Australia. He is a highly experienced educator who has taught at every year level, including being a Headmaster of a Junior School in Perth, Australia and Head of Campus at University School in Cleveland, Ohio. Clark has worked as a leadership consultant for schools and businesses, and as a conscious parenting advocate and presenter through his Our Boys and Conscious Parenting seminars. He is now living his passion as a leader of a preparatory school, Guildford Grammar, in Perth and spending his days immersed with kids and deep, slow purposeful learning. Clark is a father of three children – one just starting the journey of adolescence and two in their 20s – who daily offer him the opportunity to reflect on his skills as a parent and teacher.

Future-proofing Relationships between Parent & Child: From 5 to 25

In his presentation, Clark will look at key developmental stages and behaviours that underpin development, as well as strategies for dealing with the expected and unexpected in your home. Clark will discuss some of the key concerns that parents raising children in today's world face – gaming, pornography, violent visual content, keeping them engaged at school and the need to help build character. Clark will talk about what works with our children and what needs changing to truly help them grow into awesome adults.
