CEO CORNER

Welcome back to my first CEO corner for 2022 and hasn't it been a fiery start to February. A couple of stinking days weatherwise last week had everyone on edge. Fortunately, any fires within the Kulin Shire were handled expeditiously by the local VBFB and local farmers. A few Shires to the north were not so fortunate due to the events of Sunday 6th February. Shire staff have provided assistance to these Shires during recovery via plant and personnel.

There was obviously some confusing information issued by DFES late in the evening on Sunday 6th February, once the risk to Kulin townsite had past. At the time there hadn't been any communication from DFES directly with Shire staff or VBFB representatives and the information was incorrect based upon local conditions and knowledge of the situation. At the time Shire staff issued brief communications via our social media to allay potential fears, with a follow up email to the community as early as possible on Monday morning. Shire staff will continue to evolve our communication processes during emergency events, however often the focus will be managing the event and communication will be undertaken at appropriate times with appropriate information. Shire staff will continue to work with DFES regarding communication on specific issues that may affect our Shire. The challenge for staff is to manage the information process without causing unnecessary alarm or panic within the community.

Following on from these events the Kulin Town VBFB is always on the look out for new members to train up as local volunteer fire fighters.

Town was certainly busy with tourists over the summer months. The Aquatic Centre and Water Slide continues to attract significant

numbers, particularly on days when the weather conditions are favourable. Well done to Jones and his band of local helpers for their efforts over the summer. I believe there was also some basketball royalty visiting Kulin for a few days in the form of former Perth Wildcat, Australian Boomer and NBA star Paul Rogers who certainly made a BIG impression around the place. Its awesome that our town continues to attract people from all walks of life, although I'm not sure anyone in town was tall enough to rub shoulders with Paul, not even Cyril all though it was not for lack of trying.

Around town we have new publicans at the Community Hub who have been on board since early January. They were welcomed at a Community Sundowner on Sunday 9th January with local duet Edona Heartland providing the entertainment. The Kulin Community Hub is certainly a focal point to meet and greet and no doubt will continue to attract patrons from far and wide.

A huge congratulations to Mary Lucchesi on being awarded the 2022 Community Citizen of the Year at our Australia Day awards ceremony. Mary is one of the most humble and tireless workers for many organisations within the community. This award is certainly recognition of her vast contribution to the community over many years and no doubt many years to come. Well done Mary, this was richly deserved.

Thanks to all staff associated with the organising and running of Australia Day events. A big crowd was on hand at the pool with plenty of additional attractions coordinated by Jones, with Edona Heartland again a big entertainment feature.

We still have a couple of positions

vacant and are seeking suitable candidates, please enquire and send applications to Community Services Manager – Taryn Scadding via cdo@kulin.wa.gov.au:

- Kulin Childcare Centre Coordinator.
- Community Development Officer / CRC Manager.

This week Council and staff are involved in various local and regional events including Council Meeting as well as WALGA Central Country Zone Meeting, RRG Lakes Sub-Group Meeting and Roe Tourism Meeting.

The Works Crew are flat out on our biggest road construction project of the year being the Fence Road South reconstruction. This is a \$2.1M project comprising around 8km of road being reconstructed via Shire staff and local contractors. I'm not sure how Judd managed to squeeze in a week's holiday during this, but everything continued to run smoothly in his absence.

Summer sport has returned. Mixed results for Roodogs with a loss and a couple of forfeits from the opposition. The Roopups have continued on their winning ways. The Kulin Tennis Club have worked on blowing away the Xmas cobwebs with Cardio-Tennis and have their Singles Championships coming up. The Bowling Club held their Singles Championships over the past few weekends, congratulations to men's winner Gecko with the ladies' to be finalised this weekend.

Finally, I'd like to wish Cassi and Colby the very best as Cassi departs us on maternity leave next week.

As always plenty happening in Kulin, until next time safe travels.

NOTICES FROM THE SHIRE OF KULIN

PROOF OF VACCINATION - RESPONSES TO SECTOR QUESTIONS

WALGA has received the following responses to questions from Local Governments which may assist the sector more broadly.

Question: The Recreation Centre includes a bar which is licensed and the stadium also contains a licensed area (and basketball courts which are used by community sport). It is anticipated that the licensed areas will need proof of double vaccination, so how can community sport be excluded from the requirement as it will be played in a licenced area? The toilets are located inside the licenced area as well.

Answer: Proof of vaccination applies to the part of a business where alcohol is supplied i.e. proof of vaccination applies to the part of the venue where alcohol is sold and consumed. If, for example, alcohol is served and consumed throughout both a restaurant and an associated playing field, proof of vaccination would apply throughout. If alcohol was only supplied within a club, proof of vaccination would apply in that location only. If the bar or seated hospitality only operates on certain days, the proof of vaccination requirement will only apply to the venue when the bar or hospitality is operating.

The Proof of Vaccination Directions (No 3) allow for an exclusion of places for transiting: “in an outdoor space where a gathering of persons may be present for the purpose of transiting through the space;” (paragraph 33(o)) and “in an indoor space where a gathering of persons may be present for the purpose of transiting through the space” (paragraph 33(p)).

Question: A facility has a range of activities, no gym as such but various places for playing

sport. They have all ranges of ages. In addition, the venue is hired out by community groups/sports to hold youth related activities. They are struggling to determine which areas within their facility would be covered.

Answer: Proof of vaccination is not required for community sport, regardless of where it is held. Proof of vaccination would apply to the areas included in the Directions, including rooms/spaces where group fitness occurs indoors. For example, a basketball court where community sport is being played would not require proof of vaccination, but if the basketball court was instead being used for a fitness class, then proof of vaccination would apply. If the facility serves alcohol or dine-in (i.e. not takeaway) food, proof of vaccination only applies to the location that serves this.

When private events are held in a hired public space it is up to the event organiser to ensure proof of vaccination is checked at a private event held in a public space with proof of vaccination requirements (i.e. if food is served and/or alcohol is served under a liquor license, including under an occasional liquor license). Attendees also have a responsibility to produce their proof of vaccination.

Question: Are museums and galleries captured by the proof of vaccination requirement?

Answer: Proof of vaccination is only required for the following museums and galleries that are listed in the Directions. All other museums and galleries are not captured by the requirement.

Question: Local Government Town Halls (and other community facilities) are frequently hired out for events. Would people entering those facilities at all times require proof of vaccination, or only when

they are hosting an event over 500 people?

Answer: The event organiser would need to ensure proof of vaccination is checked at a private event held in a public space with proof of vaccination requirements (e.g. if serving alcohol under a liquor license or providing seated hospitality). Attendees also have a responsibility to produce their proof of vaccination.

Question: Local Governments may have facilities which aren't staffed but are open to the public. In terms of requiring proof of vaccination, would information and a request to sign in at the door of the facility be sufficient? That this the approach that is taken currently for SafeWA check in.

It would be a slightly different issue for places like 24-hour gyms, which are unstaffed for the majority of the time. Would such facilities be able to ask their members for proof of vaccination based on their membership of the gym, rather than entry to the facility?

Answer: It is up to each business/venue to determine how they implement proof of vaccination checks. Venues that are unstaffed or open 24/7 with managed entry for members may wish to make arrangements for members to bring in their proof of vaccination as a one off and make an appropriate note against their membership.

Businesses that choose to store patrons' proof of vaccination status for ease of access (for example, membership-based gyms that are unstaffed) should clearly inform people how their information will be collected, stored and used. It is the responsibility of the business to meet its legal obligations.

COVID-19: Testing and isolation protocols

I have tested positive for COVID-19

With COVID-19 in the community, it is important for you to know what to do to keep yourself and others safe. This protocol will help you know when and how long you need to isolate for if you are COVID-19 positive.

If you return a positive Rapid Antigen Test (RAT), you must register your result with the Department of Health.

Isolate at home for 7 days.

No symptoms after 7 days
No further test is required.

Symptoms on day 7
Remain in isolation until symptoms cease.

OR

You can leave home. Wear a mask indoors and outdoors for the next 7 days.

You are cleared by a medical professional.

Symptoms include:

Fever

Sore/scratchy throat

Runny nose

Fatigue

Shortness of breath

Dry cough

COVID-19: Testing and isolation protocols

I am a close contact and have no symptoms

With COVID-19 in the community, it is important for you to know what to do to keep yourself and others safe. This protocol will help you know what to do if you are a close contact but have no symptoms.

Isolate for 7 days from date of contact.

Monitor for symptoms.

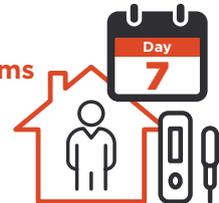

Symptoms

Refer to 'I am a close contact who develops symptoms' protocol.

No symptoms
Take a RAT on day 7.

Test positive

Refer to the 'I have tested positive to COVID-19' protocol.

Test negative

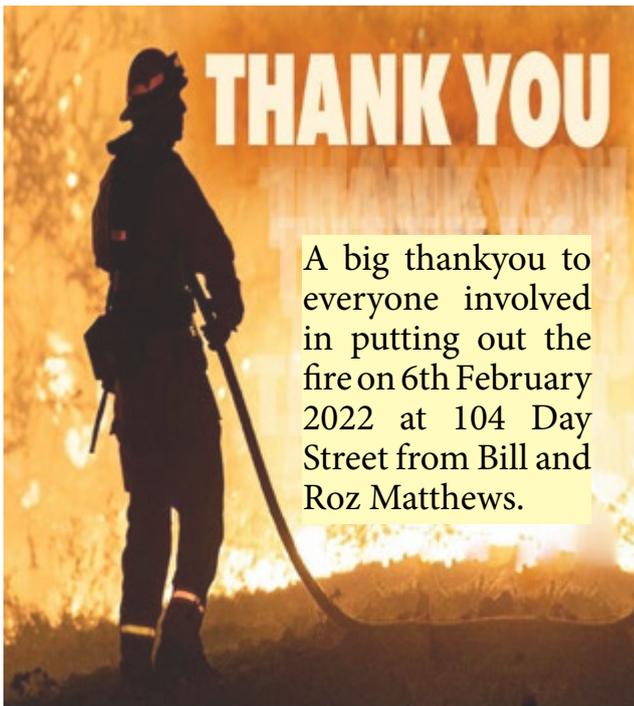

You can leave your home after day 7 of isolation, providing there are no new cases in your household. For the next 7 days, wear a mask indoors and outdoors and don't visit high risk settings (exemptions apply).

If someone in your household tests positive, isolate for 7 days (start this process again).

SHOWERHEAD SWAP PROGRAM - ONLY 10 SHOWERHEADS LEFT

We are very pleased about the great response to the showerhead swap program.

At this stage only 10 showerheads are left. If you wish to swap yours for brand new ones with a 10 year warranty that will save you plenty of water and money, simply disassemble your old showerheads, bring them to the Kulin CRC together with a copy of your recent water bill and you will receive up to two new showerheads per household. This is a free initiative of "Waterwise" across the state to help reduce water use. The program will run until May this year.

Two types of showerheads are available:

- "Hi-Rise Showers Chrome 2213356"
- "3F Hand Shower Chrome 2213354"

Water ratings: 4 star, 7.5 litres per minute for each showerhead.

For further information on the program please contact Christina the Kulin CRC on **(08) 9880 1204.**

FRC NEWS - February 2022

Several important messages from me in this edition of the Update:

- FRC Memberships are now overdue!! If you did not receive a renewal letter in the mail, then please contact me or complete the form included in this Update. Payment details are included on the form.

A reminder to those who are members of any of our sporting clubs in town that you are required to hold an FRC membership. With Winter Sports season fast approaching it would be great to have memberships finalised ASAP. Your membership entitles you to use of all Recreation Centre facilities including the gym and hospitality areas and is valid from 1st February 2022 – 31st January 2023.

- Based on the latest health advice, mask mandates and proof of COVID-19 vaccination requirements apply state-wide to the following venues:
- a gym, indoor sporting centre, health club, or dance studio (including a centre offering yoga, barre, pilates, aerobics, dancing,

spin facilities or other fitness class), except when community sport is being played

- People are required to show proof of their COVID-19 vaccination, either in a digital or paper-based form, along with approved identification.
- Proof of vaccination is required in hospitality venues – this includes the FRC Bar.
- Both venues and patrons have a shared responsibility when it comes to proof of vaccination, with venues required to ensure that each patron must produce evidence of their vaccination status and take reasonable steps to ensure patrons do not enter the premises without producing evidence of their vaccination status.

If you have not already, please provide a copy of your proof of vaccination to the Facility Manager – reccentre@kulin.wa.gov.au. Thank you for your cooperation. Please be patient with bar staff when they request to see your certification prior to service.

- On a brighter note, the Kulin Triathlon isn't far away now!! See the flyer included in this Update and get your entries in ASAP. Entries close on Friday 4th March. There are races to suit everyone, and the aim of the day is to promote participation, involvement and fun! So, start planning your team (or tackle it solo) and get swimming, riding and running in preparation for a fun event next month!

This is a great opportunity for all netball, footy and hockey players out there who are ramping up their pre-season training activities. Get a crew together and throw out the challenge to your teammates.

We had fabulous turn outs for week 1, 2022 of both Corporate Bowls and Social Softball on a Thursday evening. Come on down every Thursday for a bit of sporting and social activity. Softball from 5.30pm. Corporate Bowls is a 6pm for a 6.30pm start. Bar facilities open from 5pm. Masks now mandatory whilst inside at the FRC.

Until next time....

GENERAL RULES

- The spirit of friendly competition should apply throughout each of the races. Any non-sportsman-like conduct constitutes grounds for immediate disqualification of you or your team
- Competitors must obey all directions and instructions by officials
- If you withdraw from the race, please notify the timing team at the finish line
- It is the responsibility of each competitor to be familiar with the race course
- **A top must be worn during the cycle leg and run leg of the event**
- Competitors are individually responsible for following all traffic laws and road rules, and are solely responsible for the consequences of any infringements
- A race briefing will be held 10-15 minutes before the first race. **All competitors must be present for this briefing regardless of their race time.**

Swim

- No fins, paddles, snorkels, wetsuits or floatation devices are to be used. Regular swimming goggles are permitted.
- Competitors who warm up must be behind the start line at least two minutes before race start
- Competitors **must start in the pool - no diving**. Any stroke is permitted during the swim leg
- The pool will be patrolled by qualified lifesavers

Cycle

- All competitors will be required to wear an AUSTRALIAN STANDARDS APPROVED HELMET throughout the bike course
- The helmet straps must be secured prior to moving the bike from the rack. At the completion of the cycle the bike must be racked prior to unfastening the helmet
- No drafting on the Cycle leg is permitted - 5 metres between bikes unless passing
- Competitors must obey the instructions of police, course marshals and other volunteers
- MP3 Players, iPod's, Walkman's etc. **are** permitted whilst competing.

Run

- No form of locomotion other than running or walking is allowed - no exceptions!

- No individual support vehicles or escort runners are allowed
- Runners are expected to follow the directions of all course marshals and race officials
- MP3 Players, iPod's, Walkman's etc. **are** permitted whilst competing.

Transition Area

- Once the race starts, only competitors who are racing can enter the transition area. This will apply until the last cyclist of the race has returned his/her bike to the area - No exceptions!
- Make a mental note of your bike placement in the transition area so you can easily find your correct position. No flags, signs or tape can be used to identify a competitor's bike rack as it provides an unfair advantage over other competitors
- Relay change over for the Teams will take place at the Bike Racks
- Each competitor is ultimately responsible for his or her own gear

SAFETY & MEDICAL RECOMMENDATIONS

- Drink plenty of fluid before and during the event
- Ensure you have eaten something 1-2 hours before the event
- Bicycles must be in safe mechanical condition for the race and should be checked prior to the race

Add a Proposed inclusion to the Kulin Bush Races by Laws- Executive Committee Decisions

Option 1

- Authorisation for spending of KBR funds (above normal budgeted costs) and up to \$1,000 can be made by two members of the Executive Committee. The Treasurer is to be notified if he/she is not part of the decision.
- Authorisation for spending of KBR funds (above normal budgeted costs) from \$1,000 - to \$5,000 can be made by the Executive Committee and the decision is to be ratified at the subsequent committee meeting.
- Authorisation for spending of KBR funds (above normal budgeted costs) over \$5,000 should be made by the KBR committee.
- Directors who are responsible for ongoing costs (normal to host the event) shall provide copies of all quotes to the Treasurer.

Or

Option 2

- Authorisation for spending of KBR funds (above normal budgeted costs) and up to \$1,000 can be made by one member of the Executive Committee. The Treasurer is to be notified if he/she is not part of the decision.
- Authorisation for spending of KBR funds (above

normal budgeted costs) from \$1,000 - to \$5,000 can be made by any two members of the Executive Committee and the decision is to be ratified at the subsequent committee meeting. The Treasurer is to be notified if he/she is not part of the decision.

- Authorisation for spending of KBR funds (above normal budgeted costs) over \$5,000 should be made by the KBR committee.
- Directors who are responsible for ongoing costs (normal to host the event) shall provide copies of all quotes to the Treasurer.

Reason: As our event has become much bigger, our costs have increased significantly. Currently, it is not clear as to who has the authority to authorise spending and I think prudent to fix that. The directors and committee have a responsibility to provide the Treasurer with as much information as possible so that we are in a comfortable position to pay all accounts in a timely manner. Eg: Once bar quotes are finalised, I forward them to the Treasurer. If the guidelines are adopted, it is not the intention to make them limiting to host the event, but more about making sure the Treasurer is kept informed and the executive have the authority to authorise spending. An urgent decision to spend over \$5,000 can still be made on the KBR WhatsApp committee group if necessary, then endorsed at the next meeting.

KULIN CHILD CARE CENTRE **COORDINATOR**

The Shire of Kulin is seeking a dynamic and passionate Centre Coordinator to join our team at Kulin Child Care Centre. This is a full-time position (38-hour week), responsible for the management of the day-to-day operation of the 19-place community-based Centre. The position will undertake administration (19 hours per week) and on-the floor contact (19 hours).

Kulin Child Care Centre provides a strong play-based learning curriculum. Children enjoy wonderful indoor and outdoor play areas, well equipped learning resources, and a range of additional activities.

The successful applicant will possess:

- Qualifications in Early Years Education
- Working with Children Check
- Experience in administration
- A strong commitment to quality education and care for the children, families and the team.
- A great communicator who wants to make positive relationships with the families, the team and the community.

An attractive salary will be negotiated in accordance with the Children's Services Award 2010 dependent on experience and qualifications. Subsidised housing is provided.

Kulin is located three hours southeast of Perth, has a district population of 1000 and is well serviced in terms of health care and schooling (to year 10). There are recreation facilities second to none, and an energetic community provides the opportunity for plenty of active participation and quality living.

Further details on Kulin can be accessed at www.kulin.wa.gov.au or www.visitkulin.com.au.

Shire of Kulin may consider a part time role undertaking the administration of the centre and some contact hours.

Interested persons can contact Taryn Scadding at the Shire of Kulin on 9880 1204 or email cdo@kulin.wa.gov.au for a position description.

Applications outlining employment history and other relevant details, including the names of 2 recent referees must be received by the undersigned by Friday 27th March 2022.

Applications should be addressed to Chief Executive Officer and emailed to cdo@kulin.wa.gov.au or posted to PO Box 125 Kulin WA 6365.

Chief Executive Officer

Kulin Childcare Happenings

2022 has started off with fantastic numbers at the Childcare Centre. We have welcomed a couple of new children and have been very happy to be reconnecting with all the children from last year.

The children have been exploring their sense of identity with the theme "All About Me" & "My Family", discussing the activities they participated in with their family over the holidays, who is in their family, and favorite things to do with them. We are also learning what we like about ourselves, what we want to know, self help skills, what makes us different/the same and what makes us special.

This year, with our learning opportunities, we will explore an awareness of the environment and recycling, repurposing and reusing, so keep an eye out for requests for donations of your unwanted goods – trash to treasures 😊. We will learn how to care for our environment & about sustainability by producing our own food and learning to cook with our produce, reducing our waste and caring for living things

We are already cooking up a storm and we have recently cooked Chinese Chow Mein Fritters for Chinese New Year, healthy date & oat lamington balls for Australia Day, and healthy date & coconut balls perfect for lunchboxes

KULIN CHILDCARE CENTRE

Here is Sarah demonstrating how to use the “Thermie” – following the directions on the screen as well as checking the printed recipe. Following the recipes encourages children to be self-directed and independent, it also teaches them to follow step by step directions and develop problem-solving skills.

Coming up we will explore our sense of identity and independence, we will plant seeds to rejuvenate our vegie garden & the community garden and plant our “waste vegies” to see if they grow into another crop - Vegie waste such as carrot tops, spring onion tops, potato skins, celery bottoms, sweet potato ends and cos lettuce tops.

We will also be exploring healthy lunch boxes and discover new ways to pack a healthy lunch – just like this healthy Mexican Fiesta!!

Thank you to the Museum and Men’s Shed
for the generous donation of goods from us.
Cheers, Sarah and Sue

KCCC No bake coconut and date balls

These no bake coconut and date balls contain just two ingredients and they're super healthy

Pop them into lunch boxes, snack on them after exercise and use them to satisfy your sweet tooth.

Ingredients

3 cups desiccated coconut

2 cups pitted dates

Method

Place 2 cups of coconut and the dates into a blender or food processor.

Process on high speed for 3-4 minutes, pausing to scrape down sides as needed.

Remove from processor and roll teaspoon-sized balls. Roll in remaining 1 cup of coconut.

Pack in portions for snacks, to put in lunch boxes and keep on hand to satisfy a sweet tooth in a healthy way.

Notes

The coconut in this recipe turns to cocoa butter as it is processed with the dates and binds them together.

You can roll these in more crushed nuts, sesame seeds or even sifted cocoa powder.

Pulse oximeter What you need to know!

- Are you non-Aboriginal and over 65?
- Are you Aboriginal and over 50?
- Are you pregnant?

If you answered YES to any of the above – collect a free pulse oximeter from your local government today!

What is a pulse oximeter?

It is a small, peg-like device that clips onto your fingertip to read your heart rate and blood oxygen level. It takes only one minute to work, is reusable and can be shared between other people in your household.

Why do I need one?

If you become COVID-19 positive, you may need to be remotely monitored through the WA COVID Care at Home program. By having a pulse oximeter already in your home, a health professional can assess you and provide health advice from the comfort of your home.

Visit [WA COVID Care at Home](#) for more information.

Where do I get one?

Visit your local government to collect a free pulse oximeter for you and your household (each eligible household can receive one pulse oximeter but supplies are limited).

Do **not** pick up a pulse oximeter if you are already COVID-19 positive. If you have already received a positive COVID-19 test result, the Department of Health will contact you and provide further information.

Visit [COVID-19 \(coronavirus\) \(healthywa.wa.gov.au\)](#) for more information.

Water supply in a bushfire

This information could save your life

While leaving high-risk bushfires is the safest option, if you plan to stay and defend your home, you must have an **INDEPENDENT** water supply and pumping capability. This typically requires water tanks of at least 20,000 litres, pump and generator.

This is required as mains water supply and pressure cannot be guaranteed during a bushfire due to the risk of power cuts, fire damage and extreme demand.

Use the Department of Fire and Emergency Services resources to develop your personal bushfire survival plan: mybushfireplan.wa.gov.au. You can also download the My Bushfire Plan app via the App Store or Google Play to access your bushfire plan anytime - even without an internet connection.

To support bushfire plans, if you have groundwater bore access to surface water, you can take and store emergency water without it counting against your annual entitlement. For more information on this, and for the location of emergency bushfire water supplies in dryland agricultural areas, visit the Department of Water and

Environmental Regulation website: water.wa.gov.au/fireplanning.

Drinking water

We recommend you keep a supply of drinking water on hand throughout summer in case your water supply is interrupted.

Assistance for customers affected by bushfire

After a bushfire, we can assist you with issues such as damaged water meters and payment difficulties. If you have been affected by bushfire please call us on **13 13 85**.

The Emergency WA website [emergency.wa.gov.au/](http://emergency.wa.gov.au) provides emergency information and community safety warnings. Call **000** in a life-threatening emergency or the SES **132 500** for emergency assistance.

CORPORATE BOWLS

GREAT TURNOUT FOR THE FIRST WEEK OF CORPORATE BOWL LAST THURSDAY

Great turnout for the first week of Corporate Bowls last Thursday. We had 10 teams playing and created two teams from individuals that came along. Jarron's Noble turned up for his debut excited that the competition was under new management, although his enthusiasm may have waned after being part of Scadd's Lads wooden spoon team.

Well done to Barry's Bogans for taking out the win, credit to Barry for getting his final orange bowl on the puck at the last end.

Tarin Rockstars overcame their rocky start to have a reasonable game against the Carmody Crew and may threaten other teams later in the competition.

Come along this week and join in the fun from 6pm, burgers included in your entry fee, \$7 per person or \$20 per team a cheap night out unless you cop a fine (Tonia!)

LIFELINE'S CRISIS TEXT SERVICE 24/7 TO HELP MORE AUSTRALIANS

Supported with \$1.5 million in Morrison Government funding, Lifeline has today launched a 24/7 crisis text service to expand its support for Australians struggling with the challenges of the COVID-19 pandemic.

Australians are reaching out to Lifeline's crisis support and suicide prevention services in record numbers, hitting more than 3700 calls in one day last month.

The Lifeline Crisis Support Text Service is now available 24 hours a day, 7 days a week via confidential text message to 0477 13 11 14. Following a few questions via text, Australians are connected to a trained Lifeline crisis supporter.

Minister for Health and Aged Care, Greg Hunt, said Lifeline's 24/7 text service is an important expansion of the vital service the charity provides in crisis support and suicide prevention.

"The significant surge in demand for Lifeline's services during COVID means more people are reaching out for help, and services like Lifeline are there to help," Minister Hunt said.

"The expansion of the text service is backed by data showing that it

is the preferred channel for high risk members of the community including young people, those experiencing family and domestic violence, and Aboriginal and Torres Strait Islander people."

"The introduction of the 24/7 service follows a successful 2-year pilot of a limited text service, made possible with \$2.5 million from the Morrison Government."

Lifeline received a record 1,070,860 calls from Australians in crisis in 2021, but managed to increase its average call answer rate to 90.4%. In the same time period, the service also responded to 51,265 text conversations.

The Assistant Minister to the Prime Minister for Mental Health and Suicide Prevention, David Coleman, said the Morrison Government's long partnership with Lifeline was part of its resolute commitment to suicide prevention. "Lifeline's crisis service and the passion of its volunteers mean that no Australian has to experience their darkest moment alone – they literally save lives," Mr Coleman said.

"The 24/7 lifeline crisis support text service makes Lifeline's support available to groups who might otherwise not reach out for help, particularly young people who are often more comfortable using text services.

"The Morrison Government remains committed to working towards zero suicides, backed by our \$2.3 billion investment in mental health and suicide prevention in the 2021–22 Budget, and our ongoing support for Lifeline as Australia's leading suicide prevention agency."

Lifeline's 13 11 14 crisis support service is available 24/7. Australians can speak to a trained crisis supporter any time of the day or night.

Based on the best-selling novel by Rosalie Ham, *The Dressmaker* is a bittersweet comedy-drama set in early 1950s Australia. Tilly Dunnage (Kate Winslet), a beautiful and talented misfit, after many years of working as a dressmaker in exclusive Parisian fashion houses, returns home to the middle-of-nowhere town of Dungatar to right the wrongs of the past. Not only does she reconcile with her ailing, eccentric mother Molly (Judy Davis) and unexpectedly falls in love with the pure-hearted Teddy (Liam Hemsworth), but armed with her sewing machine and incredible sense of style, she transforms the women of the town and in doing so gets sweet revenge on those who did her wrong.

Improving your yield.

That's all we're interested in.

Industry leading inoculant supplier

ALOSCA Technologies is an industry leader in Rhizobia inoculants for legumes supplied in a unique patented granule. It is the only inoculant that can be reliably used in dry sowing, top dressing or in contact with seed dressing or fertiliser that would otherwise be harmful to Rhizobia bacteria.

Ideal for summer or early seeding

ALOSCA granules provide flexibility like no other product. Legumes can be sown with ALOSCA granules in dry conditions and remain in the soil for months until being activated by the same seasonal rain that germinates the crop.

Don't just take our word for it.

Read what Nathan Garn from Wyalkatchem has to say. Nathan grows approximately 1,500ha of lupins annually.

"I'm switching back to ALOSCA granules this season. I tried another product last season but it was a nightmare handling and questionable how well it would work in tough dry conditions. ALOSCA granules are far easier to handle and I can better trust they work in all situations."

Benefits at a glance:

- Specifically developed for Australian conditions and soils
- Can be dry sown, simple to apply and can be easily blended with fertilisers, seeds or a third box
- Can be used with seed dressings that are typically harmful to inoculants
- Can be stored for months in a dry area
- No need for slurries

Our inoculants are suitable for these pasture and crop species:

- Lupin and Serradella
- Field Pea, Faba Bean and Vetch
- Chickpea
- Sub Clover
- Lucerne, Strand and Disc Medic
- Barrel and Burr Medic
- Biserrula

Plus, early orders get \$50 cash-back per ton.

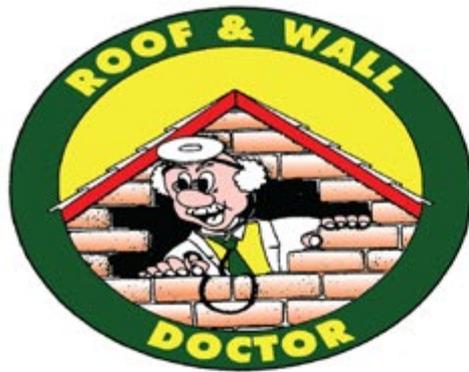

Applicable to all invoiced tonnages received before January 31, 2022. To download your cash-back form, simply search 'cash back' on alosca.com.au

Order through your local stockist and make sure you specify ALOSCA granules.
