Hello everyone, welcome to this edition of the Kulin Update.

It seems that a few people are confused about Pitmaster University and the Family Burger & Social Night so I thought I would clarify a few details.

Pitmaster University masterclass is 6 hours long and is an epic meat fest from start to finish. This event is on Saturday 15 June 2019, Tickets are available online only through EventBrite.

Family Burger & Social Night is a CRC event on Friday 14th June with the Pitmaster crew cooking a delicious chopped brisket or pulled pork burger, which are lovingly cooked for 12 hours and served with pickles and slaw (Kids burgers available). Live entertainment is also provided by James Wilson. Tickets are available at the CRC/ Shire office and the Freebairn Centre.

Well what a busy holiday period and the month of April the thriving regional centre of Kulin has seen. The summer months and sports have come and gone with winter fast approaching a new sports season is upon. Good luck to all winter sports teams as they commence their season this weekend with both hockey and football being at home with Netball away. I was fortunate enough to hack my way around the Kulin Golf Club last weekend, whilst the weather may not have been kind to the course it was another great opportunity to meet a few local sporting legends with a fair crowd of 15 for an early season hit.

The 2019 Blazing Swan certainly set the community alight over Easter with over 3,000 participants getting wild and fancy free. It was a great event that hopefully brought some economic prosperity to local businesses and provided some amazing sights and sounds not normally seen around town. Dan and his crew have work tirelessly on the event for months including construction of the site for the best part of the month. Their efforts to work with the Shire and local community is to be commended and it was great to see a few of the Blazing Swan organisers attend our local Anzac Day Service.

Speaking of Anzac Day, another great event that brought members of the community from all demographics together to commemorate the feats of the nations' arms forces past and present. The local RSL led by Brendan Sloggett are to be commended on a very professional, community driven local service. This year the Shire was pleased to raise both the Australian and New Zealand flags with the recent addition of a second flag pole to the VDZ area.

The RV Camping and Caravan Park have also been a hive of activity over the Easter break. Regularly both areas have been at capacity and it has been great to hear the feedback regarding our town facilities from the campers. A big thank you to Trish from the Shire who continues to work tirelessly to ensure the campers at both facilities are satisfied with their visits.

The change in season has brought about some recent interesting weather. Significant fluctuations in temperature over the Easter break saw some interesting conditions. Cold and windy transferring to warm and sunny in the space of 3 days. Unfortunately not much significant rainfall events to report, but let's hope that the break in the season is not too far away. I'm sure there's plenty of diesel stored up ready to be burnt, chemical ready to be sprayed and fertiliser ready to be spread. We're all looking forward to the night skies of the district being lit up by tractors working hard over the next month.

On a positive note the planning of previous Shire administrations is to be commended with regard to water capture and storage around the Kulin townsite. This has ensured that our town oval has remained pristine and green over summer remaining the envy of other surrounding towns whose ovals are looking somewhat the worse for wear. No doubt this will be on show this weekend for both football and hockey. Shire staff are busy preparing the Council Budget for 2019/20. If any community members or groups have any suggestions / wish lists / bright ideas for budget consideration, please send them through to myself or any other Shire officer or even your favourite Councillor. Whilst not all submissions will be guaranteed inclusion, all suggestions will be considered, evaluated and discussed and a response endeavoured to be provided.

Until next time safe travels.
