ANZAC Day 2022

This year over 100 people attended the Kulin Anzac Day service to pause and reflect on the service and sacrifice of generations of men and women who served and died in all wars, conflicts, and peacekeeping operations.

A special thank you to Brendan Sloggett as MC, Janet Colbourne, who told the story of her relatives and their service involvement, and Meggs Gibson who recited the Prayer of Remembrance.

It was wonderful to have the Kulin Girl Guides involved in the service, handing out programs and raising the flags. Thank you to Erin Bailey for all her work with the music and service.

The beautiful wreathes that were laid by the community were a wonderful gesture to commemorate the national day of remembrance.

THE KULIN COMMUNITY PAY THEIR RESPECT

Colin Hubert Jenks

Kulin Shire Council Councillors and Staff extend their sincere condolences to the Jenks family on the passing of Colin on 21st April 2022.

Colin worked at the Shire of Kulin for 9 years in the role of Road Maintenance/Roller Driver.

Colin was a caring and friendly staff member, always willing to lend a hand to anyone, and always happy to have a chat.

Sympathy to Kathy, Owen, Maureen and Anthony and families.

If the community has any issues, concerns or complaints regarding the town roads highlighted in red please contact **Main Roads on **13 81 38**. Shire of Kulin are not responsible for these roads.**

Freebairn Recreation Centre

This Saturday the FRC is excited to host football, netball and hockey fixtures against Corrigin. It is fantastic to see the 3 clubs come together to run a joint canteen on the day. It will certainly be busy but the FRC have been working together with the coordinators to ensure that things run as smoothly as possible during the day.

The resurfaced court area looks fantastic and we wish to acknowledge the financial contribution from the Australian Government Drought Communities Program, Shire of Kulin, Kulin Netball Club and Kulin Basketball Club which has allowed this amazing upgrade to our facility to happen. Thanks also to Aura Sport who undertook the work to install the 'Pulastic 2000' floor.

Please do take the time to read the maintenance guide-

lines on the next page to ensure we can keep it looking this great for many years to come.

The football and hockey fields are also looking beautiful and green, ready for some great winter sports action! The golf course has been mowed and ready for opening day on Sunday 1 May – hit off at 12 noon with a 2 Person Ambrose.

Thank you and best wishes to Jaime and Luisa whose time in Kulin has come to an end – they have been a great asset to the FRC and Shire over the past 6 months and we wish them all the best for their next journey. The new faces you will meet belong to Hugo and Elsa who have fast been learning all of the job requirements at the FRC – welcome!

The just announced easing of public health and social measures means that patrons will not be required to show proof of vaccination to enter

the centre, or be required to wear a mask (although this is encouraged where physical distancing is not possible). As there are currently cases of Covid-19 in the community please continue to use hand sanitiser on entry and undertake a RAT test if you are feeling unwell or showing symptoms of Covid-19.

Best of luck for a successful day out to all teams this weekend – how lucky are we to have such a great facility in Kulin!

AUSTRALIA'S BIGGEST MORNING TEA

Australia's biggest morning tea

Following a good response from 2021, Australia's most popular cuppa for a cause is back. Last year the Kulin Community gathered at the Kulin CRC to enjoy tasty treats in good company and donated impressive \$418.15 to Cancer Council to help Australians affected by the disease. This year we are

excited to host the event at the Kulin CRC again.

If you are interested mark the date below in your calendar and come along.

Responding to last year's feedback we will also offer "Pick & Mix Boxes" this year for those who cannot stay at the event.

For \$10 you may pick and mix your favourites on the day of the event. All funds raised will be donated to Cancer Council.

Please note, that is essential to RSVP in order to plan catering.

Please contact the Kulin CRC before the 10th of May 2022 via one of the following options:

To attend "Australia's Biggest Morning Tea", please click [here](#), or scan the below QR code:

Kulin childcare happenings

As we end the school holidays and head into Term 2, we are beginning to learn about dinosaurs. It's no surprise that many children find the world of dinosaurs fascinating, and we can learn so much about them in many fun and exciting ways – dinosaur themed mini worlds, fossil digs, art and craft creations and the science of creating volcanos to erupt and ice ages to excavate frozen fossils.

During the holiday break we have been busily knitting up the donated wool into colourful beanies and pom poms. We think they look amazing and are just in time for the cooler months. Next project is giant pom poms, head warmer bands and scarves.

Donations to the centre are always very much appreciated and always get well utilised. We would like to thank the kids club/toy library for their very generous donations of toys and equipment. We have already popped our older furniture into the fort cubby and will use the new furniture for inside play. We appreciate your generosity very much.

We also thank the many parents who are dropping off toys, books and clothes for the centre – especially the baby equipment. We were also sent a gift of brand-new books from Linda who used to work at the centre. They are such gorgeous books and the children are enjoying reading. Thankyou also to Emma for the very kind donation of the amazing stroller – so timely as ours was on its last wheels!

On a daily basis the children are continuing to develop their sense of belonging, building secure attachments, building their confidence, exploring their natural environment and develop their communication skills, making strong friendships.

This past Monday we celebrate Anzac Day, and we will be creating remembrance poppy field art and getting in the kitchen to cook up some KCCC Anzac biscuits.

Take care, from the KCCC staff x

We have been very busy in both our garden and the community garden getting the beds ready for Autumn planting, harvesting the last of our Summer crops of tomatoes, pumpkins, rockmelons, potatoes

and capsicums and planting some flowers to spruce up the entrance way and to attract bees to our garden.

Our school programme is always busy and this term we are beginning to create a magical fairy garden full of mystical creatures. This will be an ongoing project and who knows how many mythical creatures will appear in our garden!

WHEATBELT REVEGETATION PROGRAM LAND PURCHASES

Main Roads is seeking to buy portions of land adjacent to State roads for revegetation purposes. There are a number of upgrades planned for roads, particularly within the Wheatbelt and to a lesser extent, Great Southern regions of WA, which will require the removal of native vegetation that, in some cases, is protected by both State and Commonwealth legislation. The purpose of the land acquisitions and revegetation is to “offset” the future residual loss of this vegetation.

Main Roads is ideally looking for cleared farming land immediately adjoining the road reserves of State roads. The land should be 50 to 100 metres wide and more than one kilometre long and (preferably) linking remnant vegetation. It is intended that any land acquired would be dedicated as road reserve.

Interested landowners are encouraged to contact Rod Cousins at Main Roads on (08) 9323 4811 or via revegetationbank@mainroads.wa.gov.au

Further information about the program can be found at:

COVID-19

Pulse oximeter What you need to know!

- Are you non-Aboriginal and over 65?
- Are you Aboriginal and over 50?
- Are you pregnant?

If you answered YES to any of the above – collect a free pulse oximeter from your local government today!

What is a pulse oximeter?

It is a small, peg-like device that clips onto your fingertip to read your heart rate and blood oxygen level. It takes only one minute to work, is reusable and can be shared between other people in your household.

Why do I need one?

If you become COVID-19 positive, you may need to be remotely monitored through the WA COVID Care at Home program. By having a pulse oximeter already in your home, a health professional can assess you and provide health advice from the comfort of your home. Visit [WA COVID Care at Home](#) for more information.

Where do I get one?

Visit your local government to collect a free pulse oximeter for you and your household (each eligible household can receive one pulse oximeter but supplies are limited).

Do **not** pick up a pulse oximeter if you are already COVID-19 positive. If you have already received a positive COVID-19 test result, the Department of Health will contact you and provide further information.

Visit [COVID-19 \(coronavirus\) \(healthywa.wa.gov.au\)](#) for more information.

He struck while the iron was hot and sold him down the river

We hear them all the time in our day-to-day lives. Sayings that spout out of our mouths’. But do we actually consider why we are saying the things the way we do? What is the origin of “what grandpa always used to say?” Most of the time there is a “not to be sneezed at” artisanal, historical background.

A good example to show this would be “to strike while the iron is hot”

If you act exactly at the right time, then you strike while the iron is hot and things work out just right. It is a saying that goes back hundreds of years and refers, not surprising-

ly, to the skills of the village blacksmith.

His experience and knowledge enabled him to know just when to start hammering on a horseshoe to form the right shape. It would work only when the metal was just at the right temperature. He had to strike while the iron was hot. From my own practical experience in working in the ancient trade as an ornamental blacksmith, I can very much relate to this.

To be “sold down the river” is something that we certainly would not want to experience today.

If somebody betrays you or breaks a promise, then they are said to have “sold you down the river”. The phrase arose in the United States in the last century when rich American householders would sell their slaves to plantation owners. The slaves would have to leave the relative comforts of the big houses and be transported down the Mississippi River to a harsh and cruel life on the plantation. CM

CONTACTING YOUR LOCAL POLICE

Kulin Police Station is staffed by two police officers who, when required, are available to respond to incidents 24/7.

Your local police can be contacted as follows:

- If you require police in an emergency dial 000
- If you wish to report a non-urgent matter to police dial 131444
- If you wish to speak to an officer at Kulin Police Station dial 9861 5800.

If the Kulin Police Station phone number is diverted to Albany Police Station, the public and local community are encouraged to hold the line and leave a message with staff there, should they wish to speak with their local police.

MAIN ROADS COMPLAINTS

If you experience issues with the Mainroads network, please call them directly on 138 138, or go to <https://www.mainroads.wa.gov.au/contact-us/> where you can report your issue online.

Service WA app - Do you need help?

Covid-19 comes with a variety of challenges. One of them can be to follow the rules and to cope with today's technologies.
