Well, just as I started my last report, the big dry continues around the district. Aside from 10mm a couple of weeks ago, I'm sure the lack of rain continues to frustrate local farmers.

The Federal election posed an interesting and possibly a surprising result for the wider Australia, maybe not so for this area. Shire officers and Council staff have worked closely with local members in recent times on issues such as live export, as well as successfully obtaining \$70M Roads of Strategic Importance funding for key local freight routes within the region. This year the Shire of Kulin will continue to receive approximately \$400K in Roads to Recovery funding which will be put towards renewal projects on our local road network. Shire officers will continue to work with the Federal local member Rick Wilson to identify additional funding opportunities for strategic projects within the community.

Last week was National Volunteer week and the Shire was honoured to hold a "red carpet" dinner recognising the valuable contribution of the great volunteers within our community. Whilst the timing of the function may not have suited all members of the community it was great to see a number of long term volunteers enjoying the hospitality of the evening, especially Mr Harold Proud who probably has the badge of Kulin's current longest serving volunteer. Well done to the ladies at the CRC and FRC for organising this event. Congratulations to all those who were also involved in Australia's Biggest Morning Tea event held at the CRC.

We have recently received the news that the long await ABC program Back Roads episode featuring the Shire of Kulin will go to air on Monday 15th July. The Shire is currently investigating options for a potential community event and screening of the show at the FRC. Feedback and ideas on such an event are most welcome. There was some talk that since Rob Doust reckons he features so heavily in the show that maybe he should brave the elements and go down the waterslide on the day of the screening as a bit of gala opening.

At the last Council Meeting, Council passed its proposed fees and charges for 2019/20. This will be advertised over the coming months. Including in this is new water standpipe fees that will be implemented as a result of Water Corporation's increased charges. A summary of the proposed standpipe fees will also be separately advertised via the Kulin Update over the coming months. This was not a fee that was introduced lightly by Council and it involved discussions at multiple meetings, however Council has unfortunately been put in a predicament by the increased Water Corporation fees which is likely to cost Council in excess of \$50K annually. Water Corporation have indicated they are going to install an additional tank at the standpipe on the Lake Grace Road, so this is one bonus to come out of recent discussions.

From a Staff perspective we are still feverishly preparing next year's budget. Key details of this will hopefully be presented to Council for initial discussion in June with the official 2019/20 Budget to be presented to Council for adoption in July.

I attended a town meeting a couple of weeks ago that entailed some fruitful discussion regarding the development of a "Kulin Cooperative". It was great to see so many interested community members there partaking in the discussion and thrashing around an innovative idea for the potential betterment of the community. Can I stress that this was not a Shire driven discussion, but a community driven discussion, however the Shire remains an interested stakeholder and looks forward to seeing another community driven initiative get off the ground. Timing of the day was significant in that it brought some rainfall.

Until next time safe travels.

Childcare Happenings

These past few weeks we have been working on building communication skills – using the right words for the situation, smiling, using eye contact and listening. Entry skills – knowing how to join a group and skills for sharing, taking turns, following rules, cooperating, managing conflict, helping others. Basic skills to help create positive relationships with our friends. We have been doing this by teamwork using tools to build new play areas, gardening and group games.

We have also been learning about our five senses to explore and try to make sense of the world around us. Our sensory play has included activities that stimulate our young children’s senses of touch, smell, taste, sight and hearing, as well as anything which engages movement and balance.

We would like to give a huge THANKYOU to Mr Peter Enwhistle for donating his fee of the footy tipping to the KCCC even though the enrolments were closed, and to the Hon Mia Davies for donating back to the centre her winning prize. Very generous of you both and is greatly appreciated.

WANTED

If you happen to have any old craft punches, electrical appliances to pull apart, old switches/gauges – anything that can be used by little hands, or wooden items as above, could you kindly donate them to the centre so we can build on our hands-on sensory play.

Due to some feedback from you, our community the Ranger and the Shire of Kulin would like to remind everyone when dogs are in public they must be on a lead, harness etc. No one wants the Ranger issuing Warning Notices or Infringement Notices for not complying.

KBR SPONSORSHIP PACKAGES ARE AVAILABLE NOW

Kulin Bush Races (KBR) presents an excellent opportunity for Sponsors. Since 1995 KBR have produced a quintessentially Australian, all ages event like no other.... a weekend of picnic horse racing, live bands, children's activities, novelty events and welcoming country hospitality.

Additionally since 2017 we have introduced an integral entertainment feature which is a headline music act. In 2017 it was Eskimo Joe and in 2018 it was ARC- Antipodean Rock n Roll Collective. We are close to finalising the 2019 act.

KBR Incorporated is a multi-faceted community group with an abundance of talent, passion and creativity. Over 200 volunteers undertake the planning, coordinating and running of the event.

Our profits go towards progressive and innovative projects that would otherwise not be funded in our rural region.

Sponsorship helps KBR Inc put on the event to the standard that we know meets and surpasses our visitors expectations.

Premier, Entertainment and Supporting packages have been created to adequately recognise our Sponsors via brand exposure such as advertising and publicity, and corporate hospitality such as tickets and a designated Sponsors Area.

HOCKEY

Round 3 ~ GALA DAY

Last week the Vipers played some intense hockey against the Souths.

C Grade played with great structure but unfortunately lost 1-0.

B Grade played with vigour but the strong Souths side beat them out 3-1.

A Grade gave a good fight but the Souths were able to get 1 sneaky goal in leaving the result as a 1-0 loss.

The Men were a very evenly matched side but once again the Souths snuck in a goal to beat them out 1-0.

Round 4

This week saw the Vipers take on the KHATS in Kulin.

C Grade won their first game of the season with some great teamwork with a final score of 4-2.

B Grade were unable to grab any goal opportunities and went down 2-0.

A Grade were fairly matched with a draw of 1-1.

The Men played a competitive game that resulted in a 3-2 loss.

A big thank you to Kulin IGA and Kulin Rural and Hardware for sponsoring the last two week's game day awards.

If you find yourself in Perth this weekend head up to the Perth Hockey Stadium to watch our men play for country week!

Kulin Netball Club

18 May Rd 3

A1

Corrigin in Corrigin - great game, pressure down the court was excellent. Attackers moved and passed very well. Won by 17. We were down three players. Thank you to our fill ins: Lauren Mullen, Elise Mullen, Cassi and Marlene

A2

Kulin vs Corrigin

A great start to the game with Kulin down by 1 at quarter time. Corrigin found some extra legs and came out strong in the second half to run out winners. After a bumpy start to the day, Belle put in a determined effort in the mid court helped by Cassi-Dee in centre. Good work from our shooters Christie and Michelle finding some of their groove from last year playing a solid game

Juniors

Kulin vs Corrigin

We played Corrigin at Corrigin today. We were all stoked to get another win on the board, score was 28-2. All girls put in a great effort today and I'm beginning to see some great combinations starting to work. The girls have been working hard at training and their efforts are definitely paying off. Award this week went to Stella. Thanks to Tonia for timing and Christie for some great umpiring.

25 May Rd 4

An early start for the netty girls on Saturday with the club's main fundraiser of the year running canteen for the football, hockey and netball teams. A special thank you to Megs, Laura and Justine who did so much behind the scene work. And a big thanks to everyone who worked in the kitchen, supplied casseroles, umpired or timed. Well done.

A1

Kulin vs Hyden

First 10 minutes were a bit rusty but the rest of the game the girls were on fire! Passing was on point and so was the movement on the team. The flow all the game down the court was so smooth and the team should be so pleased with their transition. Amazing effort by everyone in the team, definitely wasn't an easy win! 56-35

A2

Kulin (11) vs Bruce Rock (48)

A tough game against a strong Bruce Rock team. Kat and Deirdre played well and were kept very busy against a tall Bruce Rock attack. Our attack played hard but our passes were being intercepted by a hungry more experienced side. Well done Teneille for giving Centre a go. See you all Wednesday night for our scheduled night fixture.

Juniors

Kulin vs Hyden

At last a home game! We had all 10 players today, so a little bench time for all and always a bit tricky trying to keep up the consistency of the game whilst rotating girls around. The team did well with some playing in a few unfamiliar positions. I am very proud of the girls giving new positions a go and trying their hardest. Player of the day went to Zari. Thanks to Mel for scoring and Cassie for umpiring. A big THANK YOU to all the parents who worked in the kitchen and made casseroles. It was a big day for the Kulin Netball Club and ALL help was greatly appreciated – a great fundraiser for the Club. The next two weeks brings a general bye for the long weekend and then a team bye. I'm sure the break will be welcomed, however we will continue to train on Thursdays to keep up good momentum!
