Compulsory meeting (date not yet set)

This is the 30th year since the Kulin Branch of the AOOB'S started. Our committee are all ageing and tired. Some of our names and ages are Arthur Major 77, Robin McInnes 73, Peter Enwistle 72, Barry Harding 72, Greg Tyley 72.

We would like some younger folk to take on a position and help the AOOB'S survive. (It's a lot of fun) Since we have started we have given over \$500 000 to charities with our main money maker being our annual rally. The last 2 years we have had ONLY 2 CARS OUT OF KULIN. At our annual breakfast meeting this year we gave around \$26 000 to different groups.

\$10000 of the money given away was to people who never attended the breakfast to collect their gift. Most of these did not write to acknowledge or appreciate their money. As a result of these sad happening we will be calling a special meeting to decide if we continue or if we will call for a **DISSOLUTION**. This would be a very sad day for the Kulin community.

Annual rally report

We started on Friday night at Grass Valley and rallied to our dinner stop at Wannamal. Saturday we headed for Coorow where the bowling club catered lunch.

After lunch we headed for Wongan Hills where a great evening meal was supplied by the Football Club. We had our annual auction which was very successful in the sports club. Next day we were off to Bencubbin for lunch. The lions club served a beautiful lunch. After lunch many cars got lost but they were eventually all found.

Sunday night we were treated like royalty for dinner by the young Mt Walker Club. Monday morning we headed for lunch at Wanenusking Tennis Club. Once gain 4 different soups and sandwiches were appreciated.

Presentations took place – the winners were Gerald Noble, Norm Quicke and Donald Bradford. 2 ten year trophy were presented to Greg Black and Bruce Byrne from Perth. Thanks to Rob Brandis for setting the Rally out and to all our check points.

Kulin Variety Show

Last Thursday saw the Kulin Variety Show performed at the town hall. We had an impressive turn out of locals coming down to support the local talent. The show included songs from an array of musicals including, Annie, Chicago and Oliver! The show was a resounding success and all who attended gave an amazing response.

Over the course of the past 13 weeks all the children involved have been taking musical theatre classes with Maddie with additional guidance from the amazingly talented Fiona Jasper and Edwina Bradford. The support shown from all involved has been phenomenal.

Note from the director: I would personally like to thank absolutely everyone who has had even the smallest part in making this become a reality. Thanks to the Kulin Town Hall Committee for the use of the hall. Thank you to all the parents who have helped, encouraged and dropped and picked up kids for rehearsals. Thank you to Fiona, Van and Edwina for becoming a part of our little show and making such a great impact on the show. Lastly, thank you to all the kids involved; Ava, Sapphire, Alorrah, Nadia, Tasmyn, Jack, Joel, Grace, Kate, Tasmin, Isobel, Ani, Shayley, Josh and Lucy. Without your hard work, dedication and enthusiasm this program and show wouldn't have been able to run.

Save our CWA

Thank you to all community members who attended the public meeting held Wednesday 24th October 2018 to discuss the future of the Kulin CWA premises. It was agreed that the building has served the Kulin community well for 81 years as a small, well appointed, well positioned meeting place for a wide range of activities supporting a wide range of community groups. Currently up to 12 bookings occur each month – i.e. the building is still a well utilised one and worthy of retaining.

Over the years numerous discussions have been held with the State CWA and the Kulin Shire in regards to ownership of the Kulin CWA. Given the conditional freehold title of the land is held by the State WA CWA and transfer of the conditional title to the Kulin Shire or surrender of the land back to the State appear likely to be costly and lengthy processes, the meeting agreed to put the ownership discussion to one side and go ahead and address maintenance issues to secure the building and ensure people can gather safely and comfortably at the Kulin CWA for the near future.

Stage 1. To prevent further degradation of the building it was agreed that the problem of poor drainage should be addressed. Runoff is currently heading under the building and ponding around the footings and front garden area. Redirecting water into the street drainage on Johnston Street will likely involve continuing downpipes into underground drainage pipes that head towards the front fence and underneath the public pavement in order to drain into the street gutters. The Kulin Shire will be approached to assist with the drainage work, in particular where the public pavement and street drainage is concerned. Costs to complete Stage 1 should be moderate – with community volunteers likely to be able to assist with the drainage work.

Stage 2. A building maintenance report to be sought and quotes requested for works to be carried out. Costs of Stage 2 are likely to be more substantial. Assistance will be sought from various grants that might be accessible for such a project.

The Kulin CWA will keep the community informed of progress.

Kulin Ambassadors

We enjoyed a lovely stay in your little town last Tuesday night and just wanted to say thanks for the free sticker!

We had great fun spotting all the different horses on our way into and out of Kulin. Happy to tell everyone about your fun and quirky Tin Horse Highway!

On our way to Sydney now on the Nullarbor, so hoping our sticker will strike up some interest along the way and we are able to point many others in the right direction to visit your town.

See you next time we are in WA!
