## **Tier 3 Railway Line -Feasibility Investigation**

The Shire of Kulin continues to participate in the Tier 3 Railway line investigation. This matter remains firmly in the advocacy sights of the Shire.

Shire delegates will attend a meeting in Perth late July / early August 2023 whereby the draft investigative report will be presented and broader issues associated with this matter will be discussed.

The Shire remains very concerned with what seems to be exponential deterioration of roads in the region as a result of increased grain on roads.

The Shire wishes to thank all those community members who completed the surveys.

## **Aboriginal Cultural Heritage Act**

The Shire of Kulin is not in a position to offer any advice to ratepayers and residents with respect to land activities on private property associated with the new Aboriginal Cultural Heritage Act (1 July 2023).

Please make direct contact with The

Department of Planning Lands and Heritage who are the responsible Agency. Please phone 08 6551 8002 (Option 1)

## **Farewell To Denis And Oksana Brandis**

The Shire of Kulin wish Denis and Oksana all the best for their move to Collie. We thank them for their outstanding contribution to the Shire of Kulin over a long period of time. Good luck.

## **Employment Opportunities**

Shire of Kulin has two positions available on our works crew. Plant Mechanic and Truck Driver. You can find the Application Packages on the Shire of Kulin website ([www.kulin.wa.gov.au](http://www.kulin.wa.gov.au)) or contact Judd Hobson for more information.

## **Aged Friendly Community**

The Shire of Kulin is committed to creating an age-friendly community and supporting 55 years plus residents living in our region.

To achieve this we are conducting a survey to help the Shire better understand demographic profiles,

accommodation requirements and community service needs.

This information gathered will be used to inform and support businesses and organisations who currently are intending to service senior-aged members of our community and all levels of government.

You can find the survey in the update. Please take the time to provide us with your feedback.

## **Shire of Kulin Ordinary Council Meetings**

From July 2023 Shire of Kulin Ordinary Council Meetings will begin at 4pm. Please refer to the notice in the Update for upcoming Council Meeting dates.

Alan Leeson  
Chief Executive Officer

## **Proposed Aerial survey for late July, early August, South-West of Kulin**

Sultan Resources plan to fly a small helicopter-supported electromagnetic survey over a target some 3.5km SW of Kulin, in an area north and south of the rail line in heavy country. Lines will be around 3 km long, and spaced 100m apart, and the helicopter will need some turning space either side, around 300/500m to turn back on to the next lines. I am contacting all properties in the flight lines, and owners of other properties which will either be encroached by cornering or be close visually.

The Helicopter will fly at around 65m/200ft, the loop is around 18m wide, and is pulled below at a height of 37m/120ft, the helicopter will be travelling between 60-80km/h. The loop will carry an electric current equivalent to a high voltage powerline which is being switched on and off very quickly to help map the geology below the surface. It would be about the same effect as driving under a high-power transmission line if you were to be underneath it. The noise of the helicopter is expected to be less than 80dB at ground level, equivalent to a nearby lawnmower. The helicopter crew will also do some stationary calibrations and checks before and after, but take the helicopter up to 2000ft for that.

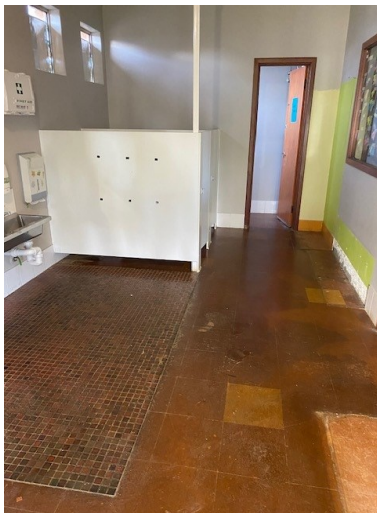

The survey will not take any more than half a day. The geophysical contractor has made some arrangements to setup a day prior at the Kulin airstrip, and will breaking the gear down that afternoon or the day after.

## Kulin Child Care Centre Flooring Project

The Centre has been closed for a couple of weeks while we undertake our flooring project. The results are amazing and we cannot wait to get our families back to see the transformation. Most of the community has had something to do with our centre so you will appreciate these before and after photos and the new look. Thank you to Kulture Kreations for their great work. Thank you to our families for your support and patience.

# Kulin Shire Council Change to Meeting Start Times

In accordance with Regulation 12(2) of the Local Government (Administration) Regulations 1996, notice is given that the start time of the Ordinary Council Meetings previously scheduled for 1pm, will now commence at 4pm on the dates below:

Wednesday	26 July 2023	4pm
Wednesday	16 August 2023	4pm
Wednesday	20 September 2023	4pm
Wednesday	18 October 2023	4pm
Wednesday	15 November 2023	4pm
Wednesday	20 December 2023	4pm

A handwritten signature in black ink, appearing to read 'Alan Leeson'.

Alan Leeson  
Chief Executive Officer

## Plant Mechanic

---

Applications are invited for the position of a full time Plant Mechanic with the Shire of Kulin.

The successful applicant will be responsible for the maintenance and upkeep of Council plant and equipment and associated administrative reports.

A current "HR" class license, a Construction Safety Card (white card) and a mechanical trade certificate from a registered training provider are required.

Conditions of employment are in accordance with the Local Government Industry Award 2020, Industrial Agreement.

The successful applicant will be offered a remuneration package between \$100,000 and \$120,000 depending on qualifications and experience and will work an 84-hour fortnight spread across nine days (including an RDO).

The package includes superannuation, housing, limited private use of a Council vehicle and in addition, the Shire offers generous additional superannuation for longer term employees, along with free membership for employees to local recreational clubs and facilities.

To obtain the application package visit Council's website [www.kulin.wa.gov.au](http://www.kulin.wa.gov.au) or email [works@kulin.wa.gov.au](mailto:works@kulin.wa.gov.au)

Applications close **Friday 14<sup>th</sup> July 2023 at 3pm** and should be addressed to the CEO and sent via email to [works@kulin.wa.gov.au](mailto:works@kulin.wa.gov.au)

Alan Leeson  
CEO

---

## Truck Driver

---

Applications are invited for the position of a full time Truck Driver with the Shire of Kulin.

The successful applicant will be required to operate council's plant and machinery to maintain and improve the Shire's road network as required, the main focus of the position is the operation of a Prime Mover Side Tipper combination. It is a requirement to hold a minimum "HC" class license, applicants holding an "MC" licence, or be willing to be upskilled to obtain this will be held in high regard.

Conditions of employment are in accordance with the Local Government Industry Award 2020, Industrial Agreement.

The successful applicant will be offered a remuneration package between \$70,000 and \$80,000 depending on qualifications and experience and will work an 84-hour fortnight spread across nine days (including an RDO). There is potential for higher earnings should the applicant be willing to complete additional overtime hours.

The package includes subsidised housing (subject to availability at time of offer) or a housing allowance, and in addition the Shire offers generous additional superannuation for longer term employees, along with free membership for employees to local recreational clubs and facilities.

Kulin is located three hours south east of Perth, has a district population of 1000 and is well serviced in terms of health care and schooling (to year 10). There are recreation facilities second to none, and an energetic community provides the opportunity for plenty of active participation and quality living.

To obtain the application package visit Council's website [www.kulin.wa.gov.au](http://www.kulin.wa.gov.au) or for further information contact Judd Hobson, Executive Manager of Works on 0427 801 241 or email [works@kulin.wa.gov.au](mailto:works@kulin.wa.gov.au)

Applications close **Friday 21 July 2023 at 4pm** and should outline employment history and include the names of 2 recent referees. Applications should be addressed to the CEO and sent via email to [ceo@kulin.wa.gov.au](mailto:ceo@kulin.wa.gov.au)

Alan Leeson  
CEO

## DR MACKIE LEAVE

**Please be advised that Dr Mackie will be on leave  
commencing Friday 18th August resuming Monday  
25th Sept.**

 **9889 1753**

### **An Aboriginal Cultural Heritage Act Education Workshop has been announced for Lake Grace to be held on 14 August 2023**

Registrations are now open. Please use the link below for more information and to register, click the link, or type in your search bar, then click Register, (underneath the list of workshop dates). Enter your first and last name, select Lake Grace, add your phone and email, then click submit.

<https://www.wa.gov.au/government/document-collections/aboriginal-cultural-heritage-act-2021-education-workshop-schedule>

The Lake Grace workshop will be held at the Pavilion from 10.00am-11.30pm. Lunch will be provided at the end of the session

# KBR 2023 FUNDING ROUND

## KULIN CWA - JANET COLBOURNE

If you haven't seen or heard already, \$267,999.78 has been put back into our community thanks to the Kulin Bush Races. I have been given the privilege to talk to Jan, a member of the Kulin CWA, to give me some insight on what this years Funding Round has done for them.

### What Project/s Have You Been Able To Accomplish Due To Funding?

With the sponsorship from Bendigo Bank, CWA has been given an air conditioner which was installed on the 5th of July. This has been a want and a need for a while and Jan has told me that it works beautifully.

Previously the Kulin Bush Races have set out a grant for CWA to replace a window, fly screen and fly screen door. They have also recieved nearly \$10,000 to paint the inside and outside of the CWA building, which is due to commence in the months of August and Spetember 2023. This will hopefully be done before the annual Kulin Bush Races.

### What Has The Kulin Bush Races done for Kulin and The Community?

The Kulin Bush Races has brought a lot of people together, which previously hasn't happened alot. Volunteering has been really good and the funding that comes back into the town and community has enabled a lot of good projects. It has definitely put Kulin on the map and encourages other towns to promote their tourist facilities.

### What Does The Kulin Bush Races Mean To You?

Jan said that she admires the enthusiasm and initiative, which is such a good look and feeling for the town.

### What Has The CWA Done Or Contributed To For The Community?

The rooms in CWA were originally built for women in farming when they came into town. A few examples of the buildings use was to feed their newborns or make a cup of tea, this was the original function of the building. CWA as a body is non-political but work in advocacy for the country people. CWA has always been a respected voice. The building

itself was used for many meetings for all kinds or organisations. It is open for rental and some services that have been held at CWA include commemorations and funerals. CWA was a key part in the drive to get the Kulin Disrtict High School. They also proved bursaries for doctor, nurse, dental and medical students who wish to work in rural areas.

### Moving Forward, What Does The CWA Hope To Achieve?

Jan's short answer, to restore the CWA building. CWA is a historic building in which they wish to restore it for public use. A few uses for the building that Jan has mentioned are:

- Small social functions
- Play groups
- A mum and bubs group
- Meetings

Thank you to Jan for letting me interview her, I also recieved a great history lesson of Kulin and the CWA which was very informative.

Stella Wade  
Community Resource Centre Trainee

## KULIN RETIREMENT HOMES - ANNIE LEWIS

Continuing on from Kulin CWA, I have decided to interview the Treasurer of the Kulin Retirement Homes, Annie Lewis, who I also get the privilege of working with. Annie has managed the complex and has been apart of the Retirement Homes for 15 years, as well as working for the Kulin Shire for 22 years.

### **What Current Project Have You Been Able To Accomplish?**

The Kulin Retirement Homes have recently obtained a \$44,000 grant from Kulin Bush Races in which they are refurbishing a unit at Kulinda Village.

### **How Has The Kulin Bush Races Helped The Kulin Retirement Homes?**

When the Retirement Homes built the Workman's Estate, Kulin Bush Races, Bendigo Bank and the Kulin Shire contributed to the funding of this project. Without that funding it would not have been possible.

### **What Has The Kulin Bush Races Done For Kulin And The Community?**

For the community, the Kulin Bush Races have funded so many projects which would have been very unlikely for Kulin to obtain without the funding. Kulin Bush Races have brought Kulin as a whole together,

with the number of volunteers they get every year. "We are so lucky to be able to put money back into Kulin Distric High School, the Retirement Homes, the Aquatic Centre and so on". Not only have the Kulin Bush Races contributed to Kulin, but they also contribute to surrounding towns. With the number of tourists that come from Perth, Brookton, Corrigin, Narrogin, Kondinin and so on, they tend to keep their towns tidy and roadhouses full. Annie has also had the privilege of building a community house, with funds from Kulin Bush Races. We can thank Greg Hadlow, Wendy Gangell and Annie for this great accomplishment. (This community house also happens to be my family home!).

### **What Does The Kulin Bush Races Mean To You?**

"I could go on for ages. A working community. Anyone could have a passion for netball, footy, hockey and go to those facilities and games, but Kulin Bush Races pulls everyone together for one cause. You may work with people who you only see once a year, or make new friends and meet new people". Annie stated that it is just an overwhelming feeling thinking about what the Kulin Bush Races means to her.

### **What Has The Kulin Retirement Homes Done Or Contributed To For The Community?**

As a Retirement Homes body, they have contributed to the community by offering seniors affordable accommodation, their first aim is to provide for the seniors and aim to have all tenants' seniors. If the Retirement Homes have vacant units and no seniors on a waiting list, they are offered to the wider community. This helps the Retirements homes by having all units filled by tenants. Annie has told me that the seniors love the young tenants' as they make the tenant feel safer, and, of course , they always love new company.

### **Moving Forward, What Does The Kulin Retirement Homes Hope To Achieve?**

The Retirement Homes would love to build another unit at the workman's estate. They currently have 3 units and would hope for a fourth. Kulinda Village offers a 1 or 2 roomed unit while the Workman's Estate offers a unit with 2.5 rooms. Annie receives a lot of feedback about the want for more 2.5 roomed units.

Thank you to Annie for letting me interview her today, I cant wait to do many more interviews over the coming weeks.

Stella Wade  
Community Resource Centre Trainee

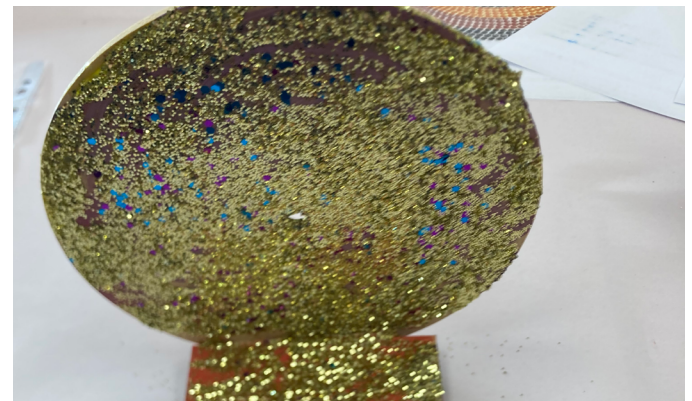

# SCHOOL HOLIDAY PROGRAM

## SALT DOUGH ORNAMENTS

To start the school holidays off with a bang we made and decorated salt dough ornaments. This included plenty of smiles and messy hands. We cut the salt dough into all kinds of shapes and chunked them in the oven

for about an hour. While we waited for those to cook, we painted some DIY clocks, coloured in and went out to the netball courts to shoot some goals. Once our salt dough was ready, we put them in the fridge to cool off and then

we decorated. Below are some photos of the masterpieces, which includes plenty of paint and glitter. Thank you to everyone who came down to this program, it was a blast!

# SCHOOL HOLIDAY PROGRAM

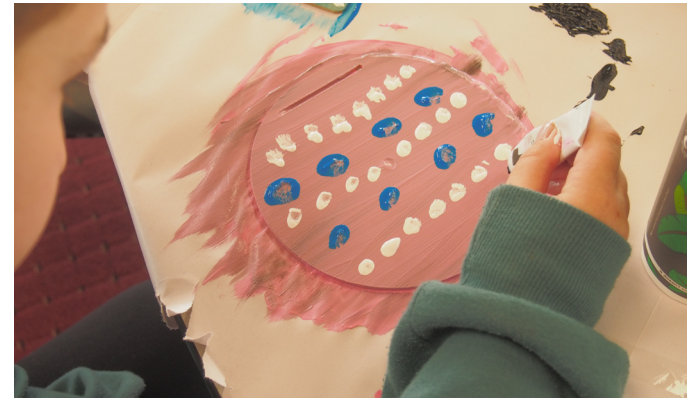

## BOARD GAMES AND HOT CHOCOLATE

On the 5th of July we continued our fun inside the rec centre. With hot chocolate in our system, we all stayed warm and enjoyed the massive number of games we had. Twister, Monopoly,

Operation and UNO were just a few of the board games we enjoyed. We also did some painting and colouring, in contribution to NAIDOC week, some dot painting and colouring sheets to

fill. Thank you to Huxley Whisson, Charlie Gangell and Isla Mullan for coming down, we had a great time.

Stella Wade

# SCHOOL HOLIDAY PROGRAM

## INDOOR MOVIE

What a perfect day for a movie. Blinds down, feet up, popcorn everywhere and eyes glued to the screen. The movie choice for the day

was Peter Pan and Wendy, and it did not disappoint. I'm sure all the kids can agree with me! Thank you to everyone who came down on the 7th

of July and a big thanks to Ally Price who helped me out on the day.

Stella Wade

# SCHOOL HOLIDAY PROGRAM

## BLUEBERRY MUFFINS AND BOARD GAMES

We are finally onto the last week of the school holidays! To start the week off we baked Blueberry Muffins, in honour of National Blueberry Muffin day, which commenced on the 11th of July 2023. Thank you to the kids who

came down on the day, we had lots of fun making the muffins, and playing board games while they cooked. We can confirm, they were delicious. Tomorrow, we finish with DIY Bath Bombs which I'm sure will see many

faces down at the Rec Centre, as I am fully booked out for this program.

Stella Wade  
Community Resource Centre Trainee

# KULIN KONDININ FOOTBALL CLUB

## KULIN VS HYDEN

Two week ago the Blues hosted the Saints in Kulin.

The reserves game started well for the Blues kicking the first 2 goals of the game in ideal conditions for footy. From then it was a true arm wrestle with the Saints hitting back in the second quarter as the Blues midfield battled hard led by Brocko, Tyrone and Joel. The Blues went into half time down by 3 or 4 goals as Joey asked the troops to get back to basics. The team responded in the 3rd quarter kicking the first 2 goals once again to reduce the margin. Thanks to school holidays the kids added some leg speed with Will Mullan, Ethan Wade and Toby McInnes all playing well in what was a glimpse into the future of the club. In the last quarter the Blues had all the play but couldn't

get the results on the scoreboard with the backline holding up well thanks to Whisso, Joshy B, Ethan and Cameron. Unfortunately it wasn't enough as the Blues went down in a close contested game.

Reserves Award Winners: B.Whisson, E.Wade, J.Bowey

The league game started slowly as both sides traded early goals. The Saints kicked clear as the Blues inaccuracy cost them in the second quarter. George, Jaan, Tull and Chip battled hard in the middle of the ground whilst Biggo's return to the side up forward added a new target. At halftime the Blues needed to lift and did so at the start of the third term but once more couldn't get the rewards on the scoreboard. The backline battled

strongly thanks to Sos, Gaz, Zac and Oscar but unfortunately the side were no match for the Saints at the end of the game.

League Award Winners: L.Biglin, A.Repacholi, O.Omedei

Thanks to everyone involved in the nights celebrations as a Christmas in July themed function was a hit as many kicked on. Best of luck to all representing Eastern Districts at countryweek next weekend.

The next game the Blues host the Tigers in Kondinin we hope to see as many supporters there!

Go the Blues!!

Jarrad West

## A NOTICE FROM THE KULIN POLICE

Kulin Police have had a ladies ring handed in to the station. It was located around town. If you have lost a ring and can describe it in detail, please call the station on 9861 5800 or pop into the station.

# AGE FRIENDLY COMMUNITIES SURVEY

---

## Age Friendly Communities Survey

The Shire of Kulin is committed to creating an age-friendly community and supporting 55 years plus residents living in our region. To achieve this we are conducting a survey to help the Shire better understand demographic profiles, accommodation requirements and community service needs. This information gathered will be used to inform and support businesses and organisations who currently are intending to service senior-aged members of our community and all levels of government. Please complete the survey and return to the Kulin CRC by 20th August 2023. Thank you for your participation. Please circle your answers

**1. What age range are you currently in**

55-59      60-69      70-79      80-89      90+

**2. Current living situation**

Living alone      Living with a partner      Living with family  
Living with a non partner      other

**3. Living arrangements**

Property that you own      Property a family member owns  
Property you rent      Residential aged care      other

**4. Which locality are you in**

Kulin Townsite      Jilakin      Dudinin      Holt Rock      Pingaring  
West Kulin      Jitarning

**5. Do you anticipate moving residences in the next 5 years**

Yes for health and care support      Yes to downsize      Yes for personal reasons  
No I want to age in place      No I won't need care      Unsure      Other

**6. If you expect to move, where would you move**

\_\_\_\_\_

**7. If you did move, would you prepare to**

rent      lease for life      mortgage      own outright      live with family/ friends      other

**8. Which of the below services do you utilise**

Professional in-home care      Family member in-home care      None  
Assisted living      Residential aged care      other

**9. Which of the following would you LIKE to access for support**

Professional in-home care      Family member in-home care      None  
Assisted living      Residential aged care      other

# AGE FRIENDLY COMMUNITIES SURVEY

---

10. What size residence would be most suitable for you

Bedroom only   1 bed by 1 bath   2 beds by 1 bath   2 beds by 2 baths   3 beds by 1 bath  
other

11. Are you currently experiencing any health issues

Yes                  No

12. Do you have any pets

Yes                  No                  Would like one

## From The Principal's Desk

By Mr Walker

### Staff Change

Commencing next term is Mr Steven Hooson. Steven will be joining our High School team as High School English and HASS teacher. Steven will be stepping in to replace Ms Isabella Serra-Sanfelin for Semester 2. Ms Serra-Sanfelin has to be in Perth for personal reasons for the next few months. I know on behalf of all, I thank Bella for her contribution and support of our students this semester and wish her well for the rest of this year. At the same time, I know our community and students will welcome Mr Hooson to Kulin.

Have a great 2 weeks everyone, I look forward to all the opportunities that we will have next semester. Let's continue to work hard to build on our fantastic school culture. We all want our school to be the best place it can be.

Garry Walker  
We STRIVE

### Attendance

After the last few years where school attendance has been affected negatively by COVID, it is exciting to note our attendance rates at Kulin this semester are quite positive.

Attendance figures at Kulin for Semester 1 at a glance are:

- 65% of our students are regular attendees (have an attendance rate above 90%)
- On any given day we have on average just over 90% of our students at school.
- Only 8% of student absences are unexplained (no communication from home).

These figures show significant improvement when compared to the last few years, but there still has to be room for improvement. I would love more than 65% of our students to be regular attendees (above 90% attendance rate). To keep an attendance rate above 90% students cannot miss more than one day of school every two weeks.

Remember if you are not at school you will miss stuff!

## MEET THE TEACHER

Mr Steven  
Hooson  
ENGLISH/HASS

### ABOUT ME

- Degree in Indigenous Studies and Conservation Biology
- I have a son named after a 1600s Dutch Ship
- Qualified Plumber and Gas Fitter

## Interschool Cross Country

**INSPIRE**

On Friday the 9th of June, 29 of our students competed in the interschool cross country. It was a great day of competition, with Kulin coming away 2nd overall. Congratulations to all students that attended and thank you to those parents and staff who assisted on the day.

### OVERALL

- 1st Narembeen - 162 points
- 2nd Kulin - 104 points
- 3rd St Mary's - 82 points
- 4th Bruce Rock - 76 points
- 5th Corrigin - 57 points
- 6th Merredin - 52 points
- 7th Hyden - 38 points

### RESULTS

#### Primary

- 1st Narembeen - 95
- 2nd St Mary's - 82
- 3rd Merredin - 52
- 4th Kulin - 46
- 5th Corrigin - 41
- 6th Hyden - 38
- 7th Bruce Rock - 27

#### SECONDARY

- 1st Narembeen - 67
- 2nd Kulin - 58
- 3rd Bruce Rock - 49
- 4th Corrigin - 16

## NAIDOC Week

2-9 JULY 2023

#NAIDOC2023 #ForOurElders

 @naidocweek  @naidocweek  facebook.com/NAIDOC

### For Our Elders, Bobbi Lockyer

Where there is knowledge there are our Elders. Our Elders paved the pathways for us, taught us our knowledge, our history, they passed down their art, stories and wisdom. Our Elders are the foundation of our communities and role models for our children. With this poster I wanted to showcase how important our Elders are in passing down traditions and culture to our children and future.

naidoc.org.au

# BRAIN TWISTERS

A: With pointed fangs I sit and wait; with piercing force I crunch out fate; grabbing victims, proclaiming might; physically joining with a single bite. What am I?

B: If an electric train is traveling south, then which way is the smoke going?

C: Two men are in a desert. They both have backpacks on. One of the guys is dead. The guy who is alive has his backpack open and the guy who is dead has his backpack closed. What is in the dead man's backpack?

C: A parachute

B: There is no smoke - it's an electric train

A: A stapler

Answers

# COOKING CORNER

## CHOCOLATE CARAMEL COOKIES AND PUMPKIN SCONES

### Chocolate Caramel Cookies

#### Ingredients

- 2 cups all-purpose flour
- 1 1/3 cups unsweetened cocoa powder
- 2 tsp baking soda
- 1/4 tsp salt
- 1 cup unsalted butter
- 1/2 cup sugar
- 1 1/2 packed light brown sugar
- 2 large eggs
- 2 tsp vanilla extract
- 1/4 cup buttermilk
- 12oz chocolate
- 36 soft caramels

#### Method

##### Step 1

Line baking sheet with parchment paper. In a medium bowl, sift together flour, cocoa powder, baking soda and salt, then whisk to combine; set aside.

##### Step 2

In a large bowl, using an electric mixer, beat butter and sugars on medium speed until light and fluffy, about 3 minutes. Reduce mixer speed to low and mix in eggs 1 at a time, then add vanilla.

##### Step 3

Add flour mixture in 2 parts, alternating with buttermilk and beating just until incorporated.

##### Step 4

Fold in chocolate chunks by hand, then refridgerate at least 30 minutes.

##### Step 5

Scoop dough into balls (2 tablespoons each) and place on prepared sheet; refridgerate while preparing caramels. With the back of a spoon, flatten each caramel into 3/4 inch wide disk. Flatten each ball of cookie dough into disk and wrap around flattened caramel; return to baking sheet and refridgerate.

##### Step 6

Heat oven to 350C. Line 2 baking sheets with parchment and arrange chilled cookies on sheets, spacing 2 inches apart. Sprinkle with flaky salt and bake, rotating positions of pans halfway through, until set around edges, 10 to 12 minutes. Let cool on sheets 5 minutes before transferring to a wire rack to cool completely.

### Pumpkin Scones

#### Ingredients

- 300g butternut pumpkin, peeled and cut into 2cm cubes
- 3 1/2 cups wholemeal self-raising flour
- 1/2 cup buttermilk
- 3/4 cup reduced fat milk
- 1/2 teaspoon nutmeg

#### Method

##### Step 1

Preheat oven to 200C. Line a baking tray with baking paper and set aside.

##### Step 2

Place a pumpkin in a small saucepan with water. Bring to the boil and cook for 15-20 minutes or until pumpkin is

tender.

##### Step 3

Drain pumpkin and place into a medium-sized bowl. Mash pumpkin and set aside to cool for 10 minutes.

##### Step 4

Combine self-raising flour, buttermilk and milk into a large mixing bowl. Add pumpkin and nutmeg, working quickly with clean hands to combine all ingredients.

##### Step 5

Turn dough out onto a lightly floured surface. Knead gently until all ingredients are well combined. Be careful not to over knead as this will make your scones touch.

##### Step 6

Oat dough down until it is 2cm in thickness.

##### Step 7

Using a 6cm scone cutter, cut rounds and place onto the prepared baking tray.

##### Step 8

Bake for 12-15 minutes or until scones are golden and well risen.

##### Step 9

Serve fresh or allow to cool then freeze scones individually in cling wrap, or small airtight containers.

## CARAVANNING

### 1. Make A Checklist

You'll need a comprehensive array of items when holidaying with a caravan. Obviously, a towing aid is required, but you need to select one that is right for your vehicle.

Other essential caravanning items include a fire extinguisher, wheel chocks, caravan jack, sway control device, towing mirrors, extra coolant and oil, a spare fan belt and insulation tape.

As with any hobby, some items are essential for newbies, while others can be purchased over time for extra comfort and convenience.

### 2. Ensure Your Caravan Is Safe And Secure

Once armed with the essentials, you'll need to make sure your caravan (and vehicle) is safe to be on the open road. It's best to write a checklist well before you depart and keep it within your caravan for easy referral.

Among necessary checks are that the towing aid is fitted correctly, drawers and other loose items are secure and windows and doors are locked. Also, remove wheel chocks and the jockey wheel, and raise the caravans' steps. It is also essential that the lights of both vehicles and caravan are operational and all tyres are inflated correctly.

### 3. Take It Easy

No doubt you've been stuck behind a slow-moving caravan. Now it's your turn to irritate other motorists! Naturally towing something the size of a bloated elephant takes some getting used to and you should take extra care anyway - yet there is another important consideration - fuel consumption.

### 4. Have An Early Start

Following on from the tip above, it pays to rise early and hit the road before the crowds join the party. This is especially so when towing a caravan for the first time, as you'll feel much more confident driving in light traffic.

### 5. Be Prepared For Confined Spaces

No matter the strength of your relationship, a caravanning trip can be a test for you and your partner. One of the top tips for caravanning is to be prepared for the fact that you will be travelling in confined surrounds. Give each other space, where allowable.

### 6. Work As A Team

When it comes to tips for using a caravan for the first time, one of the biggest of all is how to reverse the darn thing. Practice makes perfect. Put it in training runs before facing an audience at your park.

When at your site, choose the shortest path necessary for reversing. From here, parking a caravan requires you to work as a team.

Ensure you and your partners communication is sound and you can hear others loud and clear. However, consider using hand signals, or even two-way radios, as it might be difficult to hear instructions over a loud engine. Use mirrors, be patient and don't panic.

### 7. Have A Set-Up Routine

If you've spent considerable time on the road, the last thing you'll want to do is spend hours setting up your site. Once again, a practice run is worthwhile, as the process will become more efficient over time.

As each caravan differs, so too does the setting-up process. However, here's a brief rundown: start by unhitching the

caravan, putting on its handbrake, and clearing your vehicle away.

Once done, level the caravan, lower all four corner steadies until they are touching the ground, set up the gas and water systems and connect the power. From here, head inside the caravan and check up the power and water supplies: heating, taps, oven, fridge, etc.

### 8. Don't Take Opinions As Gospel

Having a rig makes you a target to cop advice of fellow caravanners and there's every chance you'll be hit with more opinions than a talkback radio host. In no time, you'll be informed about the best bakery, the cheapest beer and alternative routes that are 'so much quicker'.

### 9. Pack Up Properly

For this tip, it's best to refer to point number three: follow your checklist. However, there will be additional factors to consider, such as turning off the gas, disconnecting electric and remove water and wastewater supplies.

### 10. Take A Course

If you're serious about caravanning, you should do it properly. While they might seem excessive, the various 'caravanning for beginners' courses on offer will provide great theoretical and practical advice and boost your confidence. Alternatively, arrange for a caravan specialist to check your rig before you set off.

At the very least, have a trial run with your caravan before beginning an epic journey. It's important to familiarise yourself with your new home away from home.

# AROUND THE WORLD

## WORLD YOUTH SKILLS DAY (15TH OF JULY)

### Why is World Youth Skills Day Important?

In 2014, the United Nations General Assembly declared 15 July as World Youth Skills Day, to celebrate the strategic importance of equipping young people with skills for employment, decent work and entrepreneurship. Since then, World Youth Skills Day events have provided a unique opportunity for dialogue between young people, technical and vocational education and training (TVET) institutions, firms, employers' and workers' organisations, policy makers and development partners. Participants have highlighted the ever-increasing significance of skills as the world embarking on a transition towards a sustainable model of development.

### What is Youth Skills Day about?

World Youth Skills Day is about equipping young people with the skills needed for decent work, employment and entrepreneurship. It's a significant day for young people, educational institutes and employers alike to come together and acknowledge the importance of helping young people build their skills they need to be employable.

It's vital that all young people know about World youth Skills Day because it's a day that is all about them, their abilities, and their future. The theme for 2020 was 'Skills for Resilient Youth'. This is a theme that is still prevalent this year as Covid-19 still rages across the globe.

### What role do technical and vocational education and training play?

Education and training are central to the achievement of the 2030 Agenda. The vision of the Incheon Declaration: Education 2030 is fully captured by Sustainable Development Goal 4 "Ensure inclusive and equitable quality education and promote lifelong learning opportunities for all".

Education 2030 devotes considerable attention to technical and vocational skills development, specifically regarding access to affordable quality Technical and Vocational Education and Training (TVET); the acquisition of technical and vocational skills for employment, decent work and entrepreneurship; the elimination of gender disparity and ensuring access for the vulnerable. In this context, TVET is expected to address the multiple demands of an economic, social and environmental nature by helping youth and adults develop the skills they need for employment, decent work and entrepreneurship, promoting equitable, inclusive and sustainable economic growth, and supporting transitions to green economies and environmental sustainability.

### What is the best way to learn new skills?

It may seem difficult to find opportunities when we're in the middle of a pandemic, but there are a bunch of places where you can go online and locally to gain new skills.

#### 1. Your Local Youth Club Or Counselling Centre

Your local council will often have a youth club. Many of these clubs can give you access to staff, councillors or career advisors to help you find ways to build skills that cater to your interests.

Headspace is a counselling service which supports young people. Their website offers resources for employment. Clinics across Australia give you access to counsellors who can give you career and education guidance as well as point out opportunities available in your local area.

#### 2. Consider Taking Up A Traineeship Or Apprenticeship

A traineeship or apprenticeship is a great way to get some hands-on experience in a job. You'll get to develop your skills on the job and in some of these, you can also get paid. A traineeship or apprenticeship can also improve your employability. You'll have something extra to add to your resume.

#### 3. Encourage Training In The Workplace

Asking for training in the workplace is a great way to build your skillset while working. Workplace training has mutual benefits for both employers and employees alike. For employers, training can improve efficiency, employee morale and organisational effectiveness. As an employee, you get to develop your skills and learn alongside your fellow colleagues.

#### 4. Using Youth Employment Services

Youth employment services are a great way to receive support about employment. They help you develop skills, confidence and resilience needed to find and work in a job. Youth employment services also have connections to potential employers and can assist you in finding work.

### How Can You Support World Youth Skills Day?

All young people should have access to the opportunities and training they need to excel in the world of work, especially our modern, constantly changing one. You can help by sending a donation to the areas it is most needed. This will mean that your donation is allocated to the areas that will have the greatest impact on the elimination of child poverty.

You can also sign on to donate monthly to ChildFund this World Youth Skills Day. This way, your support will last long beyond World Youth Skills Day, helping 1,000 children in one year to obtain the support that they need to thrive.

NAIDOC WEEK (2-9 JULY 2023)

## Do You Know What NAIDOC Stands For?

On 26 January 1938, while many Australians celebrated the 150th anniversary of the landing of the First Fleet, a group of over 1000 Aboriginal people gathered at Australia Hall in Sydney to call for full citizenship status' and laws to improve the lives of First Nations people. As one of the first major civil rights gatherings in the world, this day became known as the Day of Mourning. Since then, National NAIDOC Week has grown to become both a commemoration of the first Day of Mourning as well as a celebration of the history, culture and excellence of First Nations people. National NAIDOC Week is observed annually from the first Sunday in July until the following Sunday.

## Ways You Can Support National NAIDOC Week

Follow, share and comment on NAIDOC social media.

Read a book by a First Nations author.

Listen to podcasts or music by First Nations artists and creatives.

If you are a business sponsoring an Aboriginal and/or Torres Strait Islander event, consider donating your tickets to the local community.

Host your own NAIDOC Week Event – local [NAIDOC Week](#) [Grants are available](#).

Add a National NAIDOC Week banner to your email, use a NAIDOC Teams background or download social media tiles/frames to use on Instagram or Facebook at [NAIDOC Downloads](#).

Display the National NAIDOC Week Poster in your workplace or classroom and get your hands on some National NAIDOC Week merchandise! To get your poster and merch visit the [NAIDOC website](#).

Engage with local Traditional Owners and your local Aboriginal or Torres Strait Islander Community.

Follow First Nations social media accounts and share their content!

T Barndon 0428 939 189

R Doust 0499 802 054

## CONTAINERS FOR CHANGE

### ARTS CENTRE

A simple way to make a contribution to the Kulin Arts Centre is to support their Containers for Change collection. Simply return your containers and use the ID C10333381.

All Good Refund Depot come to Kulin on the last Wednesday of every month. They pick up returns from the Kulin Memorial Hall at roughly midday. Contact Belle at the Shire for more info.

### KULIN CHILDCARE CENTRE

You can help support our local Child Care centre with just your bottles and cans. Drop your eligible containers into the bin behind the Memorial Hall or to any Containers For Change donation point using the ID C10351204

## SNAP SEND SOLVE

Reporting local issues just got easier!

Being a community legend has never been easier!

Spotted an issue in your community like graffiti, illegal parking, dumped rubbish, trip hazards or abandoned trolleys? Time to get Snapping!

Snap Send Solve is the free app that simplifies the reporting of community issues across Australia and New Zealand.

We've made reporting quick and easy which means when you see an issue while you're out, you can let the responsible authority know with only a few taps.

Become a community legend and download Snap Send Solve today.

## KULIN CHILDCARE CENTRE CLOSED

The centre will be closed from Monday 3rd July to Friday 14th July 2023 while the centre is getting new flooring installed.
