CEO CORNER

Welcome back to another CEO corner for 2021, as we move into spring, some warmer day time weather and a couple of frost scares seem to be the order of the past week.

The Local Government Election process is in full swing, with nominations for Council open from Thursday 2nd September to 4pm Thursday 9th September. More information is available on Page 5.

Last week we held the Annual Kulin Bushfire Brigade AGM. Thank you to Pingaring Golf Club for hosting this event. Congratulations to Rod Diery on being appointed as Chief Fire Control Officer with Evan Wyatt being appointed as Deputy CFO. Training is looking to be organised with DFES on Tuesday 19th October to bring various brigade members up to speed on the operation of the trucks as well as a "Farmer Response Course" which is a tailored course to meet the requirements of farmers as opposed to the Introduction

to Bush Fire Fighting which is quite an extensive course. We are also looking at undertaken FCO Training for potentially new FCOs.

The All Ages Precinct continues to take shape. The skate zone component has been completed and the pump track and hangout areas are well underway. Staff have also submitted a funding application to Lotterywest to further assist with Stage 2 Ninja Warrior Course.

At the Aquatic Centre the pool repair works are finally completed as of today. We've also commenced works to replace the concrete platforms on the slide structure. This will be undertaken over the next couple of weeks. The additional shade structure with solar panels on the western grass area has been delayed until after the Pool Season to meet funding requirements.

We are still awaiting on confirmation regarding FRC Court resurfacing. The contractor is Queensland

based and are having challenges entering WA due to COVID border restrictions. It is looking more likely that this will be delayed until January to March 2022.

Good luck to KDHS students in the Annual Interschool Athletics Carnival next Tuesday, to be held in Narembeen.

On a staff note I'd like to congratulate and thank Rod "Rocket" Diery on his retirement following 20 years of service with the Shire. This is certainly an extended period to work with any organisation. No doubt he will still be around the place with his active involvement with the VBFB and the Fire and Rescue teams. He might even come back for some recreational grading driving from time to time. Enjoy your retirement Rocket.

As always plenty happening in Kulin, until next time safe travels.

BUSY BEE

Another two weeks have passed and we are one step closer to the Kulin Bush Races. Last Saturday, our volunteers became active at the race track again. The inside of the running rail required a replacement and was therefore

taken down. The fish and chip shop was extended by shrinking the donut shed in size and setting up a new wall between both shops. In addition plenty of whipper snipping and lawn mowing around the toilets, the race track and the tent area was done by

RED SKY RIDE

Today we would like to introduce Fiona Down to our community, who is the mother of Jessica Ball, and mother-in-law to David Ball, our local policeman. Fiona is also the proud grandmother of Charlotte and Grace Ball.

Both Fiona and her husband John are involved in the “Red Sky Ride”, a cycling group that raises funds for “Solaris Cancer Care”.

This foundation supports all people, with all types of cancer, through every stage of cancer treatment and life after treatment. The organisation offers at no charge complementary therapies for those affected by cancer and their carers, be it family or friends. Further information

can be found on the foundation’s website:

www.redskyride.org.au

The “Red Sky Ride” is an approximately 650km cycling challenge that will start Thursday, 24th February 2022 from Cottesloe. From there the sportspeople will ride through York, Narrogin and Bunbury before they will cross the finishing line on Sunday, 27th February 2022 in Cottesloe again.

Fiona and John both rode for the “Red Sky Ride” earlier during this year and Fiona has signed up to cycle in February 2022 again.

“I’m really impressed with your community spirit and overall generosity.” Fiona writes,

refereing to the people of Kulin. “Whilst very few people know John and I, they do know my family and I’m asking for support from the community.”

Fiona Down also has her own fundraising website where interested parties can either make a donation to help the cyclist reach her goal of raising \$5000 or they can become actively involved by participating in the event themselves:

The Kulin CRC wishes Fiona Down and her accompanying riders a safe and pleasant trip and encourages interested community members to get involved if they feel to do so.

GEO CACHING

Geocaching is the world's largest treasure hunting game.

Founded in 2000, Geocaching HQ is dedicated to inspiring and enabling adventure, exploration, and community through a unique combination of outdoor recreation and location-based technology. The game's passionate community is made up of millions of players that use the Geocaching® app and GPS-enabled devices to find cleverly hidden containers called geocaches and share their experiences with others. Today, there are more than 3 million geocaches in over 190 countries.

It's a hobby that people everywhere participate in with new people joining every year. Anyone can place a geocache and share it on sites like geocaching.com so that other intrepid adventurers

can find it.

Over the weekend 21st - 22nd August, over 80 geocachers from all over WA converged on Kulin for International Geocaching Day.

A CITO (Cache in Trash Out) was held opposite the Community Hub and along the Tin Horse Highway. Rubbish collected by all geocachers.

At 11am we all went out to a new horse (Posthorse) we put out on the Tin Horse Highway as our way of supporting Kulin. It was signed by all attending and will be visited by Geocachers for years to come. Lunch was at The Community Hub and then the fun started.

Caches were published for people to find on the unofficial Tin Horse Highway up to the Whoppa. Mid afternoon more

caches were published West of Rabbit Proof Fence Rd.

A bonfire at our farm on Rabbit Proof Fence Rd that night went down well for all. Sunday morning saw us back at the BBQ area in Kulin for breakfast and final get together.

This event was greater than expected with all accommodation in Kulin booked out and a large number of geocachers attending.

They all commented that they now know where Kulin and the Tin Horse Highway is located and will be coming back in the near future.

If you require further information about Geocaching go to www.geocaching.com or contact

Bevan Burns on 0403 536 066.

Heather Gibson had a surprise for us at our AGM on 14 August! After a record treasury-ship of 23 years, Heather was absolutely delighted to hand over kilos of records to our new Treasurer, John Munro. Jan Colbourne is continuing as President & Robin Campbell as Secretary-Outreach Officer. Thanks to the President & Treasurer of the Wildflower Society WA who came out again. They support us with insurance, small grants, advice & WA State Volunteer Organization laws.

Our volunteer fire fighters did a tremendous job cleaning up Jilakin Rock, there were 40 vehicles there at one stage. Deidre Carroll & James found Green Mantis, Jack-in-a-Box, Little Pink Fairy, Sugar and Hairy-legged Snail Orchids on the rock rim and Red Running Postmen Peas.

Did you see the Geocachers racing from cache-to-cache? They hide small boxes and log the GPS then others from all around the world come to find them, usually plastic lunch boxes with a notebook & a tiny toy. One proud Dad had logged over 7000; his 12-year-old rolled his eyes! Thank you Bevan Burns for inviting them here; 80 all-ages geocachers came to Kulin on an August weekend.

KULIN MUSEUM & MEN'S SHED

AGM and TED's SHED OPENING 21 AUGUST 2021

Clarrie and Pam spent the whole morning with a steady stream of tourists luckily, as **the AGM was crowded this year. Keven Giles can look forward to another successful year as President.** So many plans have become reality in 2021. Congratulations to the committee and members who have worked so hard. The hours must be in the thousands but no one has time to count as they are too busy on a shovel or a spanner. The committee remains the same, with Vice Presidents: Bill Colbourne & Daniel Giles, Treasurer Kevin Ritchie, Secretary John Munro, tourism Clarrie King, catering Pam King, media Robin Campbell, IT Yann Dolva and back-stop Jan Colbourne. The kitty is healthy with donations from tourists and many thanks to the kind-hearted caretakers at the Transfer Station. Thanks to a Men's Shed Australia's grant our backyard is lookin' smick and hours of sweeping dust are over.

Tricia, Adrian, Beau & three great grandies.

Years ago, Ted & Dorrie Tyson moved to town but his dream of a BIG SHED in the backyard was not to be, so he made significant donations for the materials and with the help of family, museum members and volunteers his dream was built here. Son Adrian related many stories about his Dad in his address. Kulin Shire Councillor Grant Robins drew the drapes and thanked the group as a valued contributor to our shire. The "TED'S SHED" sign was designed and carved by Daniel Giles on an old jarrah mantel piece. The shed houses three of his first-class restorations & vintage vehicles from others plus the **wood-working room which is ready to go.** It can be used by others so long as two members are present.

The Museum donated \$250, individuals \$100 & the Uniting Church collected \$150 more that morning.

The cars ranged from 1950-1994 models. Shrek was driving a 1970 Fairlane 500. Some highlights: 1976 Ford Ambulance 1989 Mercedes 300SE built in South Africa plus Batman & Robin in a 1978 Holden HZ built in Donnybrook.

CAMP QUALITY dropped by late on Sunday on their 2000km tour talking at schools and raising funds to provide camps for kids affected by cancer. Thirteen restored and creatively decorated vehicles rolled in. Gerald N and Barry H brought in their old girls as well, Valiant & Bradford. We thank these dedicated people of all ages and all their generous sponsors for the joy they bring and share.

KULIN CHILDCARE HAPPENINGS

Firstly, on behalf of the children of KCCC we would like to say big thank you to our Committee for the funds they have raised to make some great purchases recently. Thank you to all the members of the public for their support of our numerous fundraising events like the AFL Footy Tipping, Picture Plates, Sustainable Metal Pegs (and Foops for organizing). We were able to purchase our Mud Kitchen from "Sustainable Outdoor Fun" and a Small World table from MTA, a product that has been on the wish list for a while now. We would also like to thank Adrian and Trish Tyson for lending Ryan and I their ute so we could pick the mud kitchen up and Dom for helping me install and remove the old one.

We have begun to focus on 'Our Community' and are all looking forward to visiting different business and locations around town, so give us a wave if you see us out and about. WE have been discussing where our food comes from, how it grows; above or below the ground, on trees or vines and what foods animals produce for us.

COVID-19 VACCINATION RATES

Hon Mia DAVIES MLA

Leader of The Nationals WA
Member for Central Wheatbelt

MEDIA RELEASE

31st August 2021

Government must act to ramp up vaccination rates for Wheatbelt, says Davies

Local Member for Central Wheatbelt Mia Davies MLA has called on the Labor Government to ramp up efforts to increase vaccination rates in Wheatbelt communities.

She said vaccination rates needed to rapidly improve, calling for alternative delivery methods to be considered to ensure people living in all corners of the State could get the jab.

"The fact that only 19.4 percent of eligible people are fully vaccinated in Merredin and 25 percent in Northam is simply not good enough," Ms Davies said.

"Low vaccine rates and a struggling health system are a recipe for disaster.

"The Government should consider implementing measures like targeted pop-up clinics in rural and remote areas to quickly boost accessibility and uptake of the vaccine."

Ms Davies said the Opposition had made suggestions to set up walk-in clinics at major regional events, but the Labor Government had rejected the idea.

"We know a majority of West Australians want to roll up their sleeves and get the job done, but that is difficult to do when we have regional clinics that are only open a few times a week," she said.

"It needs to be made as simple as possible for everyone, and the figures released over the weekend demonstrate there's more work to be done.

"The Health Minister says that targeted walk-in clinics may eventually be part of the solution and I'm asking why it isn't part of the solution already."

"Vaccination and investment in our crumbling health system are key to WA avoiding what's happening in NSW, and we should be making every effort to do this while we are COVID-free," Ms Davies said.

"Labor must be more creative when it comes to vaccine accessibility, otherwise we will continue to see these low rates in communities."

THE NATIONALS for Regional WA

FREEBAIRN RECREATION CENTRE

We are now in a transitional phase between Winter and Summer sports seasons. Hockey, Netball and Football seasons are now all over with the fixtures and wind-up functions all finalised. Golf is still in season with the next two weekends signalling the end of the season for them out on course.

Our Bowls Club is already gearing up for a long summer ahead of Club and Pennant competitions as well as a few carnivals thrown in both in Kulin and in other regional centres. If you are interested in getting into Bowls then please get in touch as the Club are always looking for people to join them – even if your main motivation is the social aspect of things then you will still be more than welcomed as the social side is often more important than how well you roll.

You will see several notices in this

issue of the Update pertaining to our upcoming FRC Management Committee AGM as well as the Sporting Council meeting – both scheduled for Thursday 21st October. We are always looking for enthusiastic individuals to contribute to our committee so if you are interested in becoming involved, I would love to hear from you. There is a nomination form included in this edition of the Update or please contact me directly if that is easier. The time imposition is not significant – we really encourage people to be involved and contribute to try and make our recreation offerings as community friendly and inclusive as we can.

As mentioned in previous issues, Tenille Yandle has developed a program for our youth – Roar FIT. There is now a holiday program open for registrations which will take place at the FRC from October

6-8th. More information regarding the program and registrations can be obtained from Tenille:

tenille.yandle@gmail.com

Unfortunately, with the uncertainty surrounding border closures with the Eastern States our court refurbishment has been delayed at this point in time. With the contractor based in Queensland we are experiencing issues surrounding the company relocating their workers for a significant period and being subject to quarantine requirements enforced by the WA Government. So, for now we wait.... Obviously with the basketball season looming in October there will be a point where we need to make the call to commence or delay the project further.

Until next time....

UN FILM DI
STEPHEN DALDRY

The life of 11-year-old Billy Elliot, a coal miner's son in Northern England, is forever changed one day when he stumbles upon a ballet class during his weekly boxing lesson. Before long, he finds himself in dance, demonstrating the kind of raw talent seldom seen by the class' exacting instructor, Mrs. Wilkinson. With a tart tongue and a never-ending stream of cigarettes in her hand, Mrs. Wilkinson's zest for teaching is revived when she sees Billy's potential.
