CEO CORNER

Welcome back to my final CEO corner for 2021 as the New Year is fast approaching. Harvest is in full swing with many in a mad panic to finish by Christmas, whilst others will be resigned to the fact that high yields mean bigger Christmas presents for the kids and potentially harvesting into the New Year.

Vacation Swimming lessons commence on Friday with a jam packed week of lessons scheduled at the Aquatic Centre. This year they will be held in the afternoon in Kulin. This is just getting Jones ready for what will be a bumper January. Perhaps we can make arrangements with Jones at the Kulin Aquatic Centre to arrange for an early evening swim for those still harvesting after Christmas.

Speaking of the festive season there is still plenty happening in the community, if anyone has time for a rest. Last week was the Seniors Christmas Luncheon. This was well attended and certainly well catered. It is great to be able to give back to those who have given many years of service to our community. There is always plenty of smiles and banter from these folk, who are always candid in their feedback and appreciative of what the community of Kulin does for everyone. It is great to see some new community veterans turn up for the event and also celebrate Robbie's birthday.

Whilst on veterans of the community I'd like to congratulate Mr Proud on his 101st birthday. A fine achievement and as he has shown over the past year he is as enthusiastic and as fiery as ever within the community, but certainly no smoke and mirrors.

KDHS again have had multiple functions to celebrate the end of school year. The Year 10 Graduation last week and the Presentation Night this week, before the end of school on Thursday and a well earned break for all involved.

This Friday we also have the Town Community Christmas Street Party. A change of venue sees it held at the new All Ages Precinct. Father Christmas will be in attendance with the Community Hub doing a meal special. Thanks to Taryn and Christina for organising this.

This week we have our final Council Meeting for the year. As yet we still haven't received our Audit back from the Office of the Auditor General (OAG) so our Electors Meeting won't be until February at the earliest. Feedback is there are no issues with the audit, it is merely a result of the OAG process over the past few years which has been rather lengthy and drawn out. Subsequently Councils have just have to deal with the delays.

On a staff note we farewell Melina McBow from the Childcare Centre next week. Melina and the staff do an outstanding job running this facility for the community. As a parent I witness first hand how much the kids love and grow in this environment. There are always happy faces from both kids and staff which is a credit to Melina, Sue, Sarah and all staff. They will be taking a much needed break over the New Year. We wish Melina well in her ventures.

The sporting clubs continue to remain active. Social softball continues to be a hit on Thursday nights. The Tennis Club are hosting their Ladies Day this Thursday, a light hearted social event to round out the season. The Roopups had a good first half of their season and the Roodogs are starting to get some numbers back and some good wins, both sides sit second on the ladder in their respective cricket competitions.

The big question on everyone's lips is who has the best Christmas lights in town. This year it clearly isn't the Frantoms. Price Street seems to have its own competition with the Balls, Williams, Maguires

and Colin Jenks locked in a tense battle. I'm not sure if Youngy got his lights up in time to be considered as a competition front runner. The Readers on Day Street seem to be the perennial favourites and haven't disappointed again this year – they've got my vote.

Yesterday the State Daddyo announced that WA will be opening up to the rest of Australia and the World on 5th February 2022. Hopefully as many people as possible within our community will be double vaxxed by this time. It is a welcome measure for the wider State in its progression to move forward and in how we learn to live with COVID19. For the cricket lovers among us there will still be no Ashes Test in Perth and limited Big Bash. Now that a date has been set there will be reduced anxiety about how WA will continue to interact with the wider country, however there will potentially be increased anxiety as a State we will need to learn to live with COVID19 becoming active within our community. This will be a challenge for everyone moving forward, with potentially harsher requirements to what we in WA have become accustomed to. As a Shire we will endeavour to work with the community to ensure we can adapt as a group to the proposed changing environment. Undoubtedly this will be our biggest challenge in 2022.

Thank you to everyone in the community for what you contribute to making the wonderful communities of Dudinin, Holt Rock, Kulin and Pingaring. I wish everyone a safe and merry festive season.

As always plenty happening in Kulin, until next time safe travels.

SENIORS CHRISTMAS LUNCHEON 2021

SENIORS CHRISTMAS LUNCHEON 2021

On the 7th of December our local seniors celebrated the annual Christmas Luncheon provided by the Kulin Community Resource Centre. The Seniors enjoyed the get together from 11:30 am - 2 pm at the Freebairn Recreation Centre. Surrounded by tinsel, candlelight and classic Christmas tunes from Elvis Presley, Louis Armstrong and Michael Bublé the Seniors happily wined and dined on Acres of Taste's tasty lunch and treats. CEO Garrick Yandle gave an overview on current Shire projects and Councillor Robbie Bowey was surprised with a birthday serenade and sparklers. Mr Harold Proud, who turned amazing 101 years of age this Thursday entertained the group with some funny stories. It was a lovely festive afternoon.

GRAND FINALE 2021

The KJBC 2021 season wrapped up with our Grand Final last Friday. It was awesome to see a large crowd of parents, grandparents and community members gathered to cheer on the teams.

Congratulations to all our Premiers for 2021.

In the Year 3/4 competition, the Hornets were victorious over the Bulls in a tight game: 14 to 12. Congratulations to MVP John Tapper on a fantastic game.

The Mavericks are Premiers in the Year 5/6 competition, winning over the Raptors. Van Jasper had an amazing game and was awarded MVP.

Congratulations to Jo Wilson, a stalwart of our club, who coached both teams to premierships.

Finally, in our High School Grand Final, the Thunder defeated the Rockets 44 to 36. Well done to Jamie Spencer and the Thunder on a great win. Dieter Bennell was High School MVP – Dieter had a ripper season and we can't wait to see what he can do on the court next season.

Ryan Brandis and Melina McBow ran our Hoops sessions for the Year 1 & 2's this season. The kids had a great time, especially in the games at the end of each session. Thanks Ryan & Melina!

Thanks to everyone who coached, umpired, scored, timed, worked in the canteen or helped out in any other way in the season. We rely heavily on our volunteers to run a successful competition. The kids love the basketball and the atmosphere on Friday nights at the FRC has been great.

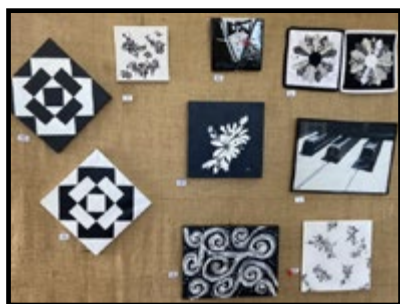

We will be holding our AGM a bit earlier in 2022, probably in early August. If you are interested in getting involved, please come along.

Looking forward to season 2022 – hope to see you there!

“Black and White” art/craft exhibition

Kulin Arts recently held an art exhibition at the Kulin Community Arts Centre. The theme was Black and White and each piece could be done using any medium. As a result we ended up with 84 amazing exhibits of art and craft. Though the number of visitors to the exhibition were disappointing, we did have a visit from the year 3/4 and year 5/6 students from Kulin District High School who were very enthusiastic to look at and discuss the exhibits. All visitors were very impressed with the quality of the art on display and in Kulin Arts and the arts centre for presenting such an outstanding exhibition.

During the exhibition we asked visitors to vote for their favourite piece. Peter Denton’s (Narrogin) “Boobooks and Crickets” received the most votes. He will receive \$200, which was kindly donated by Pat Trengove (Corrigin) and John & Merrilee Fry (Brunswick Junction),

Students from Kulin DHS

Some of our exhibitors:
Deborah Old, Louise Cameron, Lynne Dorset and Susan Ettridge from Narrogin Arts Group and Val Whiting (Corrigin) from Kulin Arts.

Who is Kulin Arts?

Kulin Arts is not just a group of people getting together to paint, crochet, drink tea and chat. We are a local group that endeavours to promote and support existing and new Arts groups or individuals within the Kulin community.

We own and run the Kulin Community Arts Centre, which is available to the community for any and all Arts based activities.

As a completely volunteer run group we do rely on memberships (\$30 pa) and donations to enable us to do repairs on the arts centre and keep it as a place for the Kulin arts community to use. If you’d like more information please contact Erin Bailey 0429 809 013 or arts@kulin.com.au

Water supply in a bushfire

This information could save your life

While leaving high-risk bushfires is the safest option, if you plan to stay and defend your home, you must have an INDEPENDENT water supply and pumping capability. This typically requires water tanks of at least 20,000 litres, pump and generator.

This is required as mains water supply and pressure cannot be guaranteed during a bushfire due to the risk of power cuts, fire damage and extreme demand.

Use the Department of Fire and Emergency Services resources to develop your personal bushfire survival plan: mybushfireplan.wa.gov.au. You can also download the My Bushfire Plan app via the App Store or Google Play to access your bushfire plan anytime - even without an internet connection.

To support bushfire plans, if you have groundwater bore access to surface water, you can take and store emergency water without it counting against your annual entitlement. For more information on this, and for the location of emergency bushfire water supplies in dryland agricultural areas, visit the Department of Water and

Environmental Regulation website: water.wa.gov.au/fireplanning.

Drinking water

We recommend you keep a supply of drinking water on hand throughout summer in case your water supply is interrupted.

Assistance for customers affected by bushfire

After a bushfire, we can assist you with issues such as damaged water meters and payment difficulties. If you have been affected by bushfire please call us on **13 13 85**.

KULIN CHILDCARE CENTRE

Kulin Childcare Happenings

Firstly, on behalf of myself and the dedicated staff of KCCC we would like to take this opportunity to say a huge THANKYOU to our families for all your support during this crazy year that has been 2021!!!! Your confidence in our ability to keep your children safe, while providing quality Early Childhood Education during this very uncertain year has meant the world to us.

We are looking forward to 2021 and what the New Year may bring, if you are interested in what happens at our Centre, or what Early Education looks like, flick me an email or give me a call. We can arrange a time for you and your child to visit the Centre where I can answer any of your questions, you can get to know our Educators and take a look around the Centre.

On behalf of our wonderful children we would like to extend our gratitude to the many Community members who have donated items throughout the year, to the AOOB's and KBR for their generous donations, to Megan Syred for organising our plate, footy tipping & P+C catering fundraising and Foops for the peg fundraiser.

I would personally like to congratulate all my staff; Sue Knapp, Sarah Reader, Vickie Johnson, Jaidyn Airey, Linda O'Loughlin, Shalieg Saunders, Maddi McLeish, Kaitlin Tyson, Belle Brandis & Charlotte Reader for a great year. Your dedication, commitment and understanding through this very weird and trying year, have proven what I already knew, how much passion you all have for your chosen career, the children you care for and the community we live in. I certainly could not have done my job without all your support. Thankyou also to Brenton Kerr for maintaining the Centres high standard of cleanliness, your efforts are greatly appreciated.

Please note KCCC will close 5.30pm Tuesday 21st December 2021 and will re-open 8.00am Wednesday 19th January 2022.

Merry Christmas to everyone, enjoy spending quality time with your loved ones, stay safe and see you all in 2022!!!

Waiting for you at our
TIME-4-TEA
February 2022

From our state president's recipe!

We wish dearly, that you can meet up with family and friends for wonderful, happy times over the festive and holiday season.

Many thanks to the Kulin community for your support and assistance through 2021, especially the Museum "tradies" and our members: Jan, Katheryn, Dot, Pam, Sharon and Robin who give untold hours to our teas and our group activities.

We are delighted to have Dot back home and we remember our Doris with admiration.

*Thank you again and we wish to see you soon after a successful harvest and relaxing holidays.
Sincere regards, Johanna Harding, President*

Jim & Margaret Sullivan, Wendy & Charlie Gangell

Ray Baldock with long-time friends Bob & Moira Bailey

What a wonderful, generous community we live in. Volunteers from all generations were busy on Kulin Market Day raising funds for community organisations and people in hard situations; both here and around the world.

Wherever you go you will find Haydn McInnes, manning a table for Lions and Bill Herwig is another tireless Kulin contributor.

CWA aims to improve the well-being of all people, especially those in country areas by promoting courtesy, cooperation, community effort, ethical standards and the wise use of resources. One avenue of assistance is the CWA **Secondary and Tertiary Bursaries** for children and grandchildren of CWA members who may apply before September 2022. Another is the CWA-CTA Henderson Field Scholarship designed to **encourage further nursing skills training**, particularly involving the care of children, for the benefit of rural, regional and remote communities.
