CEO CORNER

Welcome back to another CEO corner for 2021 and isn't volunteering in Kulin alive and well as I write this on a Saturday morning before heading off to Local Government Week tomorrow. Bush Races Busy Bees are in full swing, ready for their comeback event of 2021.

The highlight of volunteering this week has to be "Ruby's Lemonade Stand" this morning outside of IGA. Great to see a young girl raising money for telethon selling all things from homemade lemonade to lemon butter and melting moments, it certainly made everybody's heart melt as they queued up to sample her goodies. Well done to Ruby Williams and her band of little helpers, including chief lemonade sampler Frankie who looked to be ensuring the quality control was well enforced.

The Local Government Election process for 2021 has been run and won. This year sees 2 new Councillors join the team in Clinton Mullan and Troy Gangell. Congratulations

also to returning Councillors in Grant Robins, Michael Lucchesi and Brad Smoker. A huge thank you also to the retiring Councillors in Rodney Duckworth and Brad Taylor for their many years of dedication and service. Council will be holding a function to recognise their contributions to Council and the Community after our October Council Meeting.

Tomorrow I'm off to Local Government Week with President West and Councillors Noble and Bowey. The WALGA AGM will be held on Monday and the week presents an opportunity for wider discussion on topics affecting the local government sector as well as networking with colleagues and politicians. President West and myself have a meeting with Rick Wilson and Steve Martin scheduled for Tuesday afternoon. On Monday morning I have a meeting with the Director General of Environment to discuss potential ways to streamline Clearing Permit processes for local governments, so as not to

delay key roadworks projects. This is a significant issue for many local governments where ideology and red tape delay projects and add significant cost to already tight budgets, particularly when they are on road reserves gazetted for transport.

The All Ages Precinct continues to take shape at a rapid pace. The pump track is nearing completing and hangout area is progressing with the hit-up wall certainly visible. We are aiming at an opening of Friday 22nd October for Stage 1.

Congratulation to KDHS students in the Annual Interschool Athletics Carnival last Tuesday, winning the Handicap Shield and placing Second Overall.

A short report this week, but as always plenty happening in Kulin, until next time safe travels.

THE SHOWERHEAD SWAP PROGRAM

Each year, the Waterwise Towns team delivers water efficiency projects across various towns in the state to help reduce water use.

This year Kulin has been included in the **“Showerhead Swap Program”**.

Showers make up almost 22% of the average household water use, therefore

exchanging showerheads is a great way to save water.

The Kulin community is highly encouraged to participate in the “Showerhead Swap Program” to do their part to save the planet. **Every household is entitled to exchange up to two old showerheads for two new water efficient ones for free.**

The program will run from October 2021 to May 2022.

Showers can be exchanged at the Kulin CRC, 38 Johnston Street, Monday- Friday 8:30am - 4:30pm.

For further information on the program please contact Christina at the Kulin CRC on **(08) 9880 1204.**

ALL AGES PRECINCT

STAGE 1B - PUMP TRACK

The All Ages Precinct is progressing well. The skatepark is finished, the hit up wall is under construction and plenty of gravel is being moved to give the pump track its shape. A few days ago some lucky kids were allowed to take their scooters for a test ride which they all seemed to enjoy a lot. However,

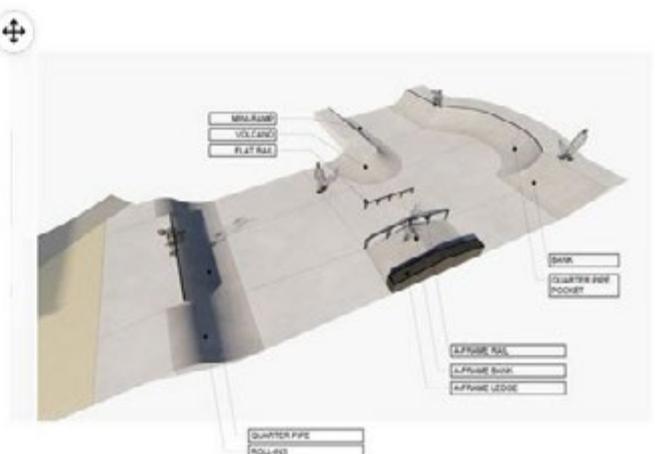

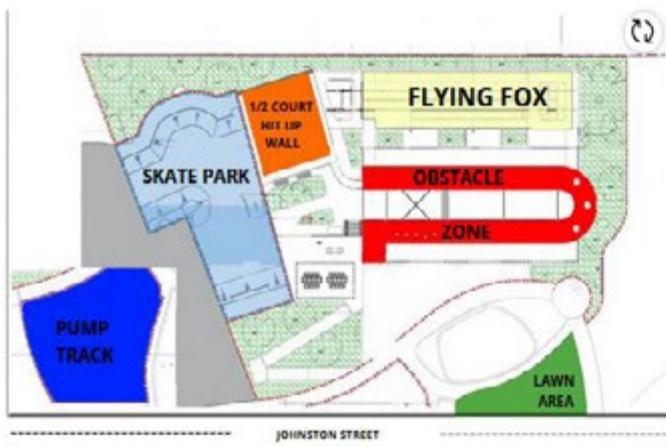

this is still a construction site, please do not enter until all the works are completed. We are looking forward to the grand opening which will be confirmed at a later date.

There are over 60 wattles flowering in Kulin Shire, just in September. Find a favourite and check in November for a pod that will give you 3-10 seeds to grow. The **Kulin Wattle, *Acacia kulinensis***, can be seen at the water catchment.

Please NOT the Cootamundra, Australia's Emblem or the Flinders Range as they are killing ours.

Where to start? With colours in all directions, it was hard to concentrate on just orchids last weekend. A dozen Coasties from Albany to Gingin were joined by locals and searched rocks, woodlands and scrub for orchids. They were richly rewarded and we have new listings for our wheatbelt. See the windows at Kulin Wildflower Place for our pix pages or **WANOSCG.org.au**

Vanilla or Lemon Scented Sun Orchids, *Thelymitra antennifera*, are in moss-beds on granite or in gritty sands on flats. Cowslips, *Caladenia flava*, appear everywhere. The Purple Enamels, *Elythranthera brunonis* may hide under sheoaks or stand out in the sun in sand or clay.

Spring Colours

24th September 2021

Our tourists: WA coasties or Eastern Staters are amazed by the range of our shapes and colours. How can they grow in this exposed gravel? is a common query. You can grow these too and save heaps of work and water. The more rabbits and roos prune them the more they flower. Many of these have flowered each time we have had rain this year so they can be controlled to flower several times. If you want a certain shade you need to set cuttings rather than seeds.
