# SHIRE OF KULIN

## CEO CORNER

The State Government reprieve in not reducing Community Resource Centre funding has been a welcomed result, considering what we were facing after the 2017/18 State Budget. In Kulin's case, the \$40k reduction would have resulted in a significant reduction in services and CRC staffing (traineeships were to be scrapped under the new arrangements). The Shire would have been left in the position of contributing as much of the \$40k to maintain the status quo and keep the CRC functioning.

Unlike many CRCs, the Shire/CRC joint facility allows Kulin to seamlessly develop many of the community engagement activities as well as servicing residents who access Federal and State agencies. This sharing capacity helps save costs, therefore the proposed reduction was particularly unjust in our case.

It is rare for a decision to be reversed, obviously the Federal Government GST bonus for WA has been a major influence.

We look forward to maintaining our CRC and Shire activities for residents well beyond the now abandoned April 2019 funding cut.

## Vehicles on the oval

The Shire of Kulin requests that no vehicles are to be driven on the oval as the recent wet weather is making the grass very soft and susceptible to damage.

Kulin will be hosting the Grand Finals this year and we want the oval to look it's absolute best.

## Pingaring Tank/Standpipe

Pingaring town standpipe will now require an access card for water - please contact the office if you require a card. ## 2018 Kulin Junior Netball

The junior netballers held their windup on Thursday 16th August.

We had a fun training of games, but the girls told me that the afternoon was all about the snacks and chocolate fountain that was waiting for them! After some good food was eaten we had the presentations. The girls were all awarded a certificate and presented with a small gift.

Special thanks to De-Anne Giles who co-ordinated the toasties this season which was appreciated by all junior netballer and hockey players and those involved in the Winter Taster Program.

Thanks to Taryn Scadding who umpired her fair share of junior games and also to the senior players who also umpired junior games. It is very much appreciated. Also a big thanks to Taryn for helping out at trainings this season. You've been a fantastic support to me!

To the parents for all their support to me during the season and for helping out with scoring, timing and in the canteen when required.

Our season of netball ran very smoothly for only 7 players and I'm so glad we got a side together to represent Kulin. The girls have improved SO much and I am very proud of them and what we have achieved together. Our future is looking bright and I'm excited to see what the next few years will bring!

## HOCKEY

**Last week saw the Vipers play in the Semi-finals.**

C Grade played Khats. They played a great game resulting in a 2-0 win.

B Grade played Khats. They came out on top 3-1 in a very hard fought game.

A Grade played Souths in a game of great skill. They came out triumphant with a 2-1 win.

This put both the A and B grade teams straight to the Grand Final.

**This week saw the Vipers play in the Preliminary Finals**

C Grade played some of the best hockey they played all year, working as a unit. They managed to hold out the Souths all game into overtime, resulting in penalty strokes. Unfortunately Souths were able to sneak 2 past the goalie leaving the score at 2-1.

The men played Corrigin in a very tense game of hockey. At half-time the score was nil all. The Corrigin side came out with some amazing intensity and were able to put a few goals on the board and the men weren't able to match. This resulted in a 3-1 loss for the men.

Thanks also to Bayer, our major sponsor for this season.

This Saturday are the Grand Finals in Kulin. Come on down for a great day of hockey!

Our Men lining up against Corrigin for a stellar match.

## Kulin Netball Notes

The A Grade team have been busy since the last update, playing three games of netball in two weeks. First up, was our night game against Narem1 in Kulin on the 8<sup>th</sup> August. Narem came out really strong and we were unfortunately the opposite - think we had those yummy chicken burgers on our minds!! Final score being 50-23.

Our last fixtured match for the season was on the 11th August and we played Kondinin in Hyden at the Pink Gala Day. We had a slow start but came back firing in the second half, winning the game, which was a great finish to our awesome season - bring on Finals!

Last weekend our Semi Finals were held in Kulin. Our game was first up at 10am with plenty of coffee beforehand. After our slow game against Narem on the 8th we certainly wanted to come out strong in the first quarter, which we did, only being down by 3 goals. For the remaining three quarters, things changed with Narems lead being around 14-15 goals and they won the game by 24 goals! Our team played really well and so pleased we have another chance to make the GF with the Preliminary Final this Saturday against Corrigin - wish us luck! Huge congratulations to the B Grade girls who are straight through to the GF after an amazing season!

*Good luck to our B Grade team who are playing in the Grand Final to be played in Bruce Rock on the 1<sup>st</sup> September.*

### RUNDLE AND DE GRUSSA WELCOME LABOR DECISION TO REVERSE CRC FUNDING CUT

Local Nationals MPs Peter Rundle and Colin de Grussa has welcomed the McGowan Government's decision to reverse funding cuts to Community Resource Centres across Roe.

Member for Roe Peter Rundle said the local community had played a pivotal role in getting the full funding for CRCs reinstated.

"The people of Roe have made this a reality and should be exceedingly proud," Mr Rundle said.

"The McGowan Labor Government has proven time and again to be arrogant and out-of-touch with the needs of regional West Australians.

"The decision to slash CRC funding by 40 per cent was wrong and I am thrilled it has been reversed.

"This decision caused untold angst in the community, especially for people in Ravensthorpe, Williams, Newdegate and Kulin who regularly use these vital centres. CRC staff, trainees and volunteers were also deeply affected."

More than 5300 signatures were collected across WA supporting CRCs, with 80 petitions being tabled in the State Parliament.

Mr Rundle said he would continue to fight for Labor to reverse its other cuts across Roe including raiding the Agricultural Education Farm Provisions Trust and closing camp schools.

"Together our community has forced Labor to change their minds on shutting down the School of the Air and now we have saved our CRCs," Mr Rundle said.

"But the fight isn't over. We need to keep up the pressure to ensure these other severe cuts – including Labor's plan to close the Moora Residential College - are overturned."

Member for the Agricultural Region Colin de Grussa said more pain would come the way of the McGowan Government if they continued to pick fights with regional communities.

"We are a force to be reckoned with when we stand together as one," Mr de Grussa said.

"Labor assume they can raid Royalties for Regions and cut essential services across Roe and the wider Agricultural Region without any pain. We've again shown Premier McGowan that we're up for the fight."

- ◆ If deemed safe, your HMMS Road List will be endorsed and any additional access conditions specified (if necessary).

# Harvest Mass Management Scheme

## What you need to know for 2018-2019 Harvest Period

### Access Conditions

- ◆ The Main Roads endorsed HMMS Road List must be carried in the RAV.
- ◆ The most direct route must be used between the paddock and the nearest road approved for RAV Network access.
- ◆ The RAV combination being used must not be a higher RAV category than the nearest RAV Network.
- ◆ When travelling on the roads between the paddock and the nearest road approved for RAV Network access, the maximum speed is 40 km/h and you must display an amber flashing warning light.

### Future Planning

- ◆ Main Roads will use the HMMS Road Lists to prioritise onsite route assessments, with the aim of adding the roads to the relevant RAV Network.
- ◆ This will eliminate the need to continue providing the HMMS Road List in future.

### Other Access Options

- ◆ Use a Category 1 RAV vehicle combination that is 20 m or less in length and 50 t or less in gross mass.
- ◆ Use a RAV that is greater than a Category 1 RAV vehicle combination on approved RAV Network roads.
- ◆ Apply to have my road (s) added to the RAV Network through the standard process.

For more information about HMMS contact our Heavy Vehicle Help Desk on 138 486 or visit the HMMS page on our website at [www.mainroads.wa.gov.au](http://www.mainroads.wa.gov.au)

# Bushfires

## What makes you prepare?

We are a group of fourth year Curtin University psychology students who are researching bushfire preparation in Australia. We are interested in understanding whether certain factors make Australians who live in bushfire prone areas more prepared for bushfires.

Bushfires are common natural disasters in Australia and can have a major impact. Participating in our survey can help us contribute to bushfire education and preparation.

### **Who can participate?**

One household member aged 18 and above living in a bushfire prone area

### **What do you have to do?**
