Our works crew have been very busy maintaining our roads and also having to deal with the unexpected water damage that has occurred throughout the Shire in the past six weeks. Congratulations and thank you to the works crew who are finishing Winter Grading this week. They have done a fantastic job under trying circumstances.

Thank you to our rate payers and residents for their patience while our works crew got to the water damage sites. The crew will continue to undertake the water damage works in the next couple of weeks. Please contact the Shire if you have any concerns.

This week sees our substantial construction program starting.

Dudin-in-Jitarning Road Roadworks will begin to reconstruct 4km of road commencing at the Williams-Kon-dinin Road intersection

Kulin Holt Rock Road Shoulder reconstruction work for 7km of road between Dandagin Road and Jones Road

Fence Road South Works will begin in October 2022 with culvert replacements. Reconstruction works are scheduled to begin in January 2023

All of these roadworks will cause delays. Please be patient at these sites for the safety of you and our crew.

The town crew are busy maintaining our gardens and getting the town looking fantastic for the Kulin Bush Races. Now is a great time for our residents to clean up their blocks and make our town presentable for the Kulin Bush Races and visitors to the town in Spring. Please take the opportunity to put your items out for collection at our next verge collection day – Tuesday 27th September 2022. Contact the Shire if you have any questions regarding the collection day.

Oval rejuvenation work will be starting later this month. Every year Ambrose and his team maintain and improve our oval to the highest standard. The oval is a significant community space and the efforts our works crew does not go unnoticed and is greatly appreciated.

Installation of the Disabled Ab-lution block and access ramp at the Caravan Park is occurring at the moment. These works will be finished this month and add a much needed amenity for our visitors to utilise.

As always please contact the Shire if you have any concerns or questions.

The Shire has raised the issues with Main Roads -Wheatbelt Regional Office with a view to having the pavement failures repaired as soon as possible.

## KNOW YOUR FIRE DANGER RATING

The Fire Danger Rating System has changed. Know the changes – they could save your life.

A new nationally consistent Fire Danger Rating System has been created. It's now simpler, clearer, and it could save your life. The new System has four levels. Each level tells you how dangerous a bushfire could be if one starts and comes with clear actions to take. The higher the Fire Danger Rating, the more severe the bushfire could be.

Fire Danger Ratings are important because they provide people with information so they can take action to protect themselves and others from the potentially dangerous impacts of bushfires. Ratings are calculated using a combination of weather forecasting and information about vegetation that could fuel a fire. They do not indicate the chance of a fire occurring, although this is a common misconception.

What do the ratings mean and what should I do?

| Rating       | What to do?   |
|--------------|---|
| No rating    | <ul style="list-style-type: none"> <li>On days when there is minimal risk, the Fire Danger Rating will be set to 'no rating'.</li> <li>Bushfires which start in these conditions are unlikely to spread in a dangerous or life-threatening way, but you will still need to remain alert and abide by local seasonal laws and regulations.</li> </ul>  |
| Moderate     | Plan and prepare<br><b>Most fires can be controlled.</b> <ul style="list-style-type: none"> <li>Stay up to date and be alert for fires in your area.</li> <li>Check your <b>bushfire plan</b>. If you do not have a plan, make one now.</li> </ul>  |
| High         | Be ready to act<br><b>Fires can be dangerous.</b> <ul style="list-style-type: none"> <li>There's a heightened risk. Be alert for fires in your area.</li> <li>If a fire starts, your life and property may be at risk.</li> <li>Review your <b>bushfire plan</b>. If you do not have a plan, <b>make one now</b>.</li> <li>Leave bushfire risk areas if necessary.</li> </ul>   |
| Extreme      | Take action now<br><b>Fires will spread quickly and be extremely dangerous.</b> <ul style="list-style-type: none"> <li>These are dangerous fire conditions.</li> <li>Put your <b>bushfire plan</b> into action.</li> <li>If a fire starts, take immediate action. If you and your property are not prepared to the highest level, plan to leave early.</li> <li>Avoid travel through bushfire risk areas</li> </ul>   |
| Catastrophic | For your survival, leave bushfire risk areas<br><b>If a fire starts and takes hold, lives are likely to be lost.</b> <ul style="list-style-type: none"> <li>These are the most dangerous conditions for a fire.</li> <li>It may be too late to make a bushfire plan. # Thank You

On behalf of the York Sub Branch of National Servicemen I would like to thank the people of Kulin who turned up for the Memorial Service on Sunday morning with light rain making it a bit damp. Your attendance made the day very special for me so once more, thank you all.

## QUAD GRAND OPENING

A crowd gathered on the quad area on Tuesday afternoon to officially open the area. This event like many others over the past year or two was delayed due to the pandemic.

Representatives from Kulin Community Bank, Kulin Bush Races and the school P&C cut the ribbon. A plaque which will take pride of place in the quad was also unveiled.

From a dream first hatched at a P&C meeting many years ago to the reality of what we have today is a testament to many peoples vision, hard work and fantastic community support.

The area we have today is the envy of all who visit our school. It is an area that our students and community should be extremely proud of. A great example of our community working together.

Dear Friends, neighbours and members of the Kulin Parish

Edwina and Richard Bradford family would like to invite you to the Baptismal mass of their daughter Croia Ann Bradford. At 10.30am 25th of September at Our Lady of Perpetual Help church. Following Refreshments at Rec centre afterwards. Please **STRICTLY NO PRESENTS** just your presence.

## VARIETY BASH DONATES IN KULIN

WA's carnival on wheels, the Variety Bash came through Kulin on the 2nd of September. 'Bash-ers' explored some of WA's picturesque regions. Starting at Hyden with stops in Esperance and Albany before finishing up in Northam.

This renowned event has been lapping circuits around WA, as well as other parts of Australia. With a loyal following and new 'Bash-ers' joining in, the cause sits deep in the heart of the participants. Raising vital funds for WA kids who are disadvantaged, sick or living with disability.

The highlight of the trip for all involved is stopping off at schools along the way and presenting Variety Grants to local community groups and individuals.

The Grants can range from an iPad with specialist 'apps' to help a child living with autism, to vehicle modifica-

tions for a child with a physical disability to travel safely in their family car, modified bicycles, wheelchairs, scholarships, camps and more!

Variety WA CEO Tony Hume said, "The Bash is one of the country's most iconic events creating friendships for life and bringing a "carnival on wheels" to remote locations all over the country. Our participants fund their own event costs including creating and maintaining the magnificent Bash cars and spend all year fundraising to help WA kids who are living with sickness, disadvantage or with a disability. Our Variety participants care deeply for the Kids of WA and it is a real pleasure to be with our Variety community on the Bash and share the excitement with this huge hearted, generous community."

Variety WA's three annual road trip events – the Variety Bash, the Variety 4WD Adventure and the Variety Creative Car Cruise – were all cancelled in

2020 due to the restrictions in place because of the COVID-19 pandemic, resulting in an estimated \$800,000 fundraising loss for Variety WA, as a charity. Since then, these fun and adventurous events are back on with an aim to be even bigger! In 2021, 48 participants took to the Pilbara on an epic Bash adventure. Raising a staggering \$1 million for Variety WA.

'Bash-ers' will be surprised to find out their Mystery Locations. However, they can expect the best of WA locations with delicious food and entertainment and the support of local communities. "The Variety Bash really supports our community and demonstrates what the charity is all about" said Variety WA CEO Tony Hume. To find out more about the Variety Bash and Variety WA, visit [www.varietywa.org.au/wa/events/varietywabash/](http://www.varietywa.org.au/wa/events/varietywabash/)

The Variety Bash is not a race or a rally, but a fun and social event, or in the words of the originator Dick Smith, 'A drive in the outback with a few mates'.

The WA Variety Bash runs for 8 days and the route and destination change each year. The full route is announced at a launch event, shortly after the finalisation of the previous Variety Bash. The Variety Bash has an exemplary safety record. All cars are tracked during the day by officials, who are in contact via HF radio and satellite phone with a central command post.

The Variety Bash has its own

team of paramedics and has full contact with hospitals, motor workshops and local authorities. In addition, all cars are checked over prior to the event, and a team of Mobile Workshop mechanics attend the event to assist entrants with car problems.

## THANK YOU!

Thank you to the Variety Bash WA for visiting our school and putting a smile on everyone's faces. Not to mention the very big cheque for \$20000 which will go towards upgrading our primary playground. An amazing group of people with very big hearts.

## WINDUP

The KKFC windup was held at the FRC on Saturday 10th of September afternoon to celebrate the 2022 season and its award winners. The bouncy castle and activities kept the 40 odd kids entertained as well as the sunny weather. We kicked off the reserves awards nice and early with MC Linc "Job-zy" Hands introducing Joe Collard before he had to duck off and win a darts competition.

Next up was Simon Duckworth with his Presidents speech and then on to the club awards. This year a new Memorial trophy was introduced in honour of John Wilson for the Most improved player. Thank you to the Wilson family who were kind enough to put on some refreshments for the day.

The League awards followed and that concluded the formalities for the day once the mic was wrenched out of the MC hands. Thank you to Walkers Hill winery for the catering and the Freebairn staff for having us. Also to all our sponsors and volunteers for the year. Ultimately the year was a great success and one the club will not forget for a number of reasons.  
GO BLUES!

PURSUANT TO THE POWERS contained in Section 33, you are hereby required on or before 31st October 2022 and thereafter up to and including 15th March 2023 to have a 3 metre firebreak clear of all inflammable material on all rural and townsite rural land owned or occupied by you:

1. Immediately inside all external boundaries of the land; and
2. In such other positions as is necessary to divide land into areas not exceeding 500 hectares, each completely surrounded by a firebreak; and
3. Immediately surrounding any part of land used for crop; and
4. Parallel to and within 100 metres of the perimeter of all buildings, haystacks and fuel ramps on the land; and
5. Immediately surrounding receptacles used for the storage of fuel, whether they contain fuel or not; the firebreak required to comply with this item shall be no less than 5 metres wide; and
6. Immediately inside land which has been bulldozed, chained or prepared for clearing by burning (whether you intend to burn the bush or not); the firebreak required shall be no less than 7 metres wide. Where the land is prepared for clearing by burning after 19th September 2022 you shall provide the firebreak immediately.

### Townsites – area less than 1 hectare

All hazardous material must be removed from the whole of the land except living trees, shrubs and plants. In the remaining area all vegetation is to be maintained to a height of no greater than 100mm, and;

It is recommended that at least a 2m wide area immediately within the external boundaries of the lot, be clear of all flammable material except for living trees, plants and shrubs.”

(Note: any land of one hectare or above - rural provisions apply.)

### Firebreak Variation

If it is considered by the owner or occupier to be impractical to clear firebreaks to comply with this notice due to soil erosion, the spread of salinity or for any other reason, a request for a variation may be made to the Council no later than the 1 September of each year. Such a request must be in writing and include a detailed plan showing the proposed location of firebreaks or of the alternative fire protection methods to be used.

### Harvesting Operations - Mobile Fire Fighting Units

An operational mobile engine powered firefighting pump unit with no less than 500 litres of water shall be in attendance during grain harvesting operations. If the unit is trailer mounted the trailer must be attached to a vehicle at all times during harvesting operations and the unit must be in the paddock, or adjoining paddock, where the harvesting operation is being carried out.

### Automatic Harvesting Bans

A Harvest Ban will apply automatically on Christmas Day and New Year’s Day.

### Other Matters

If for hardship reasons, it is considered by the owner or occupier to be impossible to clear firebreaks required by this Notice, you may apply to Council or its duly authorised officer for permission to seek alternative options. Claimants of hardship, should do so with sufficient time to allow alternatives to be enacted. Claims of hardship does not automatically exempt OWNERS AND OCCUPIERS FROM THE REQUIREMENTS OF THIS NOTICE.

The penalty for failing to comply with this Notice is a fine not exceeding \$5,000. A person in default is also liable, whether prosecuted or not, to pay the cost of the Shire or a contractor performing the work directed in this Notice if it is not carried out by the owner or occupier by the due date. ## Vehicle Identification Stickers

The current stickers volunteer bushfire brigade officers have expire on 30 September. These are the stickers DFES recommends to allow timely identification of private vehicles and persons which can assist DFES in bushfire responses. The stickers are designed to enable passage of approved vehicles through the vehicle control points (road blocks) where approved by the Incident Controller. Appliances or machinery without a Vehicle Identifier sticker may be delayed or prevented from assisting in the response.

New stickers (valid to 30 September 2024) are now available from the Shire. Multiple stickers may be issued to persons with multiple suitable vehicles/equipment – one application form per vehicle is required.

An application form for a current Vehicle Identification Sticker needs to be completed. Please email [eso@kulin.wa.gov.au](mailto:eso@kulin.wa.gov.au) to request an application, stickers can be mailed out once the application is processed at the Shire.
